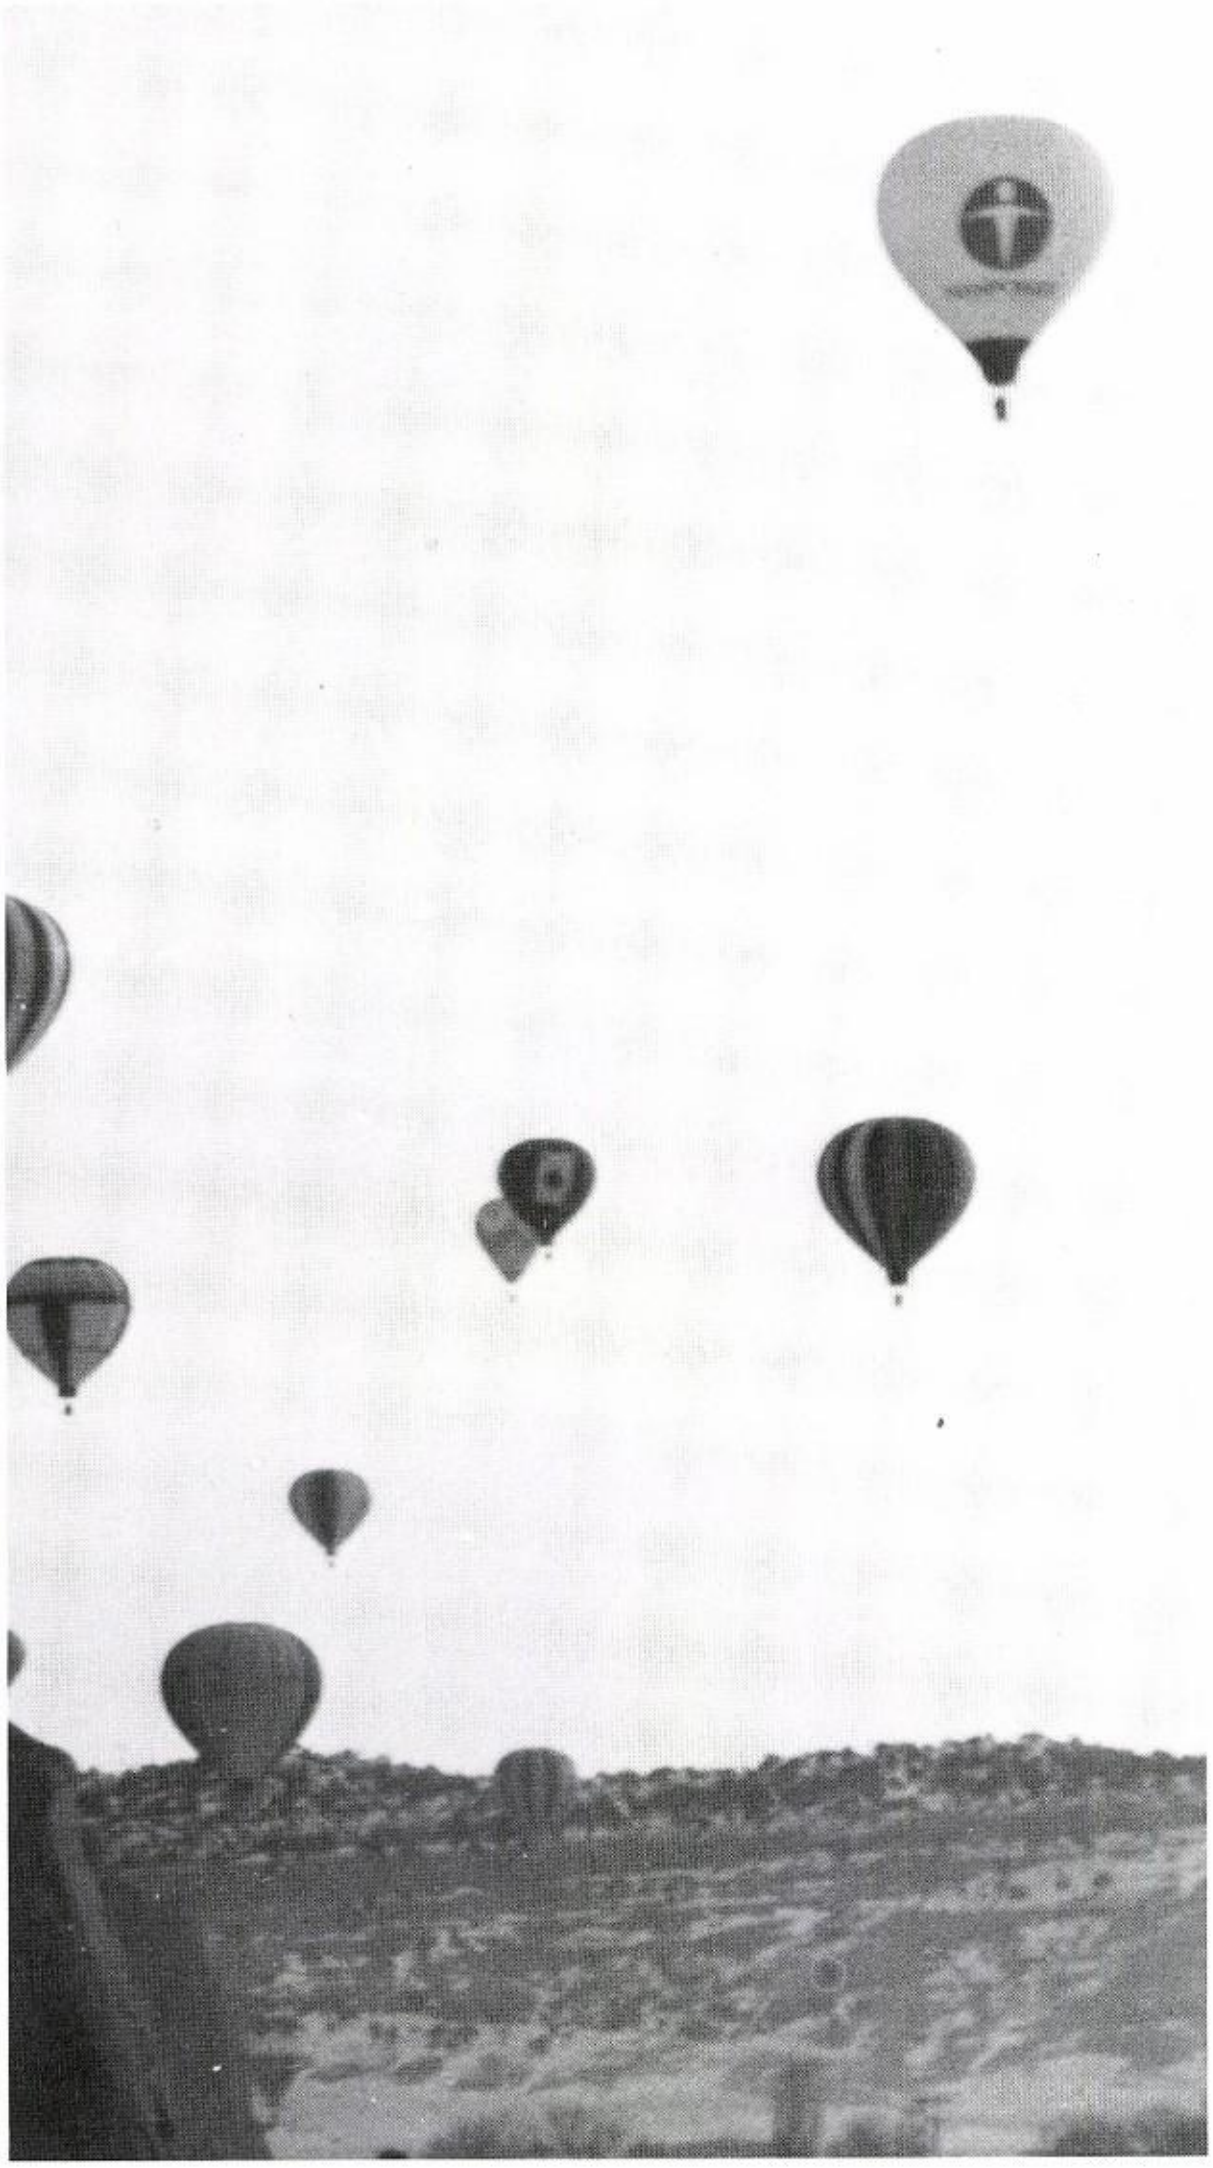
The sky's the limit

The Sky's the limit



Hastings High School has a certain spirit in the air. Each individual in the school contributes part of him or herself to make that feeling so special and lasting. It's not the school, but the students and faculty that play the most important role here. It is these individuals' goals and aims in life, in other words, their spirits, that make H.H.S. what it is ... an excellent school very proud of its students because of their capability to reach goals set in front of them. Using this skill, students of Hastings High will succeed in life.

Classes, clubs, teams, and teachers have, in common, this familiar need to achieve. As groups, they set their goals and share the happiness and joy when their goals have been reached, and possibly even surpassed. Unfortunately, not all goals are undertaken with such spirit and enthusiasm, and so, some of these are not achieved. Something is gained even from disappointment, though. Individuals in groups become closer as friends when disappointments are shared, and that is an accomplishment in itself.

Not all goal-setting occurs in groups. A person must achieve on his own and must set personal goals in order to contribute to the energetic spirit needed to achieve as a group. An individual must experience self-satisfaction to be useful to a group. Members of groups have to encourage each other to search inside themselves for reason to strive for more. Sometimes this searching can be painful, but in the end, the joy of achieving goals and aims will overshadow the pain and disappointment felt on the road to success. So, we set our goals high and reach high because here at Hastings High we know "The Sky's the Limit."

Julie Lantz

Fall Tigers reach for the sky

FALL is an array of colorful goals set and achieved by the H.H.S. Tigers. Freshmen set goals for adjusting to a new school and different types of classes. Teachers must aim high in order to challenge students to broaden their background academically. Sporting teams, such as football, volleyball, cross country, and tennis, must work both together and as individuals to give their all! They survive the first weeks or so of conditioning in order to share the joys of challenge and victory.

Homecoming is a special time of the year when excitement and student involvement saturates the air. Two special students are chosen and recognized for their many accomplishments.

An outstanding group of achievers undertake the responsibility of entertaining us during autumn. Drama is started right away with the fall play. Students work together to put on a great performance. The marching band has to work as a unit throughout performances and competitions in the fall. They earn some very valuable honors. A part of the band that is unique is flag squad and twirlers. Because of their enthusiastic way of striving for more, they are enjoyable to watch. Cheerleaders have a common goal, to encourage the participants of sports to reach for their goals. They also try to get the entire student body to do the same.

The fall season shows spirit and enthusiasm and begins to prove "The Sky's the Limit."

Julie Lantz

Freshmen

"The highlight of my freshman year will be when I become a sophomore." *Stephanie Seiler*

Academics 14

"Mass media class is like no other class, it opens up many ideas for the future." *Michelle DeSimone*

Football 26

"We had a really good season, but towards the end, we lost our mental concentration." *Jon Engelhardt*

Volleyball 34

"Student support really helps (the girls) . . . when things drag, the crowd can pick us up." *Miss Teetor*

Cross Country 42

"The boys and the girls have a lot of support for each other. The group is diligent in its efforts and is serious to accomplish its goals." *Mr. James*

Boys Tennis 46

"This was my first year out (for tennis) and I never expected to accomplish so much." *Dave Gustafson*

Homecoming 50

"I was really honored and excited; it was a night I'll remember for a long time." *Jim Sanderson*

Fall Play 54

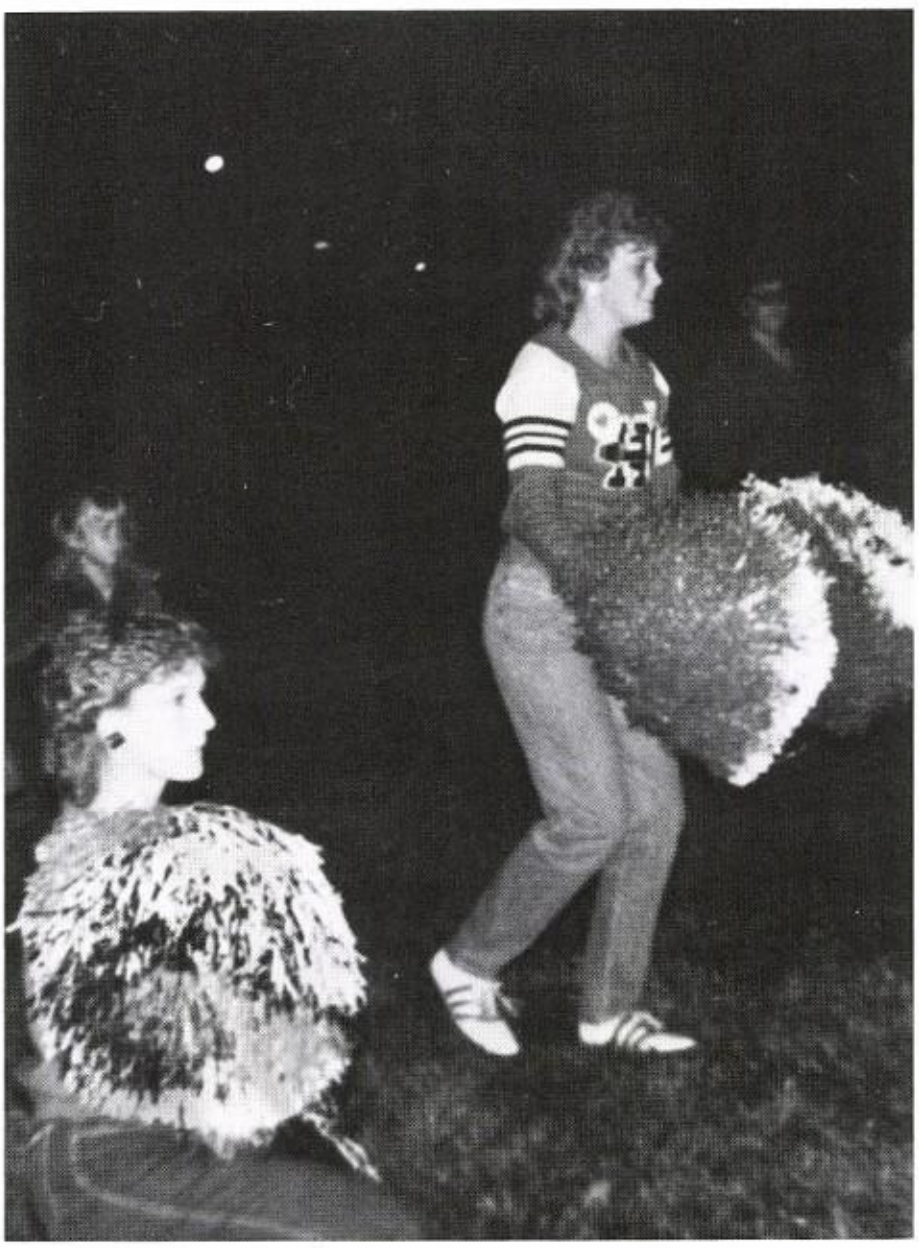
"Lordy, Lordy, Lordy!" *Delilah (Susan Ganow)*

Marching Band 56

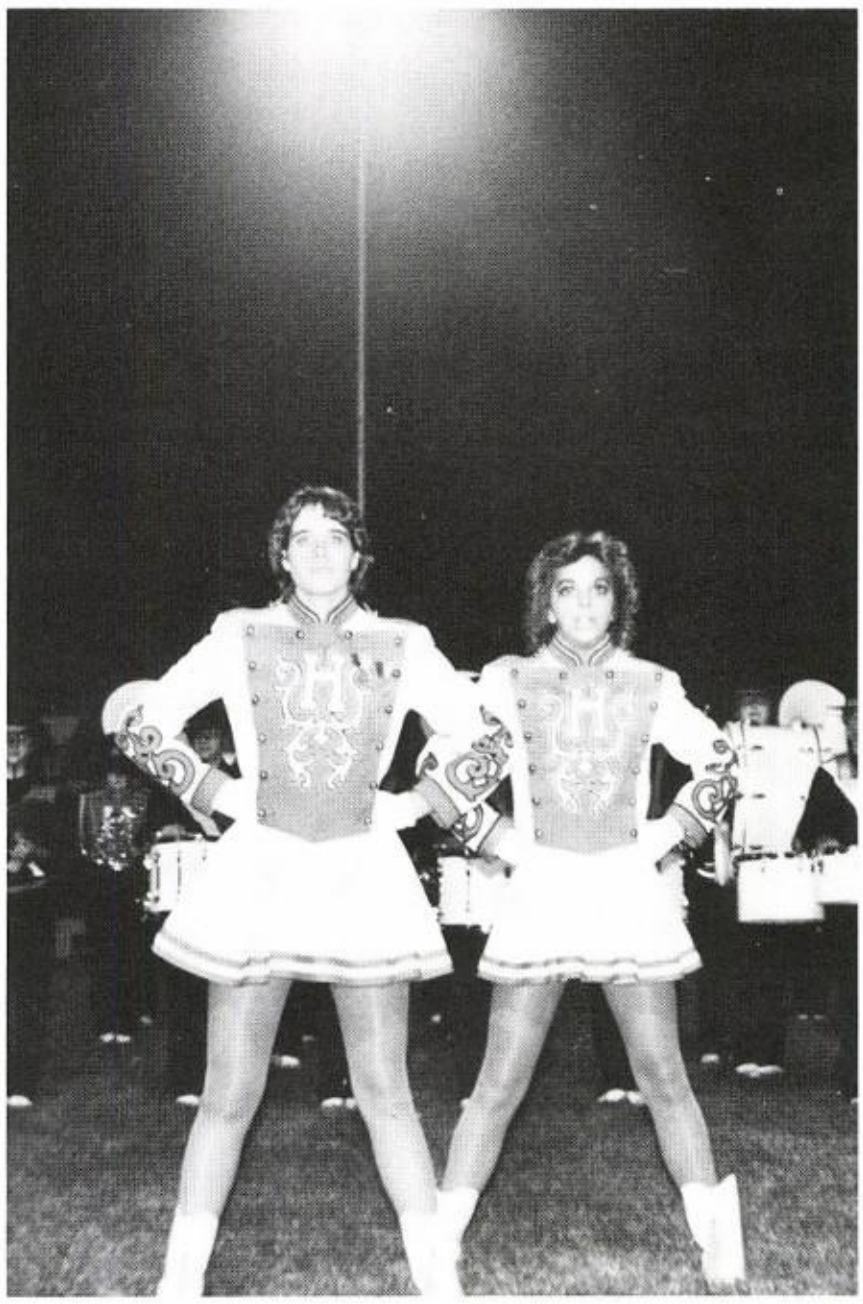
"I believe everyone was thinking together about reaching a common goal." *Mr. Duensing*

Flag Squad, Twirlers 58

"The girls on the (flag) squad this year worked extremely hard, and I think it showed. They pulled together and wanted to be the best. I'm very proud of them." *Lisa Ricker*



Robynn Waltemath and Kim Werbel show their spirit at the Homecoming bonfire.



Drum majors Cindy Morrissey and Jane Strasheim perform.

Freshmen; Strive For Top

Freshmen are a very important part of Hastings High activities, even though upperclassmen tend to put them down. Many freshmen expressed the fact that being a freshman isn't easy but it is a lot of fun anyway. The hardest thing about being a freshmen was "getting picked on by upper classmen," stated Eric Scott. There are a lot of responsibilities involved in being a freshman. "Getting used to a new place," is one of them according to Julie Hester. Freshmen are involved in a lot of activities including basketball, volleyball, track, debate, band, football etc . . . "Band was the thing that highlighted my year." stated Laurie Morrissey.

Course changes endorsed

Hastings High School introduced four new subjects and made changes in others for the 1983-84 year.

Dr. Murman said, "Teachers in the departments involved do not discourage the changes, but, in fact, request these changes for students."

Child Care and Development now has a second semester course. The prerequisite is Child Care and Development I. The second class of Child Care includes caring for children and providing learning experiences as well.

The electricity courses were given new names and a fourth year was added. Digital Techniques is now offered to seniors who have taken the required course beforehand. This course is designed to prepare a student to use tomorrow's electronic devices.

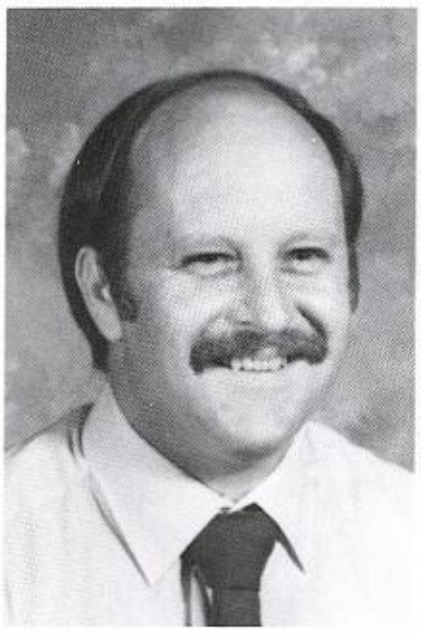
General Art was added this year as a first, second, or both semester course to seniors. It introduces the student to the elements of art and application through projects in drawing, painting, printmaking, sculpture, ceramics, and macrame. Art history is also given in conjunction with the projects.

Mass Media became a reality this year after not being offered for many years due to lack of student interest. Students in Mass Media create "minute announcements" for the radio stations, tape athletic events, film television shows, make media presentations and develop public relations projects.

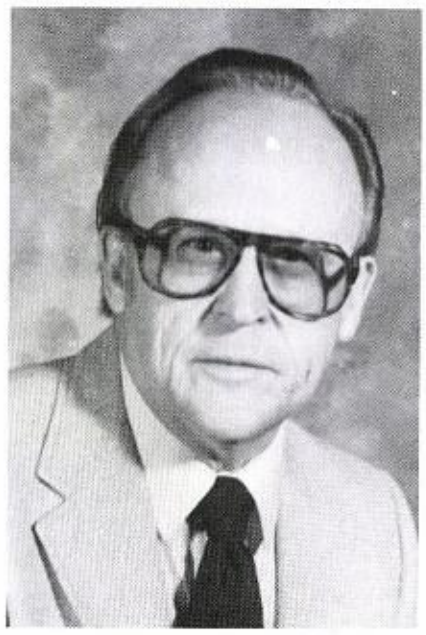
Changes in other classes were also made. Basic Programming has been offered to seniors in the past year, but, starting this year, the course was also offered to juniors.

Physical Science has been a one-level course, but with the beginning of the 1983-84 school year it is being taught as a two-track or level course.

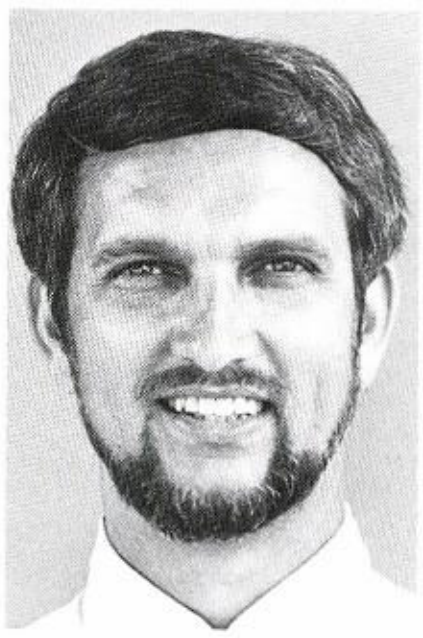
In Mrs. Lamski's French class, Duanna McAllister and Kara Peterson are acting out foreign phrases



Thomas Barry: World Geography



Oliver Bierman: Western Civilization, Anthropology



Darrell Bonar: Geometry 9, Algebra 1&2, Basic Computer Programming, Athletic Trainer

Football Team Enjoys First
Winning Season In 21 Years

It's been 21 years since the Tiger football team has ended its season with a winning record. The team's record this year was 5-4.

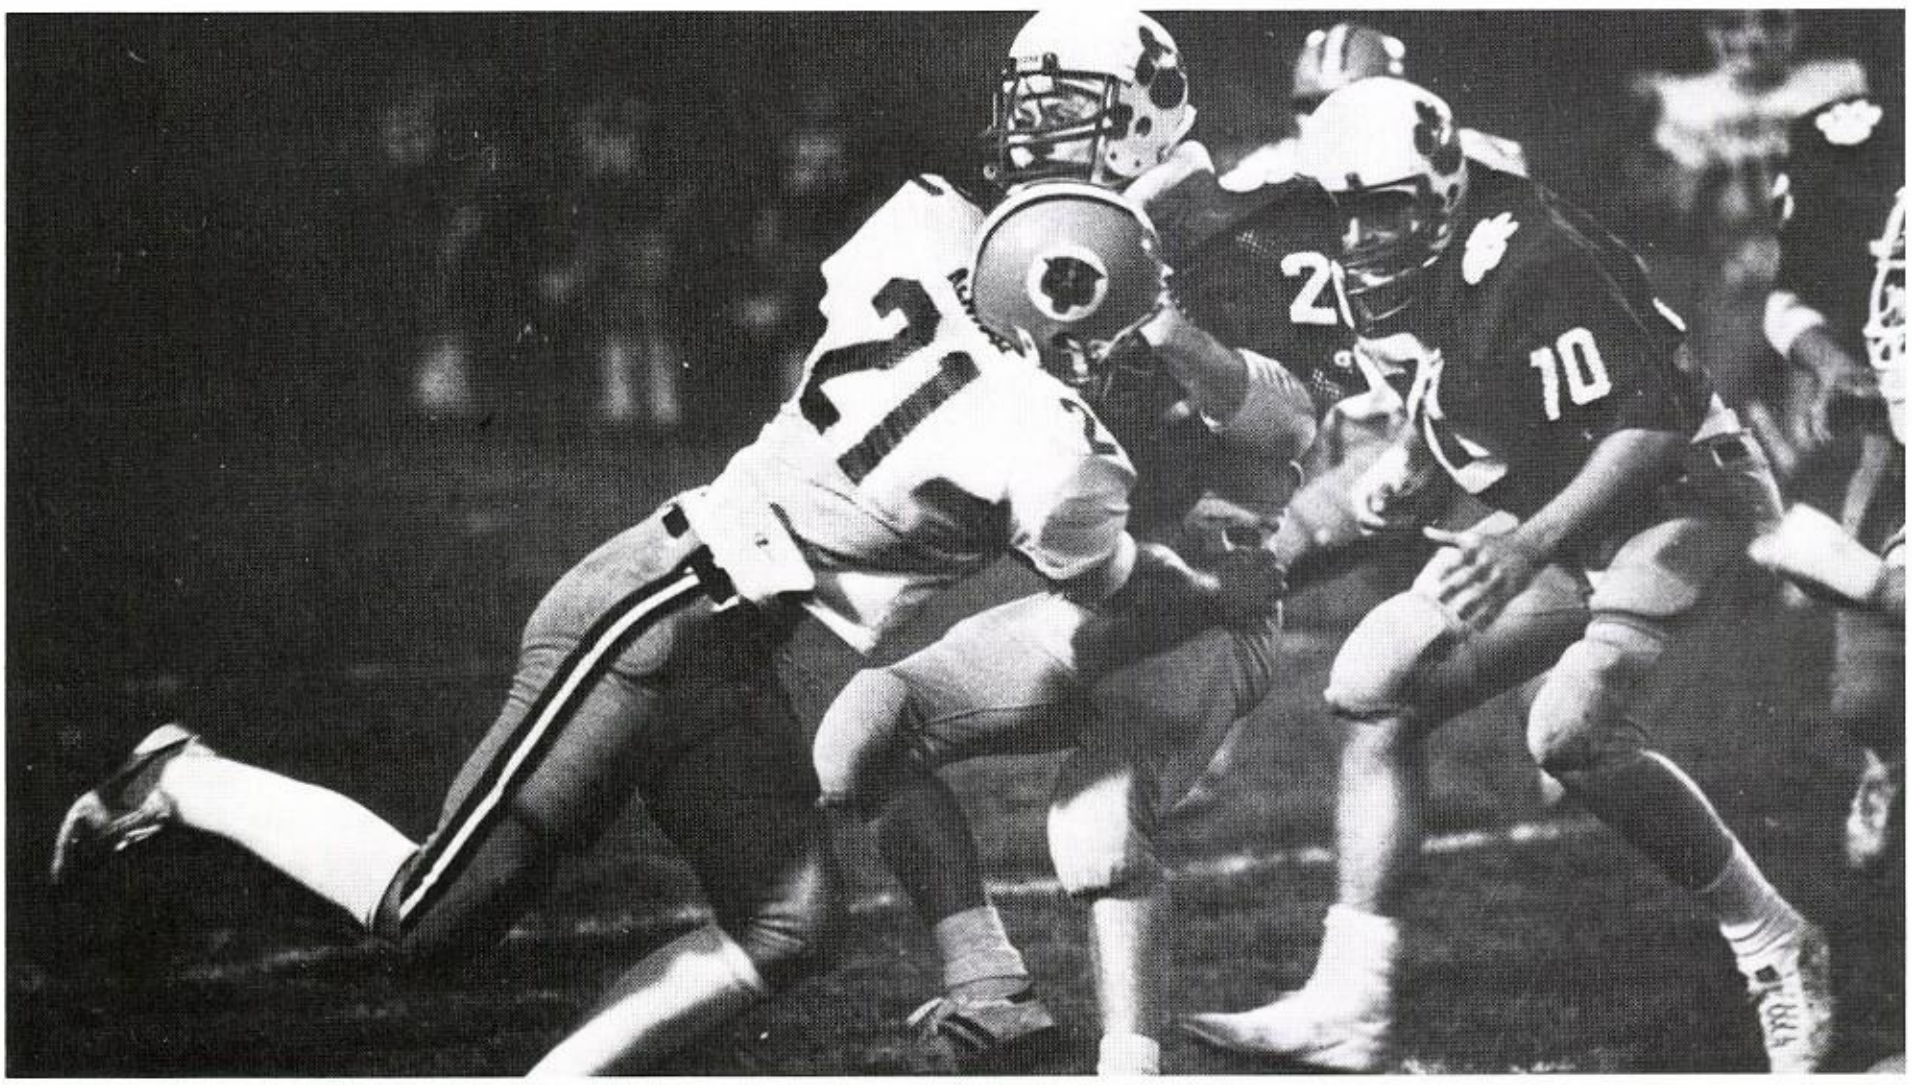
The 1983 football team consisted of 40 players, an increase in comparison to last year. The goals for this team were to improve each week and to become the best football team possible. The major function of the group according to Coach Gillespie was to provide young men with the opportunity to be the best that they could be.

The Tigers were 2-2 in the Trans-Nebraska Plains Division. They also finished high in total offense and defense throughout the state.

Most of the players were satisfied with the season. "We had a really good season, but toward the end we lost our mental concentration," said Jon Engelhardt. Alan Glover replied "We had a very successful season, except we lost our mental concentration the last seven seconds in the Columbus game. "People say that it is the best record in 21 years," said Bob Foote, "but what matters is how we stuck together and played our best. At times we didn't, and we could have had an even better season. If it weren't for the two losses to Norfolk and Columbus, which we should have won, we could have taken it way into the play offs. "Over-all," he said, we worked very hard and were an excellent team."

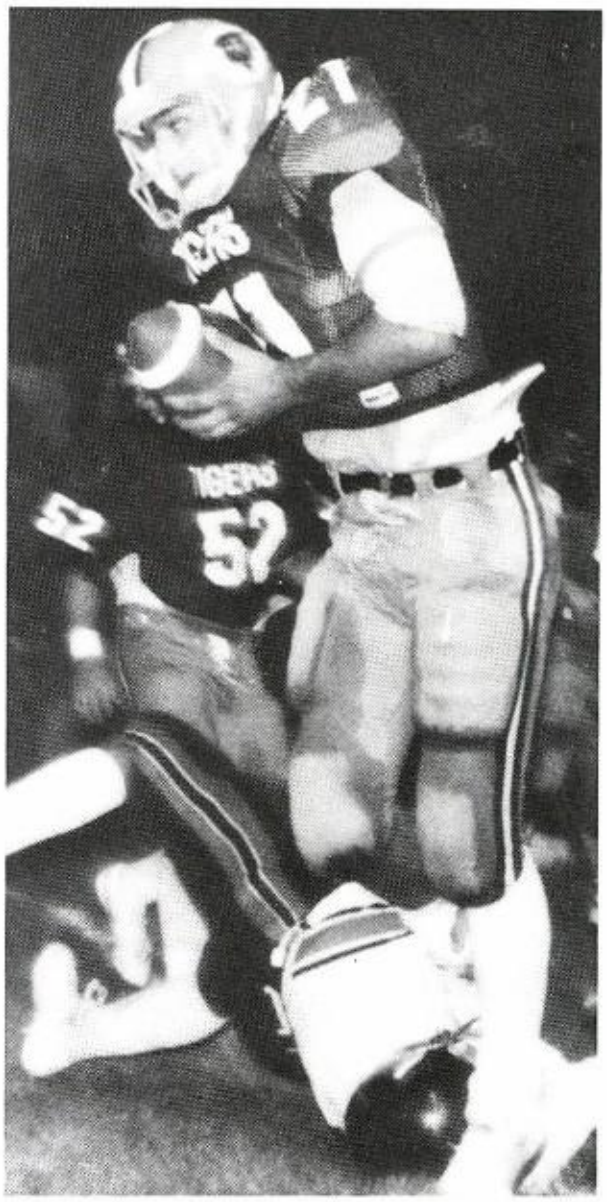
Melissa Kerr

Coach Gillespie sends Brian Taylor in with some advice.

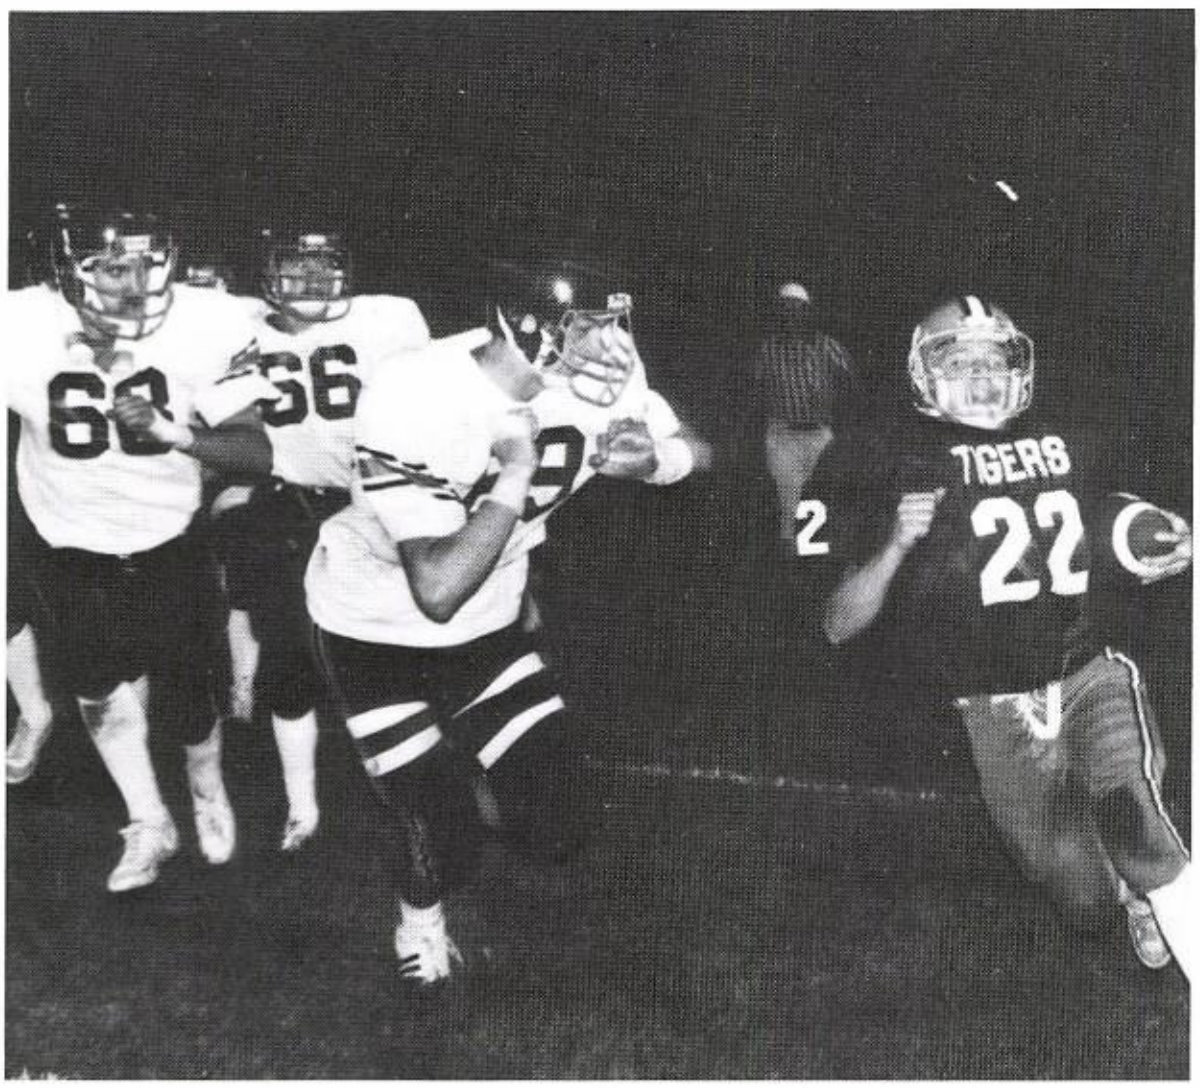


Reggie Kenny pushes through the offensive line.

Fourth row: Todd Hinrichs, Troy Kirby, Mike Hahne, Kevin Baker, Mitch Esch, Mike Boyd, Mark Bachali, Brian Taylor, Josh Miller, Todd Brooks. Back row: Coaches Andre Reiners, Mark Swick, Leslie Hamburger. Players: Jeff Rutt, Bob Foote, Jim Sanderson, Jon Engelhardt, Coaches: Benny Congrove and Head Coach Dave Gillespie. Not Pictured Mark Landgren



Reggie Kenny intercepts the ball.



Jay Zalmen carries the ball, and gains yardage on the play.

Boyd Selected Valuable Player

Mike Boyd was twice named all Conference receiver in the Big 10 Conference and the Trans-Nebraska Conference. He was also selected teams most valuable player. Coach Gillespie was quite pleased with Mike's performance, he stated, "Mike had a fine season and career here. His ability on the field, and his leadership were big factors in the growth of the Hastings High football program over the last two years."

Mike was also pleased with his season. Mike replied, "It was a really good season. I hope that now the Hastings football team will get more respect from the other schools."

The 1983-84 Tiger staff is proud to feature this spotlight athlete.

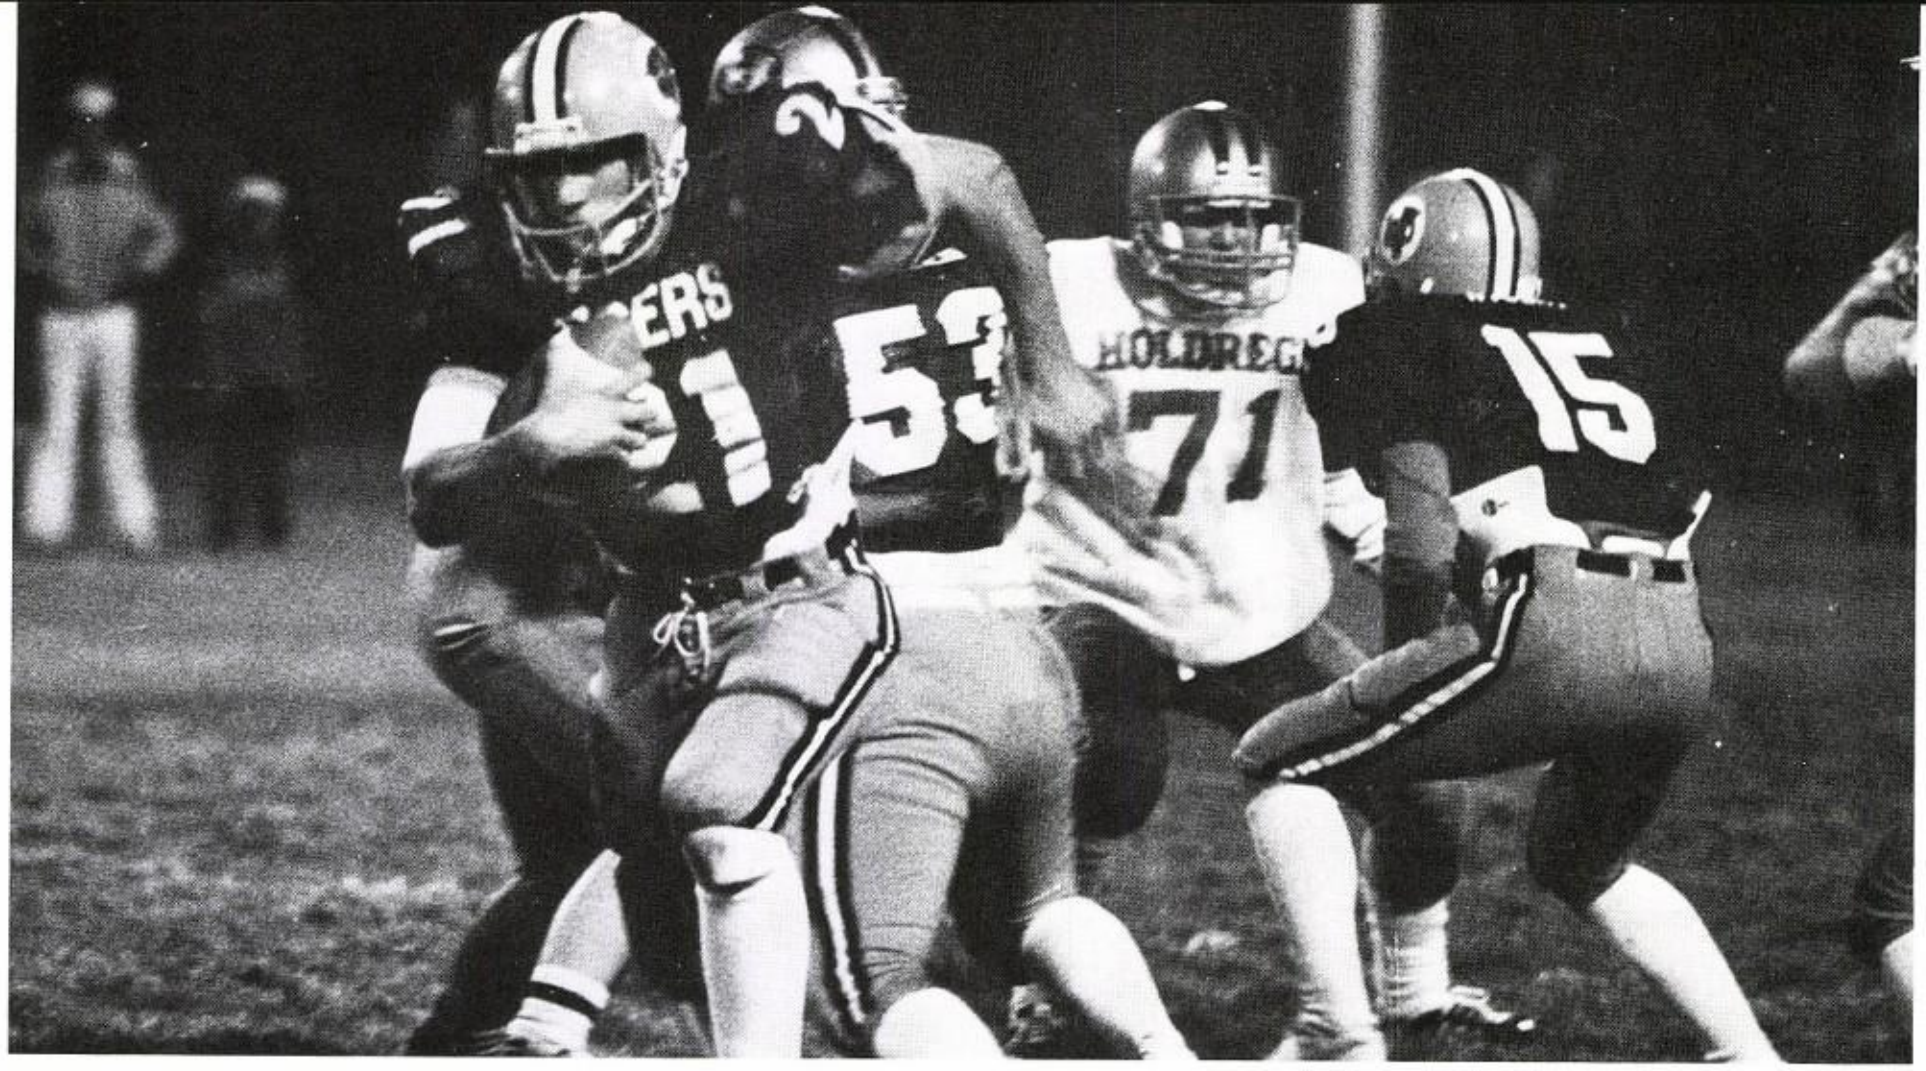
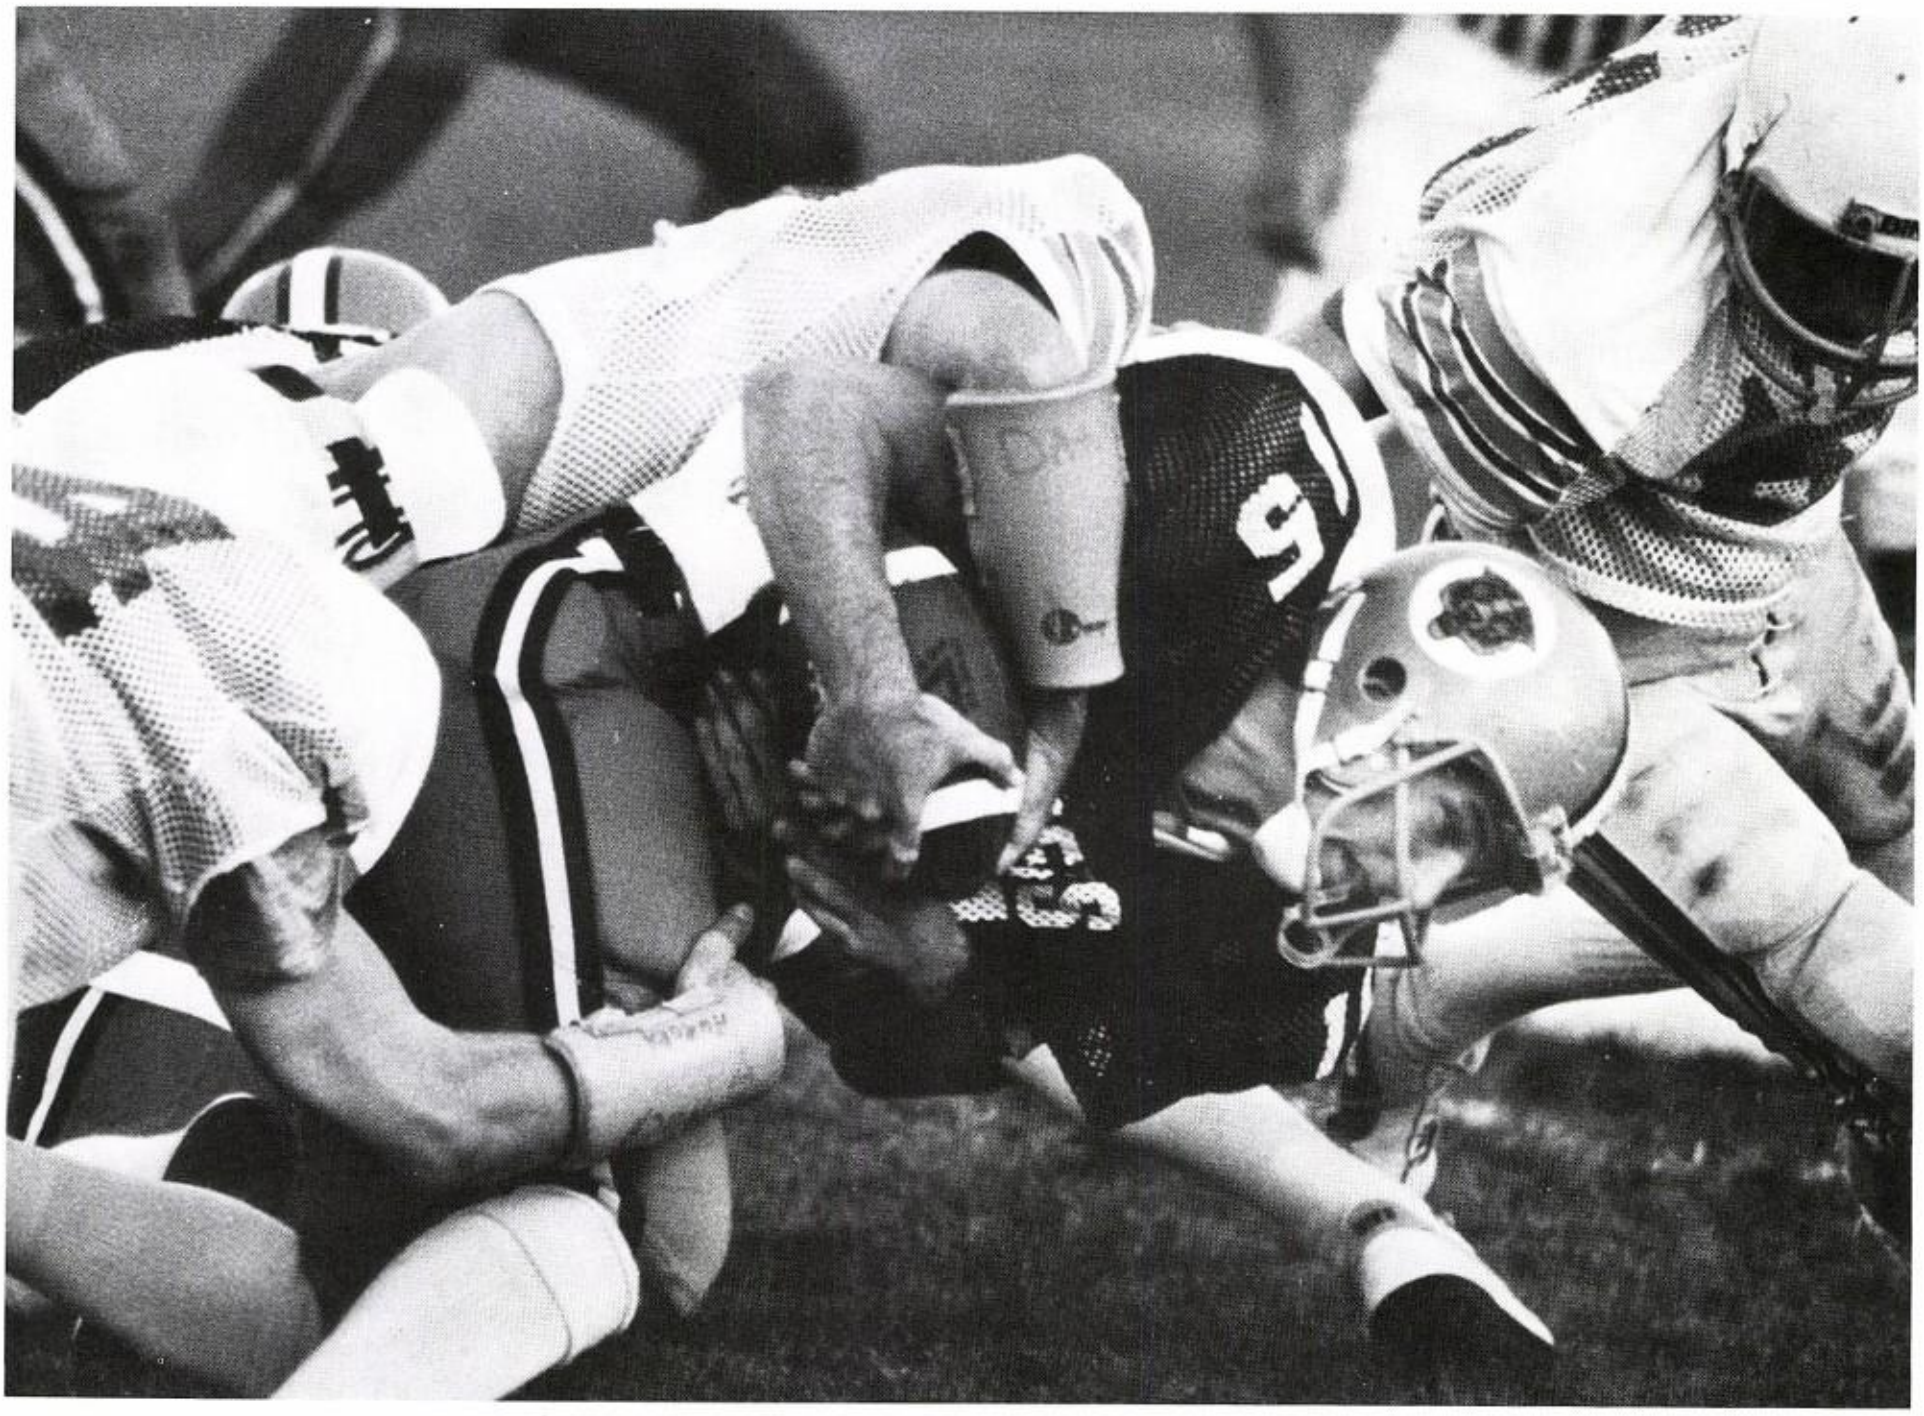
Bob Soares fumbles the ball while doing a somersault.



Alan Glover and Bryan Wigert put up a defensive block while Reggie Kenny runs for a touchdown.



Bryan Wigert holds on tightly to the ball as the opposing team pulls him down.

JV players make good varsity potential

This year's junior varsity football team consisted of 15 sophomores and 11 juniors who suited up to play for the JV games. The young Tiger players had a record consisting of 4 wins and 2 losses. Coach Hamburger stated that "The JV played all of their games well enough to win, but the teams they played were good competition." The junior varsity record will be a positive step for next year's varsity team. Some of the goals which were set for this year's team were to help build a winning record for the varsity program, and to allow everyone to play as much as possible in order to gain experience for the years to come. Bob Soares replied, "We had a good year. Coach Gillespie built us up mentally and in strength. He made us believe we were good. Next year it's state or bust." Rod Lacy stated, "He always told us we could have a winning season if we worked together. We lost some, and won some. We did alot better than last year, next year will be even better." "I was very happy with this year's junior varsity team. We had alot of outstanding games. As a team, we were very young, but have a lot of potential varsity players for next year. I think next year's team will be really good if everyone dedicates themselves this summer," stated Mark Bachali.

A dejected Tiger team walks off the field.

A Tiger player gains a tackle.

Sophomores have slim turnout

The sophomore team ended its season with a record of 0-3. The team was short on sophomores, and of the players they did have out, a few were injured. Some of the players were not able to play some of the games due to playing too many quarters throughout the week. The players had various comments on their season. Todd Kerr stated, "I felt that our season was a plus although we didn't win any games. It also gave us younger guys more time to play." Mike Ewing replied, "I thought the games we played pretty well, except for Grand Island. I thought we played as a team considering we never really got to practice together." Mike Farrell replied, "Even though we had fewer players than most teams, we still gained valuable experience and had fun."

Frosh end season well

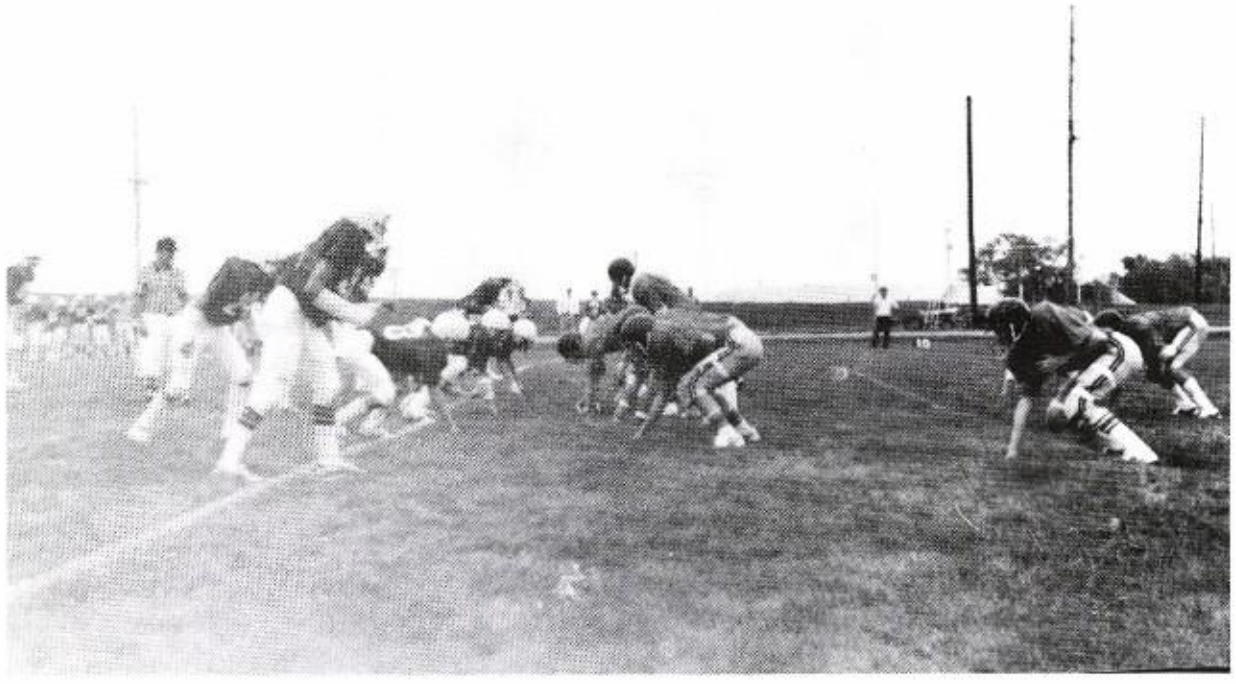
The 1983 freshmen Tiger football team finished the season with a 3-4 record. In the Great Plains Conference they were 1-3 for a fourth place finish.

The season began with 34 eager and enthusiastic players. The number increased to 40 during part of the season with 35 players at the end of the season.

Dedication to learning and improving, and determination to become a better team could be trademarks of the team which did end the season with victories in their last two games.

Perhaps one of the biggest highlights for the team was the victory at Columbus who had a 4-1 record prior to the Hastings game. "Our players really believed in themselves and played with intensity," according to Coach Carlson. "Their confidence and determination allowed them to play that last game in such a manner that they will always be proud of their accomplishments as a team."

Melissa Kerr



The young Tigers gather on the line of scrimmage.

Freshman running-back Matt Bachali rushes around left against Grand Island Barr. Barr won the game, 18-0.

Bryan Wigert is tackled after he passes the ball.

Jay Zalman pushes forward to reach the ball before his opponent.

Setting up for a winning season

The varsity volleyball team had an all-inspiring season this year. They were 8-11, the best season record in years. Angie Rupiper said that the thought of state really stimulated the team. She also stated, "Everyone was willing to work hard. We all got along really well, both at games and at practices." ***WIN NOW*** was their motto. The turn-out for the team was good and no one was cut. The team's greatest disappointment was losing districts to Kearney. This year's team worked hard and it showed.

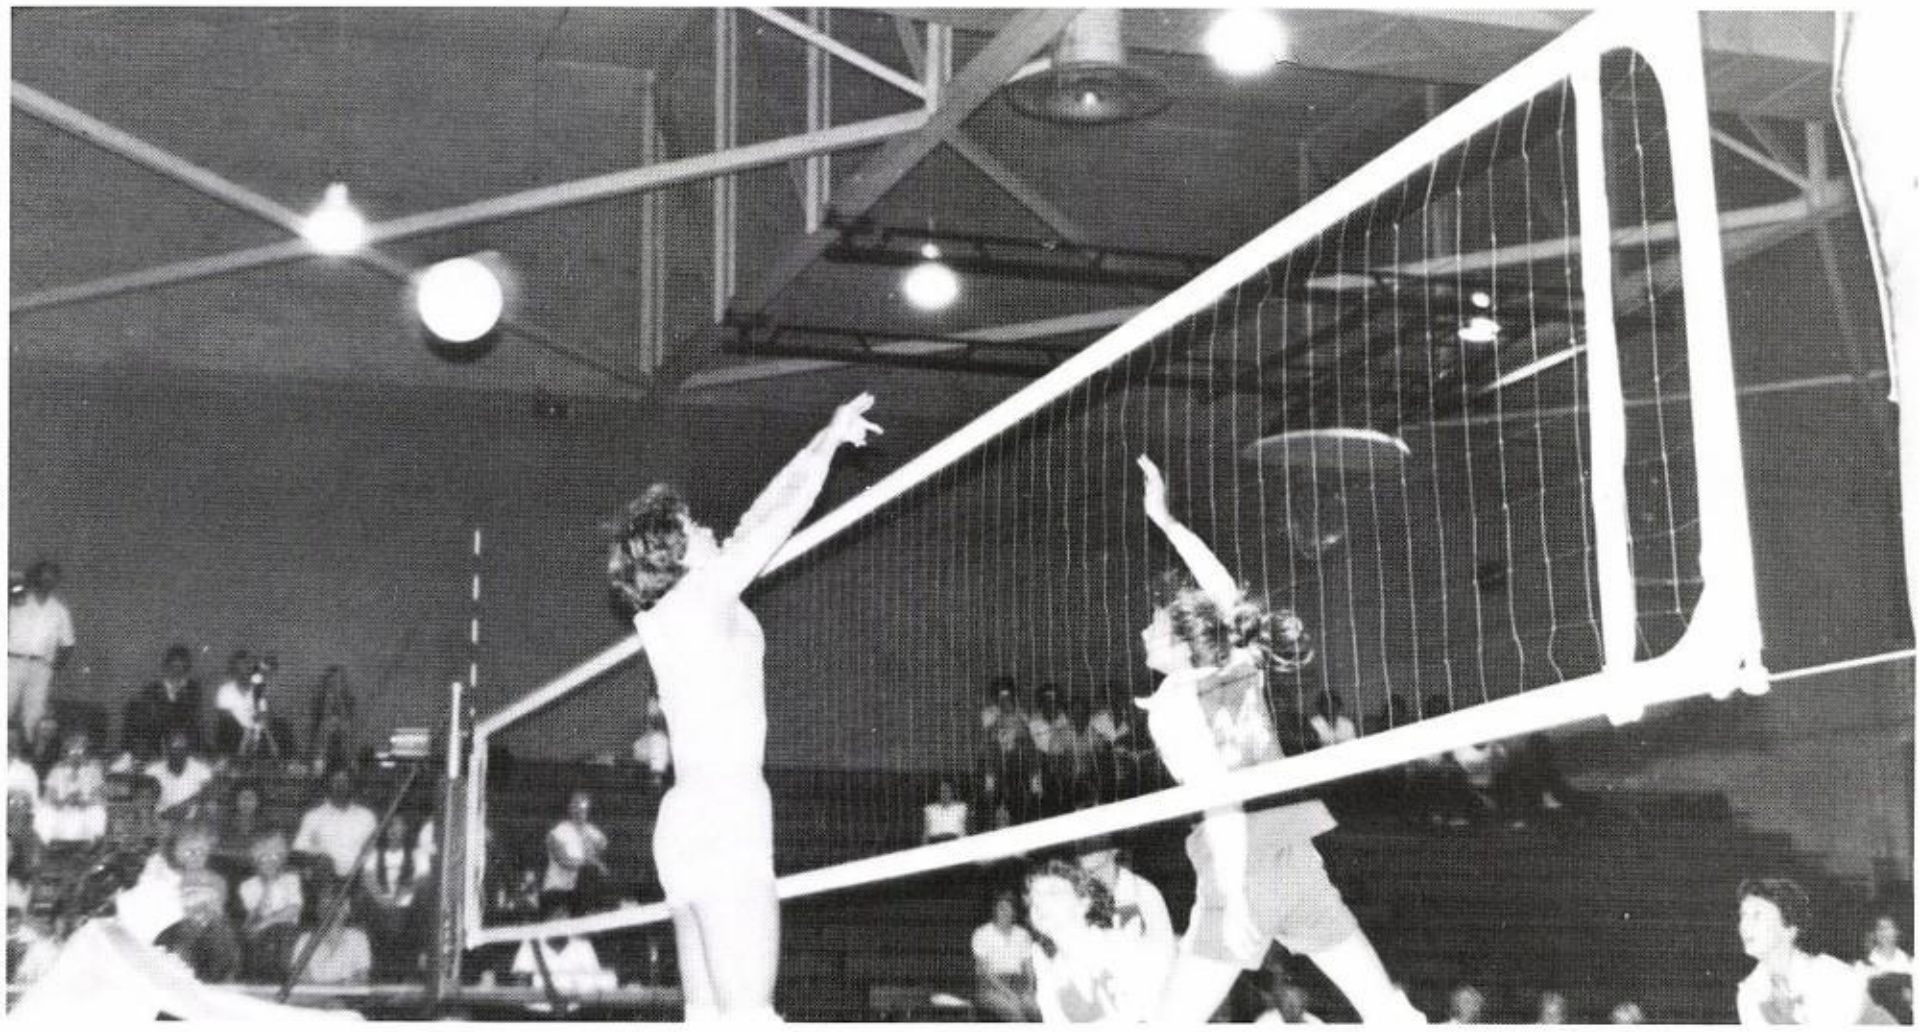
Liz Fairbanks

Barb Howard blocks a spike.

Howard Chosen Feature Player

Barb Howard was chosen as the spotlight player for varsity volleyball this year. She has helped the team tremendously since she started playing when she was a freshman. Barb has been a team leader and played a major part in the team. Ms. Teetor, the coach, says, "Barb was a real asset to the volleyball team. She is a very dedicated player." Barb's teammates depended a great deal on her for support and encouragement. She played well and had a lot of spirit and enthusiasm and she was willing to work hard and put forth an effort. She also showed sportsmanship. Barb's help on the team showed and all of her teammates will miss her when she graduates.

The J.V. and varsity teams join to defend their floor.



Barb Howard goes for a spiked ball after Lynn Thorsheim attempts a block.

First row (L-R): Sherry Brown, Valerie Brock, Angie Rupiper, Jean Boyd, Trish Freeman, Carmen Nitzel, Judy Couton, Rene Schlimmer. Angie Rupiper goes up to spike the volleyball.

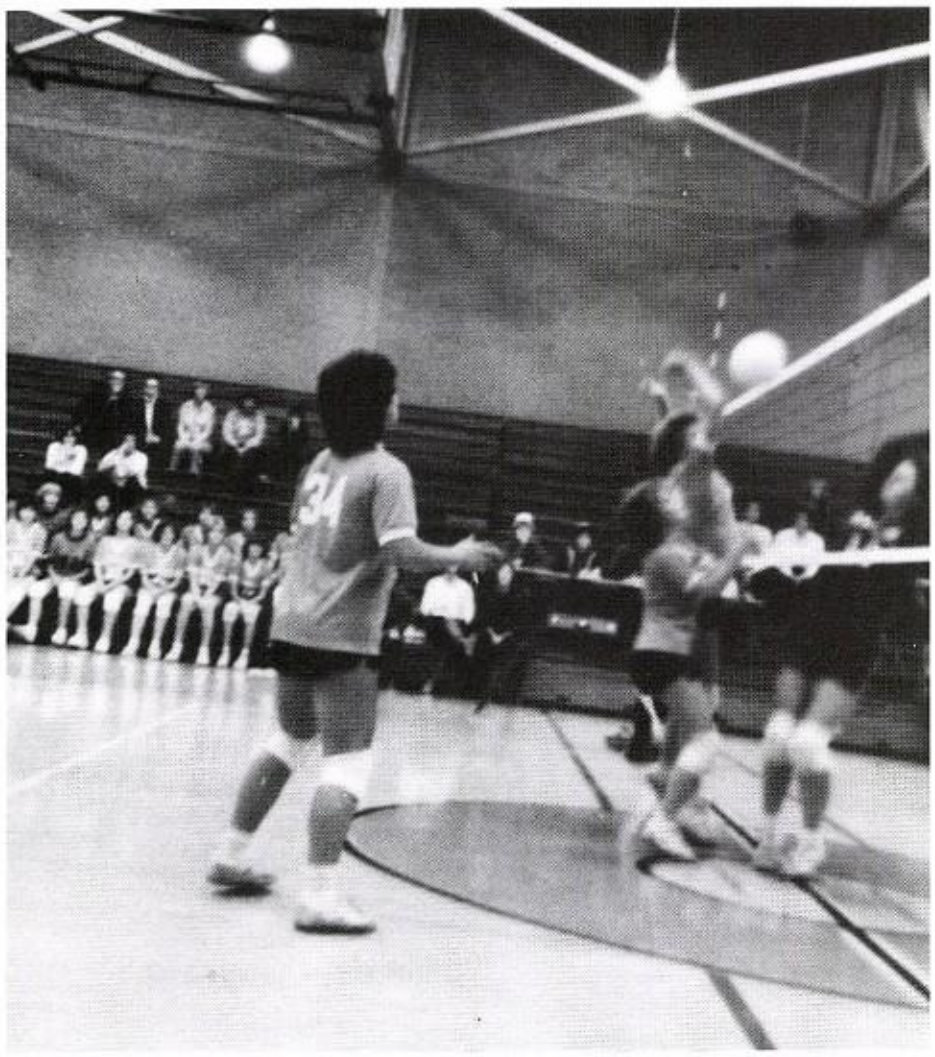
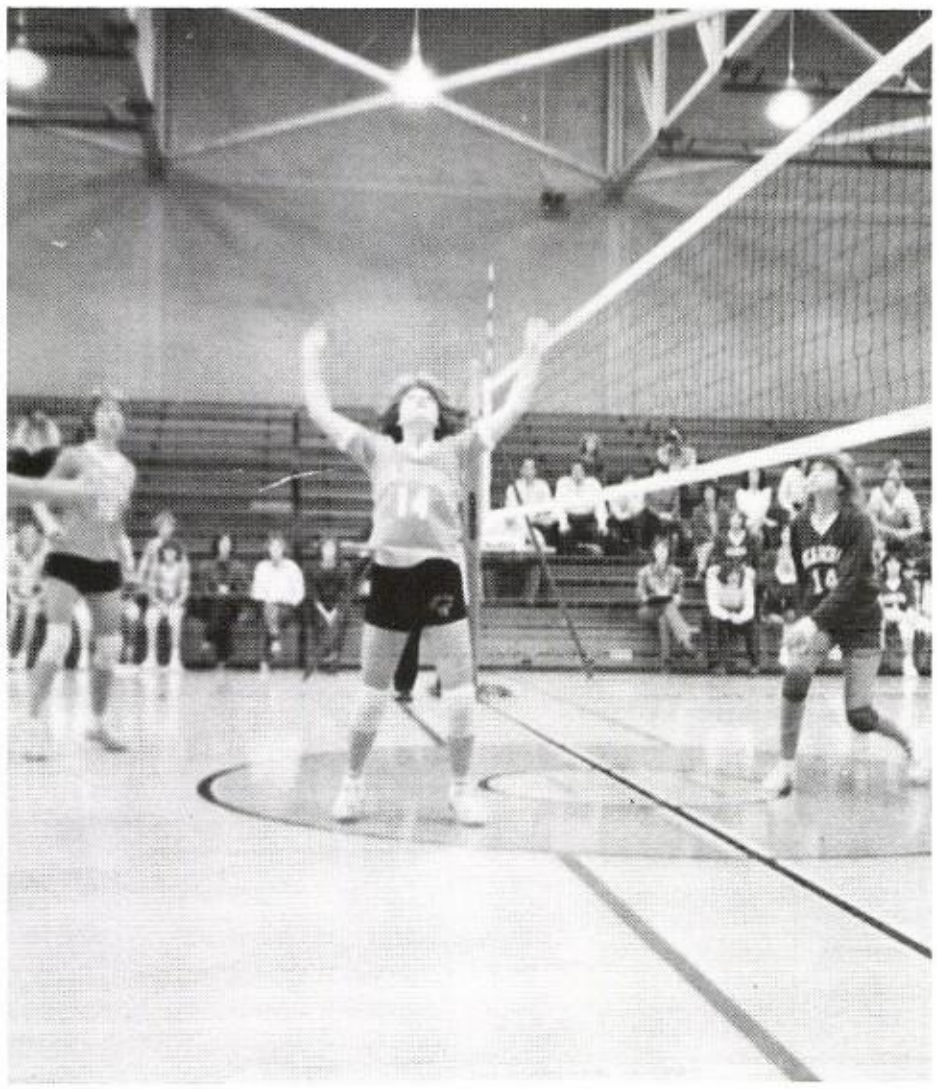
Barb Howard and Lynn Thorsheim block a spiked ball.



Paige McCoy and Melanie Bunde try to block the ball as Sue Abels looks on.



Paige McCoy sets the ball as Anne Hansen looks on.

Gayle Novy gets ready to spike the ball as Sue Abels looks on in anticipation.

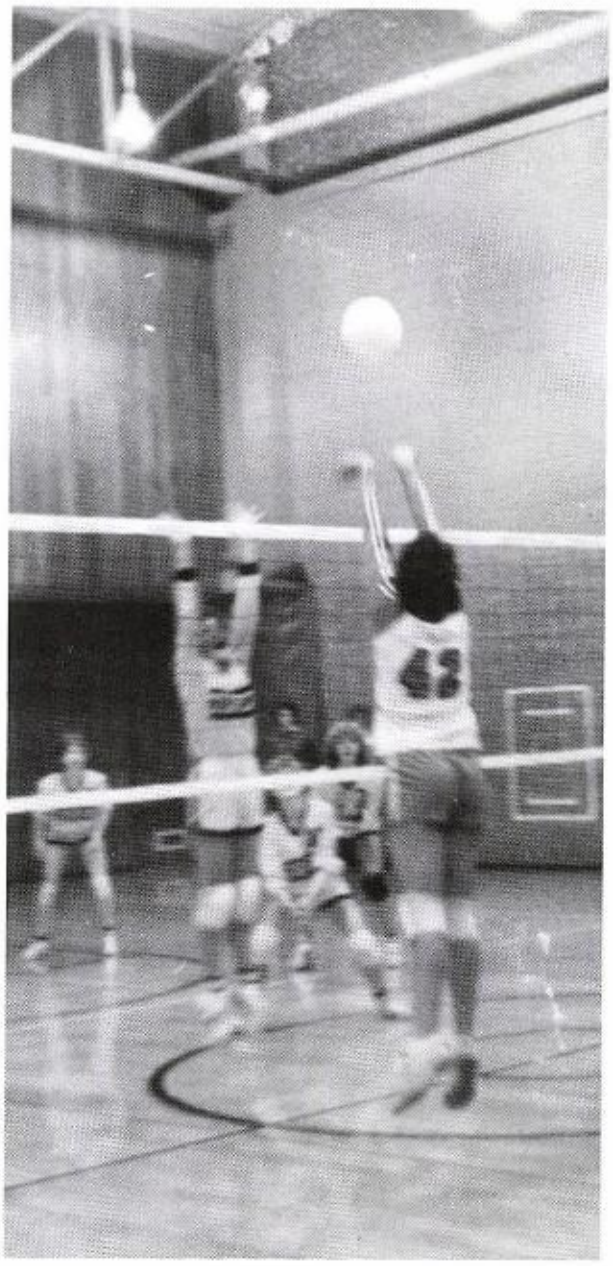
J.V. Spikers Show Potential

The J.V. volleyball team had an exciting season this year. They were 8-11 at the end of the season and everyone felt that they deserved it. Sherry Brown stated, "We all worked hard and tried to do our best in every game. We helped each other out if we were feeling down or having trouble. Everyone got along well." ***CAN DO*** was their motto. Valerie Brock said, "I think we improved a lot this season. We also got much closer as friends." This year's team also set new and better goals for next year's J.V. team.

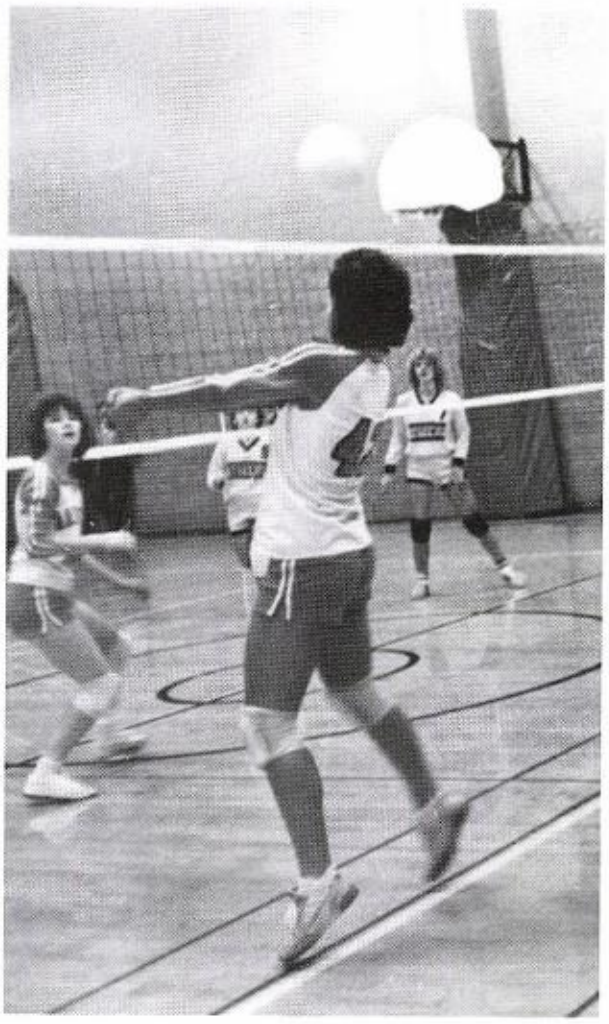
Liz Fairbanks

Mary Hoke puts the ball over the net.

Barb Howard shows her technique to the rest of the team.



The J.V. team sets up to receive the ball.

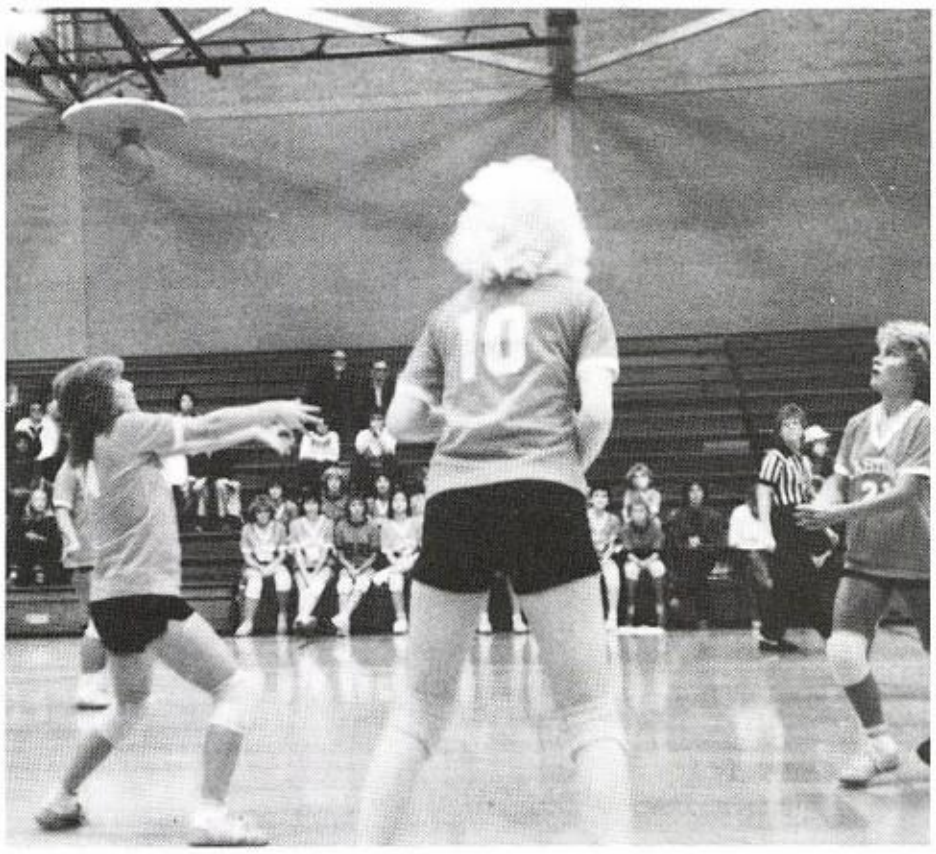


Sherry Brown and Mary Hoke prepare for defense.

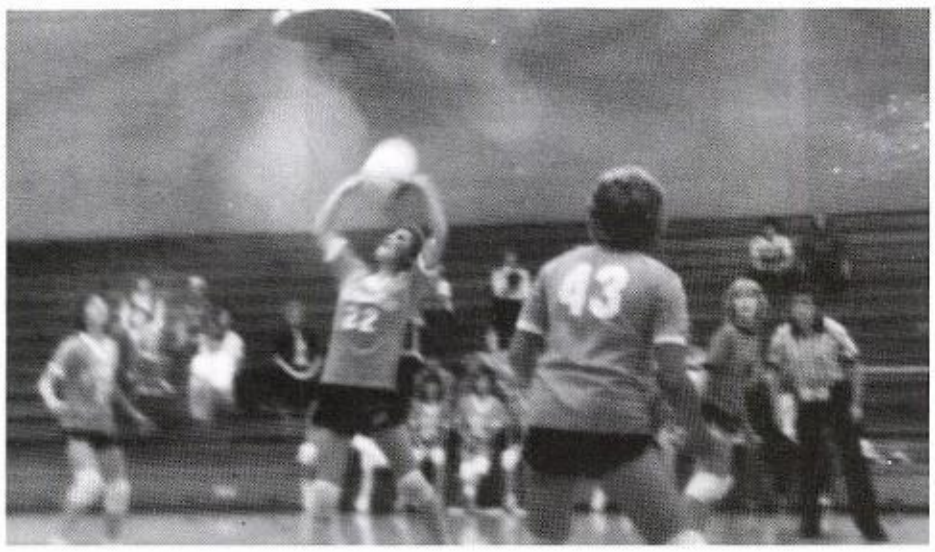
Freshmen Have Good Experience

The freshman volleyball team was coached by Mrs. Warner of the Junior High this year. She said, "This year's team has made a lot of progress during the season. The whole team showed a great deal of enthusiasm, spunk and good sportsmanship. They all put forth a big effort to be on top. "One of their goals was to beat Grand Island Barr but unfortunately they lost that match. The season ended with a 2-7 record. Robin Huber stated, "Mrs. Warner had a lot of advice that was very helpful. She often used familiar quotes and sayings to keep us going." All in all the freshman volleyball team had a good learning experience.

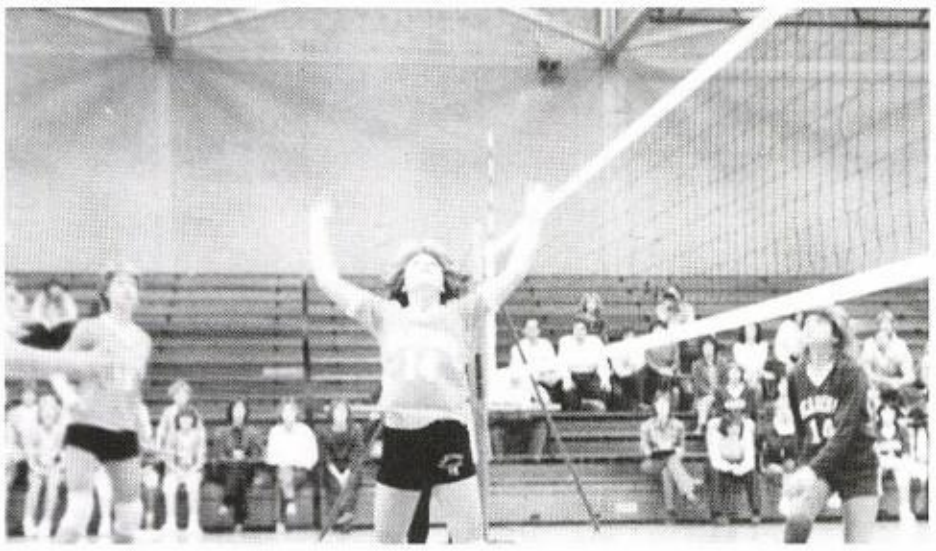
Liz Fairbanks



Kim DeMoor, Paige McCoy and Gayle Novey prepare to return the volleyball.

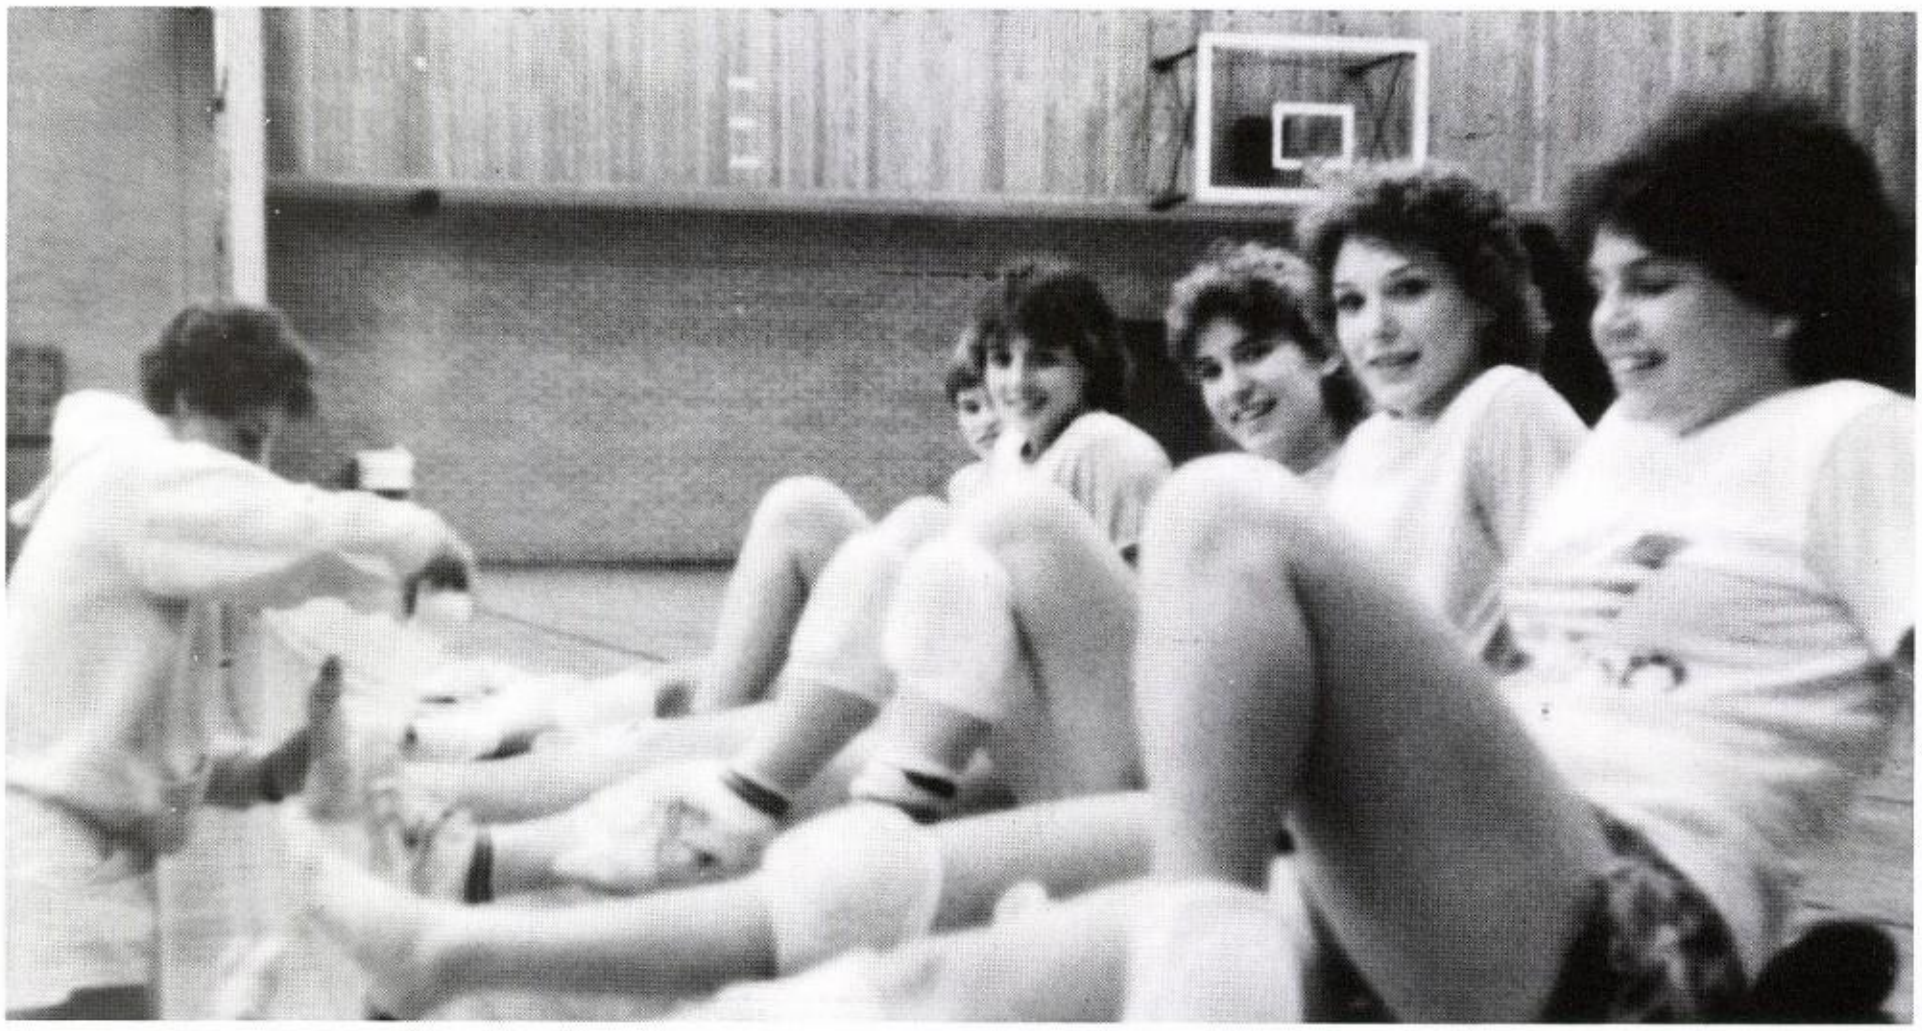


Sara Lundeen sets the ball as Tami Tinsman looks on.

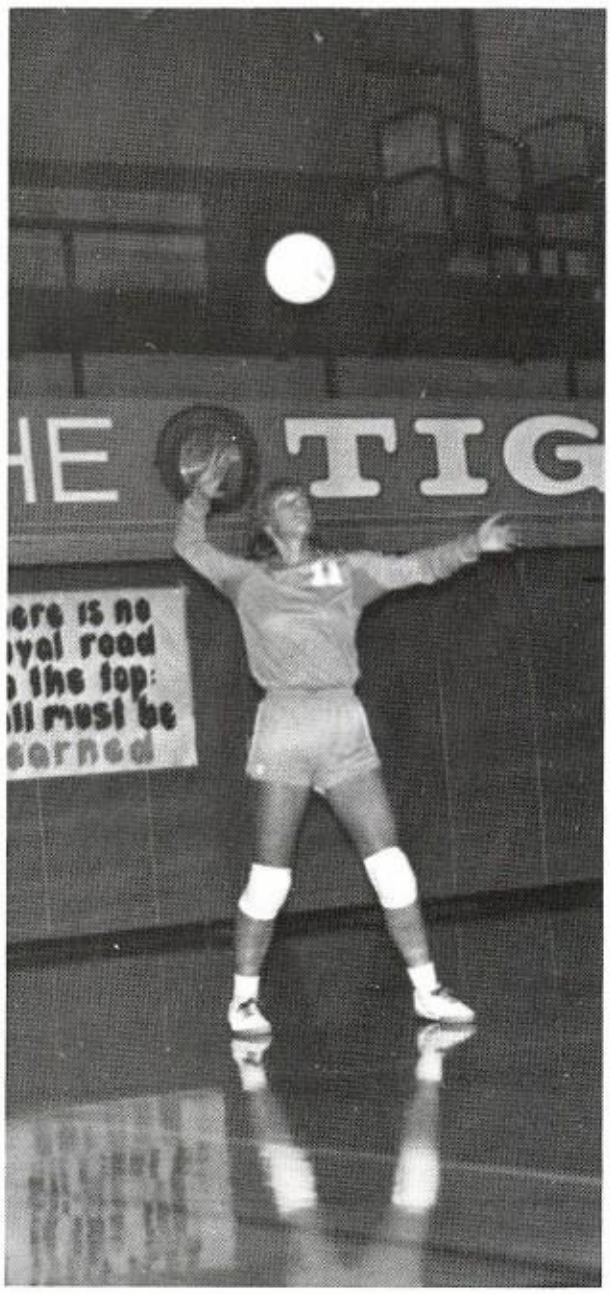


Paige McCoy sets the ball while Anne Hansen looks on.

First row (L-R): Kim DeMoor, Kristy Zarak, Tiffanie Howell, Tami Tinsman, Angie Crosier, Lynnette Graham, Michelle Fleharty, Gayle Novey. Second row: Lynda McCune, Kathy Zielke, Karla Kopisch, Stephanie Seiler, Lynn Pauley, Shannon Brink, Paige McCoy, Debbie Rector. Third row: Sandy Warner, Coach; Kelly Timm, Anne Hansen, Melanie Bunde, Sue Abels, Sara Lundeen, Gretchen Spady, student manager.



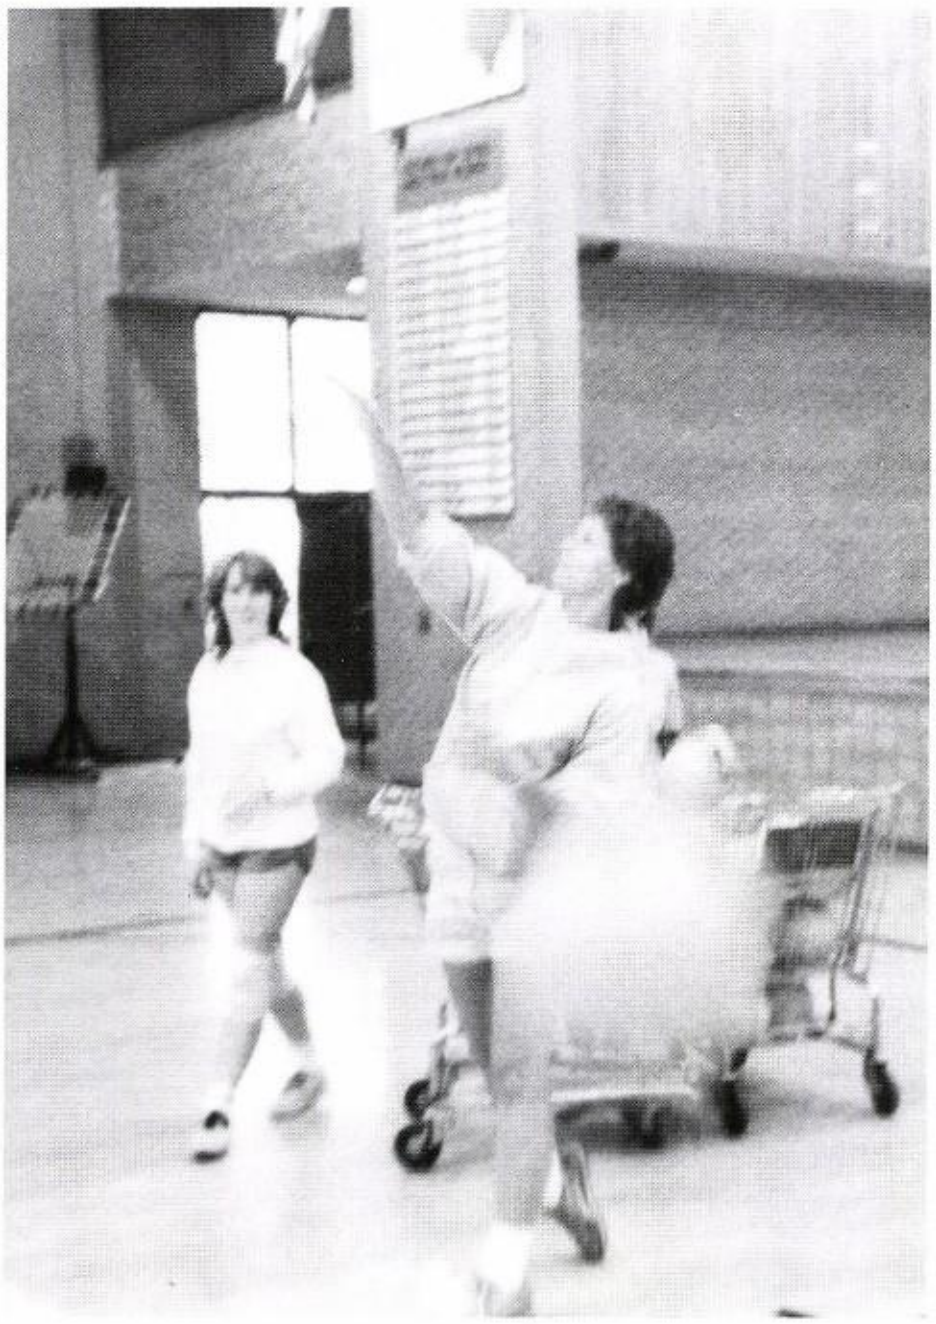
This is the volleyball chorus line starring Juli Mulder, Barb Howard, Sonja Classen, Angie Rupiper and Menda McKenzie.



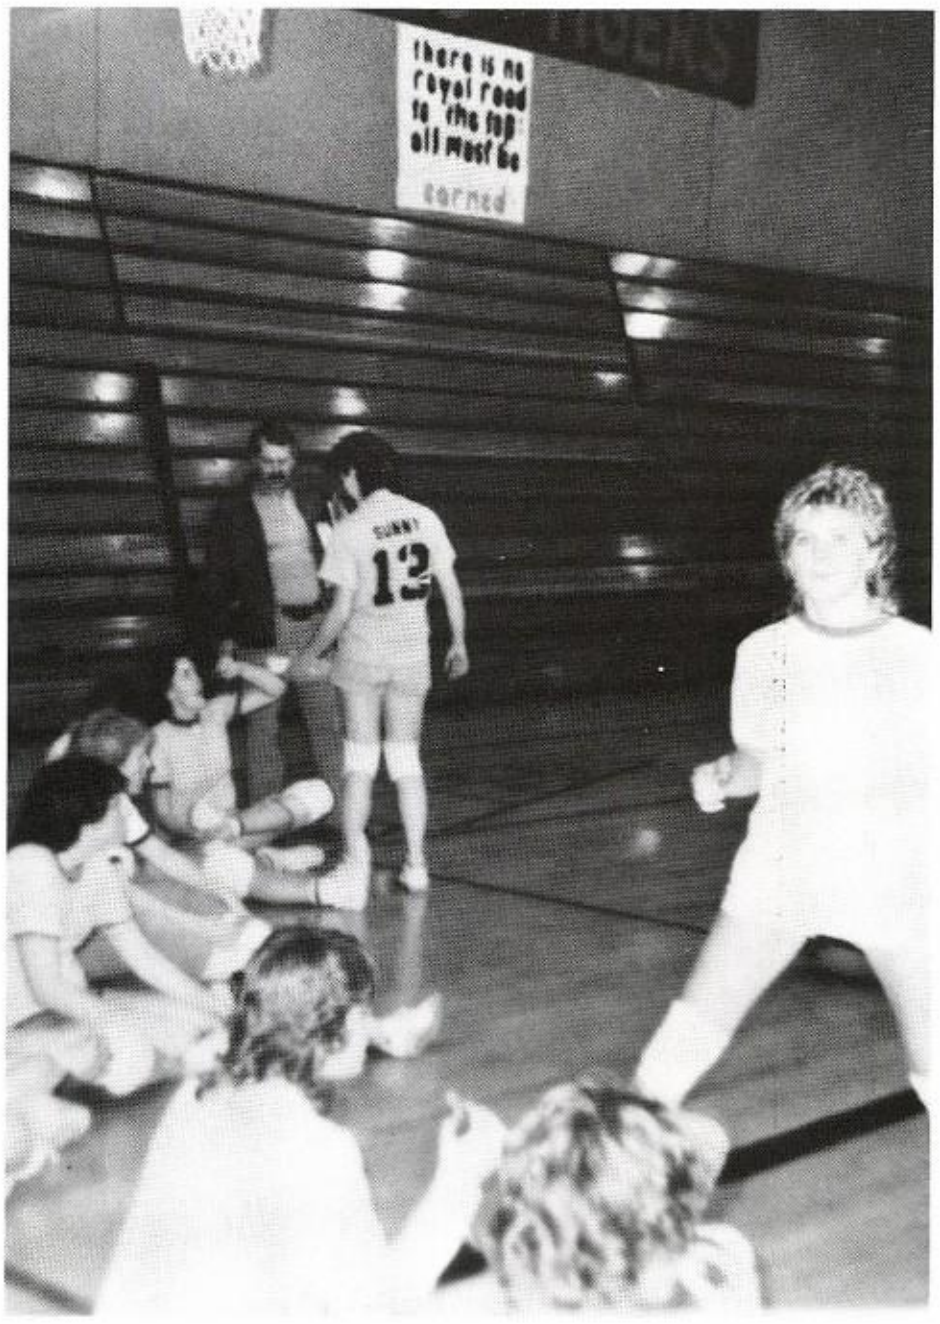
Lynn Thorsheim gives a powerful service.

Angie Life seems amazed at Jean Boyd's legs.

Sonja Classen goes up for a block while her teammates back her up.



Trish Freeman watches Miss Teetor demonstrate a proper serve.



Is this team stretching out or goofing off?

They never ran out of wins

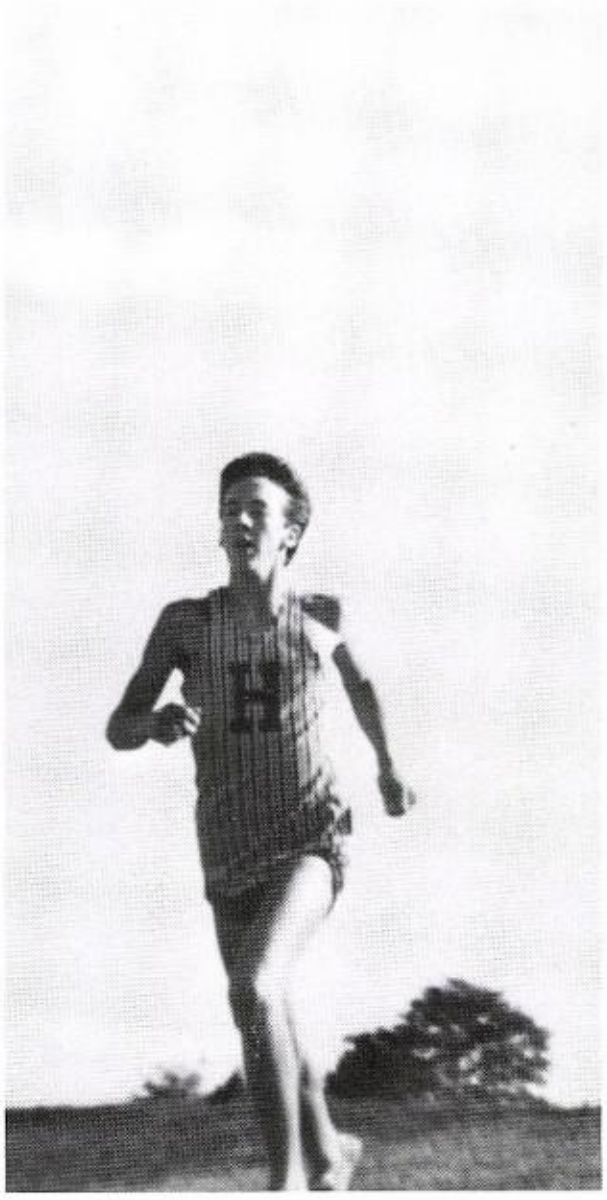
This year, the Cross Country team had an outstanding performance. The boy's team finished eighth at state, with Kelly Bierman leading the pack by placing fourth. Also, the boys placed second at Trans Nebraska and third at Big 10 and at District. Coach Steve James said, "We got as much out of the boys as was possible. They culminated four years of hard work with a berth at state, where they finished eighth.

The girls performed equally as well by defeating the defending state champion, North Platte and by placing first at Big 10 and at District. The girls also placed third at state with Shona Jones winning her second gold medal. Coach James commented, "The girls did far better than we ever anticipated they would have at the beginning of the season."

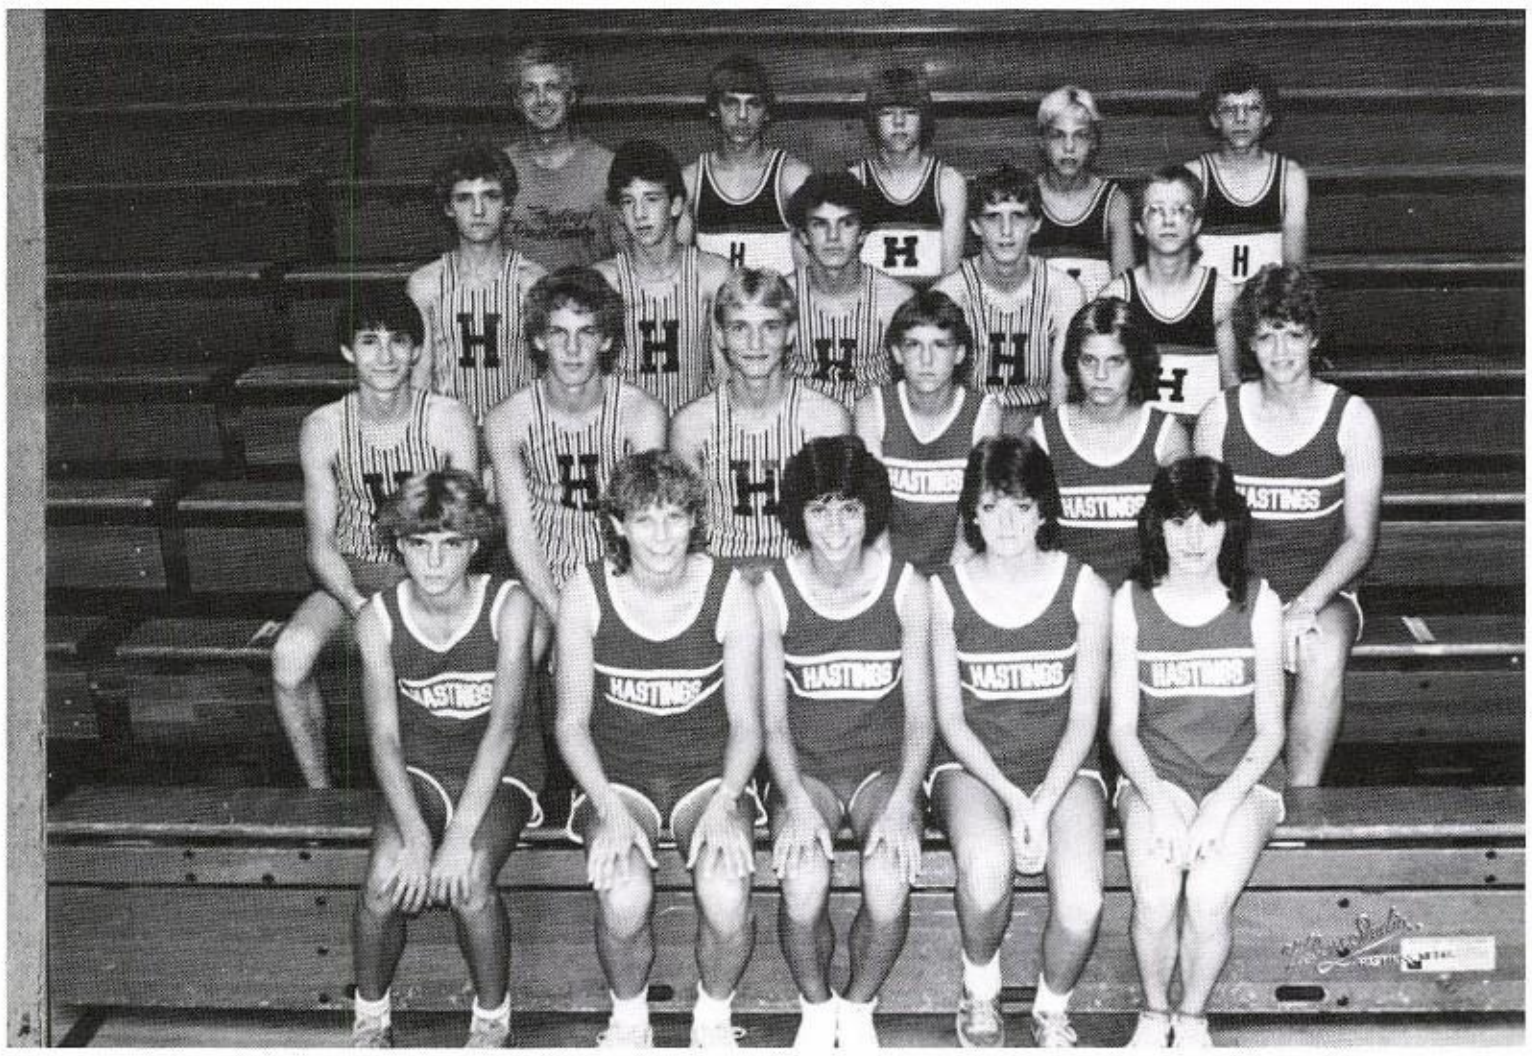
This team is tough. To stay in shape for both the pre-season and the season, they run in all kinds of weather. They run in conditions that range from 110 degrees summer days, to brisk rainy autumn days.

All in all, coach James said, "Both teams did all they could do and had a very successful season."

Darren Norberg



Todd Petit dashes on to a victory for his team.



Front Row (L-R) Shona Jones, Kristi Hunt, Beth Fisher, Cindy Burge, Michelle Conaway. Second Row: Mark Schlachter, Steve Hansen, Rick Waltemath, Shelly Hansen, Tia Nordyke, Anne Veburg. Third Row: Kelly Bierman, Todd Petit, Jamie Evans, Mark Weinman, Corey Johnson. Fourth Row: Coach Steve James, Jerry Macomber, Tim Wieland, Mark Daniels, Bren Workman.

The James gang strives for a victory.

Kelly Bierman charges foward.

Steve Hansen moves closer to the finish line.

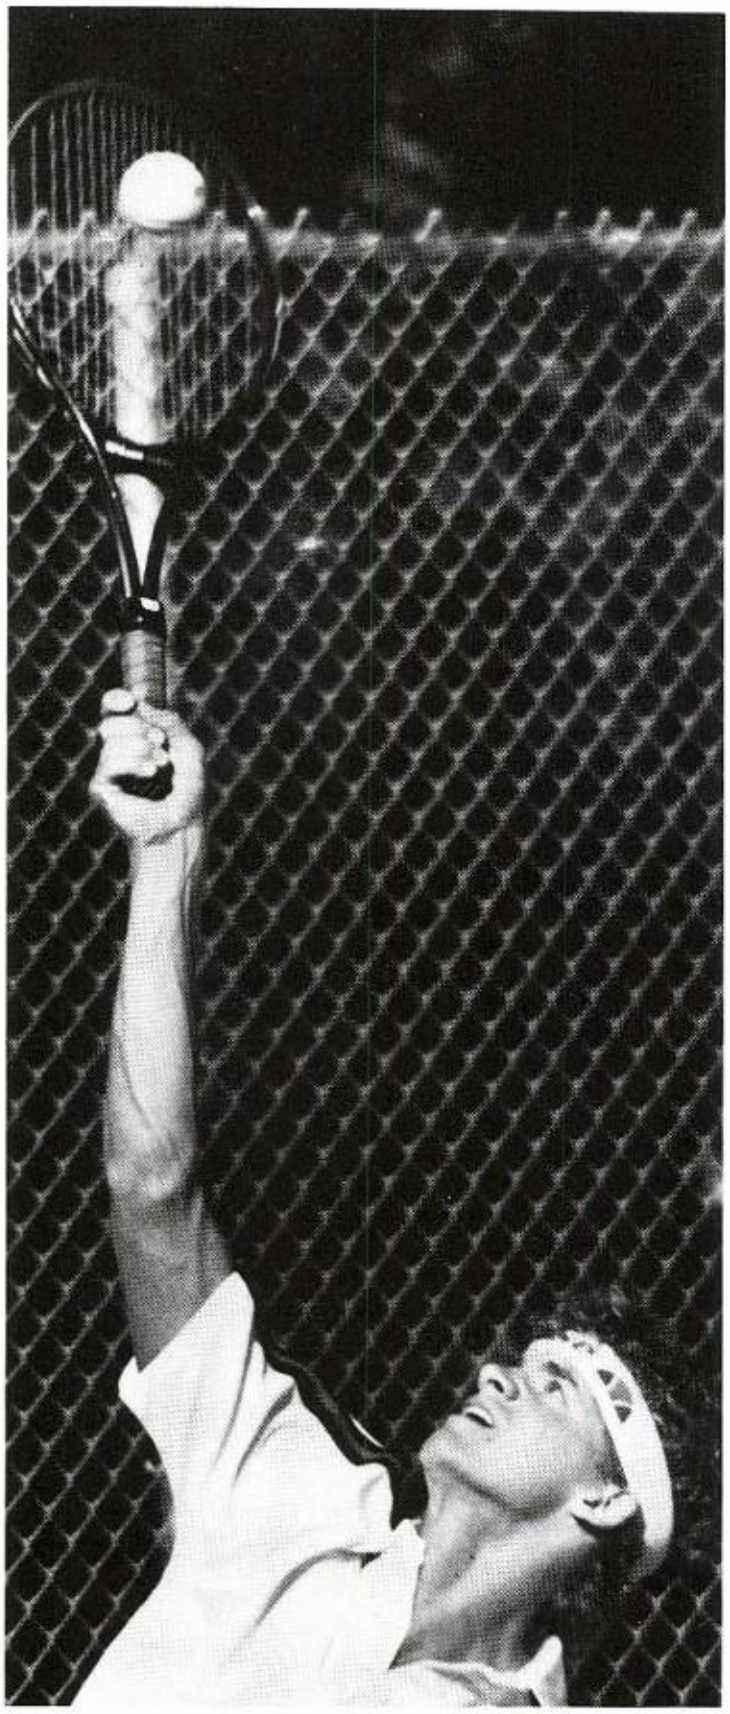
Tia Nordyke and Shelly Hansen keep up a strong, winning pace in the final leg of the race.

The girls team have just received the first place trophy at the district meet.

Michelle Conaway pushes toward her goal.



Wade Anderson shows a smashing serve.

Dan McKinnis follows through with a good forehand.

Ned Pike exhibits a back hand volley.

Tiger Netters Accomplish Goals

Front row: (L-R): Heath Symonds, Coach Fike, Chris Friborg. Second row: Mike Lind, Todd Whitcomb, Eric Scott, Jeff Jacoby, Chad Hutchinson, Scott Denman. Third row: Bryan Schneider, Dan McKinnis, Ned Fike, Joe Anderson, Wade Anderson. Fourth row: Mike Naufel, Mike Kirby, Craig Herndon, Jason Meininger, Kirk Anderson.

Bryan Schneider concentrates on his forehand.

Returning Senior netter Wade Anderson commented, "Our goal was to play to the best of our ability and still have fun." The Tigers final record was 4-5. The team took fifth in the State meet and second in the Trans-Nebraska. Coach Fike said, "There were 19 boys out and they all improved throughout the year and had a good season. It was a pleasure working with those who were willing to work hard to improve their game. I was pleased with the overall performances of the boys."

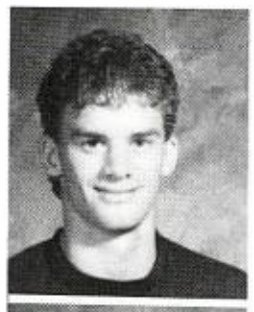
Coach Fike found Trans-Nebraska Conference champions in Ned Fike and Dan McKinnis, and found Big 10 Conference champions in Wade Anderson and Dave Gustafson. Also contributing to the Trans-Nebraska final placings were singles players Bryan Schneider and Craig Herndon.

Although the Tigers ended under 500 they accomplished many valuable goals.

Michele DeSimone

Doubles team scores high

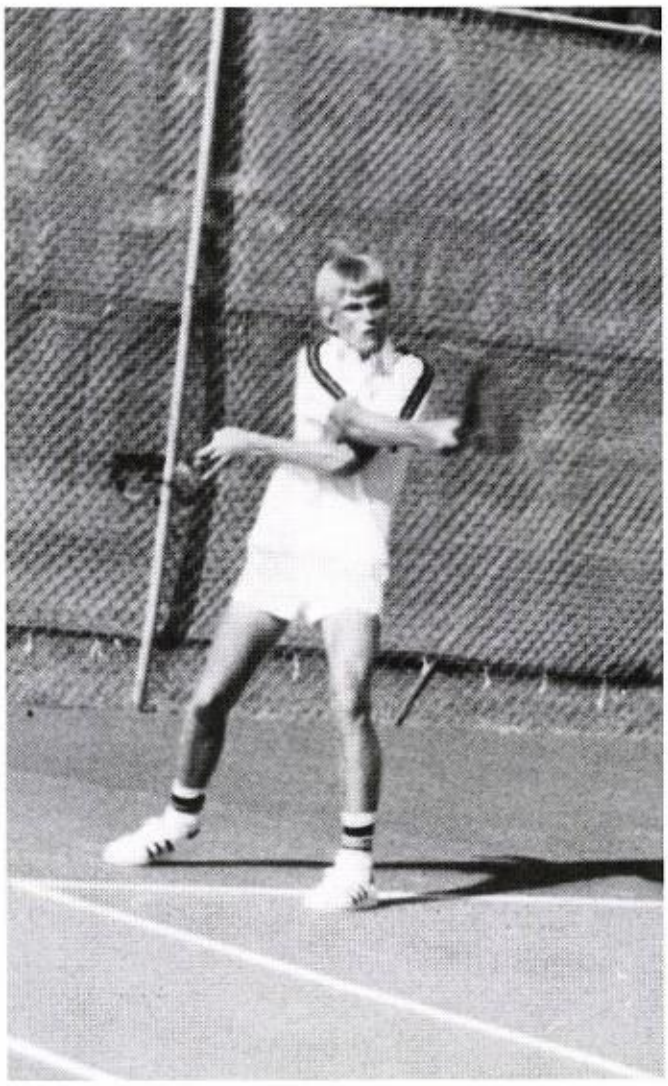
Winning doubles team Wade Anderson and Dave Gustafson swung through the year with an 18-3 record. Gustafson commented, "Wade and I were just the right combination. We won a first place medal at the Hastings Invitational, second place medal at Trans-Nebraska, and first place at the Big 10 Conference."



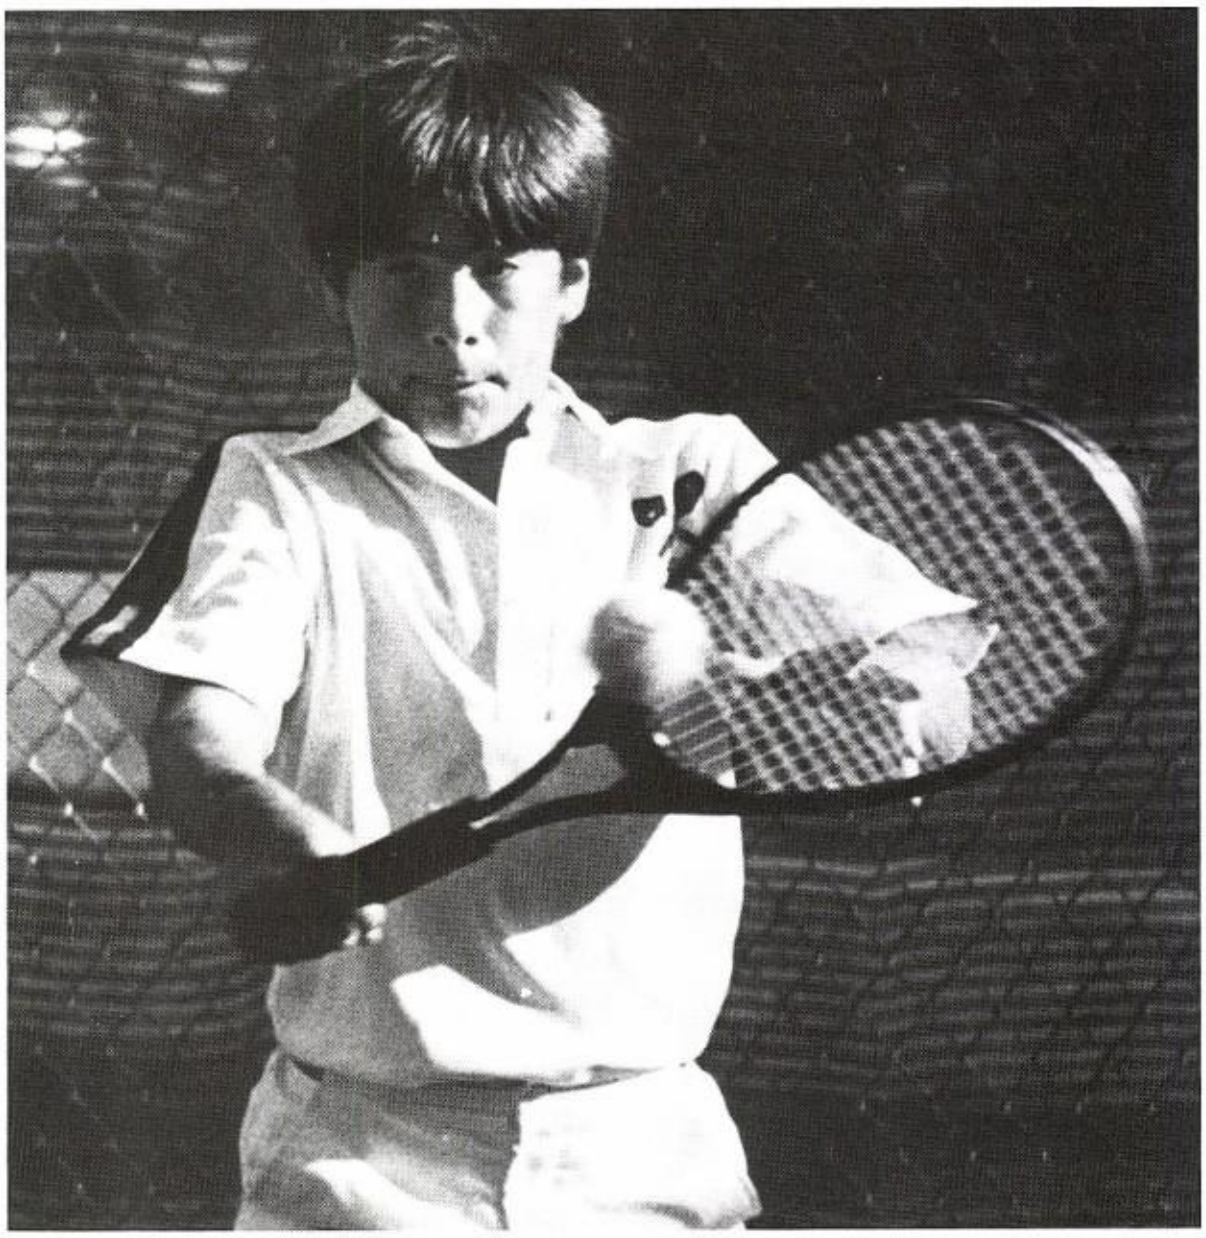
Anderson stated, "We knew what we had to do to win and we did it. One thing that was really great was finishing high at the State meet."

The 1983-1984 Tiger Staff is proud to feature these spotlight athletes.

Ned Fike finishes off a terrific backhand.



Dan McKinnis gets tangled up with tennis.



Ned Fike concentrates on his back hand.

Homecoming 1983

Strasheim, Sanderson crowned

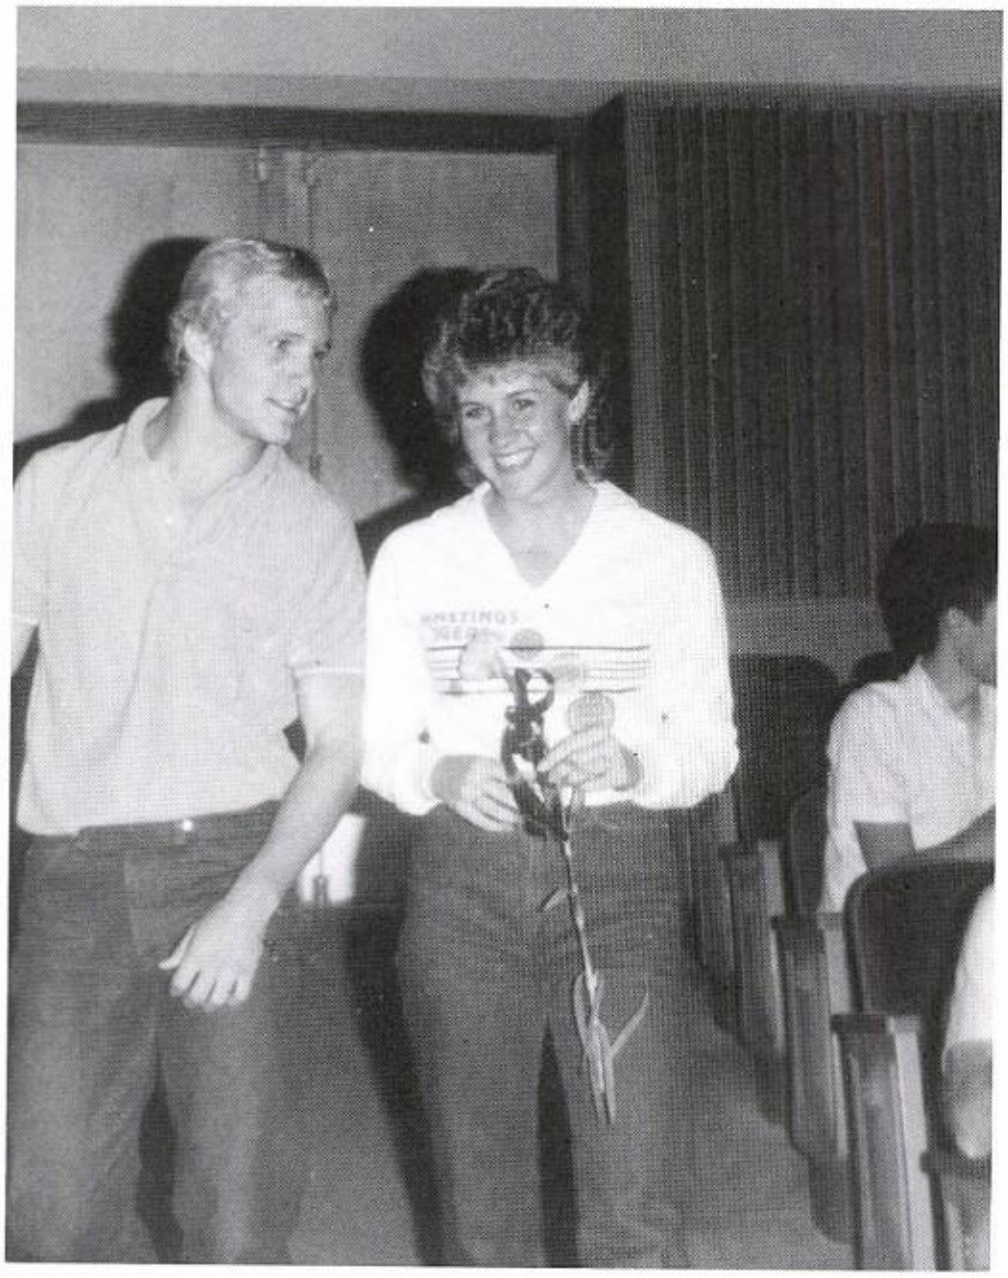
Suspense hung in the air as the lights were dimmed. The student body was anxiously waiting for the Royalty Tapping to begin. Female faculty tapped the guys who then in return tapped the girls and presented them with a flower. Mr. Scott Milliken then introduced each candidate.

Later . . . As the Tigerettes began their routine people started to crowd around the field to see who would be crowned homecoming queen for 1983. Tension and hope were in the air as Lori Halsey received a bouquet of flowers from Tami Baker, 1982 Princess. Applause rang out as Jane Strasheim was crowned queen by Stacy Ellerbee, 1982 Queen.

Hastings lost their game to Columbus by a narrow margin of 14 to 20. Even though they lost, spirits were high at the dance that was held in the school gym following the game. Now it was time to see the new king and prince. Prince of 1982, Steve Kiobalsa specificed Jay Zalman as the new prince and Lance Davis passed on his crown to Jim Sanderson indicating him as king.

Dawnita Borrell

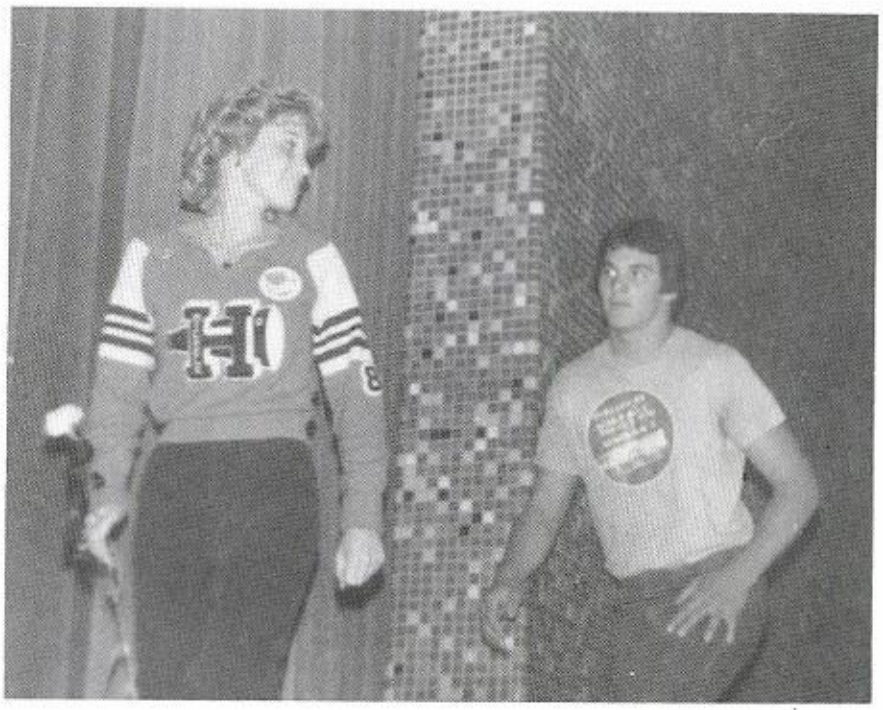
1983 Homecoming candidates are: (L-R) Jon Englehardt, Josh Miller, Jim Sanderson, Paul Hurt, Curt Reimer, Jay Zalman, Susan Brehm, Stacey Scholtz, Michele Mullins, Lori Halsey, Susan Hunter, Jane Strasheim



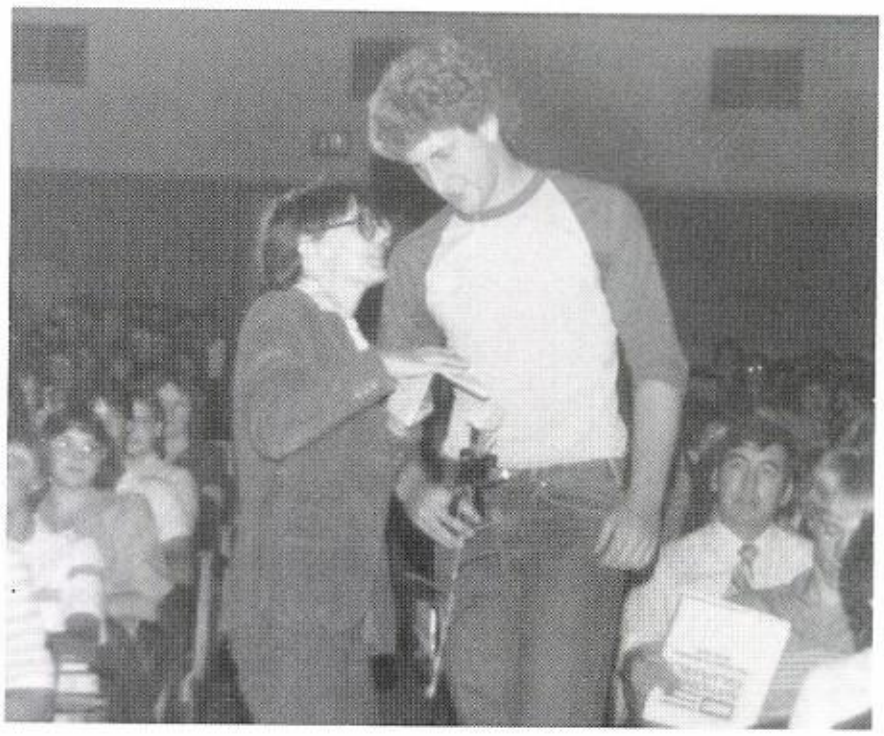
Jay Zalman seems to be saying to Stacey Scholtz, "Can you believe it?".

Jim Sanderson asks Mrs. Hobbs where the next candidate is seated.

Curt Reimer hands Susan Hunter her carnation at the tapping ceremony.



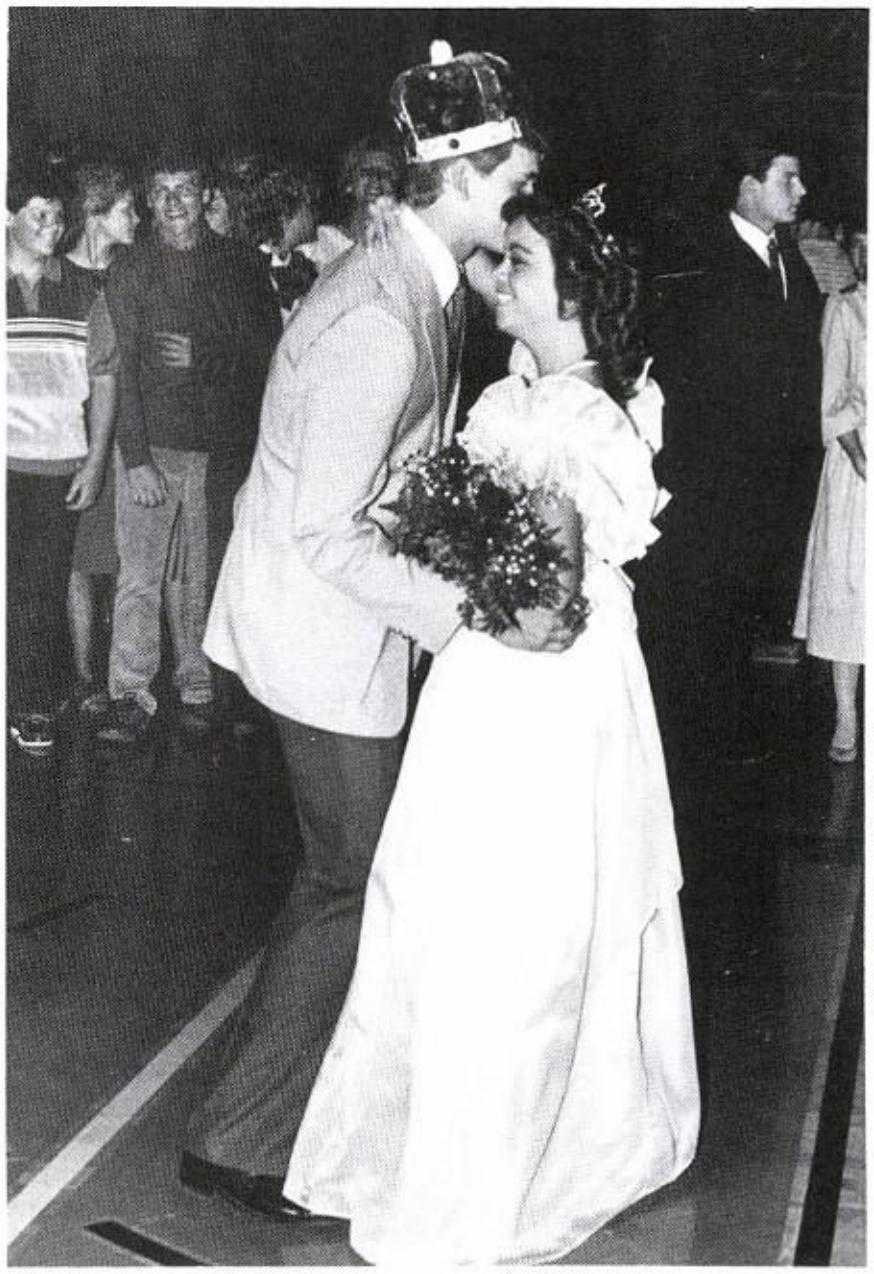
Michele Mullins pauses on the stage to wait for her escort, Paul Hurt.



Mrs. Lamski informs Josh Miller that the candidate to be tapped is Jane Strasheim.

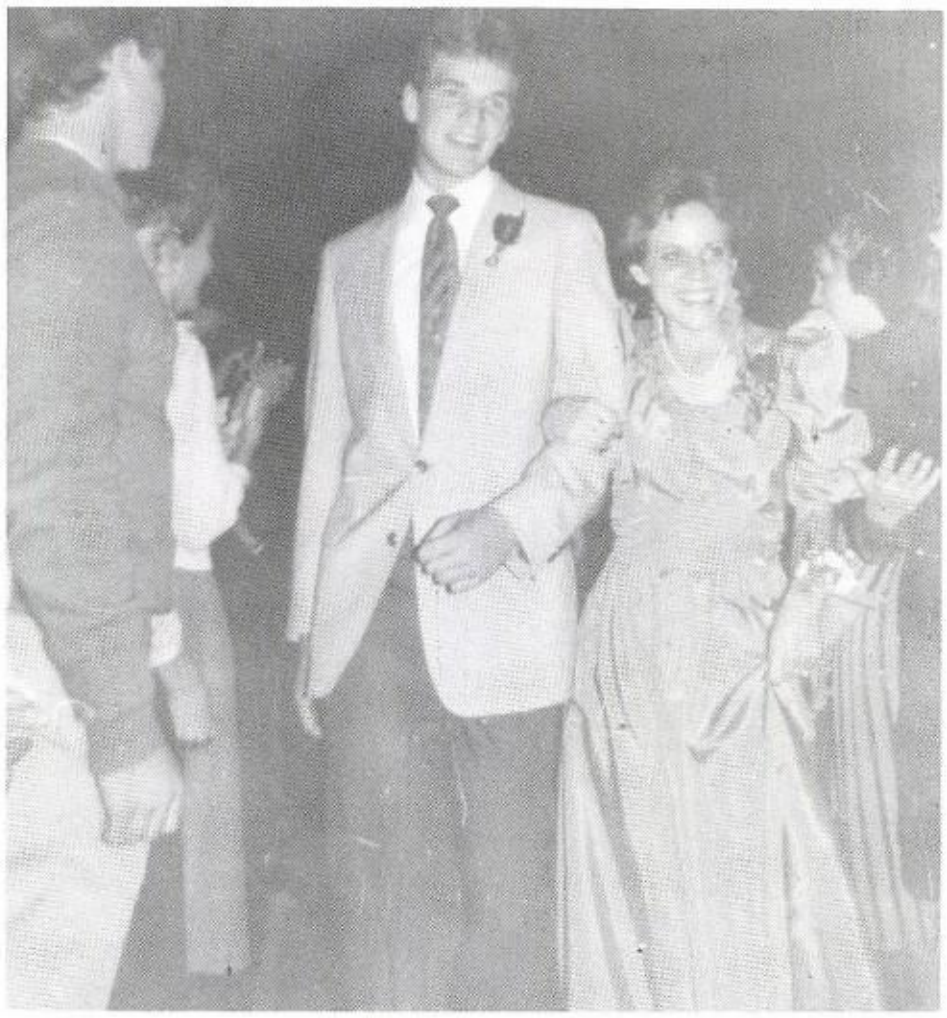
Romance is in the air as the 1983 Royalty Candidates start another slow dance.

Candidates Paul Hurt and Michele Mullins enter the gymnasium.



King Jim Sanderson and queen Jane Strasheim lead the first dance of the evening.

Josh Miller dreams of having his name in lights as he escorts Jane Strasheim.



Jim Sanderson and Susan Brehm make their way through the crowd at the dance.

Jim Sanderson receives a big smooch from last year's prince Steve Kiolbasa as Jane Strasheim looks on.

Hobgoblin House opens 26th season

This year's fall play, "The Hobgoblin House" opened the 26th season of the Tiger Theatre under the direction of Mr. Ron Veburg.

"The Hobgoblin House," a mystery-comedy is about an overprotecting aunt who buys a mansion deep in the Ozarks to keep her nieces away from their boyfriends. But the plan backfires when the boyfriends pick up the trail and head south. The boyfriends make a pact with the strong-willed aunt to earn 25,000 dollars before they can leave with her nieces. So the bewildered boyfriends act together to solve the mystery of "The Hobgoblin House." In the end the young men solve the mystery and collect the reward money for finding the kidnapped girl that was hidden in the house and the spinster aunt lets her nieces and their boyfriends leave the Hobgoblin House.

Darren Norberg

Michelle Fergus, Connie Erickson, and Robert Osman discuss the mystery of the Hobgoblin House.

Troy Sheets prepares to annihilate the rest of the cast as Susan Vonnes bows her head in fear.

Band wins state events

This year the marching band had a very good season. At the Harvest of Harmony competition, the band was rated the best overall in the parade events and they received a Class AA Division 1 trophy for the best show band and for their performance in field marching events. They won at Norfolk and received a Division 1 first place trophy. In the state marching competition held at the University of Nebraska at Omaha, the band received a Division 1 superior rating. The band has planned a trip to St. Louis and they have raised all of the money by selling pizzas, and from dances and soup suppers held by the Band Parents.

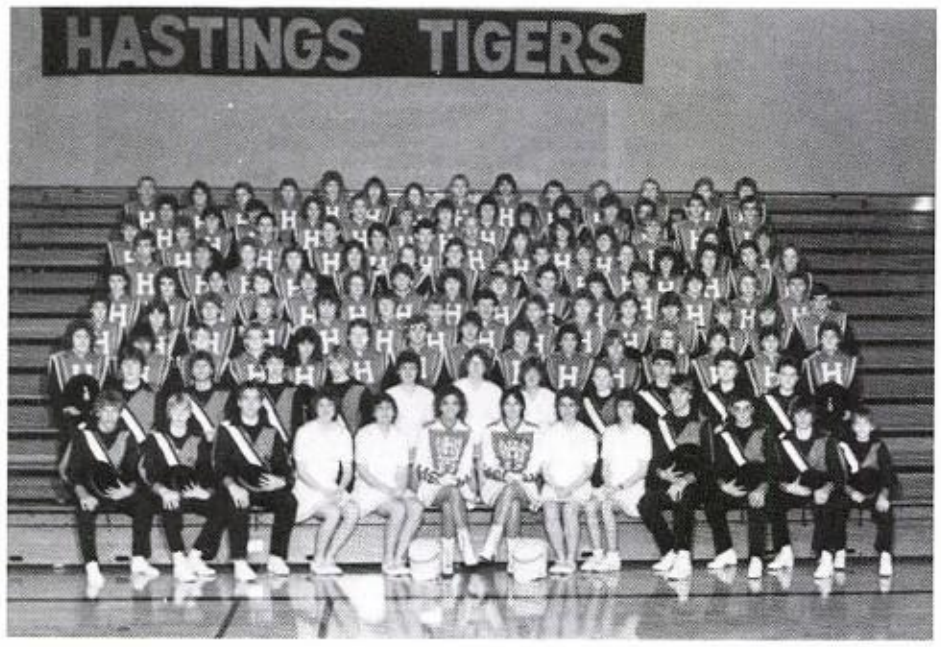
Mr. Duensing's comment on the marching band's overall performance was, "The members all work together, and they work hard toward one common goal, and that is to do the very best job possible at all times, and that is what is so special about the Hastings High Marching Band."

Darren Norberg

The band members perform for their parents before the Harvest of Harmony parade.

Cheerleaders Lynn Rhodus and Cindy Crowley lead the band at Melody Round-Up.

Members of the drumline march down the streets of Hastings during Melody Round-Up.



Hastings High Band Members: Susan Abels, Denise Ackerman, Rachelle Alexander, Andrew Amiotte, Craig Archer, Douglas Bailey, Monica Bauld, Dawn Bennet, Kelly Bierman, Paul Bishop, Sukey Bonar, Jane Bourg, Robert Cheslic, Cheryl Christensen, Paul Christoffersen, Michelle Coffey, Renee Coffey, Kandace Cole, Carrie Coover, Shawna Cottingham, Jill Craft, James Creigh, James Cronin, Toby Cummings, Laura Cure, Kathi DeRiese, Jodi Drummond, David Dye, Brenda Elliot, Brent Engelhardt, Jon Engelhardt, Angie Fagan, Rene Fanning, Amy Fielder, Pamela Garrison, Tony Gustafson, Tim Haase, Kelly Hager, Melanie Hahn, Coleena Hamilton, Mike Hartley, Cindy Henry, Stephanie Hermes, Julia Hester, Angie Hoback, John Hodges, Cindy Hoffart, Mark Hoffman, Dana Honn, Barb Howard, Carol Howsden, David Hoylman, Robyn Huber, Tori Hunt, Kathryn Hunter, Liz Israel, Catherine Janzen, Corey Johnson, Michael Johnson, Susan Jones, Stacy Kendall, Debra Kimminau, Christopher Kohtz, Scott Kohtz, Kevin Kokes, Robyn Kroger, Jennifer Langdon, Becky Leighty, Stacey Lewis, Sara Lundeen, Bryan Macy, Steve Malesker, Mark Mangers, Shawna Martin, Gretel Mattes, Kerri Maul, Deena McAllister, Delynn McAllister, Duanna McAllister, Lynda McCune, Lisa McGinnis, Dan McKinnis.

Marilee Mueller concentrates on her performance.

Flag squad scores high at camp

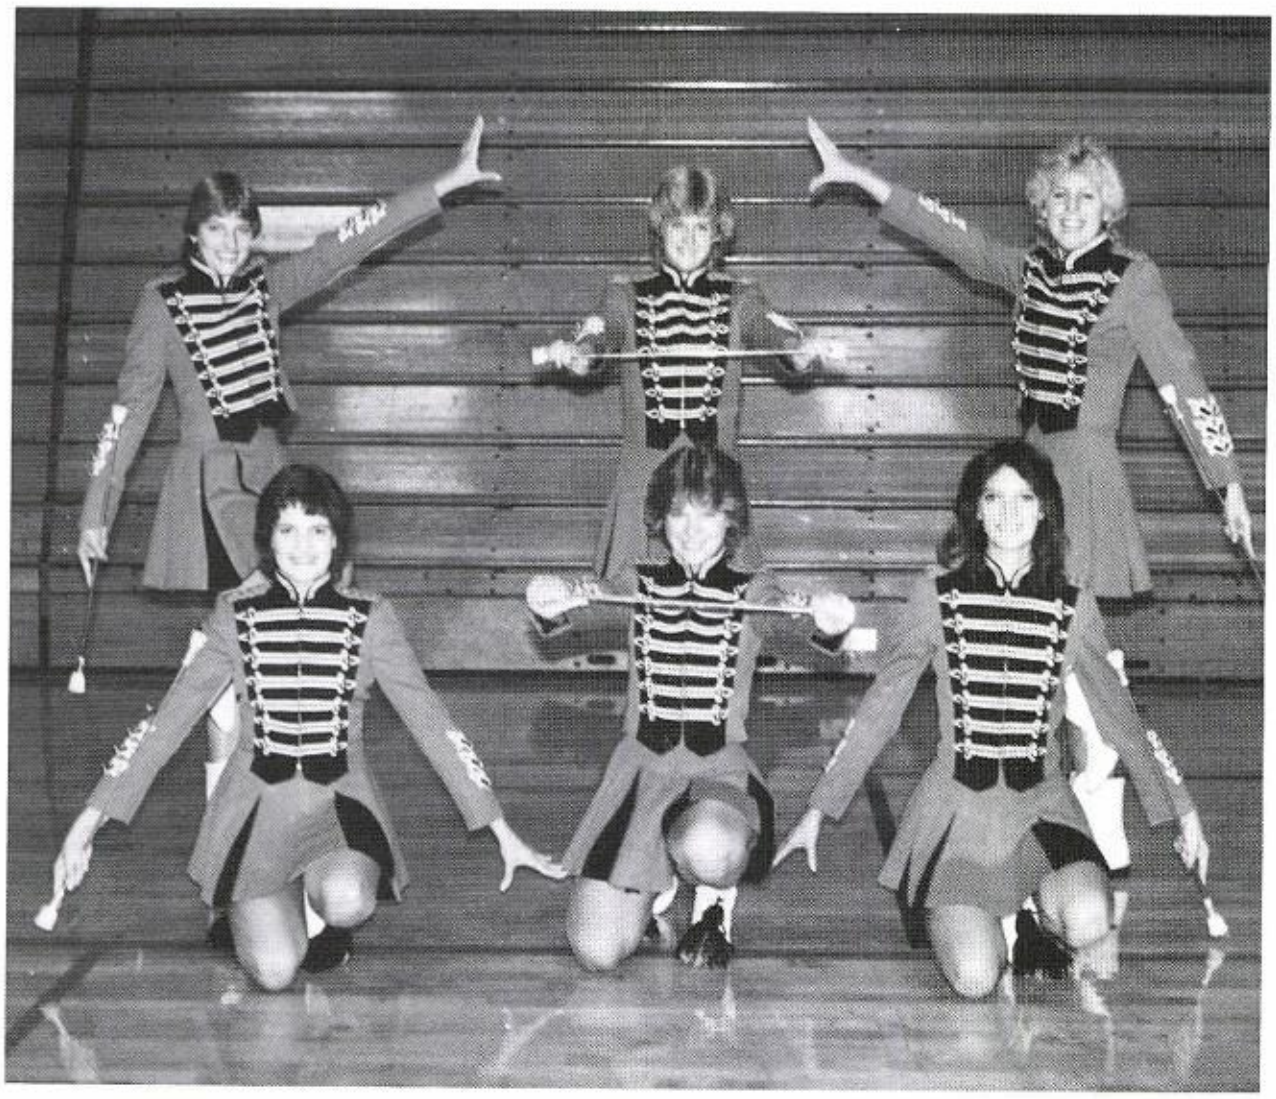
Attending a National Marching Auxiliaries' camp was the way the flag squad started off this year. While at camp the members received a superior trophy on the camp routine.

Flag squad began marching seven years ago. Later, they began to provide halftime shows for the entertainment during basketball and football games.

Their sponsor was Lisa Ricker. She said, "The girls on the squad this year worked extremely hard, and I think it showed. They pulled together and wanted to be the best. I'm very proud of them."

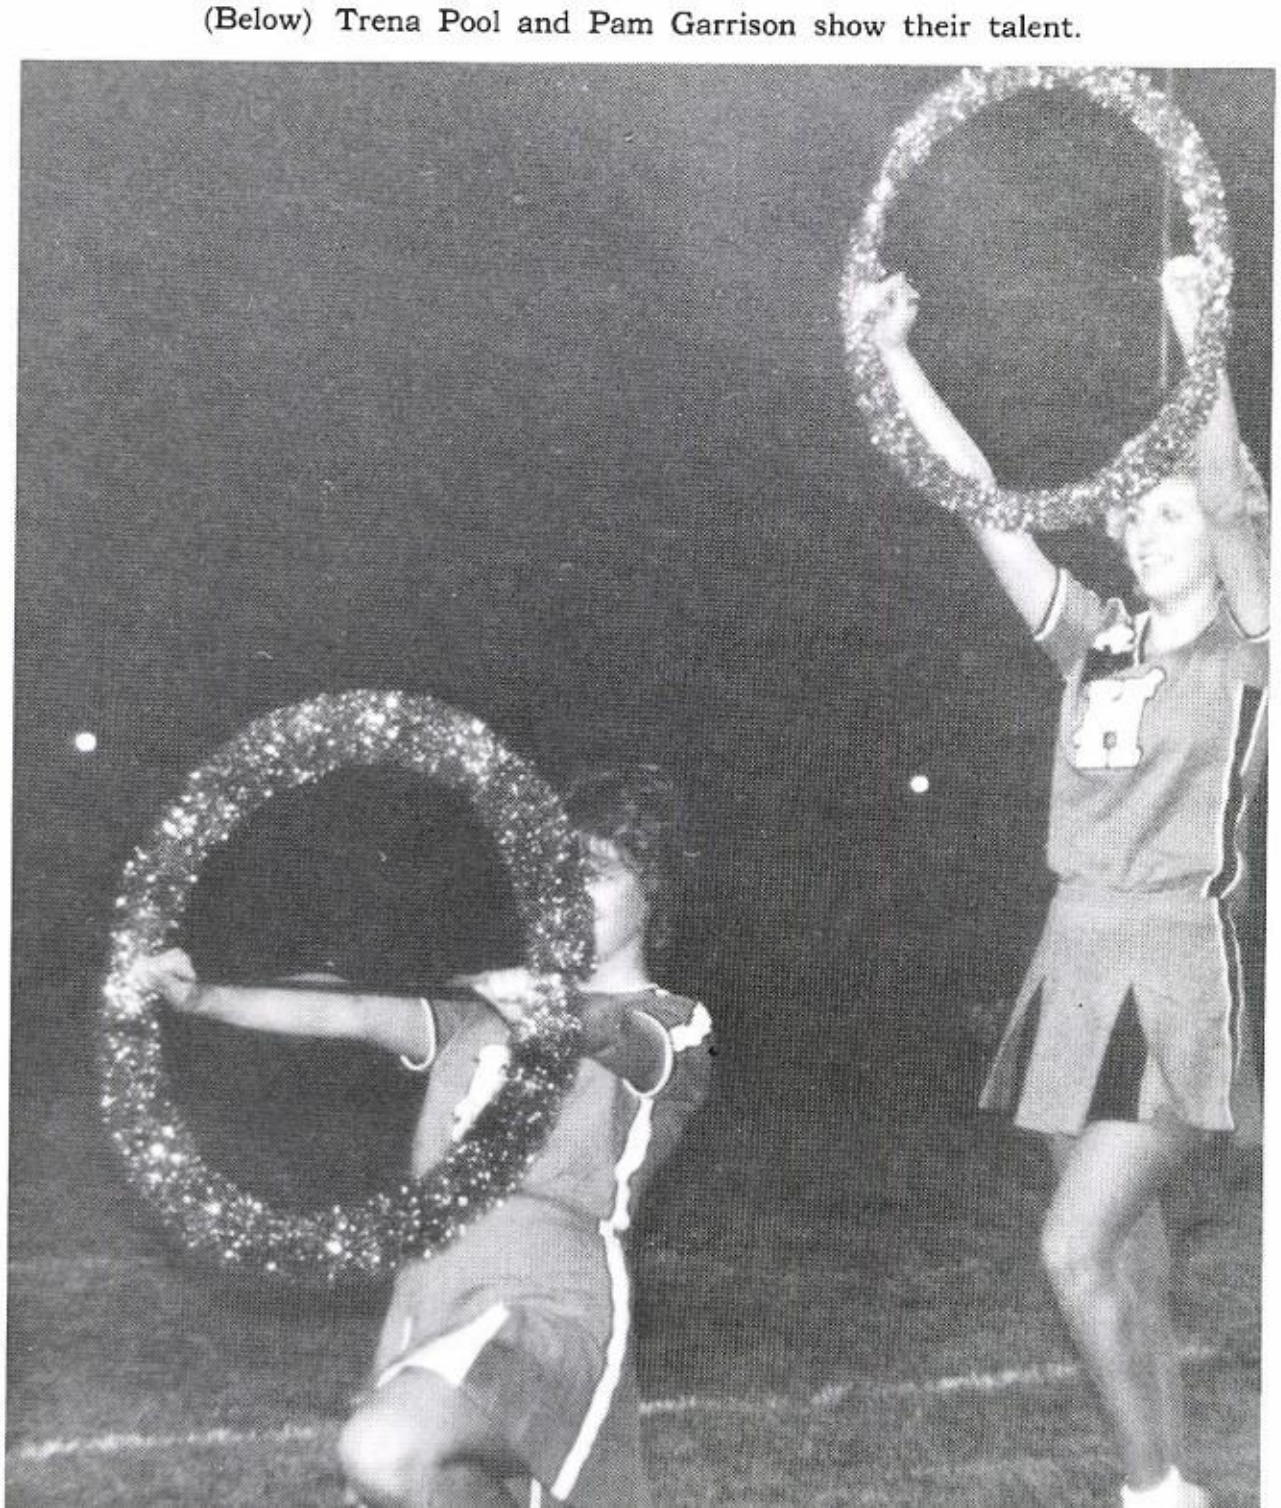
Michelle Kerr

Front Row: (L-R) Janine Pederson, Jacque Steiner, Janet Palmer. Second Row: Marilee Mueller, Shawna Martin, Kelly Hagar, Jennifer Langdon, Renee Coffey. Third Row: Tammy Gildersleeve, Lisa Westermann, Kathy DeRiese, Michele Coffey, Diane Nordyke, Denise Mitchell.



Front Row: (L-R) : Angie Hoback, Trena Pool, Kara Peterson. Second Row: Ann Miller, Sarah Sandstet, Pam Garrison

(Below) Trena Pool and Pam Garrison show their talent.



Twirlers do it in style

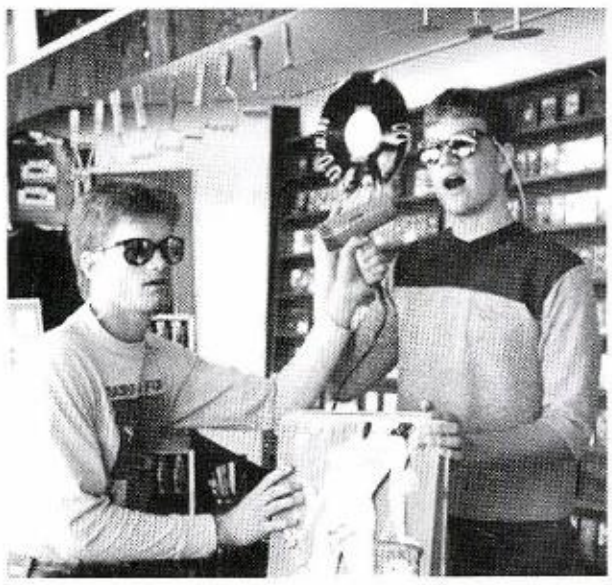
Some of the history and tradition of the majorettes is to support the band in events and to entertain the audience at various games.

This year's majorettes began their year by attending a summer camp at Marysville, Missouri. While at camp they earned and received the Best Home Routine trophy. Co-Captains of the group this year were Angie Hoback and Trena Pool. They seem to feel that they were not appreciated enough for all the work they did. "We felt we didn't get enough credit for all the work we've done." Some of the goals for the year were, "to entertain and provide the best we could." The sponsor of the majorettes was Mr. Dale Duensing.

Michelle Kerr

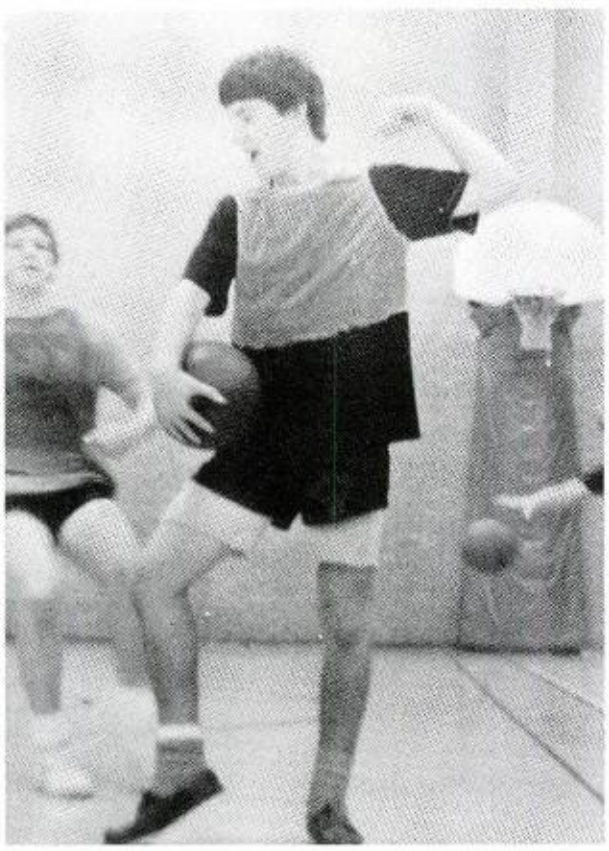
Pride shows through as Trena Pool does her routine.

Angie Rupiper and Stacy Scholtz put their heads together and show enthusiasm.



Wade Anderson and Jim Sanderson fight over the latest album.

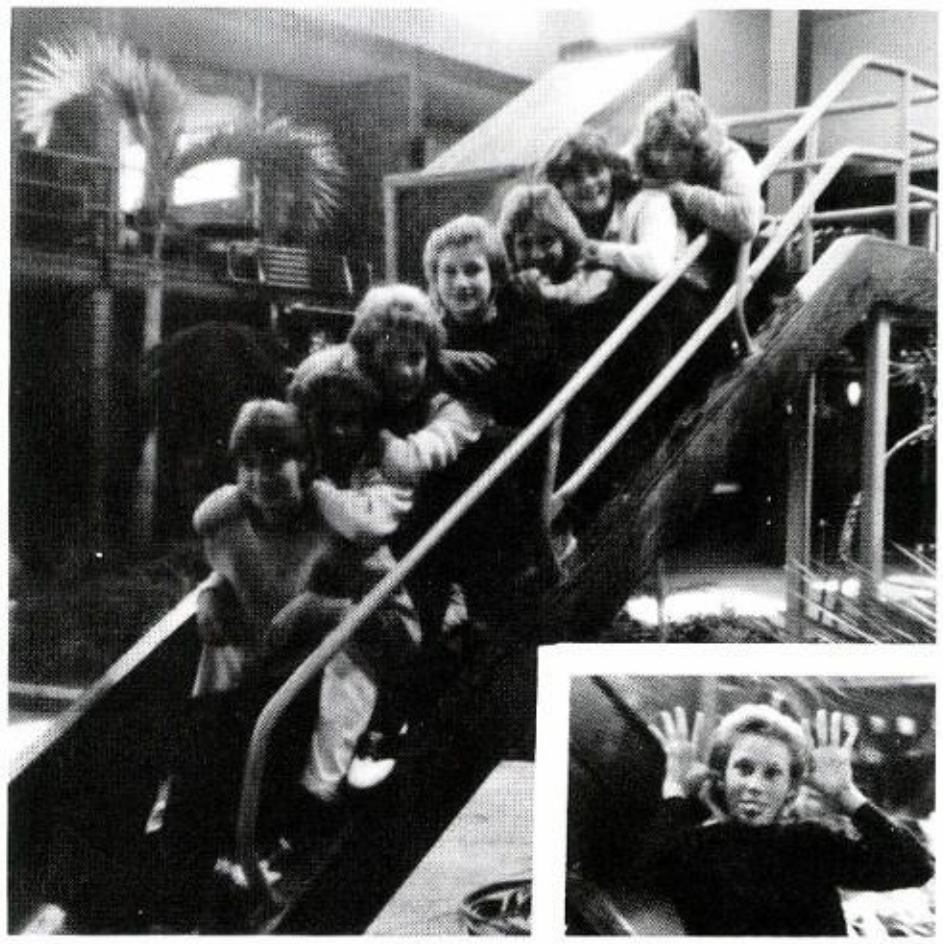
Lynn Pauley works on her assignment.



Russ Meyer displays the latest P.E. uniform.

Jon Englehardt and Todd Brooks enjoy hanging around after school.

Lynn Thorsheim and Menda McKenzie show how much fun practice can really be.



Yearbook staff members clown around at a convention.

Angie Life psyches up for her next volleyball game.

Sophomores talk during the lunch period.

Freshmen work hard in geography.

Dedication is sky high

WINTER offers Hastings High students a chance to prove that they are achievers. Many activities and opportunities are provided by the start of a new season. In order to achieve, goals must be set and looked at as challenges.

Athletically, winter is one of the busiest seasons of the school year. Girls and boys basketball players all practice for hours to improve their skills. Their dedication to the basketball season is strong and calls for hours of hard work. The dedication felt among the players is also present in the wrestlers. Wrestlers must maintain a certain diet in order to be in the correct weight division. This in itself is real devotion but on top of that, more is required because of the difficulty of the sport. Swimmers also begin to practice. Their early practices and hours in the pool show what true stamina these young people have.

The spirit groups are also very important within our school. Raised hopes and spirits are essential in order for Tigers to achieve. The job of the spirit groups is to promote spirit, not entirely for sports, but hopefully, this spirit extends to each and every person in the school. It would indeed be a great success for the entire school if every individual felt that he was the best that he could be.

Students and coaches of debate and speech teams also have a great amount of ambition. They spend many hours going over speeches, memorizing them, and presenting them with the best vocal quality in order to make the best presentation. Their many accomplishments are rewarded with trophies.

Music groups share their skill and expertise in a special way. The beauty of their goals is heard by everyone, and it fulfills their lives in a unique way.

The variety of clubs in the school provides areas for every individual to get involved and to expand on his achievements. Each group is a special contribution to the school.

In every season, Hastings Senior High offers to students the chance to prove to themselves as well as to others that they are what they believe they are. Believing in goals begins it all and after that, "The Sky's the Limit."

Julie Lantz

Sophomores 64

We're grown up now!" Kirk Anderson, Greg Mays

Boys Basketball 72

"Tiger cagers work hard; teamwork leads them to a successful and exciting season." Mr. Mullins

Girls Basketball 80

"The girls this year worked hard together and overcame some adversities." Mr. Congrove

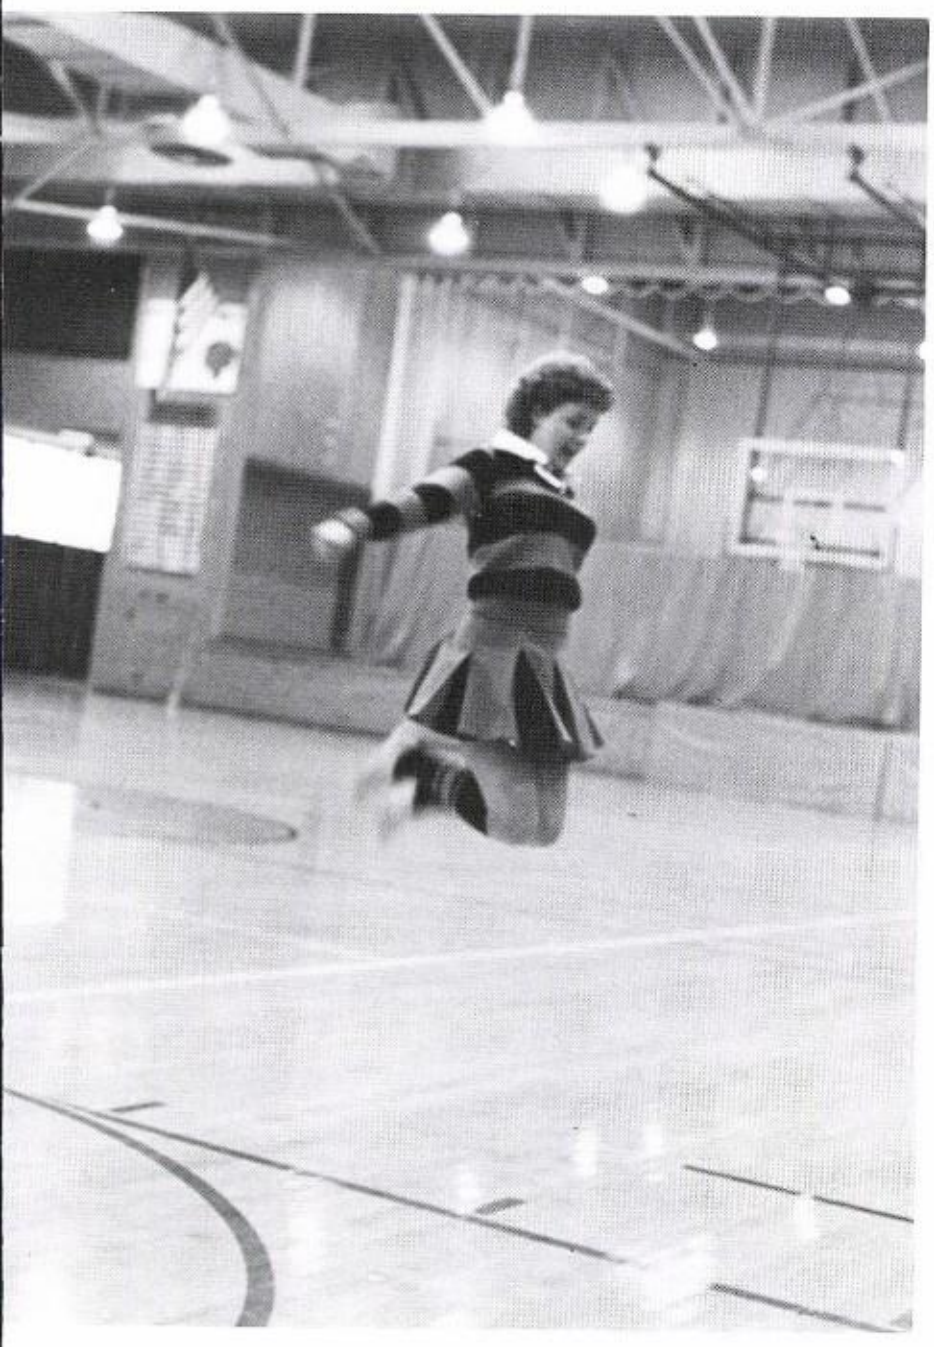
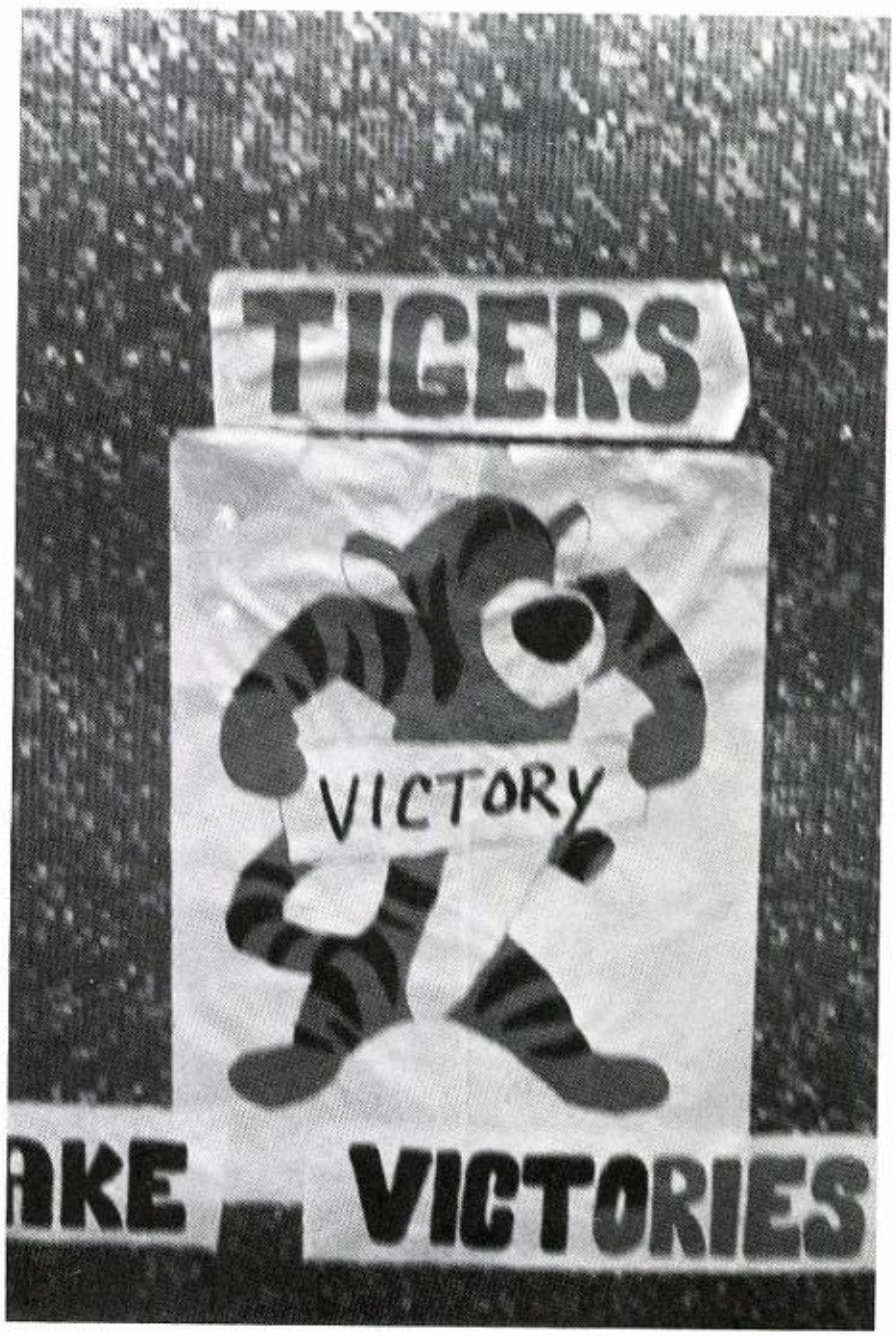
Juniors 134

"Sometimes you've just got to say . . . " Junior Class



Julie Hester shows her spirit.



A landing poster shows hope for victories.

Sophomores Movin' On Up

All the sophomores say, "we're finally past being freshmen." Little do they know that they've just begun. The sophomore year is one to be thought of as a turning point. Now is the time when the sophomores can no longer act like freshmen and get away with it. They must start acting maturely and like they know what they're doing.

The sophomore year is not all like this. Now that they no longer get lost going from class to class, the sophomores can spend more time enjoying school. As soon as the routine is learned, classes and extra-curricular activities become fun and entertaining. Also, more classes are available to take when the sophomore year rolls around so school gets more interesting. Upperclassmen are also easier to get along with. They have stopped most of their teasing and taunting,. The sophomore year is definitely a "movin'-up" time.

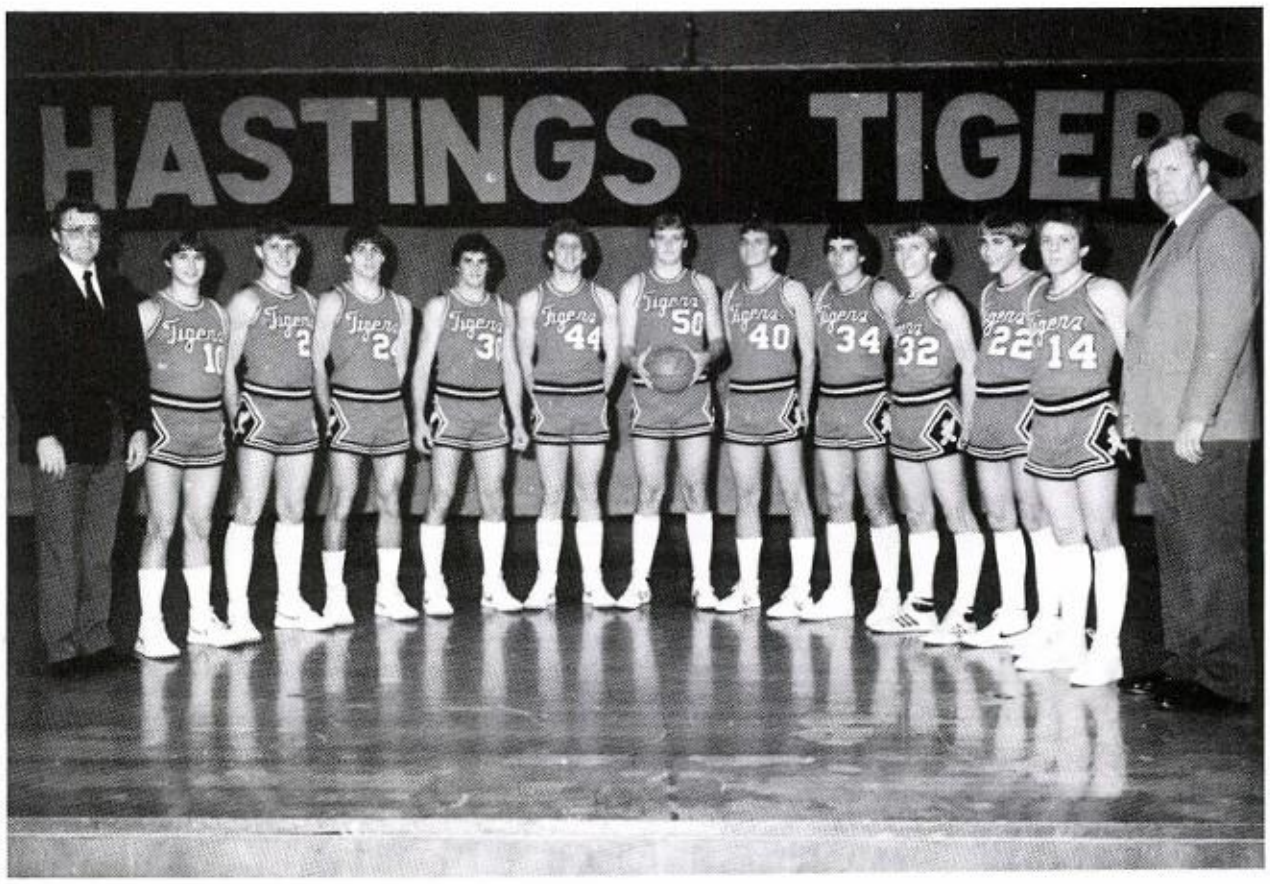
Tigers finish at .500

The Varsity Boys Basketball Team started the 1983-1984 season off slowly by losing several, then coming back to win five in a row in order to bring the season above 500.

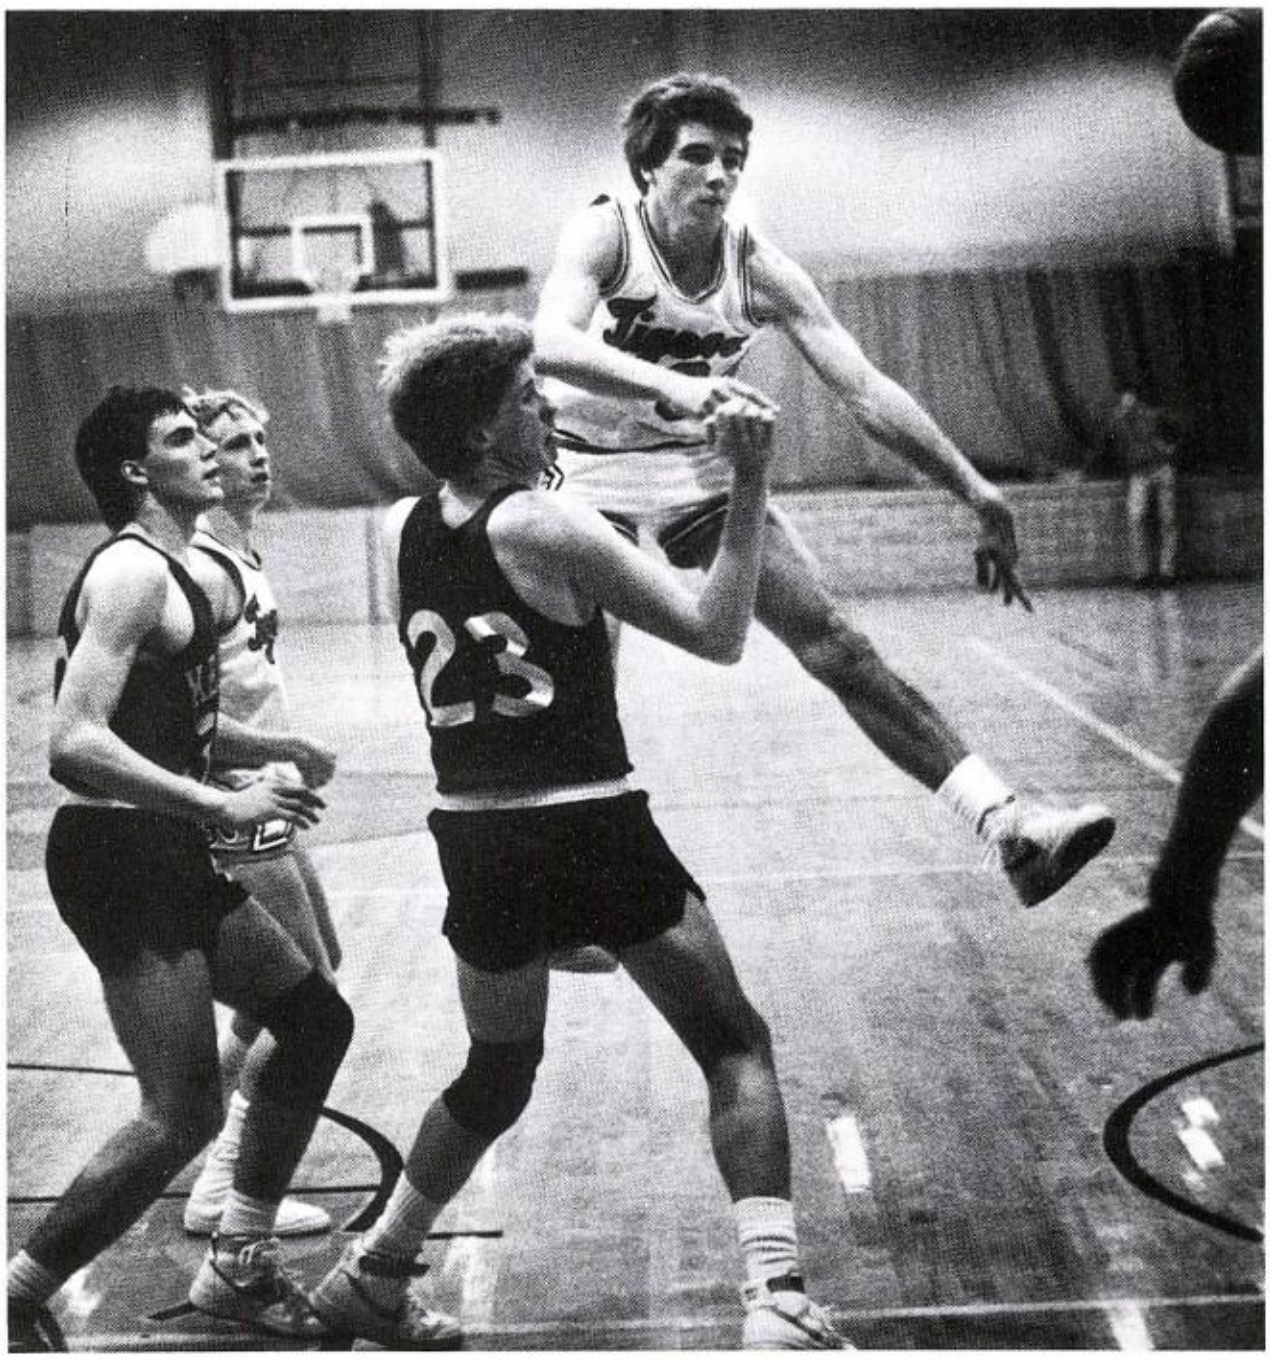
The top scorer for the Tigers was Mike Boyd. Boyd averaged 14.3 points per game. The leading rebounders were Jon Engelhardt with a total of 175 for the year, and Josh Miller with 141 on the year. Curtis Reimer led the team in assists with 121 on the year.

The Tigers were coached by Earl Mullins. Mullins said, "Teamwork and the running game made this season very successful." There were 12 players on the team consisting of eight seniors, two juniors, and two sophomores. "When the players were shooting a good percentage from the field and from the free-throw line they were super to watch and usually came up the victors. Poor shooting during several games made it difficult for the Tigers to win and thus the close losses," stated Coach Mullins.

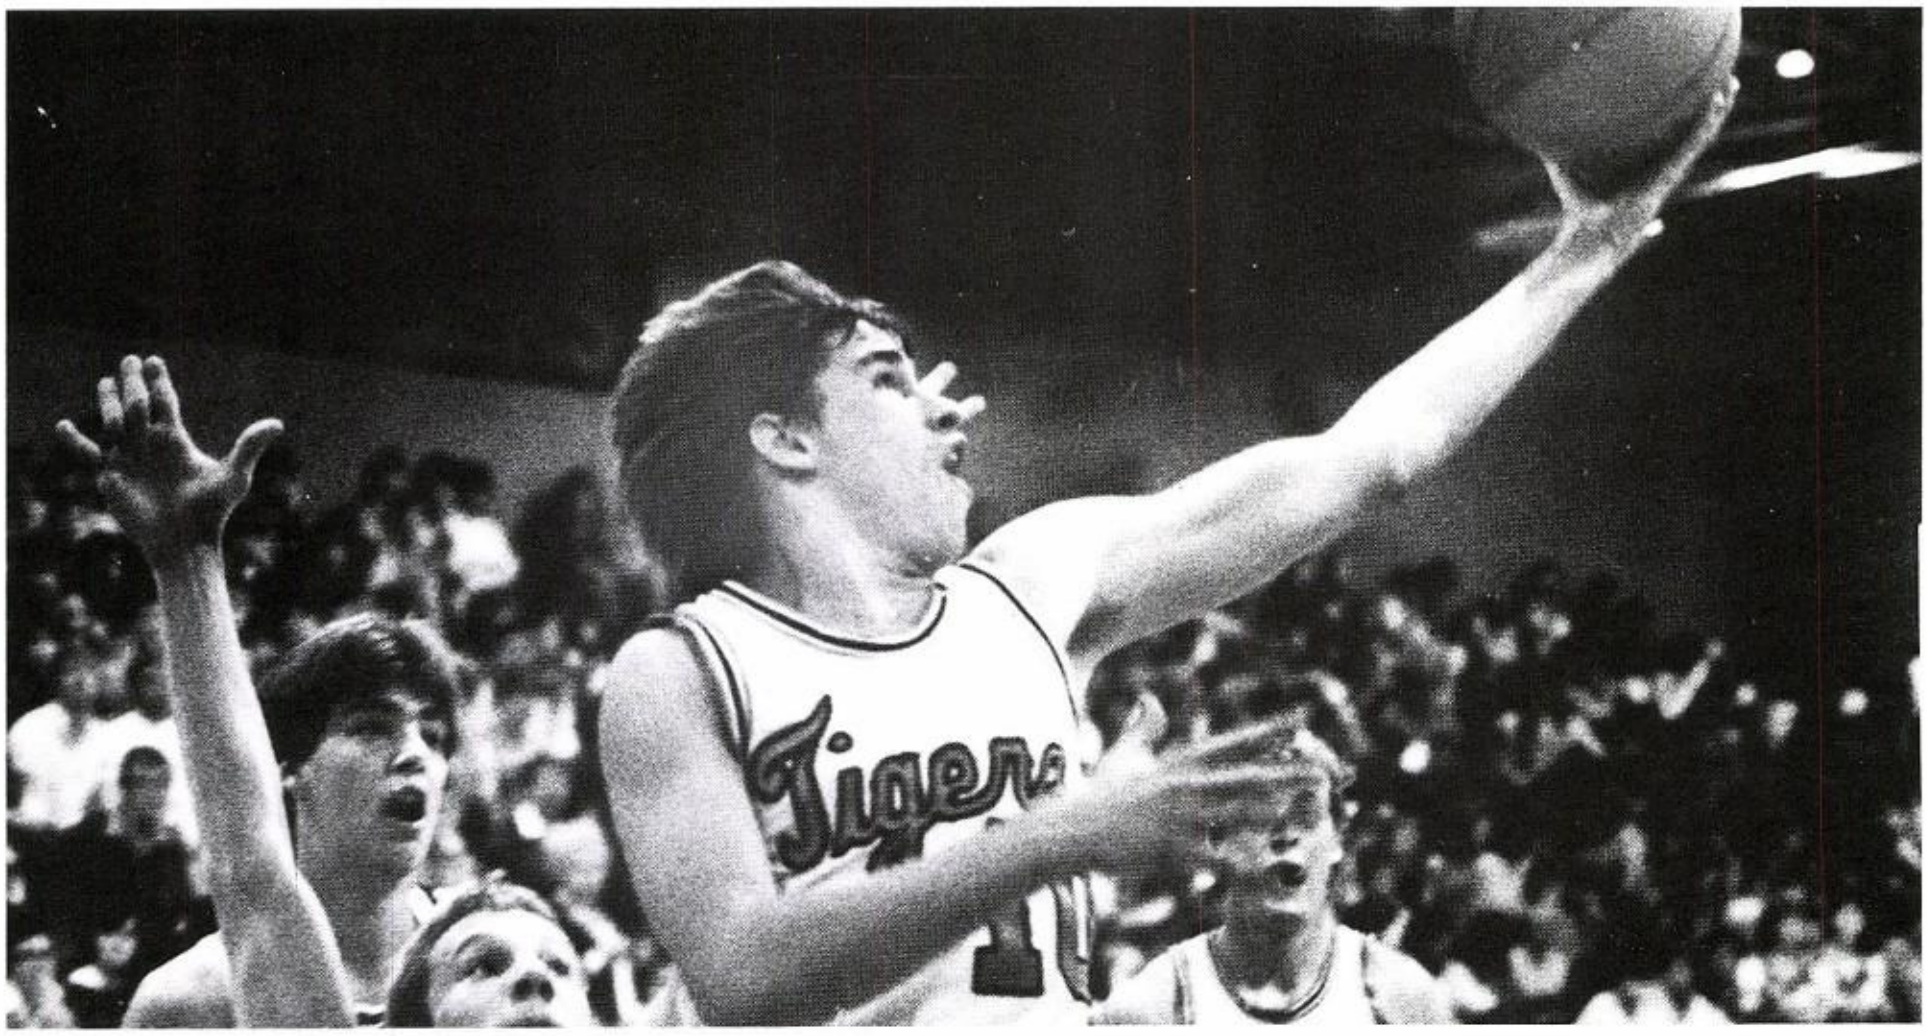
Michelle Kerr



(L-R): Coach Mullins, Curtis Reimer, Darryn Dieken, Greg Mays, Paul Hurt, Josh Miller, Jon Engelhardt, Jim Sanderson, Kevin Wright, Mike Boyd, Scott Kirkegaard, Brian Taylor, asst. Coach Nelson.

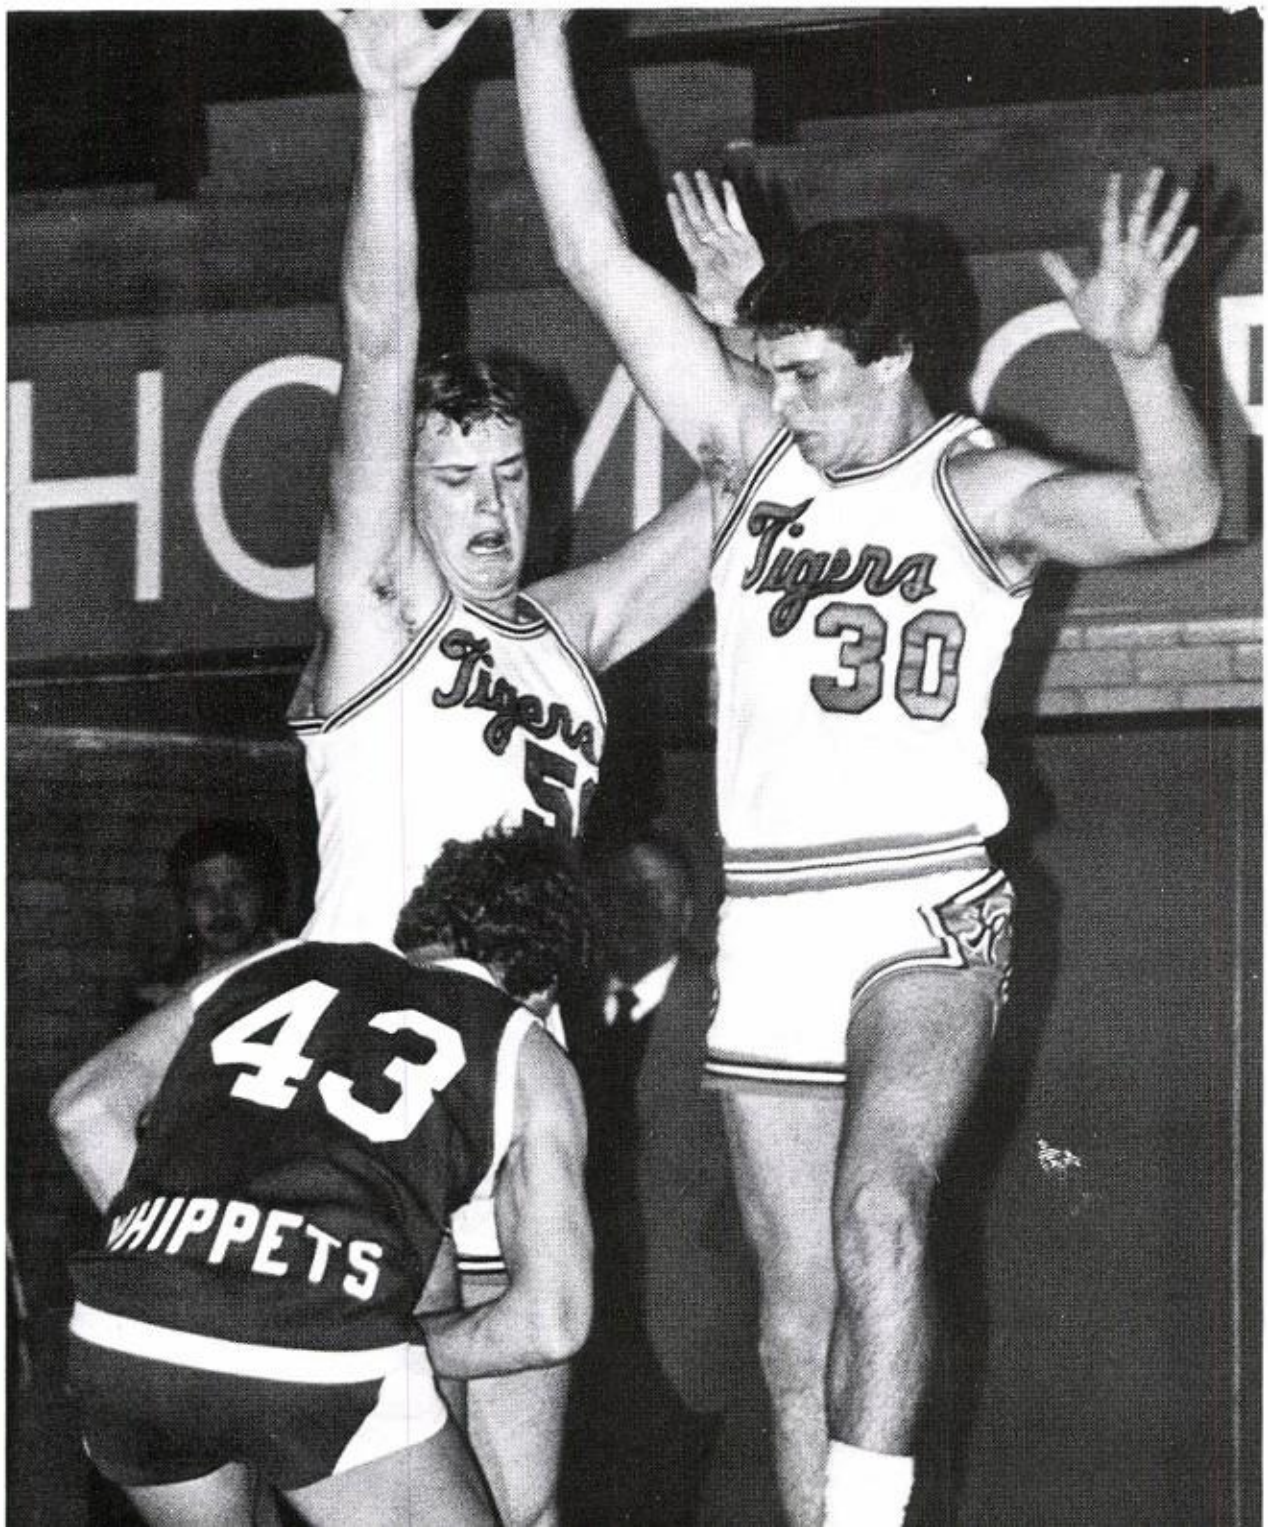


Kevin Wright passes the ball as Mike Boyd looks on.



Curtis Reimer struggles to put the ball up for two points.

Below: Jon Engelhardt and Paul Hurt prepare to block the shot.



Reimer selected as spotlight

Curtis Reimer had a very important job being in the number one point guard position. Coach Mullins said it is important because you need to have someone that is capable of bringing the ball up the floor against a pressing defense, and then to start the offense, and also be expected to be a good shooter as well. "Curtis had a fine year and was able to do this. It takes a very special person to fulfill this job. Curtis led the team in steals and assists. He was a tremendous asset to the team" stated Mullins.

Reimer stated, "I feel we started out slow but as the season progressed we got better. The highlight of the season was the victory over G.I. at G.I. Even though we did not go to state, it was a fun year."

The 1983-84 Tiger Staff is proud to feature this spotlight athlete.

Curtis Reimer prepares to pass the ball.

J.V.'s tied previous year's mark

The J.V. Boy's Basketball team finished their season with a 12-4 record. This years squad was made up of ten members. Greg Mays was the top scorer for the team with an average of 20 points per game. Mays also led in rebounding during the season with a total of 108 rebounds on the year.

The J.V. team was coached by Mr. Don Nelson. Nelson stated, "We felt with a 12-4 record the season went extremely well, this was a tie with the record the seniors set the previous year. We feel the season was very successful."

Sophs gain improvement

"The 1983-1984 Sophomore Basketball Season might seem a disappointment if the record (3-8) is the only factor looked at," stated Coach Reimer. "As a coach, I look at individual improvement in basic fundamentals and teamwork."

The top scorer for the team was Kirk Anderson with an average of 13 points per game. Anderson said, "As a team, we lost quite a few games, but most of them were very close or lost in overtime. Individually, the extra playing time I got on the sophomore team added to my performance in J.V. competition." The top rebounder for the team was Mike Farrell with an average of 6.7 rebounds per game. "I believe the team was better than what the record showed, because a lot of the games were decided within the last few minutes. We had a lot of fun playing and gained experience for next year," said Mike Farrell.

There were twelve players on the team as well as two student managers. Reimer said, "If the players continue to improve, several can and will contribute to the program next year."

Michelle Kerr

Frosh have up season

The freshmen boys basketball team finished their season with an 11-2 record, as well as the conference champions. The high scorers for the season were Will DeRosear with an average of 25 points per game, and Todd VanSkiver with an average of 23 points. The freshmen were led in rebounding by Will DeRosear, Mike Lind, and Todd VanSkiver. Todd VanSkiver, Matt Bachali, and Corey Schlacter all led in assists. Bachali was also the best defensive player. There were 18 boys on the team and a team manager. All the boys lettered.

The freshmen were coached by Mr. Leslie Hamburger. According to Hamburger, "It was a very successful season according to winning and building players for other levels at HHS. Our players competed to the fullest and always tried their best," he also stated, "We were 25 seconds from a perfect season."

Darryn Dieken goes for a lay-up.

Togetherness pays off

"The 1983-84 girls basketball season was most rewarding even though the win-loss record was not that good," said Coach Benny Congrove. The girls this year worked hard together and overcame some adversities. The first setback to the team was losing Angie Life to a shoulder injury then Kristi Hunt was put in a cast for pulled ligaments. "But the girls pulled together and really became an outstanding team," said Congrove.

We were young and inexperienced but with the experience gained this year we are looking forward to next year's season," concluded Congrove.

Some of the accomplishments were that Juli Mulder became the school's leading rebounder and second leading scorer. Barb Howard became the season's 5th leading scorer and Becky Thomas and Shona Jones made the charts in assists and steals.

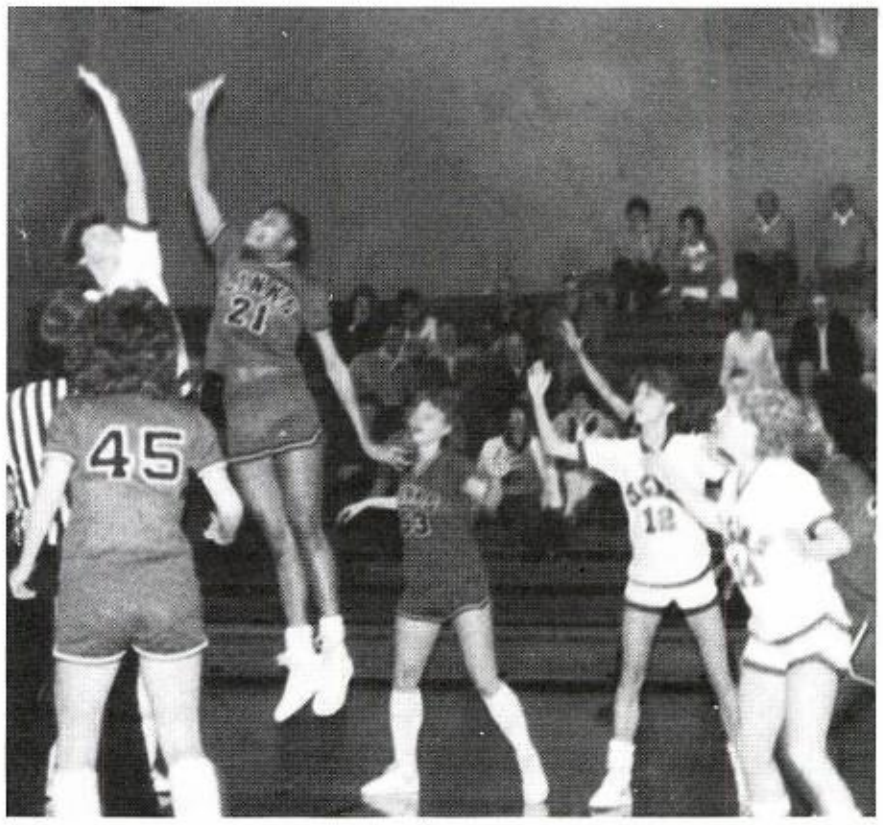
Becky Thomas closely guards her opponent.



Everyone waits for Juli to tip the ball to them.

Amy Moser anticipates her shot.

J. V. work to pay-off next year.

The Hastings J. V. Lady Tigers finished their season with a 3-13 record. Coach Teetor said, "The 1983-84 season was disappointing if you look at the win-loss record, if you look at all the experience that was gained over the past season it was rewarding. The team got a lot of playing time and a lot of varsity experience."

Coach Teetor also stated "We had a lot of disappointments: first, Mary Hoke was put in a cast for an ankle injury, Jo Hamsher was in and out with a knee injury, and due to varsity injuries Shona Jones was moved to varsity level. Even after all the injuries, Coach Teetor felt they had a successful season and that we will see the results next year.

Freshman girls have winning season

The Hastings Freshman Lady Tigers finished their season with a 10-3 record.

Coach Craig McDonald stated, "The win-loss record was rewarding but I felt that some players did not progress in their skill developments as much as possible. I thought some players on the second and third teams progressed more than some of the starters."

The Lady Tigers lost a close game to Walnut which they should have won. Coach McDonald commented, "We played on their level which wasn't very good." However the win over Columbus by one point was a great success.

Nine grapplers make it to state.

"1984 is the year of the whimp," . . . "it's not our whimpy year." Coach Sheley

The tiger wrestling team proved this to be more than true this year. Although the team was young (having only two seniors), they had much experience as eleven returning lettermen helped boost the team. Rob Zarek was pleased with the performance of the team, because He stated, ". . . coach said we were the youngest and toughest in the state."

The grapplers started the season out slow with a loss to Norfolk. After that first loss, there was nothing standing in their way. They lost only once more during the season.

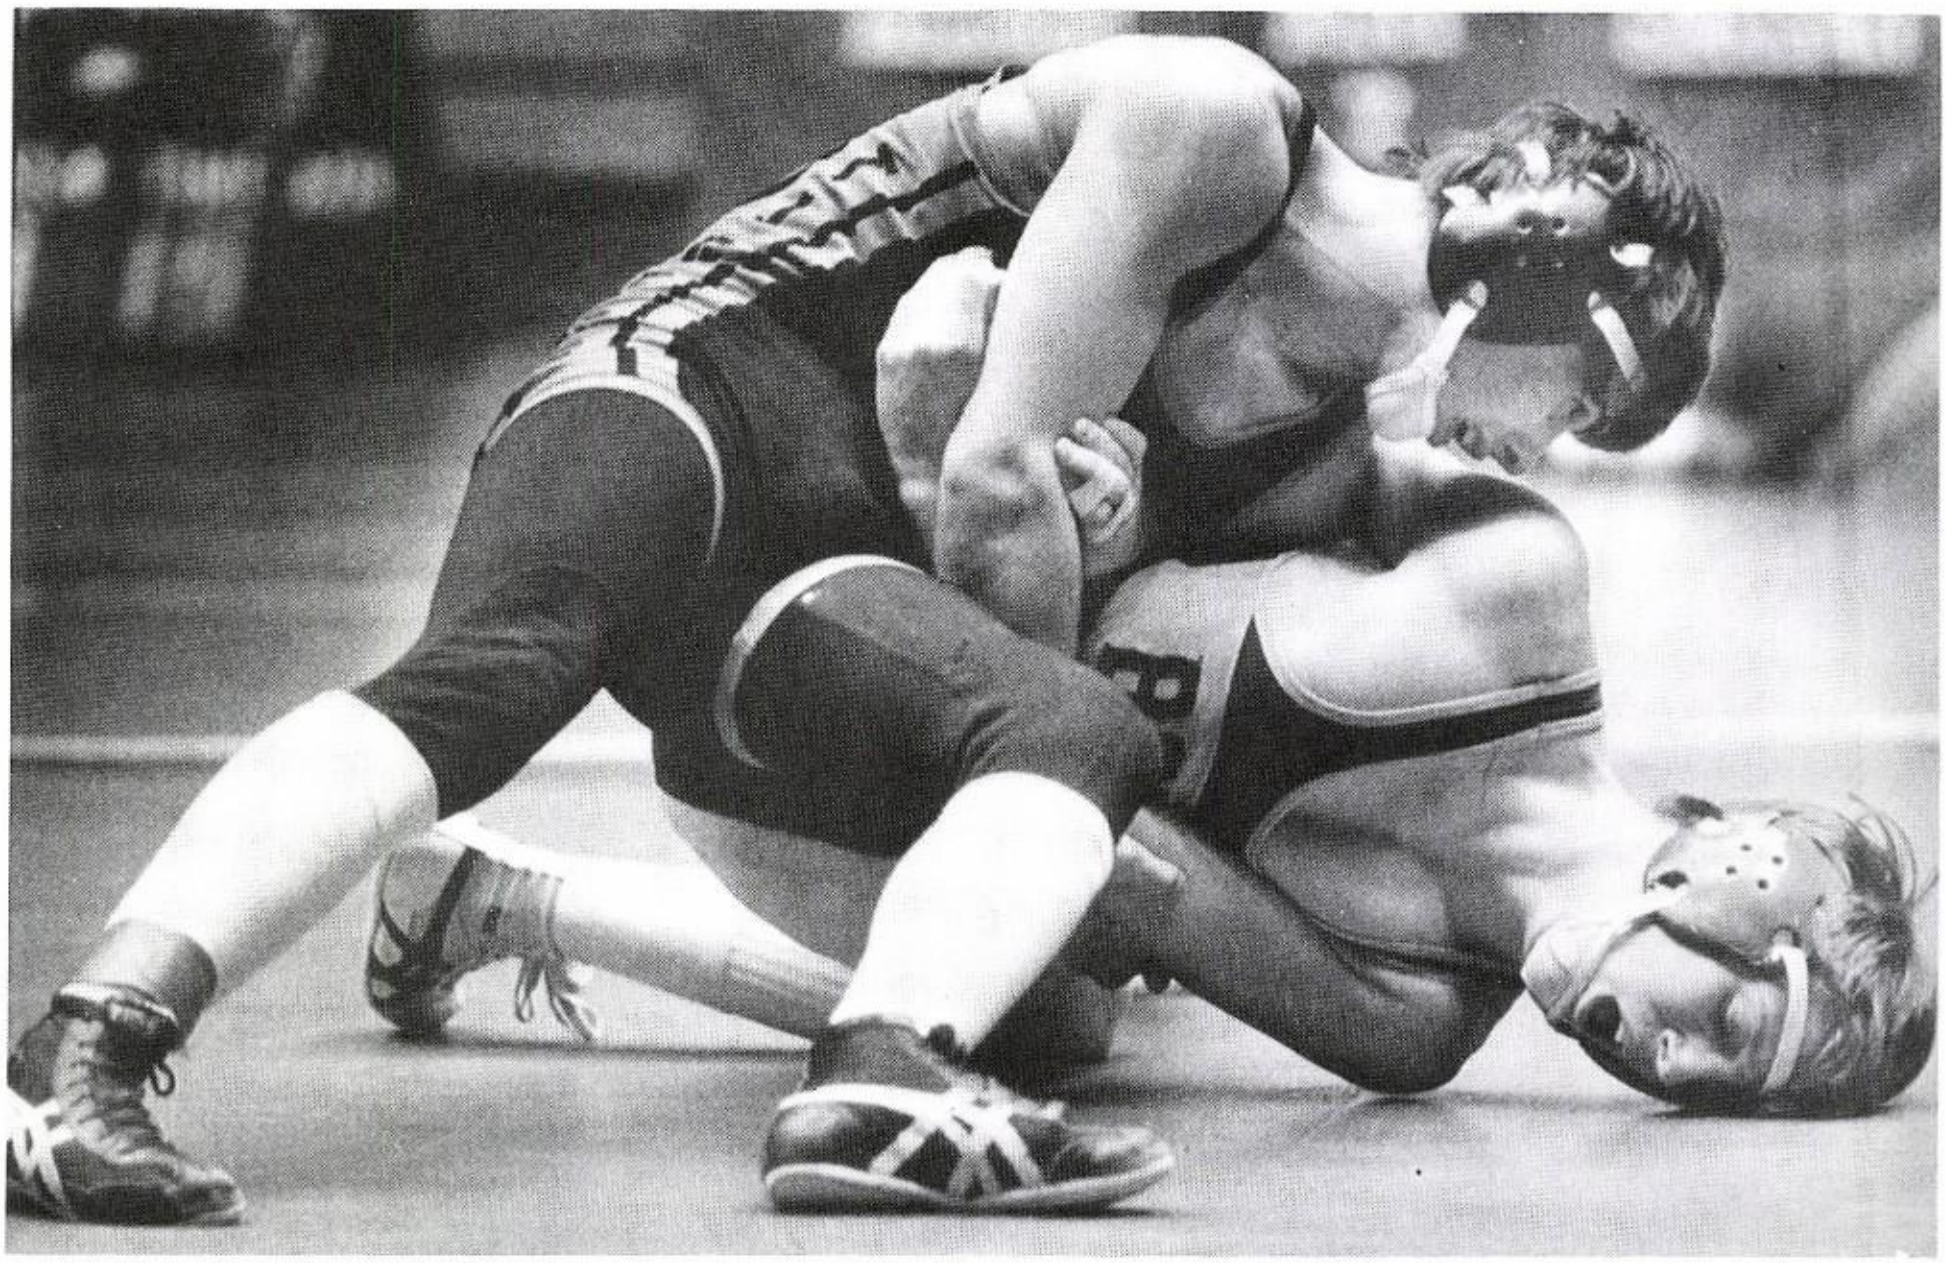
The injury of 185 pound senior wrestler Dave Cully was a disappointment but, despite the injury that put him out for the majority of the season, Cully made a remarkable comeback. He was pleased that he was able to wrestle at districts and then again at state. "I had no idea that it would have been possible to wrestle at districts, but I was very lucky to be able to come back like that." stated Cully.

Sophomore Mike Ewing likes wrestling because, "It's a sport in which you decide for yourself if you are on the team. If you win the challenge, you wrestle that week. No coach picks you for how hard you work, how rich you are, or who your dad is. You determine that yourself."

Concerning the future of the team, coach Sheley stated, "They must dedicate themselves to the goal of a state championship if we are to succeed. It can be accomplished."

Junior Rod Lacy commented, "In the next couple of years you are going to see a ***State Champion Team!"***

Dawnita Borrell



Mark Godding applies pressure to Pat Shepherd of Omaha Bryan. Godding won the match 8-2.

Coach Sheley offers help and encouragement to Todd Matthias after regulation time of the match is over. Todd won in overtime 3-1.

"He (Jay Zalman) is an excellent leader whom everyone respects and admires for his great skill, desire, and determination." Coach Sheley.

Jay Zalman: Leader, competitor, record-breaker

Senior Jay Zalman has all the characteristics of being a Tiger Spotlight. Zalman has the unique distinction of being the only senior on the wrestling squad.

As a freshman Jay's record was 5-2 and as a sophomore his varsity record was 1-3. In his junior year he improved to a 4-8 record. Zalman's high school career ended with a record of 12-16. He placed at the Kearney and Midland Tournaments and was runner-up at the Trans-Nebraska Conference Tournament. Jay placed second at districts which qualified him for competition at State.

The 83-84 ***Tiger*** Staff is proud to feature this spotlight athlete.

A main drawback to the freshmen wrestling season was the lack of numbers which caused the frosh to have four to five open weight classes. However, Coach Richman commented. "I feel the boys that were out progressed well and were very competitive towards the end of the season." In addition, he praised them "The boys were good to work with and I feel if they stay with it they will form the good nucleus of good wresling teams at Hastings in future years."

Swimmers make previous records fall.

Boys

The Boys swimming team has something to be proud about: it placed sixth at state with only one 400 yard Freestyle relay and two individuals competing in the finals. The 400-yard Freestyle Relay consisted of Ed Reif, Don Cushing, Mike Miller and Doug Dilly, and it placed fifth. The two individuals who qualified for the finals were, Don Cushing, and Ed Reif. Cushing, who swam in the 200 yard Individual Medley placed second, He also swam in the 100-yard Breastroke, but he had to compete in a swim-off against Creighton Prep swimmer Greg Pappa. Cushing won the swim-off, and advanced to the finals to take second place. Rief, swam in the 100 yard Freestyle and finished with a time of 48.04 which put him in second place and also broke the Hastings High record for that event. Rief also swam in the 100 yard Backstroke and again placed second.

Girls

The girls team had another outstanding year of competition, as they went undefeated in the dual season for the second year straight. Joyce Oberg placed sixth at state in the 100 yard Breastroke and broke her own previous record with a time of 1:13.38. Tammy Minnick swam in the 100 yard Backstroke and placed eighth and she swam in the 100 yard Freestyle and placed tenth. The Girls 200 yard Medley relay placed fifth, and consisted of Tammy Minnick, Lynn Thorshiem, Joyce Oberg, and Cindy Ricketts. Wendy Shottenkirk, a sophomore swimmer, swam in the 200 yard Individual medley and broke a Hastings High record with a time of . . . The Girls 400 yard Freestyle relay, consisting of Amee Rief, Cindy Ricketts, Libby Friend, and Wendy Shottenkirk, broke another Hastings High record with a time of 4:02.77.

'83-'84 Divers make a splash

This year's diving team has grown in size as well as gaining experience. There were a total of 10 divers this year, 2 of which returned to the team from last year. This was coach Todd Ananias' first year with the Hastings High divers. Coach Anania stated, "It was fun getting to know the kids and watching them gain experience throughout the season." Coach Anania also commented on next year, "If the kids show as they have already, it should be a very competitive season."

Darren Norberg

A little clowning around seems to make practices easier

V-I-C-T-O-R-Y that is

Spirit is seen everywhere at H.H.S. It is in the classrooms as students put a part of themselves into every assignment. Spirit is seen in the gym whether there is just a practice or a pep rally. Spirit is especially seen at big rival games. The gym seems to explode with excitement and life. Even though "Spirit Week" seems to be the basic time for school spirit, spirit is a year-long event; an everlasting sort of magnificent dream.

School pride isn't the only form of spirit at H.H.S. What good would spirit be without friends to share it with? Friendship and love is, after all, what brings life to this school. Spirit unites people as friends and classmates.

Spirit creates four very eventful years for all students at H.H.S. It creates the fun of getting involved, and most important, it creates long and lasting friendships.

Julie Lantz

Enthusiastic seniors and juniors display their spirit on the annual "Islander Day."

Freshman Sara Lundeen takes the lead during a competition of the classes at the pajama day pep rally.

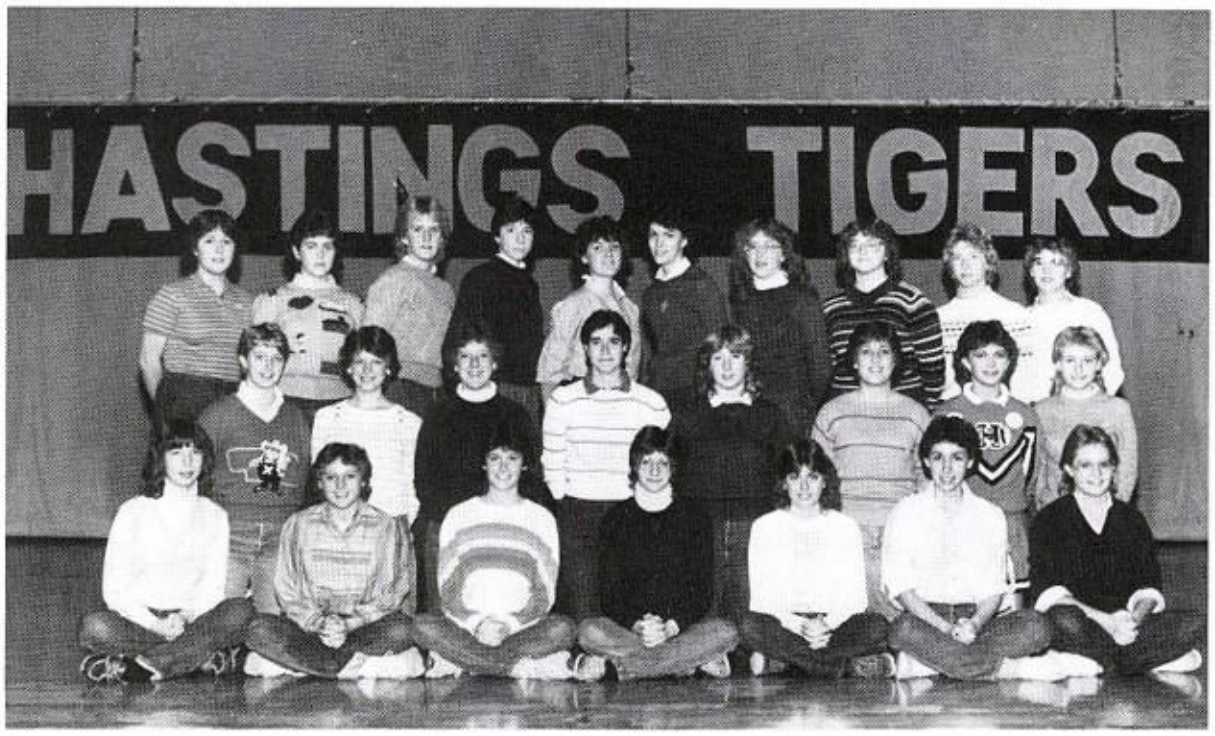
Mermaids keep poolside time

The mermaids have many duties they perform throughout the year. Marilee Mueller, president of the mermaids, states that, "It's hard work and you have to be dedicated." These mermaids are here to boost the swimmers' self-esteem, and make the school more aware of what the swimmers are doing and what they have accomplished. They go to every home meet and, if possible, they go to out-of-town meets.

To maintain the spirit, they make locker posters and make goodies for the swimmers to eat.

"It's hard work but it's worth it because it is a lot of fun," stated Diane Nordyke.

Michele DeSimone



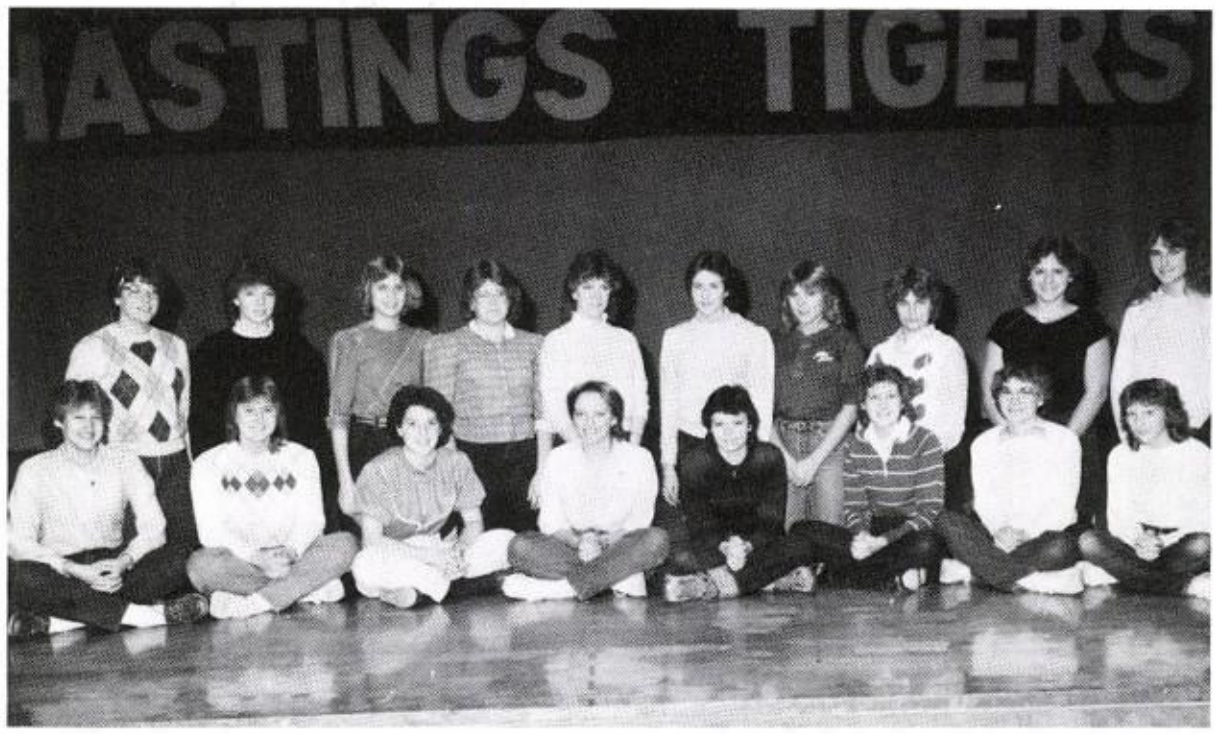
Mermaids 3rd row: Shelly Alexander, Deena Sayer, Kathy Zielke, Linda McCune, Kathi DeRiese, Tina Obenchain, Brenda Koepke, Jenny Langdon, Robyn Kroger, Diane Rehbein, 2nd Row: Tracy Shutt, Trena Pool, Jill Craft, Cindy Morrissey, Pam Mauer, Marilee Mueller, Debbie Rutt, Brenda Elliott, 1st Row: Susan Vonnes, Jackie Henry, Diane Nordyke, Sherry Selko, Debbie Kimminau, Sue Jones, Denise Mitchell.

Matmaids "Pin-down" Spirit

The matmaids had 18 active members in the group. These girls did a lot more than cheer at the meets, they kept the scorebook and ran the clock too.

The 1983-1984 Matmaids supported the wrestlers by attending all the home meets and cheering for them.

"I think we had a super year. I felt that the girls were involved and became to know what the sport of wrestling is all about. I think more people should support wrestling and learn more about it; because wrestling is on its way up," commented Deena Ackerman, President of the Matmaids.



Matmaids 2nd Row: Debbie Rehbein, Denise Rose, Debbie McKinnis, Susan Manning, Amy Fielder, Denise Ackerman, Shawna Cottingham, Linda Hassler, Stefanie Fischer, Brenda Belz. 1st Row: Michelle Miller, Becky Leighty, Duanna McAllister, Lisa McGinnis, Desiree Thaden, Deena Ackerman, Diane Rehbein, Stacy Kendall.

This is one of many signs the mermaids made for the swimmers.

"Spirit, let's hear it"

"Ah, lets go, lets get fired up for a V-I-C-T-O-R-Y. Proud are we cuz we can't be beat. We are faster than lightning, and we are the champs. S-U-P-E-R super is what we are if we're behind we'll pull through because we are all in this together. The Tiger team is tough enough."

"I was really nervous and tense. All the other girls felt the same way," commented Dawnita Borrell. This was the type of atmosphere at cheerleading tryouts last April.

The cheerleaders for the 1983-1984 school year attended a cheerleading camp this summer in Lincoln, Nebraska, where they learned new chants, cheers, and complicated mounts. These girls work all year long perfecting their cheering skills.

The junior varsity is a new addition to the cheering squad. "I think the addition of the JV squad has reduced the amount of work for the varsity squads," stated Julie Lantz.

Cheering isn't the only task assigned to these ever-working girls. Miss Carlson commented, "These girls work very hard and get very little recognition, but they keep doing it." That's the real Tiger Spirit.

After the games end, the cheerleaders may top off the evening with a VICTORY yell, but they certainly aren't finished with their hectic duties.

Michele DeSimone

The Freshman Yell Leaders show their acrobatic talents.

"Tigerettes take the floor"

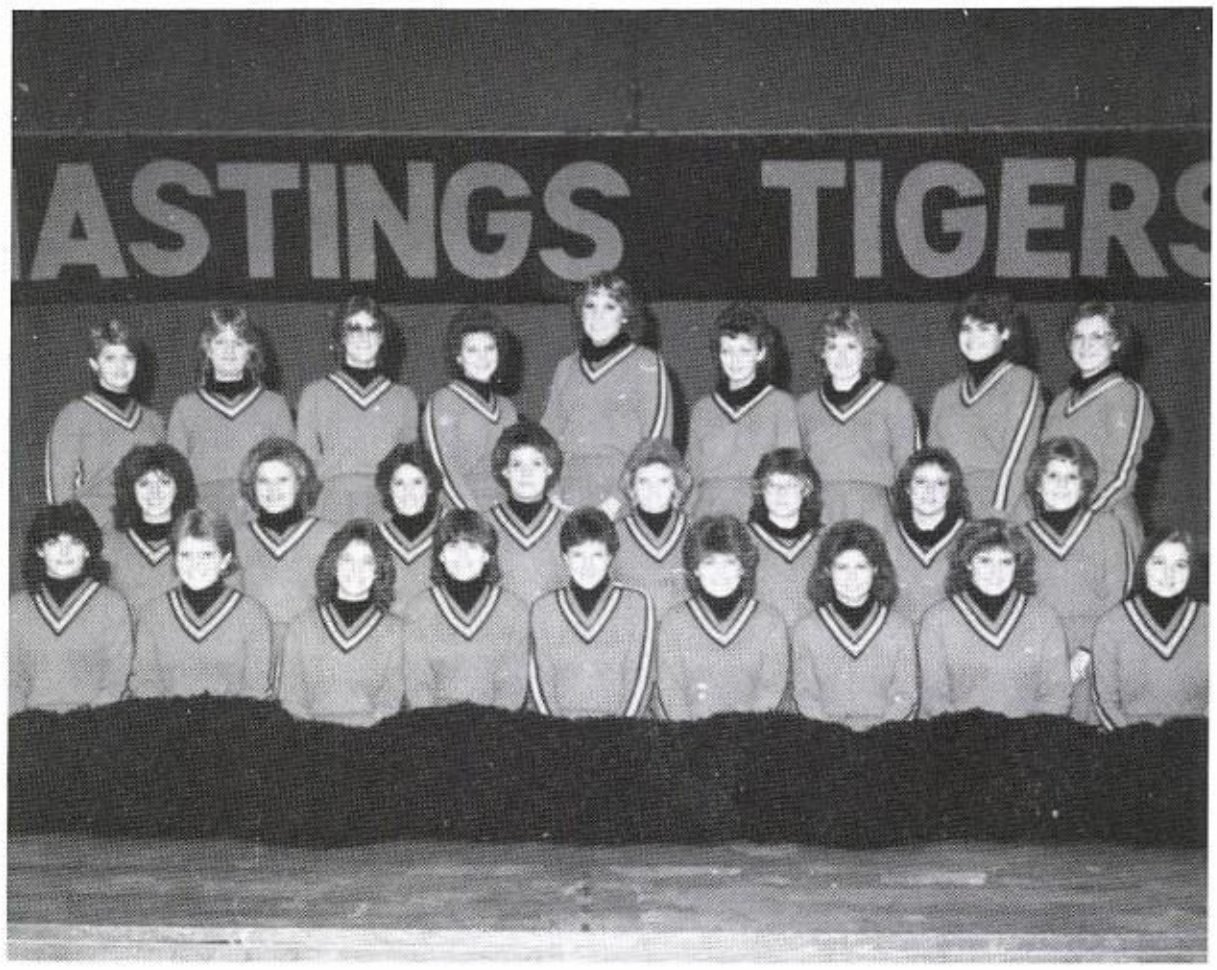
The H.H.S. Tigerettes provide spirit and entertainment throughout the year.

"To me, Tigerettes is great fun, but it is a lot of work" comments Tori Hunt. These girls work hard all year long. There are 25 members and the Captain is Mary DeRiese, Co-Captain Kim Yenni, and the Jr. Co-Captain is Rita Peterson. The Tigerettes march with the band and perform for football and basketball games.

The girls choreograph their own routines. They use a variety of resources such as: routines learned at camp, drill team performances from other schools, and ideas from fellow students. They usually have about three weeks to make up and learn a routine.

One of the important things in being a Tigerette is the pride in the school that they show.

Michele DeSimone



Third Row: (L-R) Tracy Shutt, Liz Oliver, Susan Hansen, Diane Ore, Becky Wolfe, Kim Leonhardt, Angie Fagan, Kristy Tackwell, Mary DeRiese, Second row: Deena McAllister, Missy Vap, Linda Rector, Tori Hunt, Brenda Meyer, Cindy Henry, Kim Petzoldt, Robyn Milroy. Senior leadership contributes

"We've had excellent senior leadership, and we've had a great deal of help from the underclassmen. The group is extremely dedicated to support the program and keep the H.H.S. Debate Team one of the best in the state," stated Coach Scott Milliken. This year's team did obtain one of the highest placements in the state. They placed third out of 40 schools at the state tournament.

The debate and speech teams placed high at all of the tournaments in which they competed. A lot of hard work and dedication enabled the teams to be so successful this year. Katie Kingsley, a varsity debater said, "Debate requires a student to be very dedicated and willing to sacrifice much time and effort if he wants to succeed. Speech requires a lot of mental and physical endurance throughout the season." The most extensive preparations for competition took place between June and November, when, at that time, most of the research was done on the year's topic: "criminal court procedures in the justice system." The season was spent discussing strategies. "All the hard work we do during debate is for our competition; thus, we work hard to do well and win," stated Kay Sachtleben.

Milliken noted that many of the debaters this year did not fit the role of a "stereotype" debater. Many were involved in sports, music, and many other activities. Despite the successful season, Milliken felt that conflicts with these other activities was a drawback to the season, decreasing the number available to attend tournaments. This caused the team to lose to schools which Hastings usually dominates.

Debate provided an opportunity to learn skills which helped in other classes, and in everyday life. Milliken stated, "They (speech and debate students) learn poise, researching skills, how to organize, how to talk on their feet, the importance of communications in argumentative situtations, and outlining skills." Debate also is benefictial to students in other ways as well, Katie Kingsley said, "Debate enables you to meet a lot of students all across the state in a very personal way. We get a chance to talk and spend a lot of time with others and frequently form strong and lasting friendships."

Variety is the spice of life as stand partners Lyn Throckmorton and Cheryl Kirkpatrick participate in orchestra and enjoy Van Halen on Lyn's "box".

Debbie McKinnis and a G.I. musician become better aquainted as they experiment with each other's instruments during a break at the Grand Island and Hastings Orchestra Clinic.

Freshman Laura Cure studies the program in preparation for a concert with G.I. orchestral musicians. The concert was the result of the 28th annual G.I. and Hastings Orchestra Clinic. The concert was one of the largest performances with 87 musicians.

Group gets new look

With an increase of musical knowledge and ability as the orchestra's goal, it participated in four highlights during the 1983-84 school year: the Baroque Concert at Hastings College, the Grand Island and Hastings Orchestra Clinic, the District Music Contest and the Nebraska Educators Association.

The orchestra took on a new look as it was supplied with unified dress outfits for concerts: long black dresses for the girls and black suits for the boys.

There were 23 musicians in chamber orchestra and approximately 55 full orchestra members. Mrs. Beverely Lightner said that the string orchestra was considerably smaller than it has been in previous years but, "We feel fortunate to have an orchestra in these days of disappearing programs." She added that Hastings High has the largest orchestra outside of Omaha and Lincoln.

Lightner said that she worked with a small number of string orchestra members but they were extremely dedicated. The full orchestra rehearsed at 7:30 a.m. on Monday and Wednesday and the string orchestra rehearsed at 9:30 on Wednesday and Friday.

According to Lightner, the Hastings High Orchestra originated over fifty years ago by a director named Matt Shoemaker. It has traditionally been one of the finest orchestras in the state. According to Lightner, Shoemaker directed the orchestra for over forty years and was a well-known and respected man among musicians throughout the midwest.

RIGHT: Band Directors Dale Duensing leads the concert band in a smashing performance. ***BELOW:*** Steve Spady, bass guitar; Valerie Wilmot, piano; Bren Workman, guitar; and Toby Cummings, trap set, provide the rhythm for the jazz band. ***BOTTOM RIGHT:*** Practice makes perfect for the third clarinet section of the concert band as it repeats a bar in a concert march.

ever, bands win honors.

LEFT: The concert band takes a bow after another fine performance at the spring concert. ***BOTTOM:*** Tim Haase leads the trombone section with a solo for the jazz band.

ABOVE: The concert band prepares itself for the band trip to St. Louis where it performed "Majestia". The concert band placed fifth out of eleven bands in its category and the symphonic band placed first in its division. ***ABOVE RIGHT:*** The saxaphone and trombone sections "work on a tough lick" in the popular song "Beat It". ***RIGHT:*** First chair bassoonist Jill Craft concentrates on a difficult rhythm pattern in concert band.

RIGHT: The many trophies earned by the marching band, concert band, and symphonic band are displayed at the spring concert. Special trophies include the Parade Championship Trophy Class AA, the McDonald's All-American Trophy, the Superior Show Trophy (at both Harvest of Harmony and the Nebraska State Bandmasters Marching Contest), the Conestoga Mall Grand Champion Trophy, and the first place trophy for symphonic band in the St. Louis Concert Competition. ***BOTTOM:*** Jazz band members Mark Hoffman and Dana Honn run through their alto-sax parts before rehearsal.

Madrigals maintain excellence

"Every year I become more amazed at the talent at H.H.S. I hope that students can continue to realize their talents and seriously develop their abilities through music," stated Mr. Koozer, director of the group. The madrigals performed many times throughout the year, but their busiest time was during the holiday season. "Singing during the Christmas Holiday was a real challenge. It seemed like we had concerts every day and sometimes we had two per day, said Jim Sanderson.

The madrigals provide a great musical service to the community as they represent our school to many organizations throughout the state and the city of Hastings. For Mary Hoke, the biggest highlight of the year was being selected to be a part of the group. "Ever since I found out what type of group madrigals was, I wanted to be a part of it. I was really excited when I found out I made it."

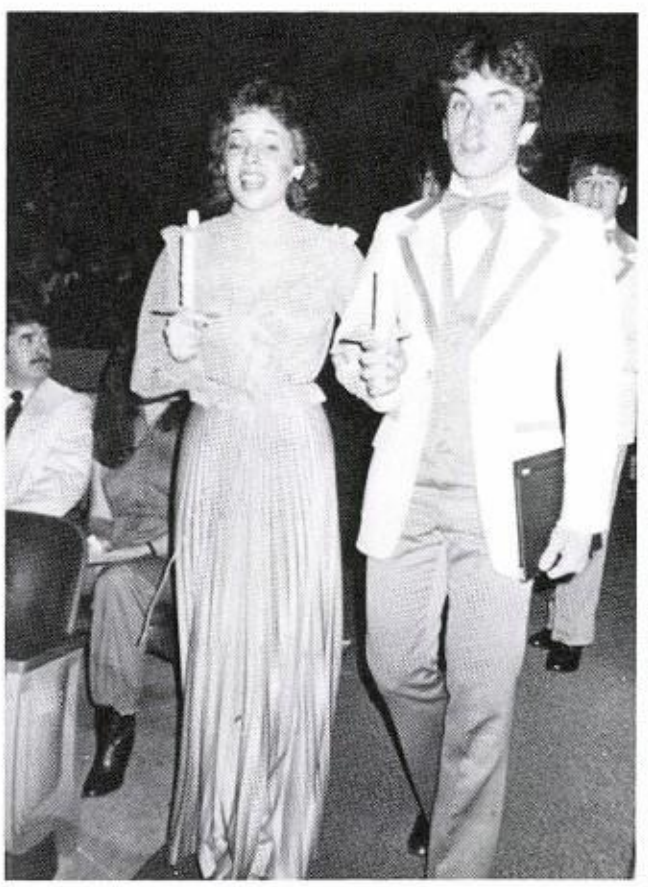
The primary goal for the madrigals is to continue to maintain the standard of excellence the group is known for.

Melissa Kerr

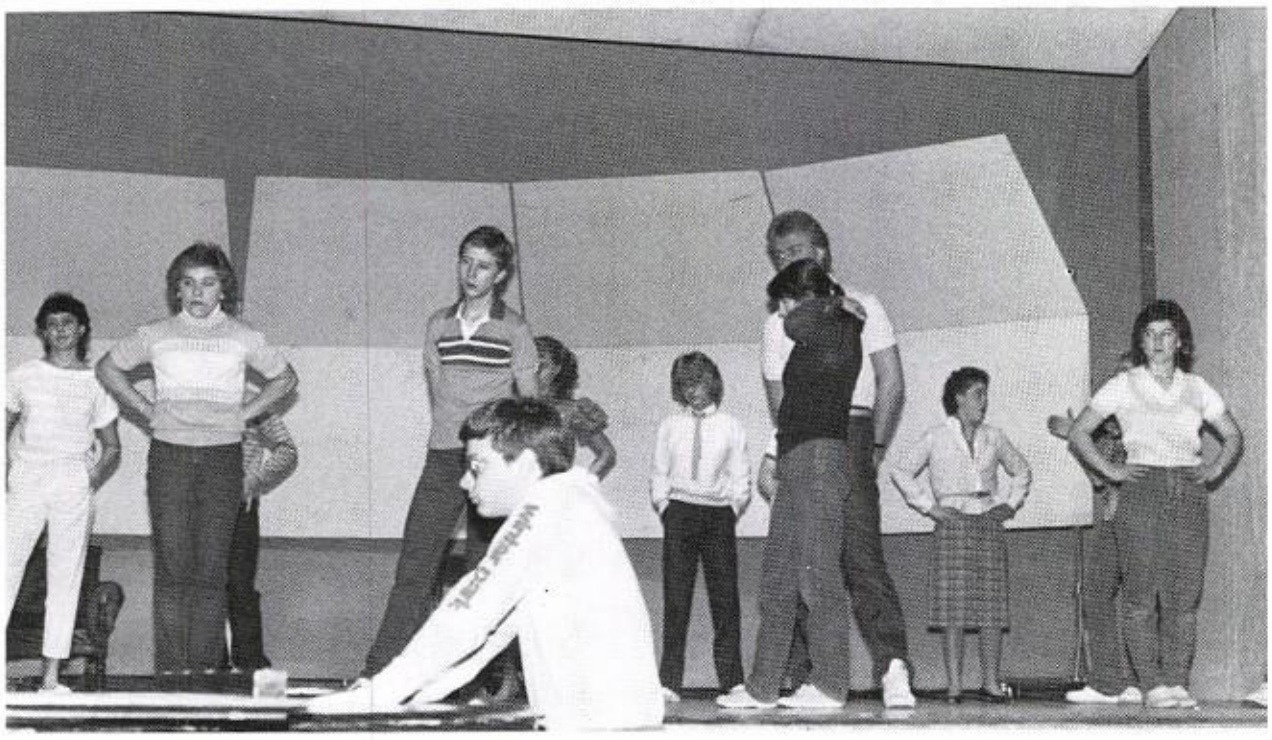
Madrigals sing Christmas carols by candlelight.

In the spring, the madrigals were invited to sing for the arrival of presidential candidate Walter Mondale.

Madrigals front row (l to r): Sue Moul, Margaret Marsh, Pam Lewis, Carmen Nitzel, Devra Black, Susan Hunter, Mary Hoke, Julie Kort, Katie Kingsley, Susan Ganow, Kelly Shutt, Anne Veburg. Back row: Bryan Schneider, Shane Mullen, Corey Johnson, Tod Fitzke, Jim Sanderson, Steve Tilley, Rick Waltemath, Ned Fike, James Evans.



Carmen Nitzel and Jamey Evans make a joyful entrance by candlelight.



Everyone takes a break from what they're doing.

Swing group Enjoyed

"I have really enjoyed being in Singing Tigers this year. I liked the pieces we performed," stated Pam Lewis. This group is made up of sophomores, juniors, and seniors. They meet on Tuesdays and Thursdays before school. The Singing Tigers is one of the school's swing choirs.

The Swing Choir rehearses for Spring Concert.

Mr. Koozer demonstrates a step to Pam Lewis

Hard work worthwhile

"I am very proud to be from the school with the most singers in the state chorus," said Robin Koozer, choir director. NMEA is short for Nebraska Music Educator's Association. The students are chosen, by a committee consisting of music teachers across the state, to attend the music convention. Tracee Kalba who attended, stated, "it was a lot more fun than I expected, and all the hard work was very worthwhile." "NMEA is a very important thing, it has taught me a lot about music," replied Rick Waltemath. The students that attended the convention worked very hard to make the performance an outstanding one. "There were long practices and sore throats, but it was all worthwhile when it came together," stated Corey Johnson. The outstanding performance was very well received by all the music students, and music teachers in the state.

NMEA J. Anderson, S. Mullen, D. Black, J. Kort, J. Evans, T. Gildersleeve, C. Johnson, B. Schneider, C. Henry, K. Shutt, R. Waltemath, T. Freeman, S. McKinnis, C. Christensen, P. Lewis, C. Kohtz, T. Fitzke, S. Tilley, H. Hughes, S. Ganow, J. Sanderson, J. Drummond.

Choir has Tradition

This year's Chamber Choir is upholding the tradition of excellence, according to Robin Koozer, director of the Chamber Choir. This is a group choir which meets on Mondays and Wednesdays. The group is comprised of juniors and seniors. Deb Fish stated, "I enjoy Chamber Choir because it lets you break up your day from studying. It's awfully hard work, but being able to perform in the concert is rewarding." "We sing a lot of different and neat music in Chamber Choir. Mr. Koozer makes it a lot of fun. I think everybody enjoys it," stated Ned Fike.

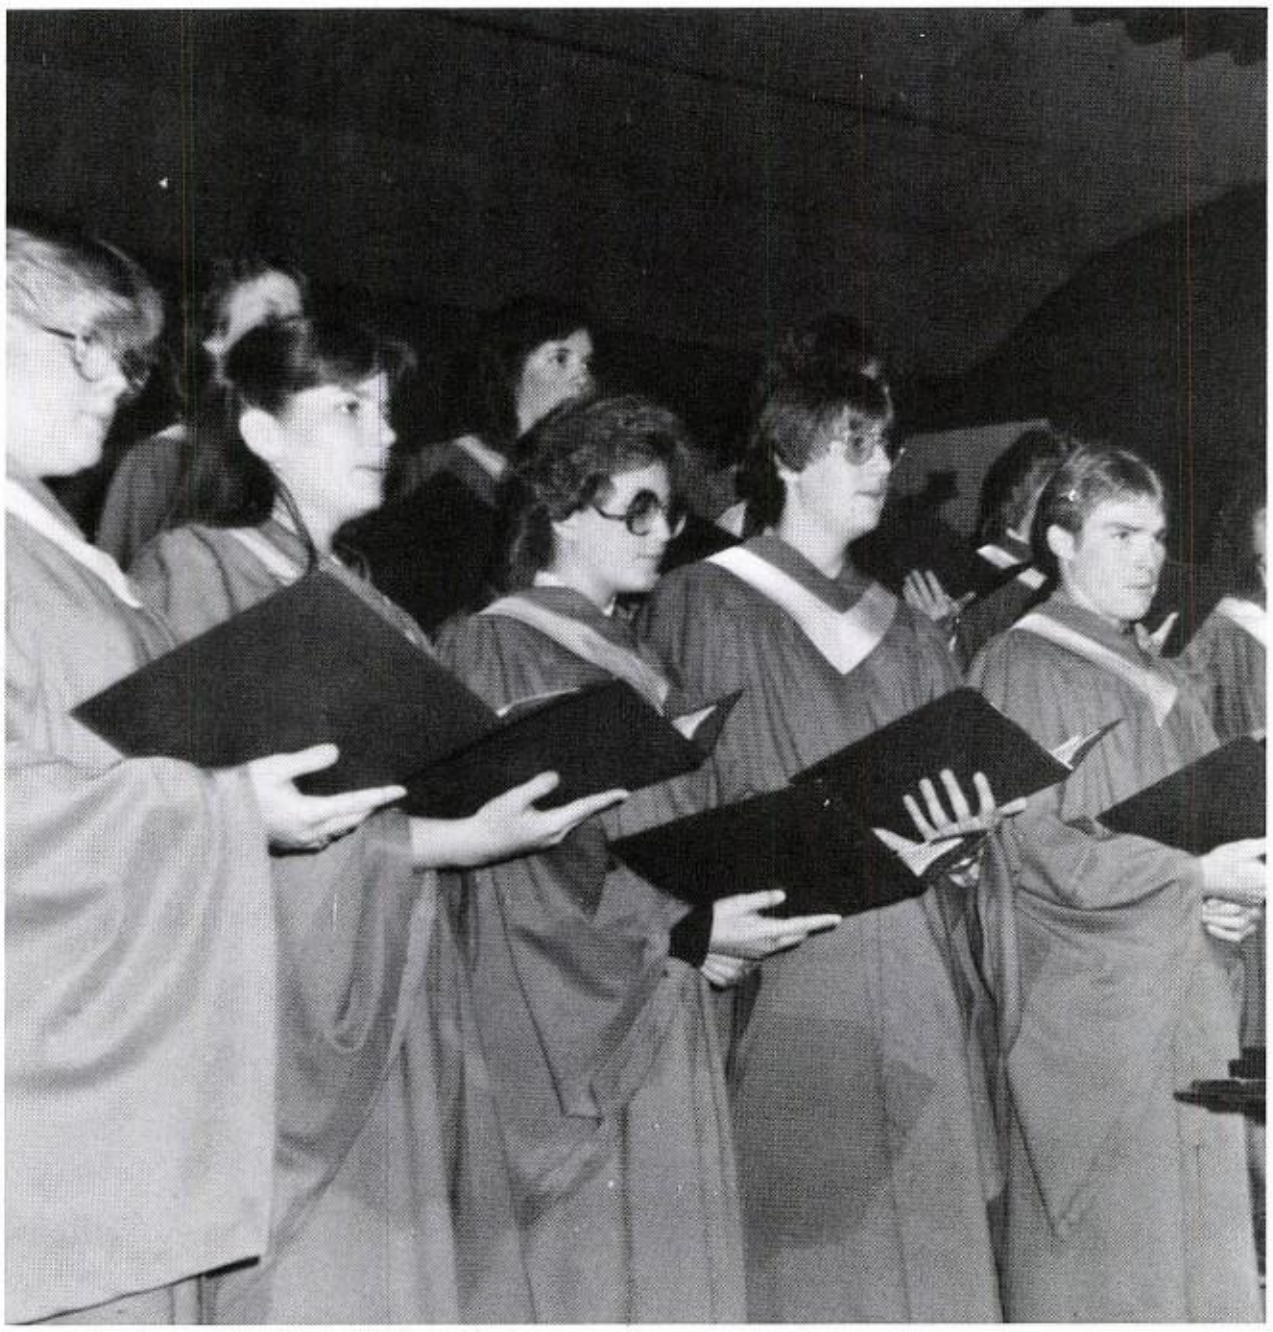
Enrollment Numbers up

Concert Choir is a group which met twice a week this year. Students wishing to sing with Concert Choir do not have to try-out; they just sign up. Membership in this group involves simply an enjoyment of singing. As Marilyn Lambert stated, "I feel that being in this choir is a unique experience." Kevin Theesen agreed saying, "I've met some really neat people during the '83-'84 school year in choir." Enrollment for Concert Choir is up this year in comparison to previous years according to Robin Koozer, director of the group.

Melissa Kerr



The Concert Choir members watch the director for their next entrance.

Groups get Experience

Singers 9 and 10 are two separate groups who practice separately, but perform together. Singers 9 is comprised of all freshmen and Singers 10 is comprised of all sophomores. These groups meet over half of their lunch period. The choirs sing music in the catagories of SATB. Singers 9 and 10 are the largest in school. "Singers is a good experience because it allows you to take a music course your first few years of high school," replied Katie Kingsley. Jeff Jacoby stated, "as a part of 9 and 10 singers, I would encourage first and second year students to participate in the short but fulfilling class period."

Melissa Kerr

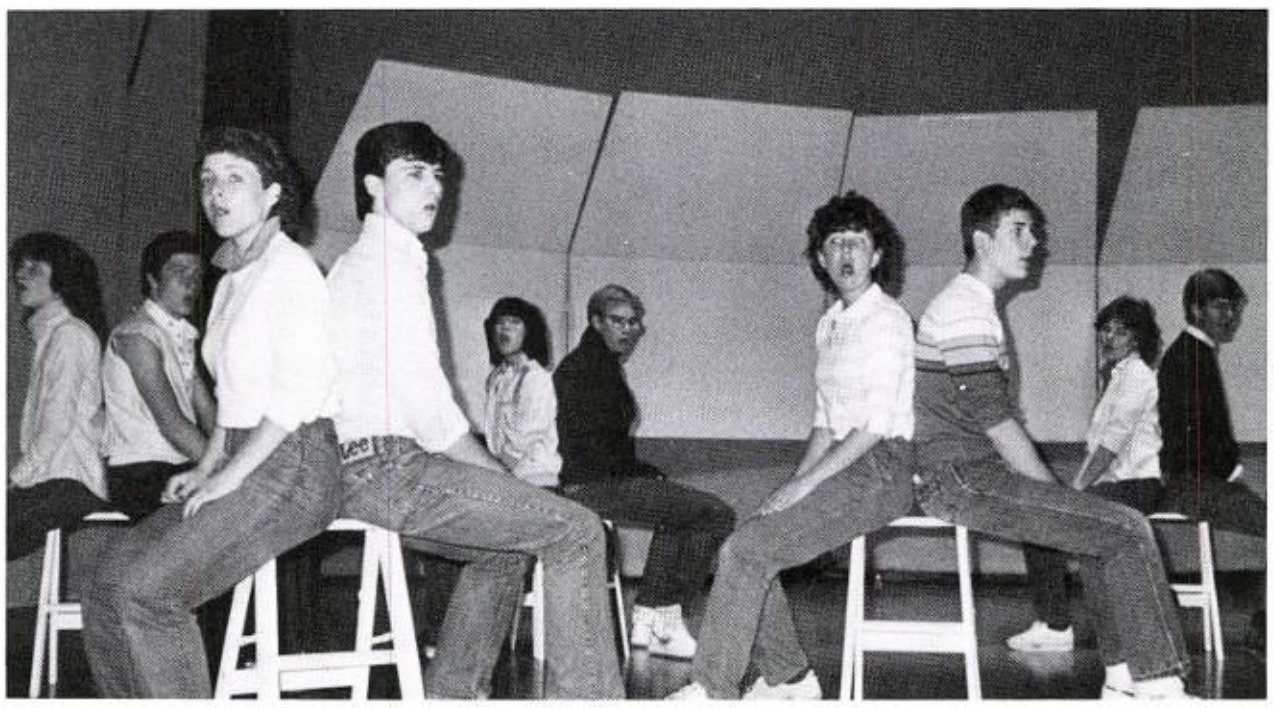
New groups added for freshman, seniors

14th Street Singers rehearse a medley from "Annie."



Sukey Bonar and Julie Hester sing a duet in the medley.

Corey Johnson, Joe Anderson, Jamey Evans and Bryan Schneider perform in the Barbershop Quartet for Senior Honors Night.

14th Street Singers

This Year's 14th Street Singers were under the direction of Melinda and Doug Runcie. According to Doug Runcie the group did very well at a clinic they attended April 7 at North Platte. 14th Street Singers meets on Tuesdays and Fridays from 7:15 am to 8:00 am. There are 26 students in this group. "I think 14th Street Singers is a fun learning experience. It has taught me to not be afraid to sing in front of people. Our instructors make it fun because they put so much time and effort into it." said Anne Hansen.

Melissa Kerr

Barbershop Quartet

A new group in the choral department this year is the Barbershop Quartet. Participation in the group is not decided by auditions, "We just got together a group of senior boys who were interested in singing Barbershop music. It is our way of leaving, the music department at Hastings High, in style," said Bryan Schneider. Barbershop Quartet can be more of a challenge then singing in other groups, because each voice is important. Members of the group are: Joe Anderson, James Evans, Corey Johnson, and Bryan Schneider. "I really enjoy being a part of the Barbershop Quartet, it's a good experience because it exposes you to a type of music which has been an American Tradition."

Melissa Kerr

DECA participates at state

Five students from Hastings High attended the Distributive Education Clubs of America Conference held in St. Paul, Minnesota, from November 11-13.

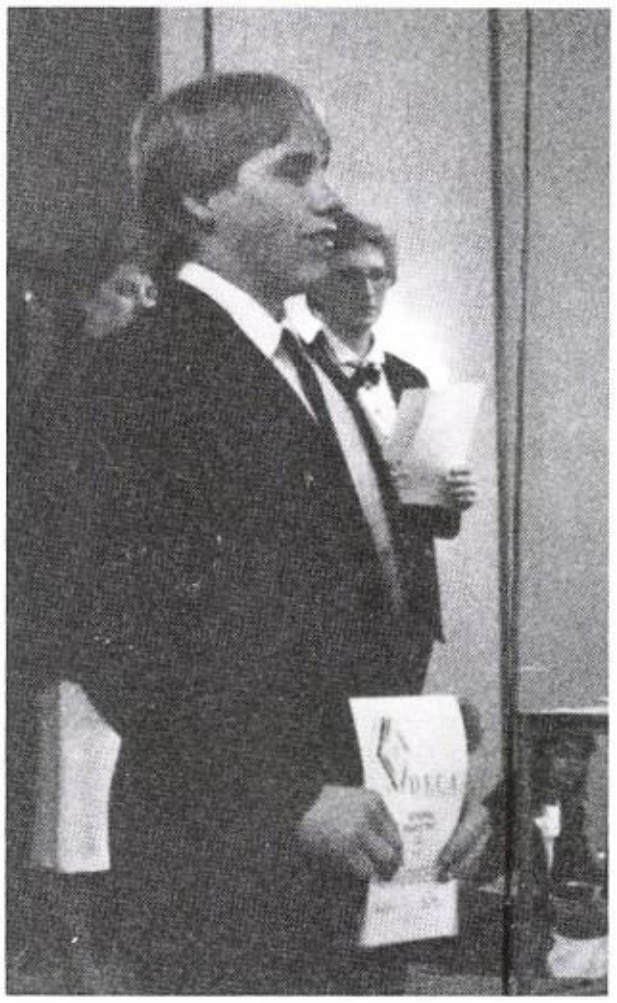
Students learned many valuable things: how to be a better customer,how to be a good boss, how to speak with people, how to make goal setting work, how to improve one's memory, and how to manage a business.

DECA is a leadership development organization for students interested in the retailing business. "The experience is invaluable. It helps you run your own business and helps you to become a professional sales manager," said Todd Brown.

DECA holds several fund raisers during the school year to lessen the expenses for state. This year the students held a dance and a drawing for a stuffed tiger. At the state contest students may enter projects relating to general marketing or restaurant marketing.

When asked, Mrs. Davidson, DECA sponsor, had many positive things to say about the conference this year. "The kids are highly motivated. They have a lot of spirit and enthusiasm for the year."

Mary DeRiese



Bret Bartleson receives 3rd place in the General Marketing division at state.

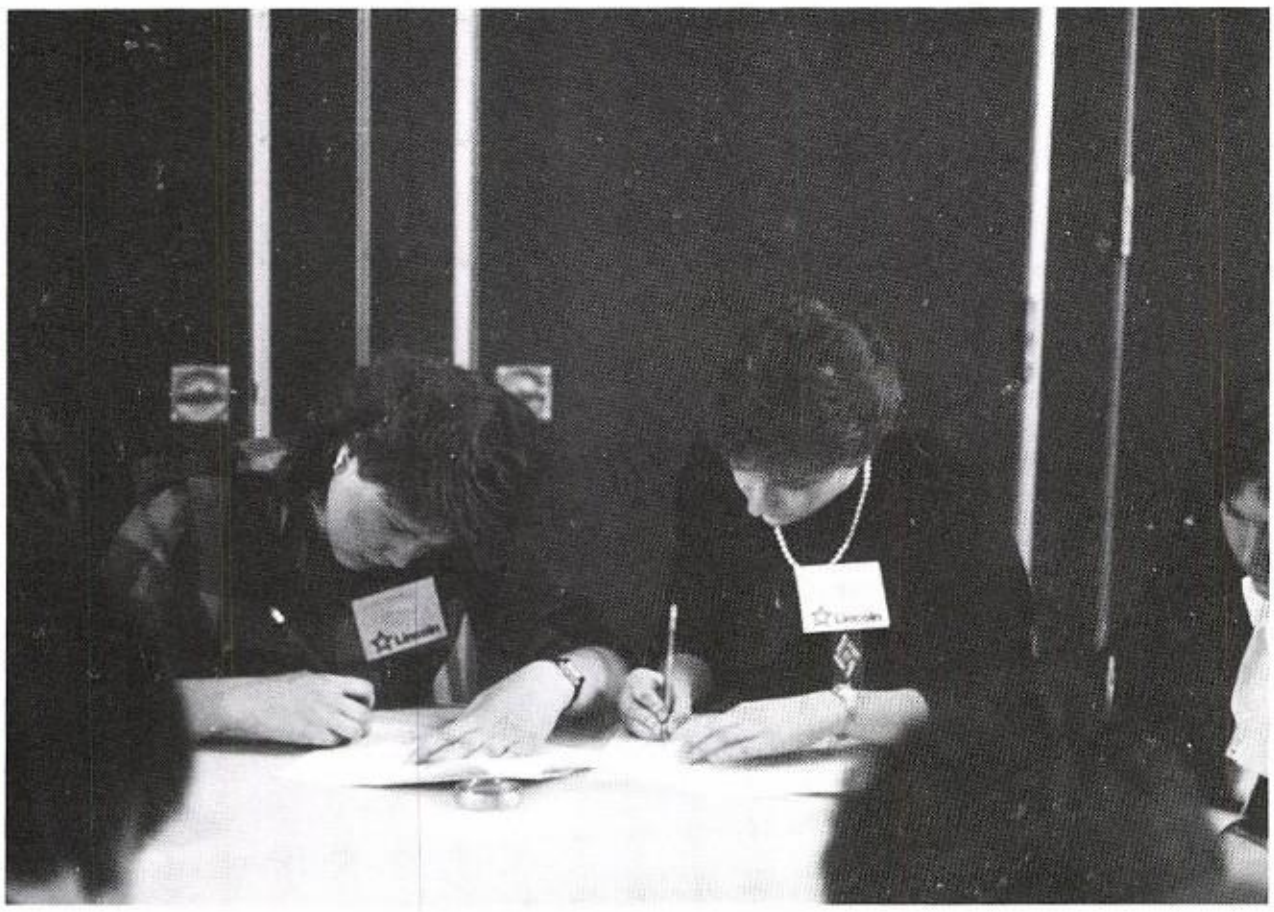
Brenda Meyer, Becki Gerloff, and Mrs. Davidson plan the classroom activities.



Kristy Tackwell and Rhonda Peterson take part in the DECA competition at Lincoln.

Kim Werbel receives a membership increase award for Hastings at Lincoln.

Bonfire promotes homecoming spirit.

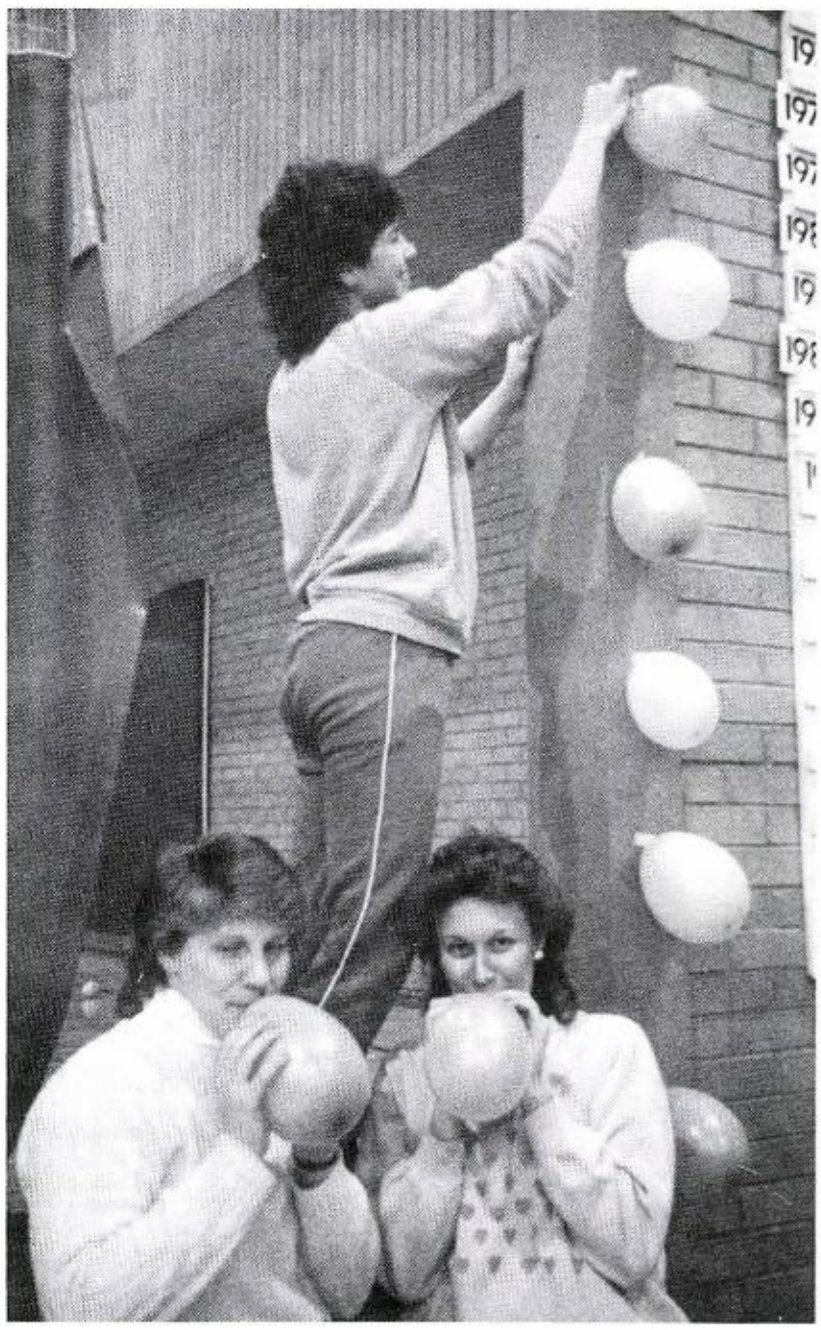
"The main goal for this years student council was basically concerned with the issues concerning the students," stated Joe Anderson, president of the organization. Student council is actually as time consuming as the effort put into it. "Most of the time the Student Council Cabinet is the most busy since they are in charge and make sure everything gets done," stated Devra Black. The student council meets two or three times a month. Once a month Interclub Council meets with the superintendent. "I do wish, however, that more students could be involved with student council. It seems that many who are presently involved have so many other activities going on, that a few of the goals have not been reached," said Devra Black.

The student council sponsored many activities throughout the school year. A bonfire was held in order to promote school spirit, another spirit raiser consisted of a week in which the girls ask the guys out, known as Twirp Week. Throughout the year, student council sponsored two dances Homecoming and Springfest. On November 17, posters were hung around the school for Barb Walker Day. Teacher of the Year and the Statewide Student Council Convention were other activities the student council took part in.

The officers for the 1983-84 school year were President: Joe Anderson, Vice President: Devra Black, Secretary; Susan Hunter, Treasurer: Amy Moser, the rest of the Cabinet Officers were Senior Representative: Susan Dickenson, Junior Representative: Juli Mulder, Sophomore Representative: Mike Farrell, Freshman Representative: Jeff Tyson.

Melissa Kerr

Devra Black rescues Mr. Duane Freeman as he is trapped in his office by boxes which were used for the bonfire.



Amy Moser (Top), Lynn Thorsheim (Left), and Deb Fish (Right) decorate for Springfest.

Putting new announcements on the marquee is one of the student council's responsibilities.

Lynn Thorsheim decorates for the Springfest Dance.

Goals are reached in art

If making Christmas and Valentine cards, painting murals on walls and a trip to Lincoln to visit art museums sound like fun, you should have been a member of the art club. These were the projects and goals set by the 83-84 art club, and all of these were accomplished.

The club this year consisted of 18 members which was a big increase. The sponsor for this group was Mrs. Kort and officers were Deena Ackerman: president, Michelle Peirce: vice-president, Michele Hill: treasurer, Lisa Harrifeld: secretary.

The group is unique in that they are self-supported. Their trip to Lincoln and materials for painting the mural is all supported by the cards they sell.

Lisa Harrifeld

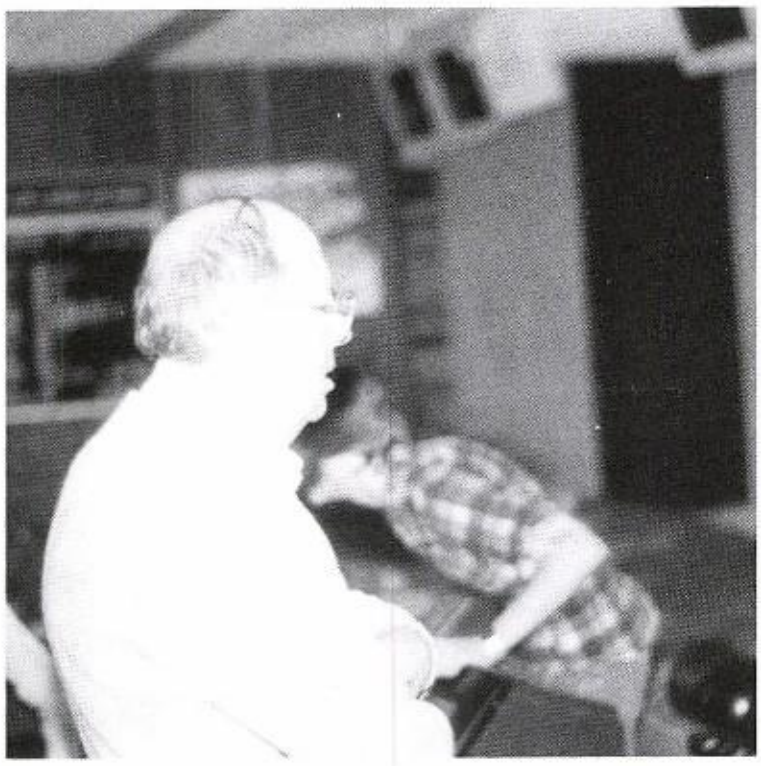
Striking year for bowlers

Front row: E. Enispen, S. Miller, D. McAllister, M. Stramel, B. Foley, S. Erikson, M. Birdsong, A. Ruberson. **Second Row:** R. Cox, K. Douglas, B. Mariner, M. Naufel, B. Wilson, R. Pontine, Mr. Marshall, **Third row:** R. Blecha, B. Kristine, T. Lamb, B. Carr, E. Mills, K. Rosberg, B. Mills, K. Theesen.

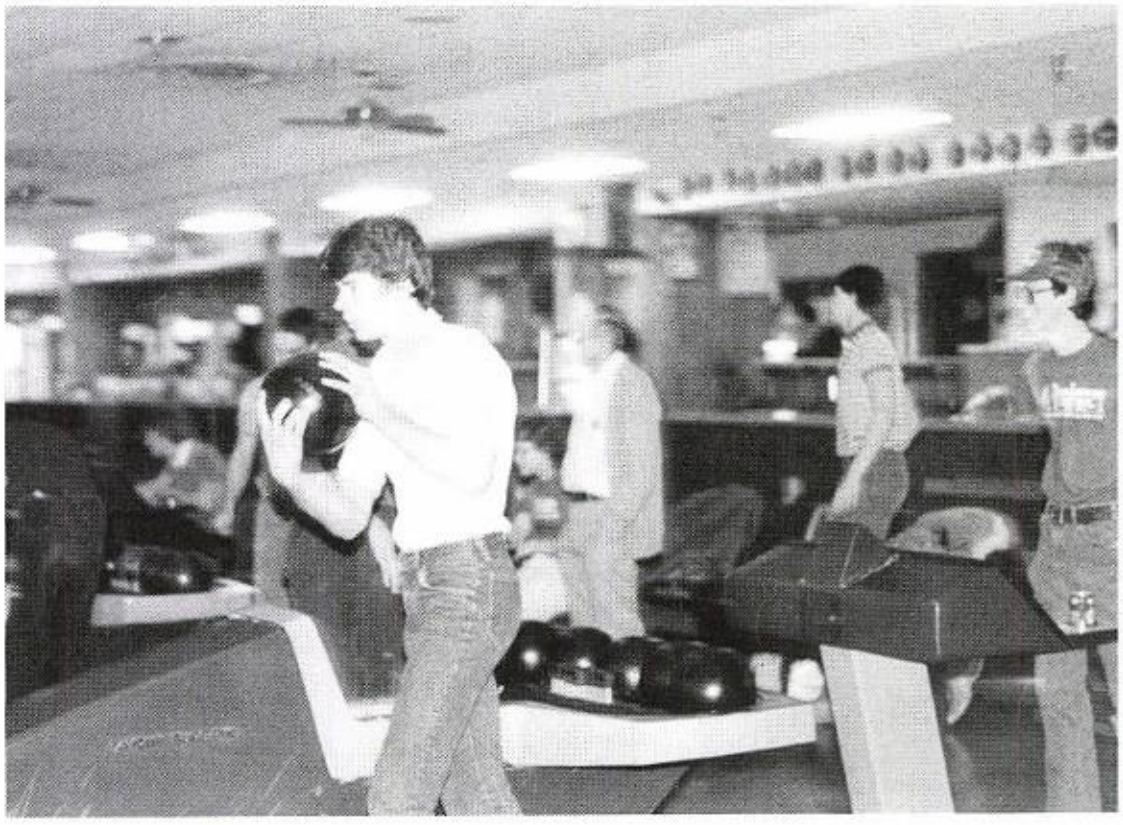
Bowling club this year started with 20 members and then increased to 35. The officers for this club were President Brian Kristine, Vice President Kevin Theesen, Treasurer Kirk Rosberg and Secretary Margaret Stramel. Mr. Marshall was their sponsor, he has been for the past 31 years.

During their bowling season, members of the bowling club received bowling tips from Mr. Marshall, Mr. Marshall stated there were several goals which he hoped to achieve. He said, "First of all, I would like my students to learn to bowl. Secondly, I would like those who already know how to bowl to become better bowlers." He also stated that if a bowler wishes to put forth the time and effort they can earn personal satisfaction and even a scholarship.

Lisa Harrifeld



Mr. Marshall gives advice to his students.



Dale Price is concentrating on the strike he wants to make.

Rifle club places high at state

The goal for the rifle club this year was to do well at the state meet. This goal was accomplished by it's members and was their highlight for the year. One person placed first, two placed second and one for third, fourth, and fifth.

The group, this year, worked to promote markmanship and to teach safety and familiarity with firearms. During the season, some members used their own .22 caliber target rifles and ammunition. Most, however, used guns that were loaned to the club by the Army. The ammunition is also provided by the Army, but the club paid for freight charges.

The uniqueness of this group is that they were self-supported, the school provided the transportation, but the group provided for its own expenses through their raffles.

Mr. Lynn Cordell, their sponsor, stated, "Competitive target shooting is a sport that many people assume is easy, when actually, it is very difficult."

The club this year consisted of 20 members a slight decrease from last year. Officers of the club were: President Toby Cummings, Vice President Bob Darnell and Secretary/Treasurer Kevin Douglas.

Lisa Harrifeld

Front Row (L-R): Mike Hoggat, Jim Chamberlain, Jay Budd, Wendy Hofferber. Back Row: Steve Huntley, Brian Mills, Kevin Douglas, Chuck Jackson, Rob Woods, Bob Darnell, Scott Catchpool.

Brian Mills and Rob Woods take aim for their targets.

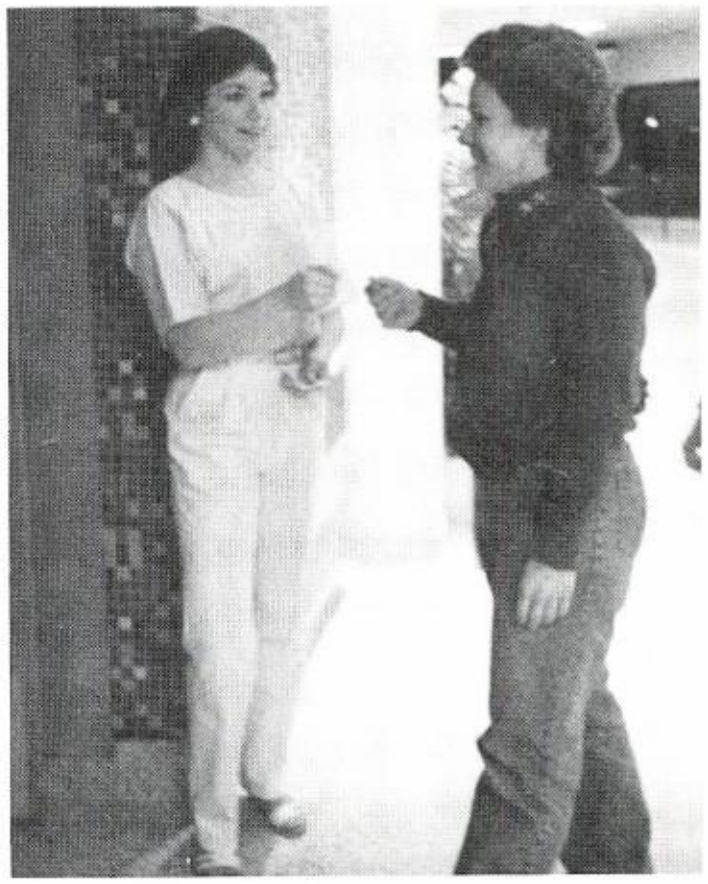
Jim Chamberlain and Kevin Douglas prepare to shoot their targets.

This way to your seat

The 1983-84 usher corps took part in many activities this year. The group consisted of 62 senior boys and girls. These students were picked during the fall of the year by Mr. Pratters and Mr. Kort, who were their sponsors. During the year the students were asked to hand out programs, collect tickets and usher people to their seats. Some of the activities they helped with were the two plays, the school musical, and musical programs.

Lisa Harrifeld

Mr. Pratters gives instructions to Gina Rolls, Kim Werbel and Kelli Hopkins.



Gina Rolls takes tickets during the senior play.

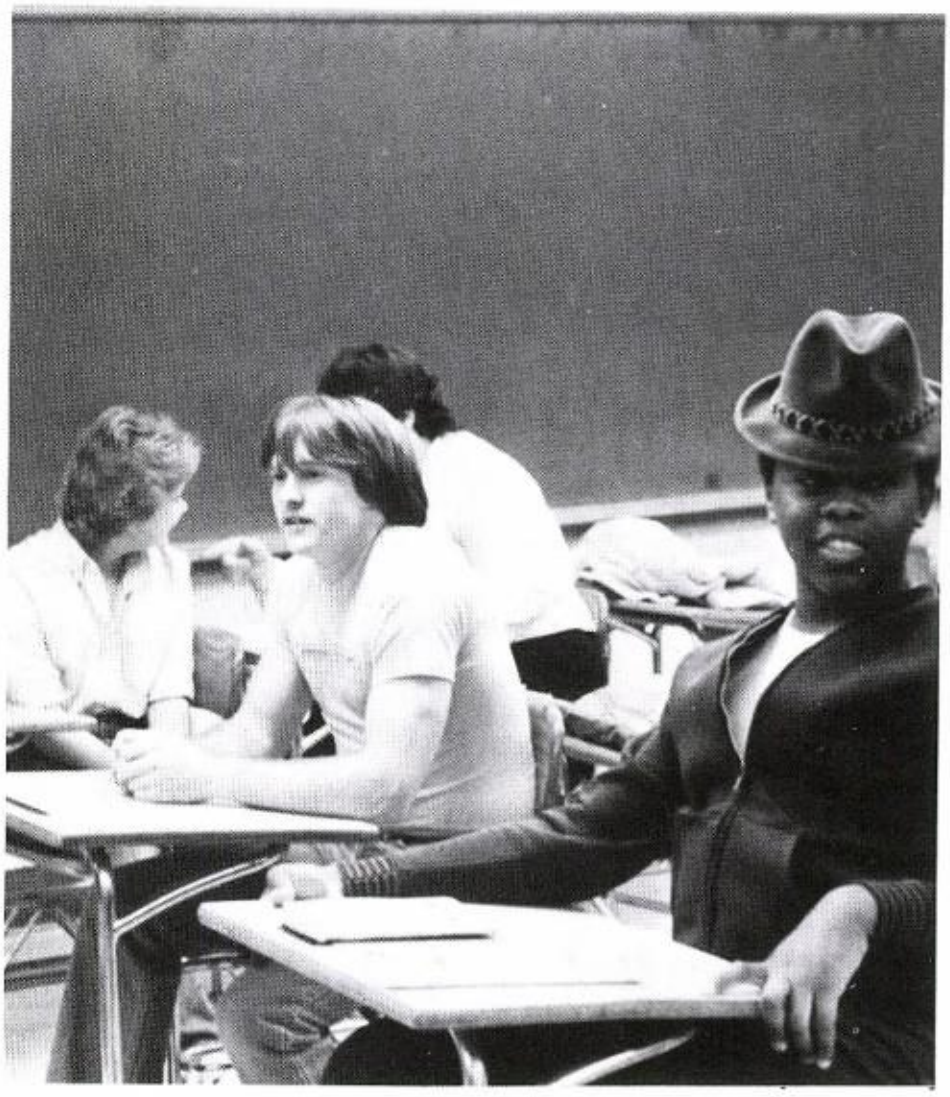
Kosmet Klub Has Wide Variety

Kosmet Klub is an organization for people who are interested in acting and activities associated with acting. Backstage and make-up work are two of these activities. There is approximately one meeting each month. These meetings consist of a short skit by a few members, then a business meeting in which fund-raising and other special events are discussed. The officers this year are Robert Osman, President; Chris Kohtz, Vice President; Bruce Watley, Secretary; and Marshall Gaines, Treasurer. Mr. Veburg, the club sponsor, states, "Kosmet Klub membership includes a w-i-d-e variety of H.H.S. students, from the most conservative to the craziest, and from all social and economical levels and degrees of talent; but all with an endless appetite for theatre!" Club members gain status by earning Thespian points. These points are given for having parts in plays, backstage work, attending state and national Thespian conventions and participating in fund raising activities. The club is designed to be educational and fun at the same time.

Liz Fairbanks



Randy Slansky watches a skit attentively.

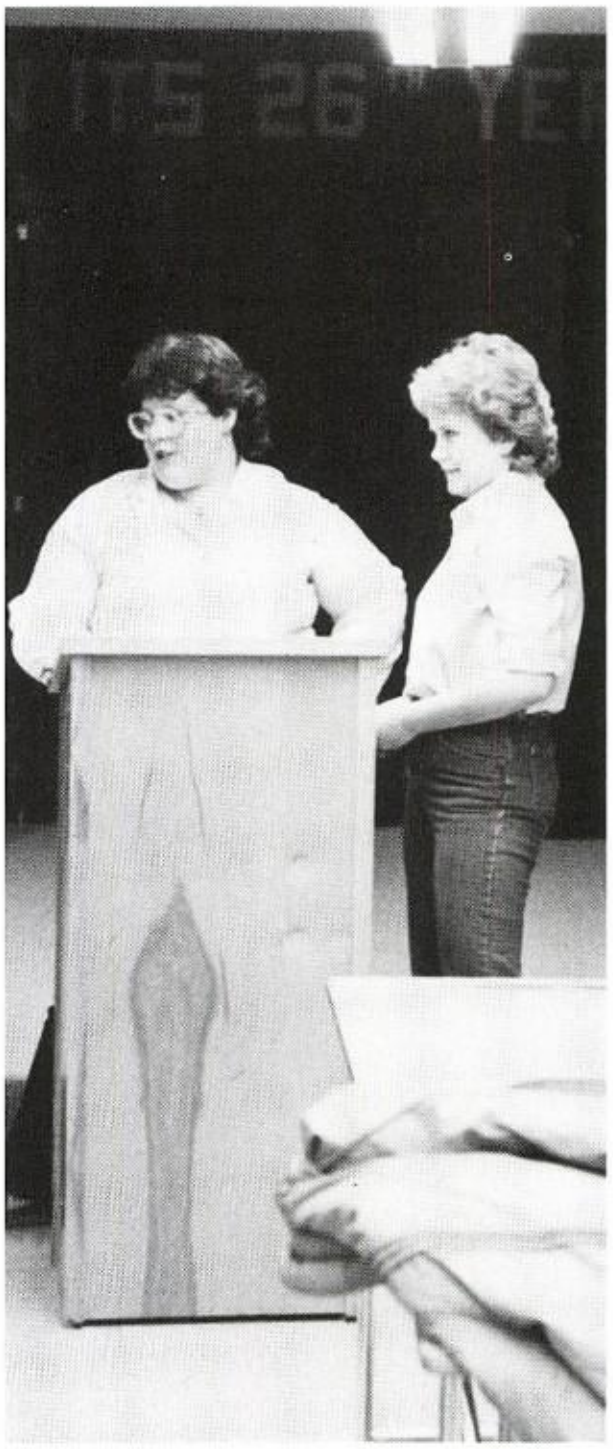
The club members run Brenda Elliot through the "cookie machine", a warm-up exercise.



Shelly Fergus and Raquel Powell do a skit to earn Thespian points.

Juniorosis Diagnosed:
Shock syndrome becomes epidemic

The 1985 graduating class has almost taken it to the limit. It seems that just yesterday they were the freshmen getting criticized, stomped on and pushed around, then the second year came along. They still got stomped on and pushed around a little, but now they did the criticizing. Finally, being in their third year and known as Juniors they often experience JUNIOROSIS, the "awesome" disease. Juniorosis is experienced by students who are expected to face the inevitable.

These victims are easily identified by the following symptoms: they find themselves memorizing fast food menus in fear of finding a pop quiz on the placemat. No longer can a Junior earn an "A" by giving a simple demonstration, now they have to give oral reports and write 20 page term-papers.

In severe cases, they are found with a lead pencil, darkening any circular object in sight such as: dinner plates, shirt buttons and even contact lenses. Obviously, these students are preparing for the challenging tests known only by capital letters; PSAT, CAT, ACT, SAT.

First, they sit through 45 minutes of instructions and then try to figure out the relationship between the words "businessman" and "duckbill platypus." Just when they thought it was all over, they had found out they put an "x" in the box marked student search, thus marking themselves as targets of a ruthless and exhaustive man hunt by every student-starved college in the country. They track you down and hurl thousands of brochures at you.

In January, the nagging anxiety increases as Juniors find themselves without dates for Prom. Even though January is still early, they find themselves in a sweaty panic. The frantic search begins as they start looking through the class roster, find themselves in the "T's" and haven't circled a single name. With the Prom only two weeks away their dreams quickly fade away and they are still without a date. Juniors desperately try to convince themselves that the kid sitting next to them in English class is quite good looking if they ignore the acne.

Then they finally get up the courage to ask, but by that time it's too late. Yes, even the wallflowers and the nerds will have dates.

Then comes summer and fun, but Senioritis has now begun.

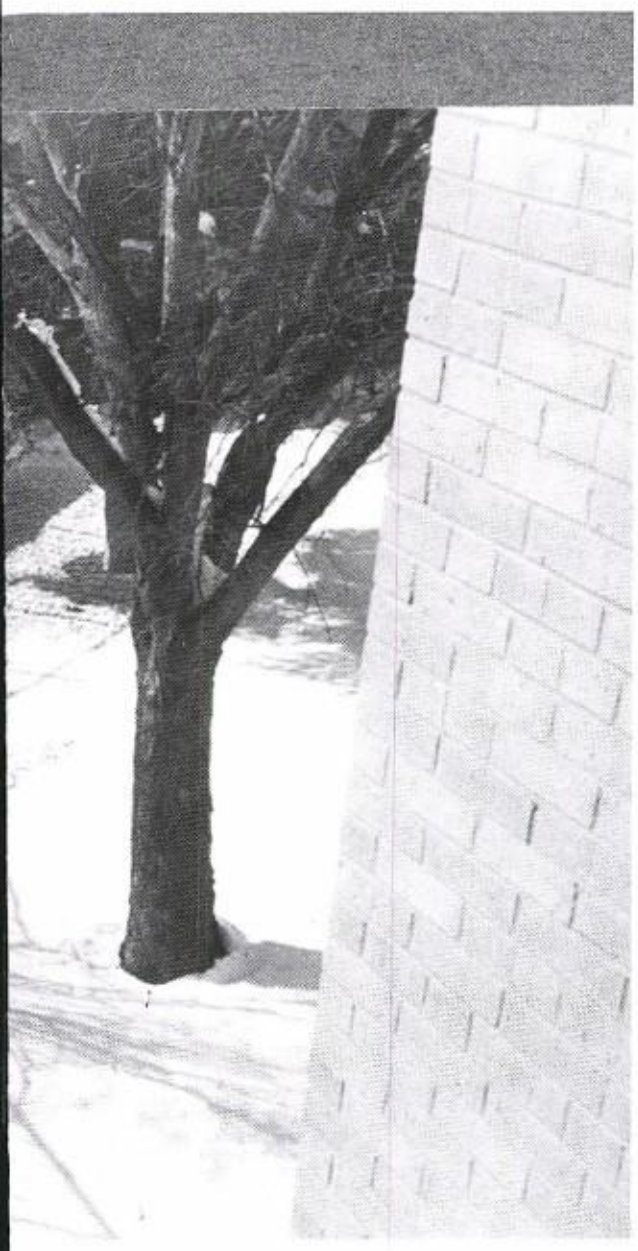
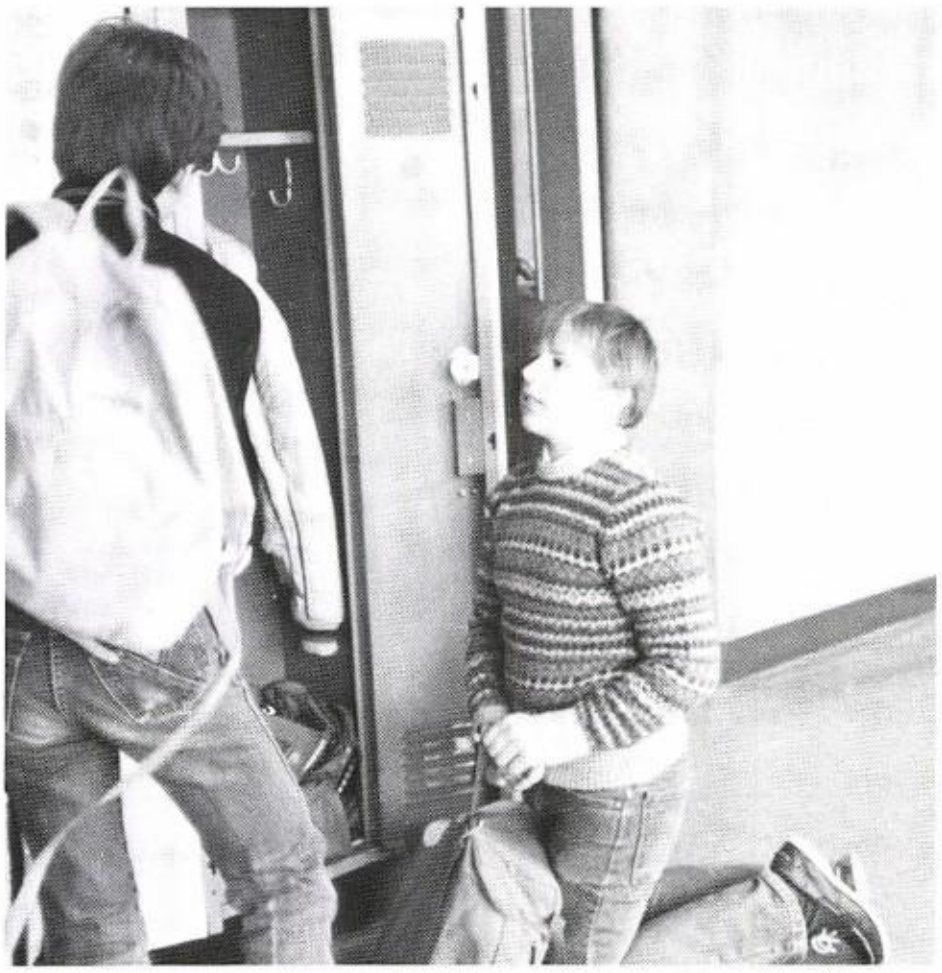
Todd Hancock shows "The Sky's the Limit" as he strives for his goal.

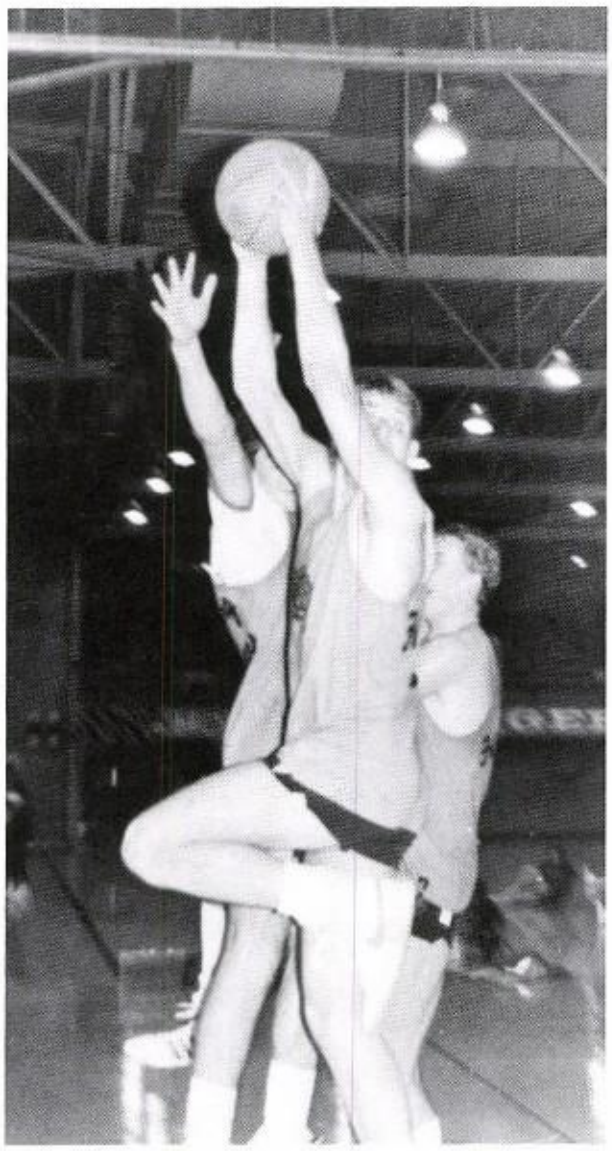
Some crazy seniors spell out H-A-S-T-I-N-G-S at a basketball game.

Senior Lisa Harrifeld enjoys her last winter at good ole HHS.





David Hoylman strikes a typically freshman pose.



There seems to be a lot of action under the basket as Darryn Dieken takes time out for a picture.

Cheerleaders Melissa Kerr, Dawnita Borrell, and Gena Ramsey show their spirit.

The sky's the limit

Never let go of your dreams

Spring is especially worth waiting for at H.H.S. The excitement and anticipation is felt among everyone. This excitement tends to mean so much more to one group — the class of '84. After all the years of tests, friends, books, games, report cards, dances, telephone calls, and the other many things school has had to offer, it is almost over. Hopes for life in the future now begin. A senior often thinks of the new freedom that comes with graduation. This new freedom not only brings on decisions about careers and college but it also brings a lot of responsibility. Life after graduation will be exciting; the new experiences will not be entirely easy to accept, and this is the time when the theme of this yearbook applies. Goals must be set, and when times get hard, words like "the sky's the limit" really help.

Spring is also the start of a new season in sports. The season started off slowly because of a late winter, but once underway, the athletes were filled with enthusiasm. Girls and boys track completed a few evenings of running the halls while it snowed or rained outside, but with that over, the track and field was soon occupied. Track is an individual sport which requires a lot of physical and mental endurance. Each athlete must know how high to reach or how far they can jump over their limits. Golf also begins. Each golfer practices each evening to improve his skills with hopes of improving each time. One must have the attitude to strive for more in order to achieve team-set goals. Dedication is felt among the girls tennis team members as well. Their hours of practice on the courts shows just how much dedication these girls have.

The musical practice gets underway during this time also. The cast has long rehearsals and many hours of their own personal practice. Through their talent, the cast hopes that each person of the audience will enter the fantasy world of their childhood, the "Land of Oz."

The newspaper staff has almost completed this year's program. The seniors, especially, are ready to put together their last special paper, the Senior Edition of the ***Tiger Cub.*** The yearbook room is all chaos as the last pages of the ***1984 Tiger*** are being done.

This is a special springtime for Dr. Murman as he prepares to leave H.H.S. as its principal. He has participated in the spirit of this school for 25 years and has become a special part of Tigerland.

Spring gives students and faculty the opportunity to achieve their dreams. Dreams, of course, never disappear no matter how hard it is getting to reach them. Even if a dream is given up, it will never fade entirely. There is something in each person at H.H.S. that makes them stretch farther than his dreams. This reaching for dreams and never letting them go will continue to prove that, in Tigerland, "The Sky's The Limit."

Seniors live it to the limit

Graduation was finally here. It seemed like only yesterday that our mothers took us to our kindergarten class. We all pushed inch-by-inch to finally reach the top. Like steps up a ladder some experiences were struggles, but others were fun too and they proved to show the sky's the limit.

When we reached junior high we accomplished one primary step. There we had our first canteen and crushes and began to participate in sport activities. Soon, we reached 8th grade graduation, a big step for all of us. Some of us were ready for this important step, but others were a little scared.

After the first few months being freshmen passed, the scared feeling went away. Even though there was still criticism towards us freshmen from the upperclassmen, we soon learned to fit in. We made our appearances in many activities; sports, debate, speech, homecoming, "Islander Day" and "Twirp Week". The year soon ended, along with no longer being the underclassmen.

The sophomore year was not much different from our freshman year. We participated in the same events as before, but Islander Day no longer existed because of the rivalry the year before with G.I. Although this had happened it did not stop the tradition of students dressing up. One special thing that happened this year for us was turning "sweet sixteen" and cruising Burlington every Friday and Saturday night. The year soon came to an end and another step was taken.

The Junior year was fun and exciting. We did the same things, except this year we were in charge of the Jr.-Sr. Prom. We worked many nights planning and striving for the best prom ever. And our theme proved to us Juniors, that we were "Up Where We Belong."

Then, on graduation day that year, we watched seniors with anticipation, thinking that next year would be "our year."

Our senior year finally came and all too soon, after all the years of struggling to reach the top. We were taking a big step, but not the final step for we now had the rest of our lives to plan.

Our senior year included many activities such as: ordering announcements, cap and gown measurements, Homecoming 83, Islander Day, Prom, Baccalaureate and commencement practice, and never forget senioritis and senior pranks. And then the big day came . . . GRADUATION. We all stood with caps and gowns to receive our diplomas and memories ran through our heads because after all of these experiences we realized that "The Sky's the limit" for all of us.

"MISS JONES" is Senior Play

The Hastings High School Senior Play, "Her Majesty Miss Jones" was presented April 13-14 at 8:00 p.m.

HER MAJESTY, MISS JONES, concerns the complications that result when television personality Monica Marshall comes to the suburban community of Fernwood to help Ed Robinson open a new supermarket. Ed, his wife Alice, and their neighbors are average citizens; but when Monica Marshall arrives in their midst the women tend to idolize her and believe every carefully-coached phrase she utters.

Michelle Kerr

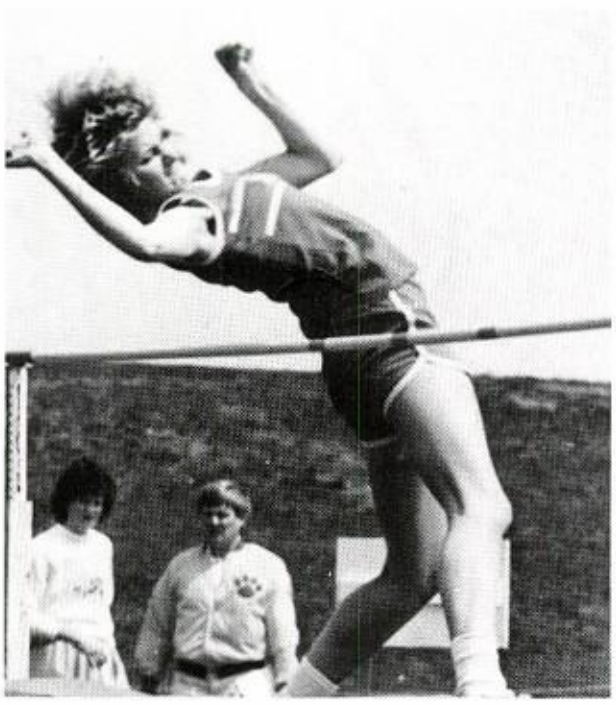
Lady Tracksters Place Fourth At State

This year's girls varsity track team consisted of 18 members, two of which were seniors. Tracee Kalba and Michelle Conaway. Both girls contributed immensely. Kalba in the high jump, defeated her personal record in the five-foot high jump. Conaway was a member of the two-mile relay team which had the state's quickest time. Due to weather, the girls team only had one dual meet, which was against McCook. The girls went on to easily defeat McCook. The Hastings girls placed second at the Trans-Nebraska Championship which currently leaves them with a total of three wins and two losses for the season.

Darren Norberg

Front row (L-R): Melissa Kerr, Michelle Conaway, Michelle Kerr, Liz Israel, Robynn Waltemath. Second row: Shelly Stutesman, Menda McKenzie, Valerie Brock, Kristi Hunt, Shona Jones, Shelly Hansen, Joyce Oberg, Ann Geiger. Third row: Assistant Coach Linda Kuhl, Coach Les Hamburger, Tammy Minnick, Tracee Kalba, Angie Life, Jean Boyd, Beth Fisher.



Tracee Kalba concentrates on keeping her height in the high jump.

Shelly Hansen gains speed on her opponent in the 3200 meter run.

Valerie Brock extends her arms far in the long jump.

Michelle DeSimone shows good form in the discus.

Shona Jones races on to another tiger victory.

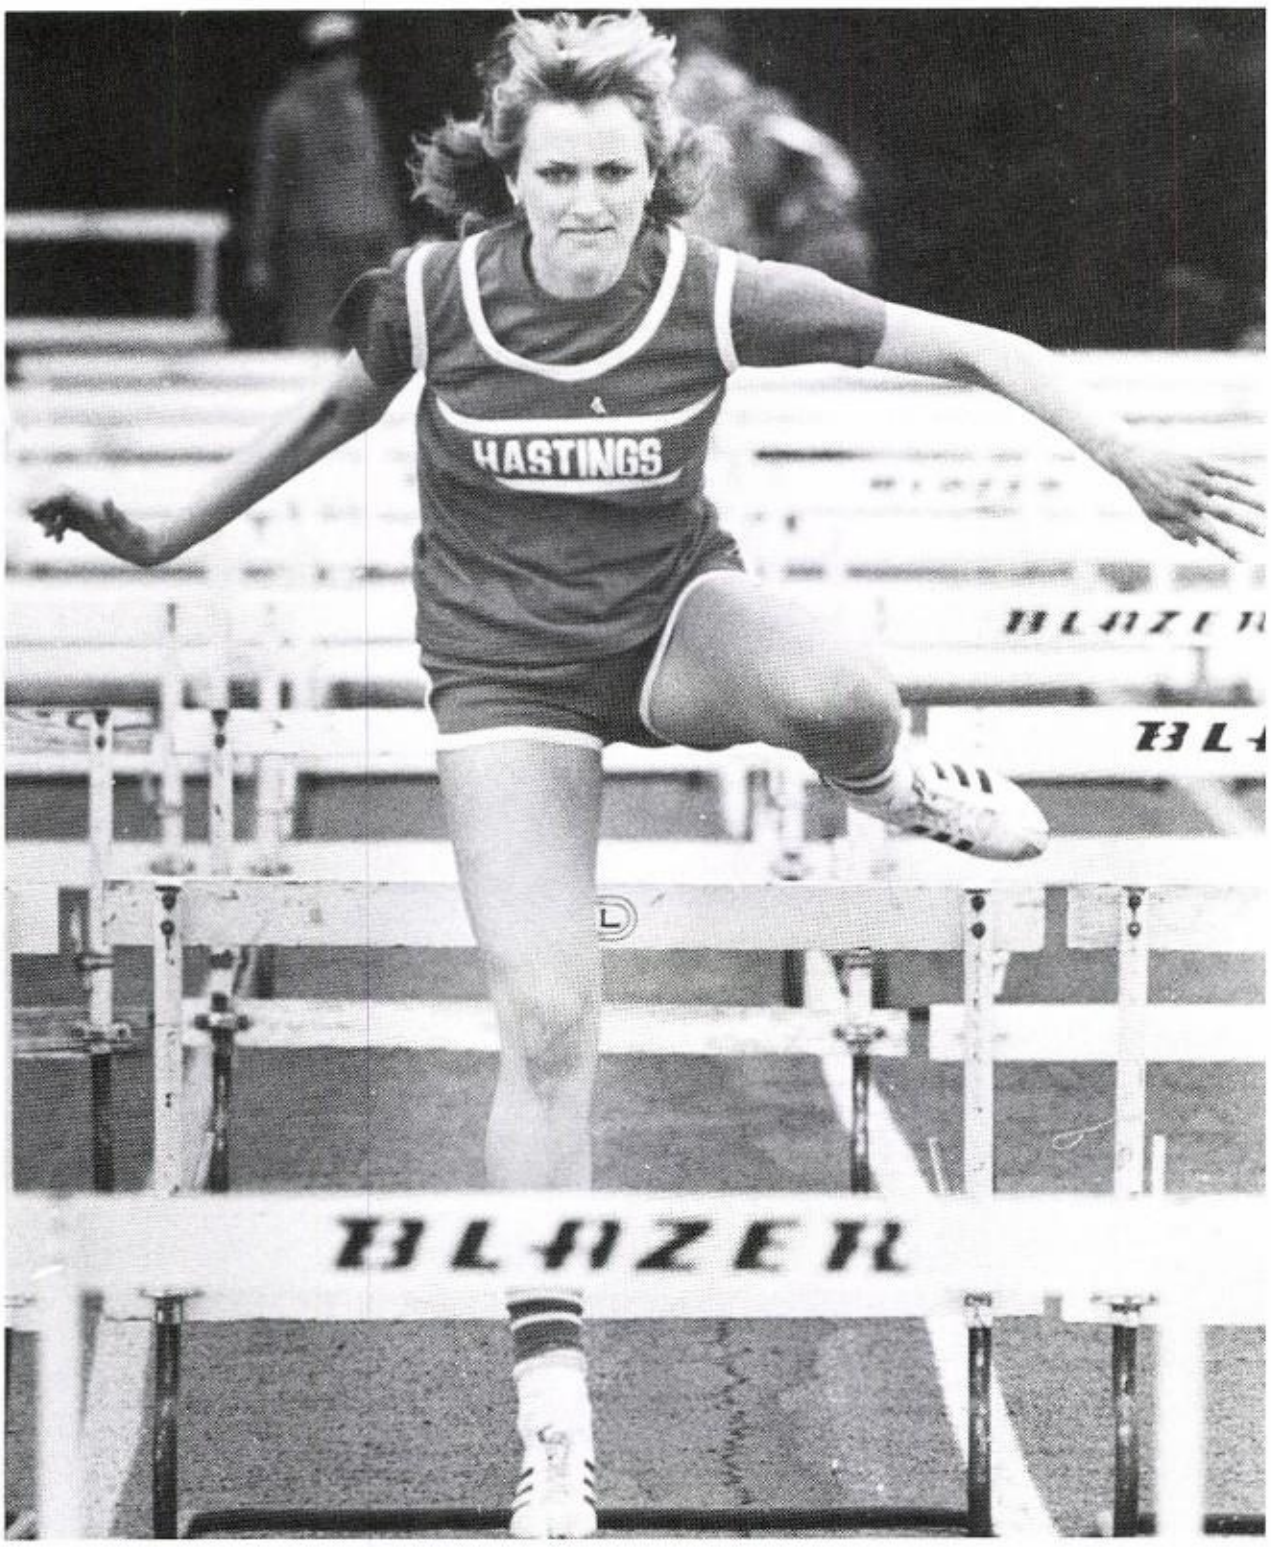
Liz Israel races with the baton on a chilly track day.

Cindy Morrissey concentrates on her jump.

Michelle Kerr heads towards the finish line

Angie Life relaxes before competing in the 400 meter relay.

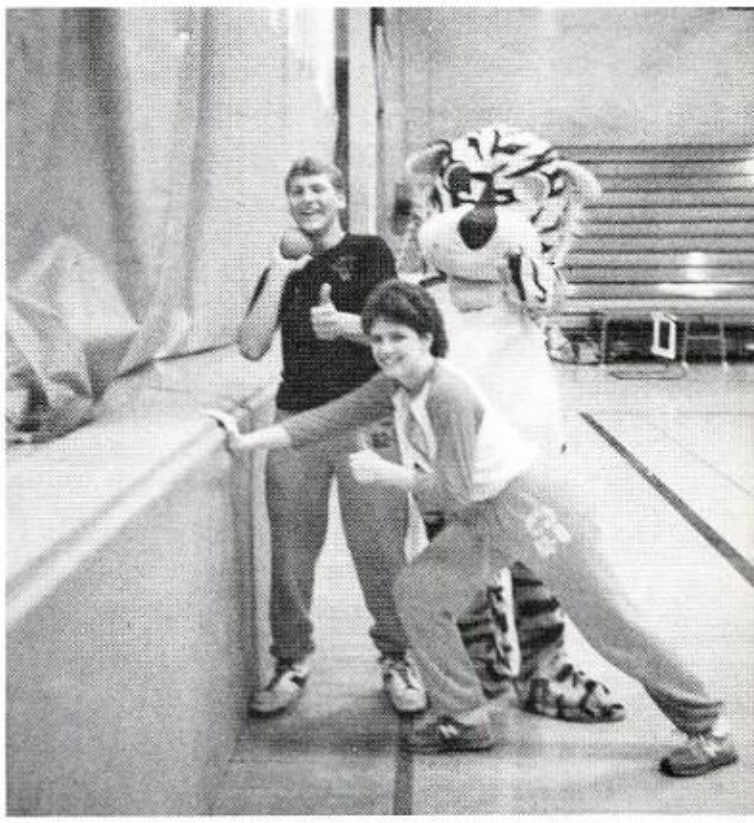
Tracee Kalba clears the bar.



Tracee Kalba shows good form in the 100 meter low hurdle event.

Shelly Sutesman jumps the last hurdle in the 100 meter low hurdle event.

Amy Fielder stretches out far in the long jump.



Menda McKenzie, Brent Elley and our tiger mascot tell us how they feel about the girls' track team this year.

Team peaks at end of season

Although the weather was not real good throughout the season the tracksters worked hard. According to head coach Earl Mullins the general goal was; "We should be doing our best at the Trans-Nebraska, Big 10, and be at the peaking stage at Districts." This year the team had 15 letter winners returning. Since the weather was not permitting at the beginning of the season it resulted in three meets being cancelled. The weather had somewhat of an effect on the field events but did not slow the runners down a whole lot. The tracksters showed a steady improvement throughout the season and had their best at Districts and State. This year's team had seven people qualify for the State Competition, they were: Kevin Baker, Kelly Bierman, Darryn Dieken, Mike Ewing, Jerry Macomber, Brett Petit, and Mark Schlachter. The state results were: Darryn Dieken - placed second in the state in the 400m. dash, he also placed fifth in the state in the 200m. dash, although no one else placed they all had their best times. Overall, the team standing was 14th in the state.

Melissa Kerr

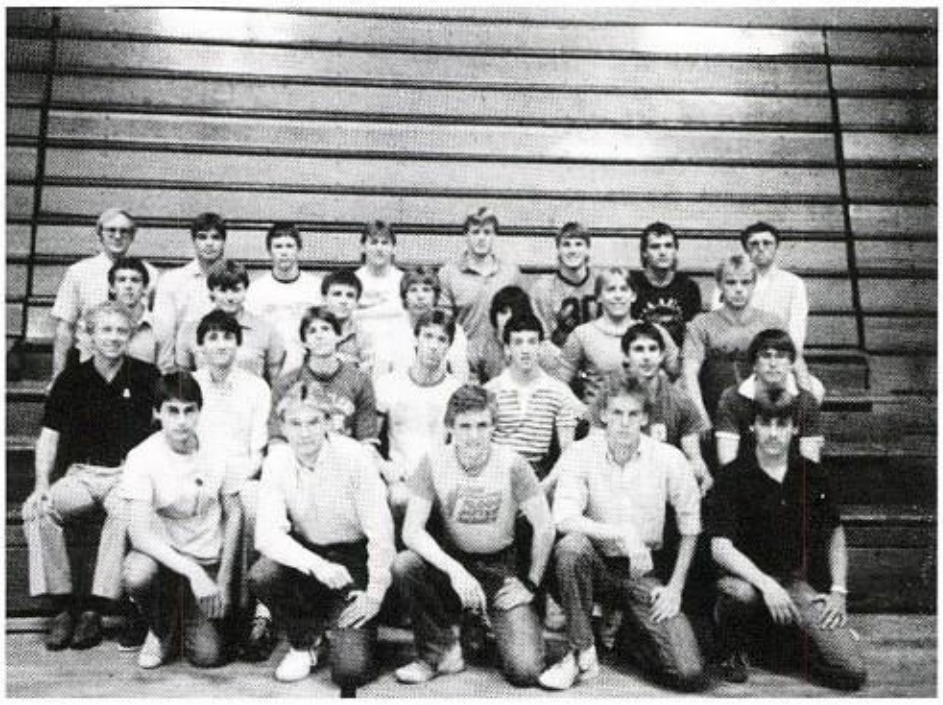
Mike Ewing glides over the pole vault bar.

Brett Petit leaps into the long jump pit.

Jerry Macomber hands off to Darryn Dieken

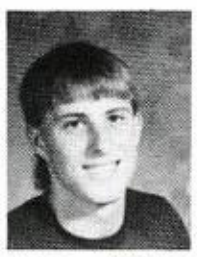
Todd Kerr concentrates on his form.

Distance runners pose with Coach James at prom.



Front Row (L to R): J. Anderson, R. Waltemath, K. Bierman, S. Hansen, J. Macomber. Second Row: Coach James, M. Schlachter, K. Tippin, J. Dolan, Todd Petit, M. Evans, Mgr.. J. Howsden. Third Row: B. Petit, B. Schmidt, B. Workman, J. Creigh, P. Daugherty, B. Bartleson, R. Thaut. Back Row: Coach McDonald, M. Ewing, K. Baker, A. Glover, J. Engelhardt, D. Dieken, C. Rutt, Coach Mullins.

Dieken places second at state meet



Senior Darryn Dieken has what it takes to be a "Tiger Spotlight." Head Coach Earl Mullins was very pleased with Darryn's performances. "Darryn has the ability to perform as a fine athlete, no matter the odds." Darryn received second place in the 400 m. dash at the State Track Meet, along with fifth in the state in the 200 m. dash.

Darryn was also pleased with his performances, he stated, "I worked hard throughout my sophomore and junior years and this year it has really paid off for me."

The 1983-84 Tiger staff is proud to feature this spotlight athlete.

Darryn Dieken prepares to hand off the baton.

Todd Petit, Bren Workman, Rick Waltemath, and Kelly Bierman start at the sound of the gun.

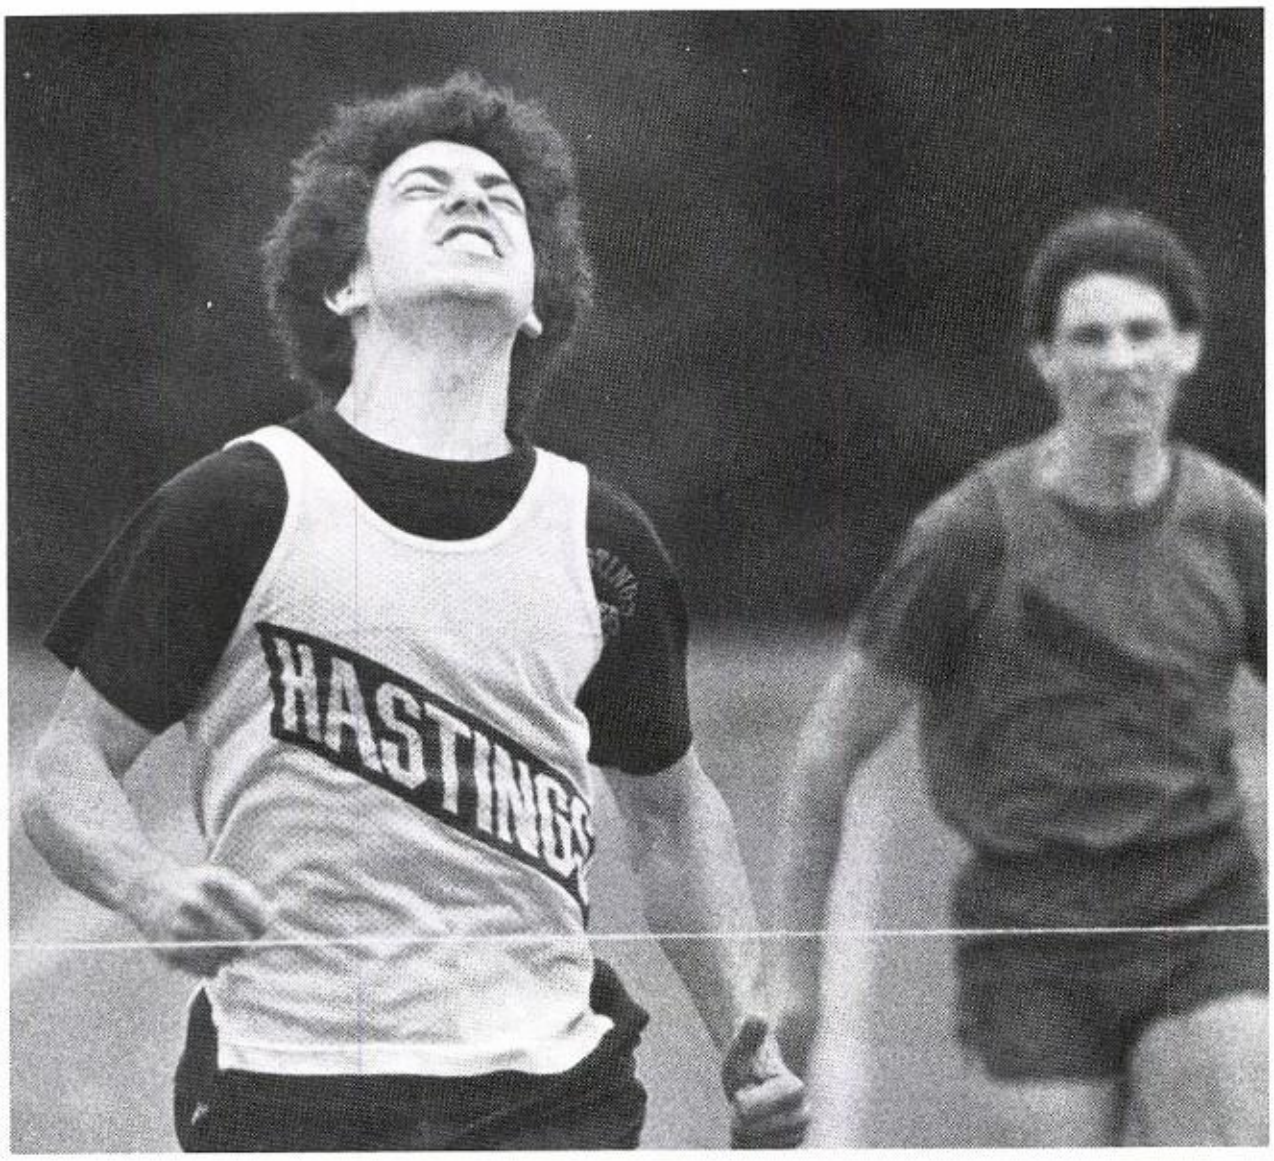
Jon Engelhardt gives it all he's got while throwing the shot put.

James Creigh works on his form.

Jamey Evans gets a running start for the pole vault.

Hastings		Opponent
74	G.I.	67
79½	McCook	61½
	G.I. Relays	
29	7 out of 8	
	Kearney Inv.	
62	2nd	
	Lexington Inv.	
83	1st	

Mark Schlachter thinks about what to do next.



Bryan Rogers wins his heat in the 200m. dash.

Freshmen Gain Good Experience

This year's Freshmen track team had an enrollment of about 25 athletes. According to coach Gary Trautman, the season went pretty well considering the number of tracksters out. The scoring for the team was not real high but good for the number of tracksters. The track team worked hard from the beginning of the season to the end. The team showed a lot of improvement throughout the season.

Melissa Kerr

Freshman track members, Front row (L to R): John Hodges, Brent Konen, Shawn Parks, Scott Giddings, Scott Peshek. Second row: Tyler Waite, Mike Johnson, David Pool, Todd Pospisil, Bryan Rogers, Jay Rutherford. Third row: Coach Trautman, John Fox, Paul Christoffersen, Alex Kyle, Mark Daniels, and Coach Locke.

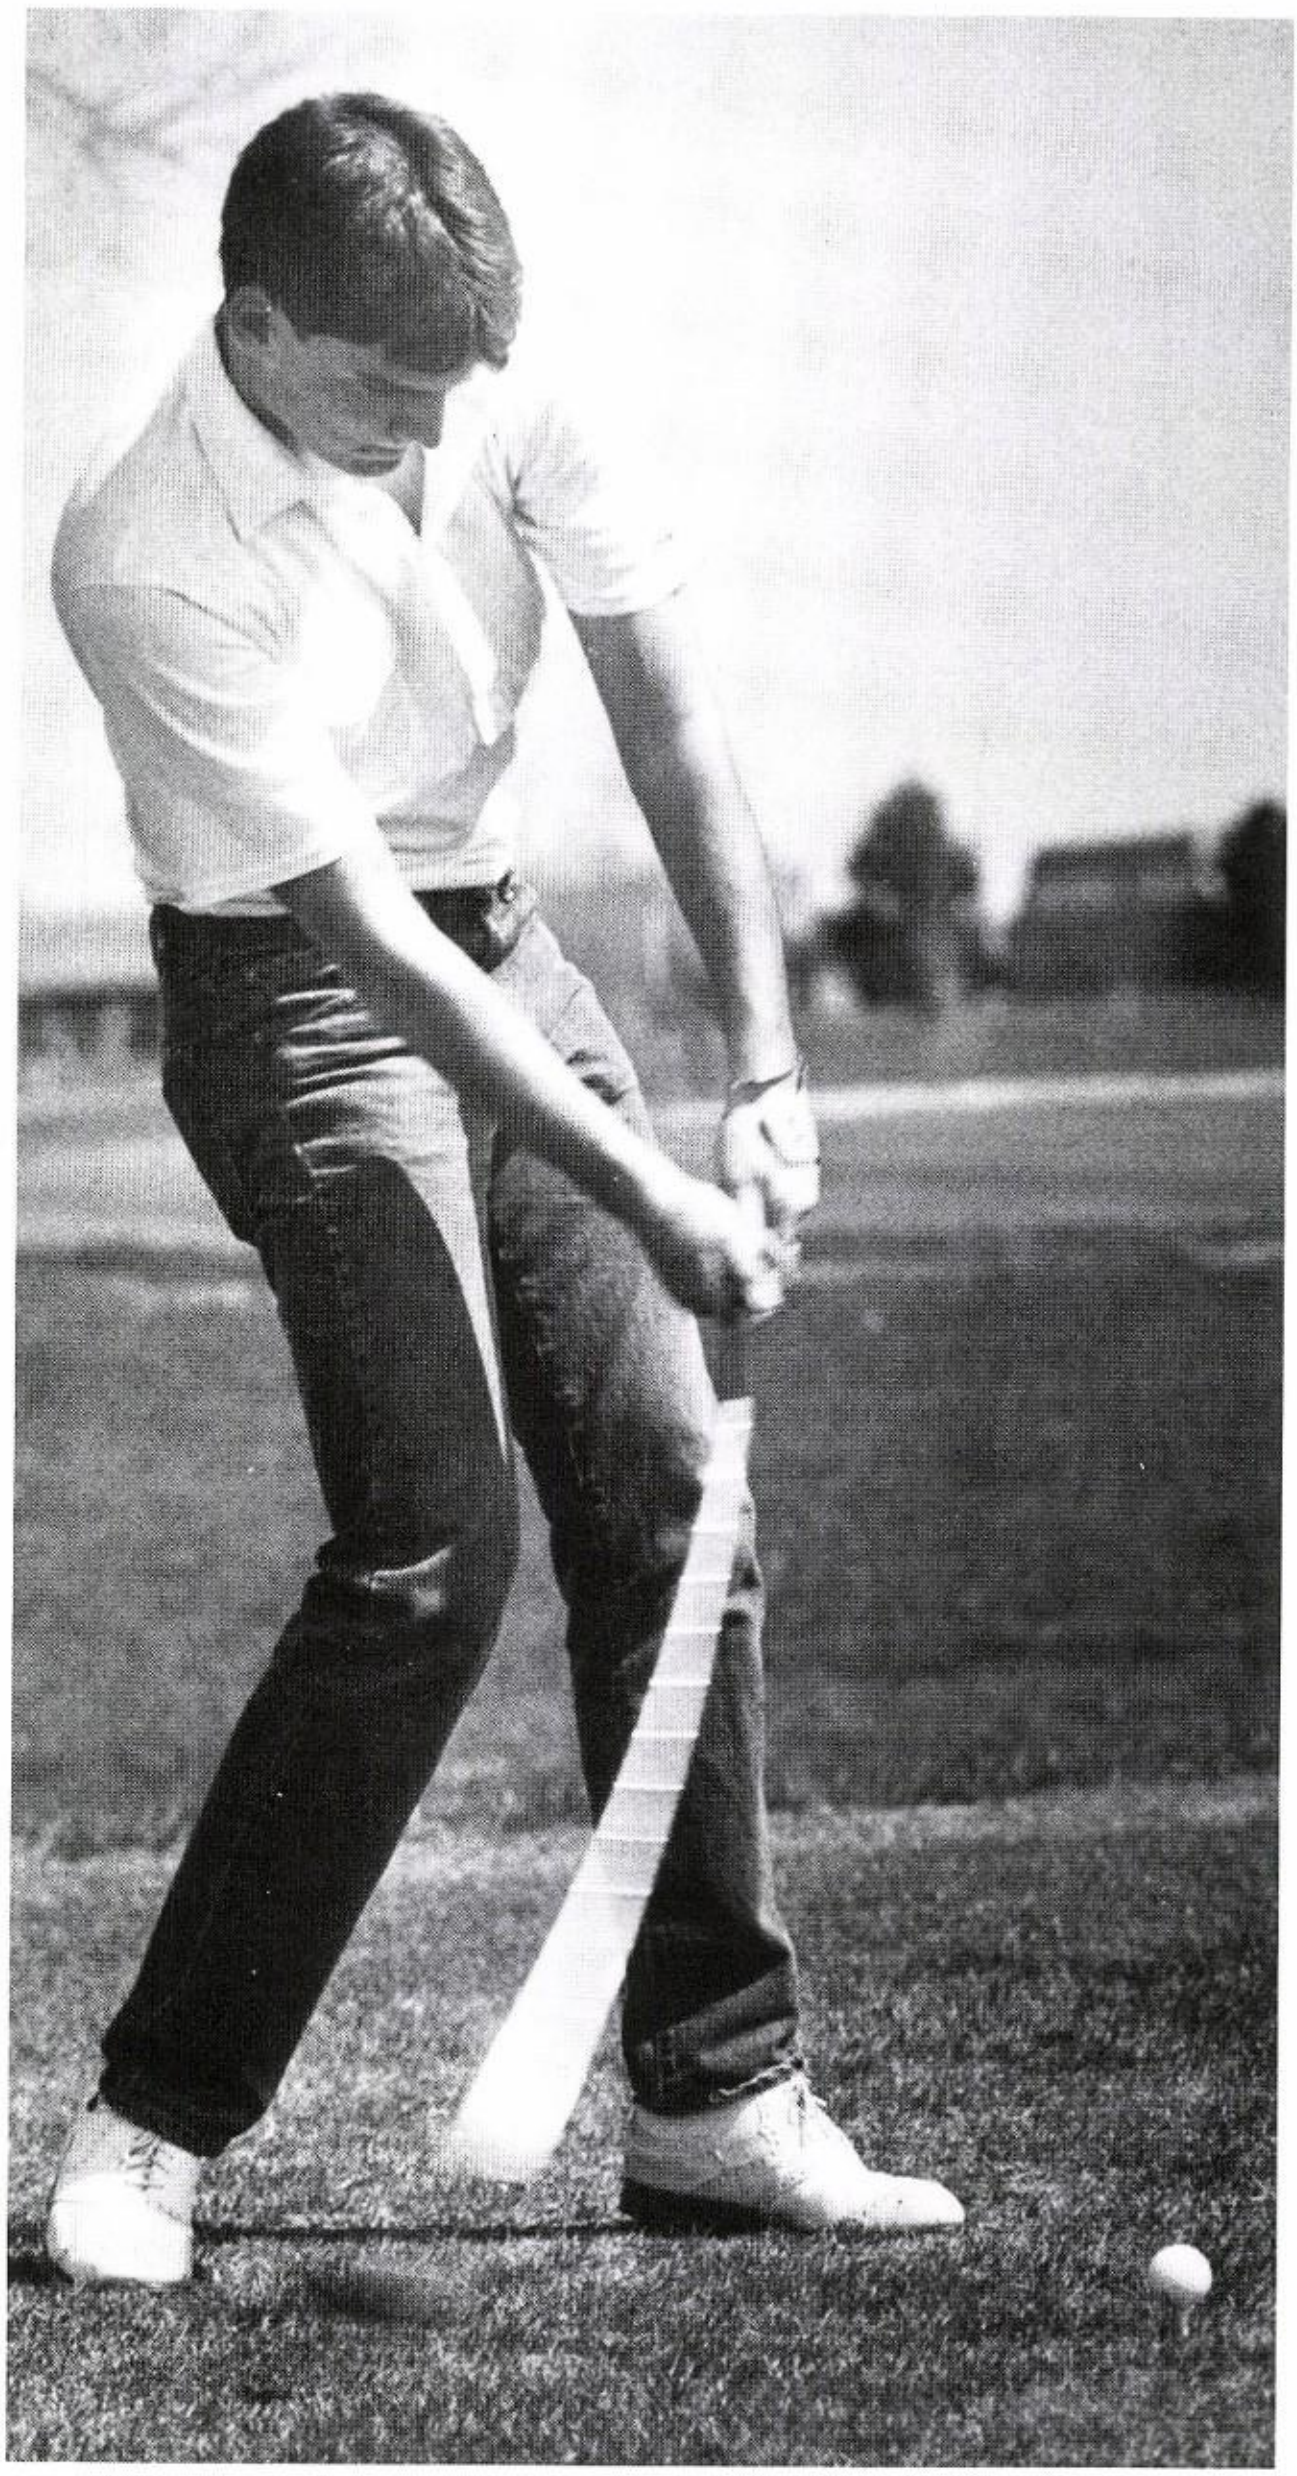
Golf team is young

"We didn't accomplish everything we wanted to this year, but I feel that next year we will have a strong team with five of our top players returning," stated Jason Meininger. According to Coach Ken Fike, "We did not have a good season compared to last year, however, our scores in the last three tournaments were a lot better and even better than they were last year." This year's golf team was very young with five of the seven top players either sophomores or freshmen. The team improved towards the end of the year, and they played well at Conference, and at Districts. Coach Fike stated, "We should have a good team for the next two years."

Weather wise it was not a good year for golf. Although the team played their toughest at Conference and Districts, the team and stiff competition throughout the season.

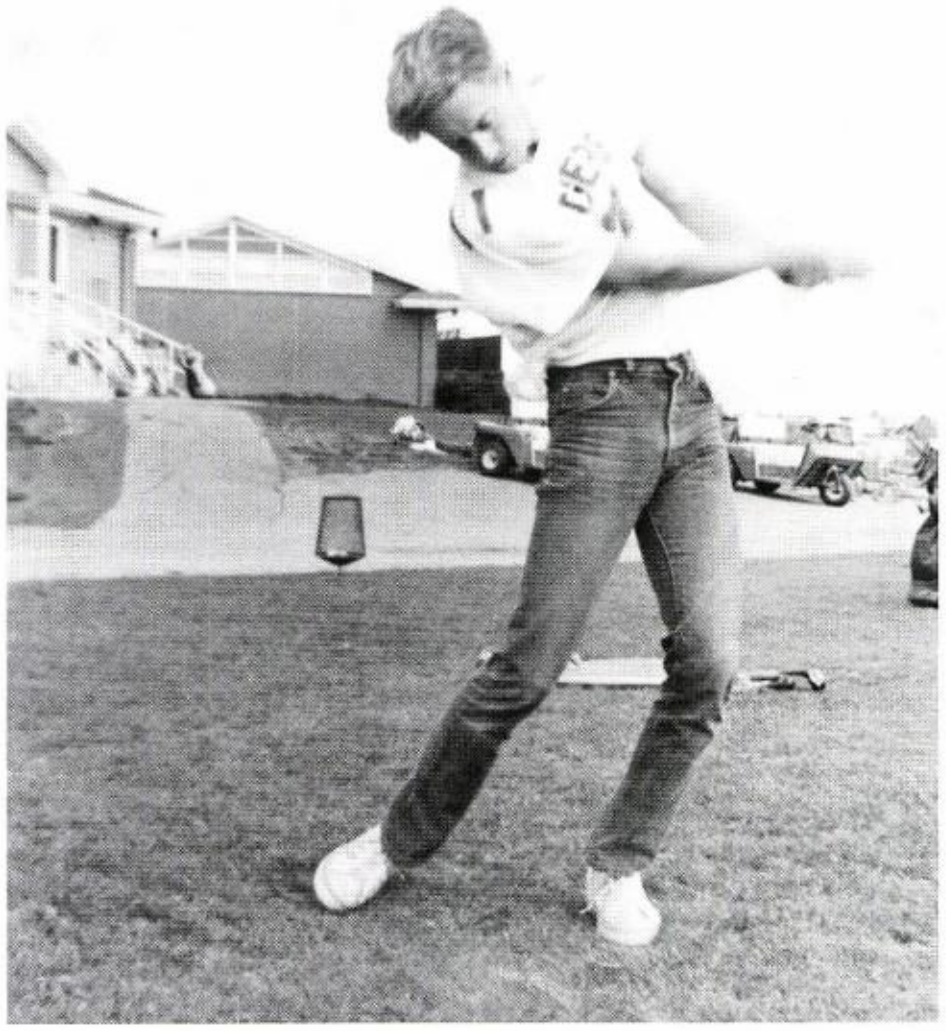
The following were kept for this years team: Beau Bergman, 2nd year letterman, Jeff Bierman, Mike Boyd, 3rd year letterman, Will DeRosear 1st year letterman, Mike Farrell 2nd year letterman, Bob Foote 1st year letterman, Paul Hurt, Dave Landgren 1st year letterman, Jason Meininger 1st year letterman, and Todd Rickert.

Melissa Kerr

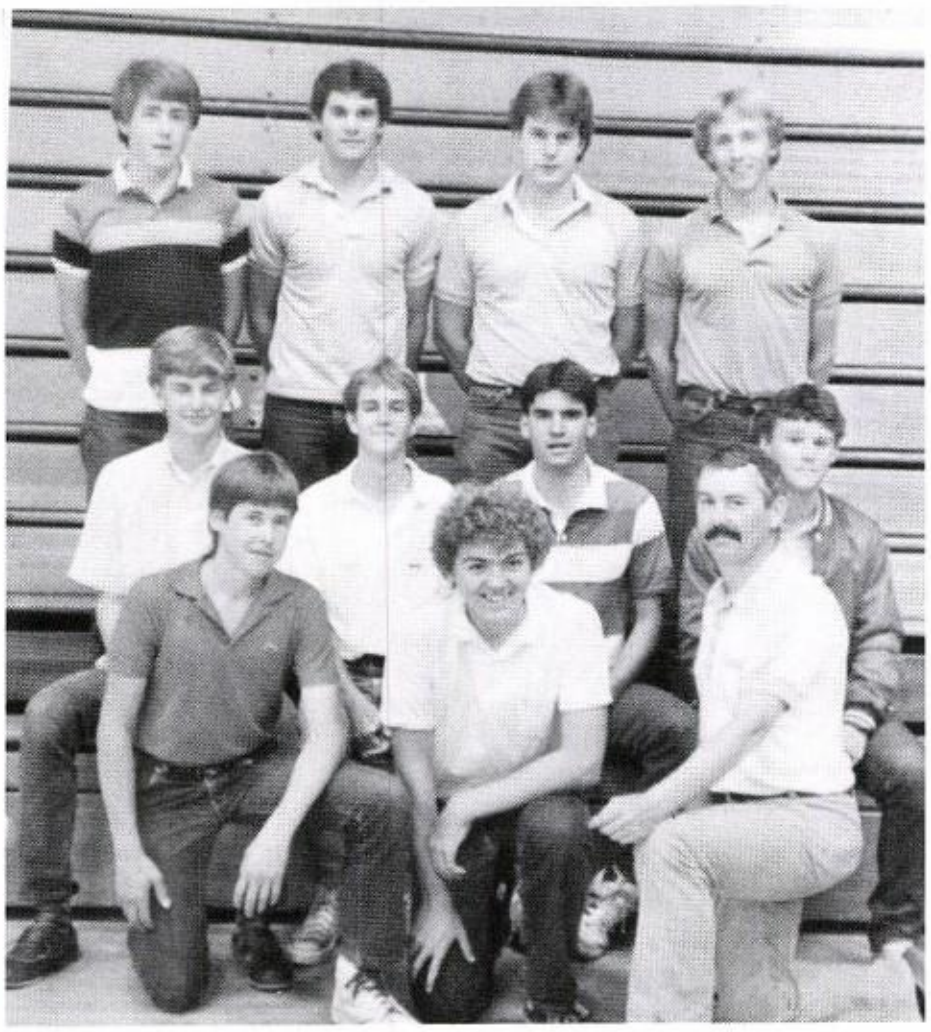


Mike Farrell concentrates on his golf skill.

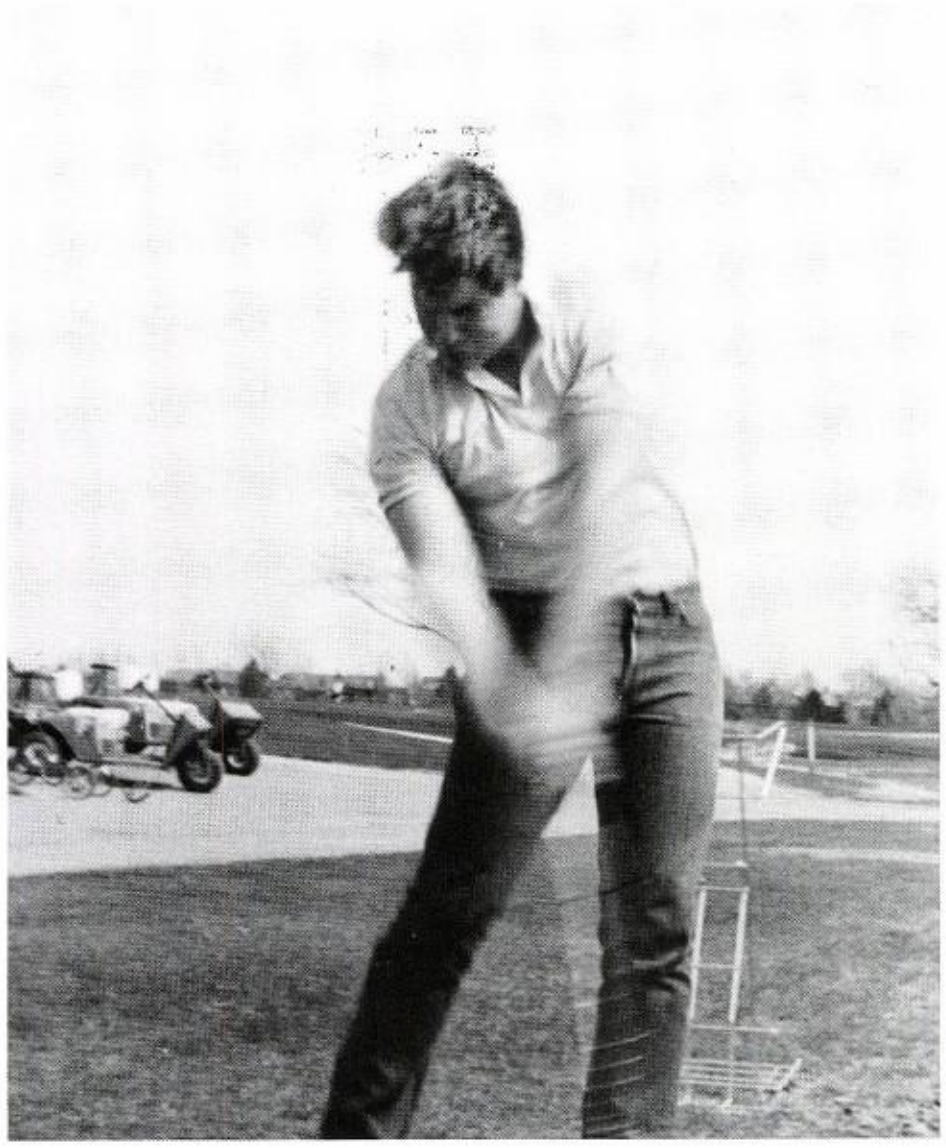
Mike Boyd swings . . .



. . . Mike Boyd follows through



Front Row: Todd Rickert, Jeff Bierman and Coach Fike. **Second Row:** Will DeRosear, Jason Meininger, Mike Farrell and Beau Bergman. **Third Row:** Dave Landgren, Paul Hurt, Bob Foote and Mike Boyd



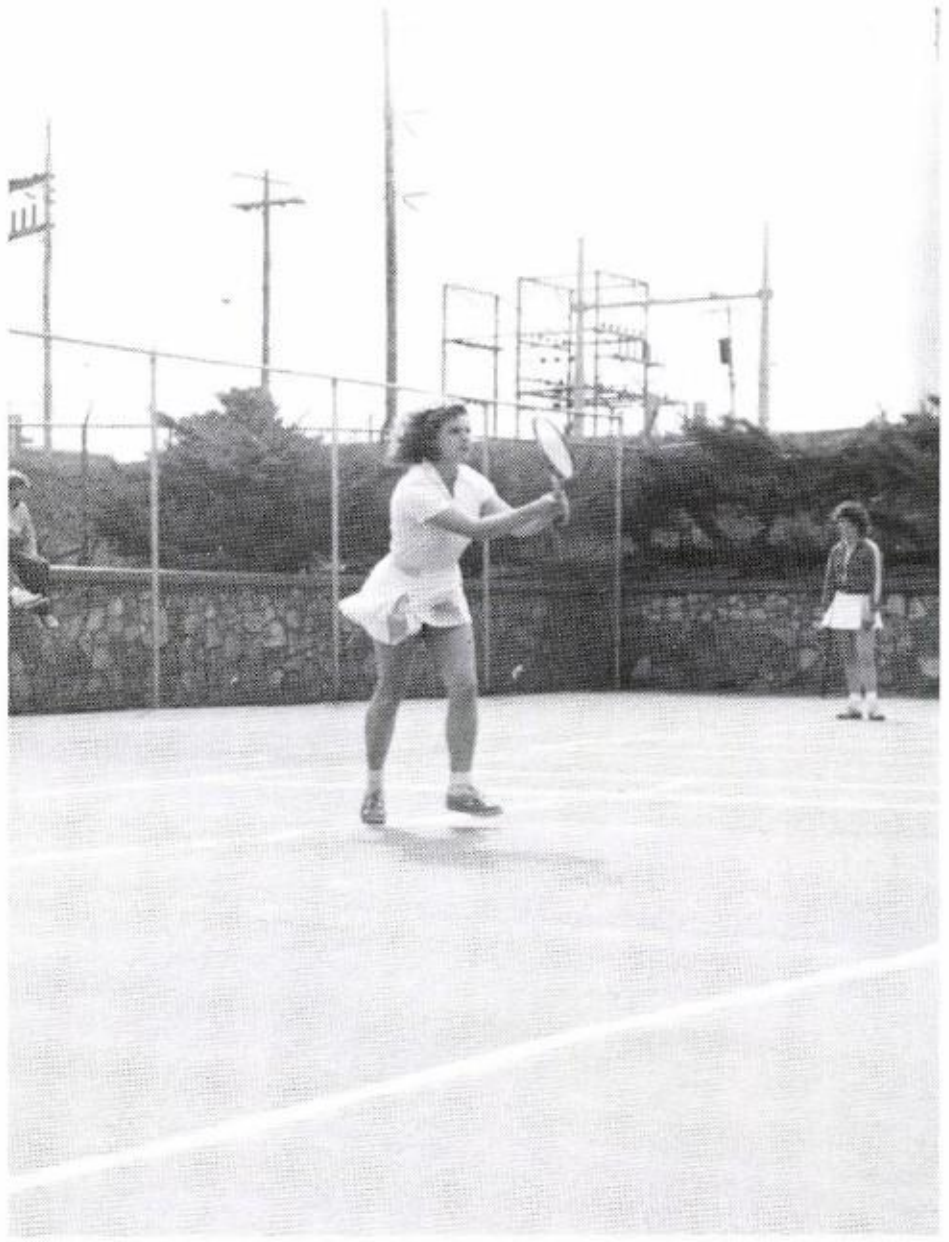
Bob Foote is ready for the drive.

Poor Weather Hampers Season

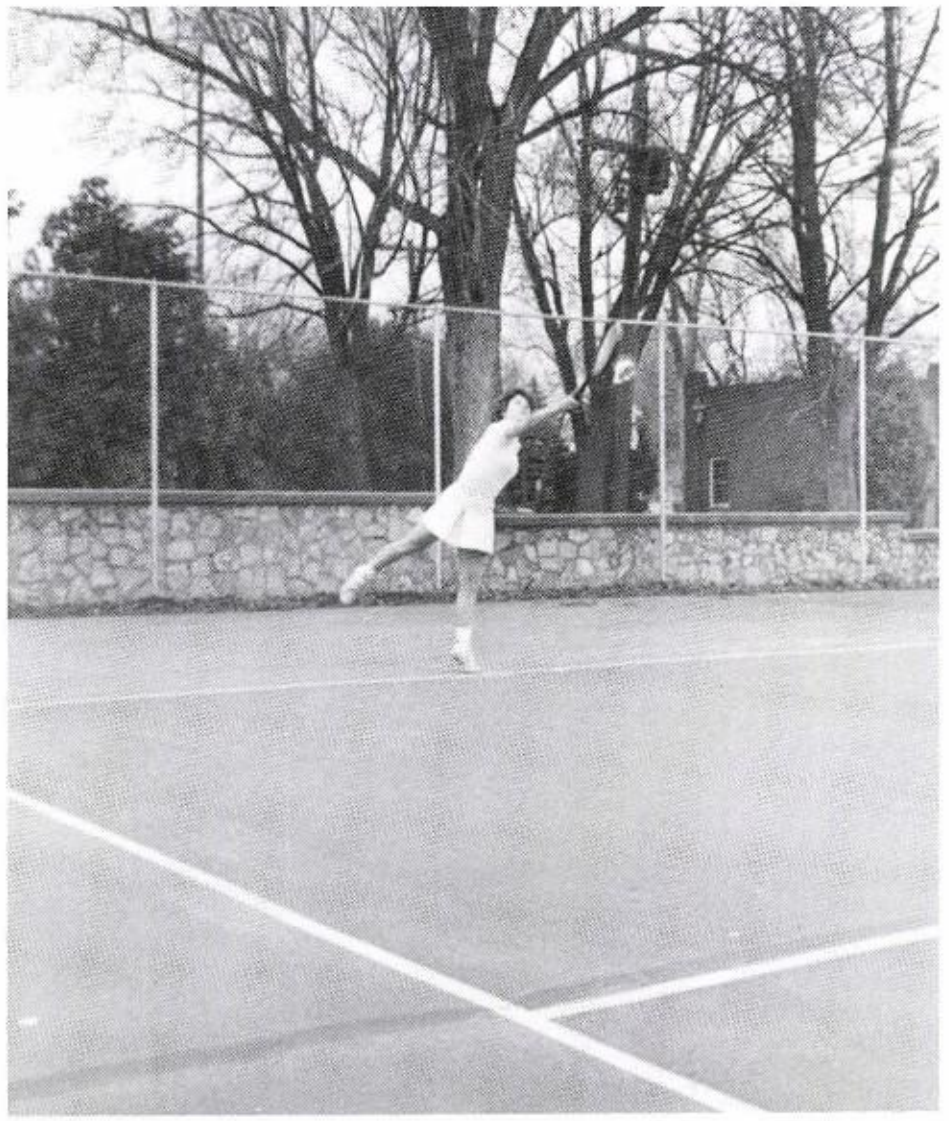
The varsity tennis team did not find much enjoyable weather to practice in this year. The Lady Tigers had limited success this season. Partly because the poor spring weather had limited practice time. Another problem for the team has been inexperience. There is only one senior in the top six that make up the varsity squad. "We were young this year and the poor weather limited our progress. We tried hard but did not enjoy much success." stated Coach Richman. Their season ended with a 1-4 dual record. They finished last at Trans, the Kearney Inv. and second to last at the Big 10 meet. This was a rebuilding year but the girls worked and tried hard.

Liz Fairbanks

Varsity Tennis Team with Coach Richman.



Deb Fehlhafer gets ready to return a shot from her opponent.

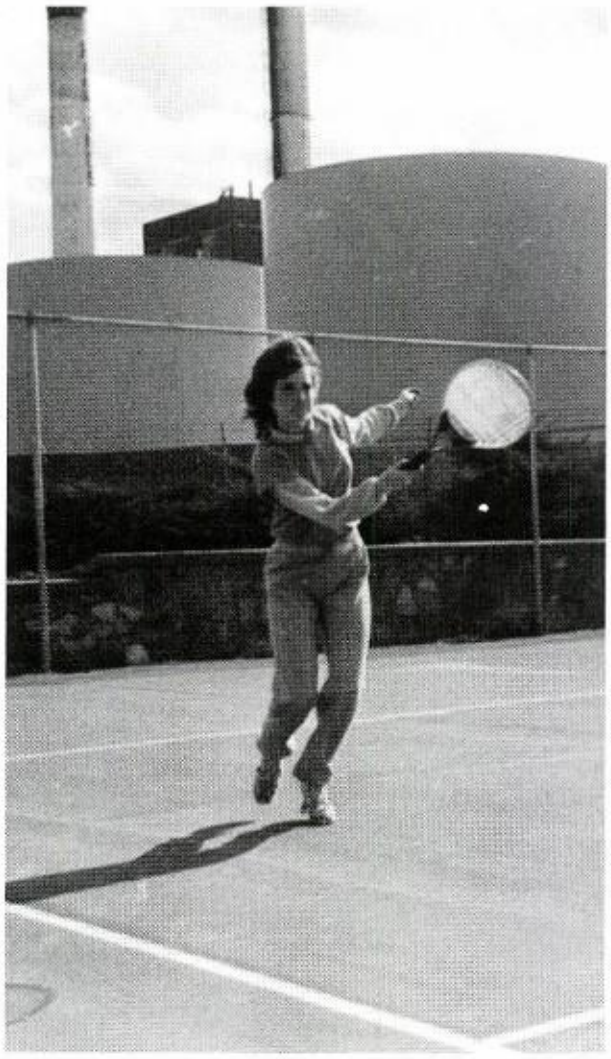


Stephanie Seiler serves to her opponent.

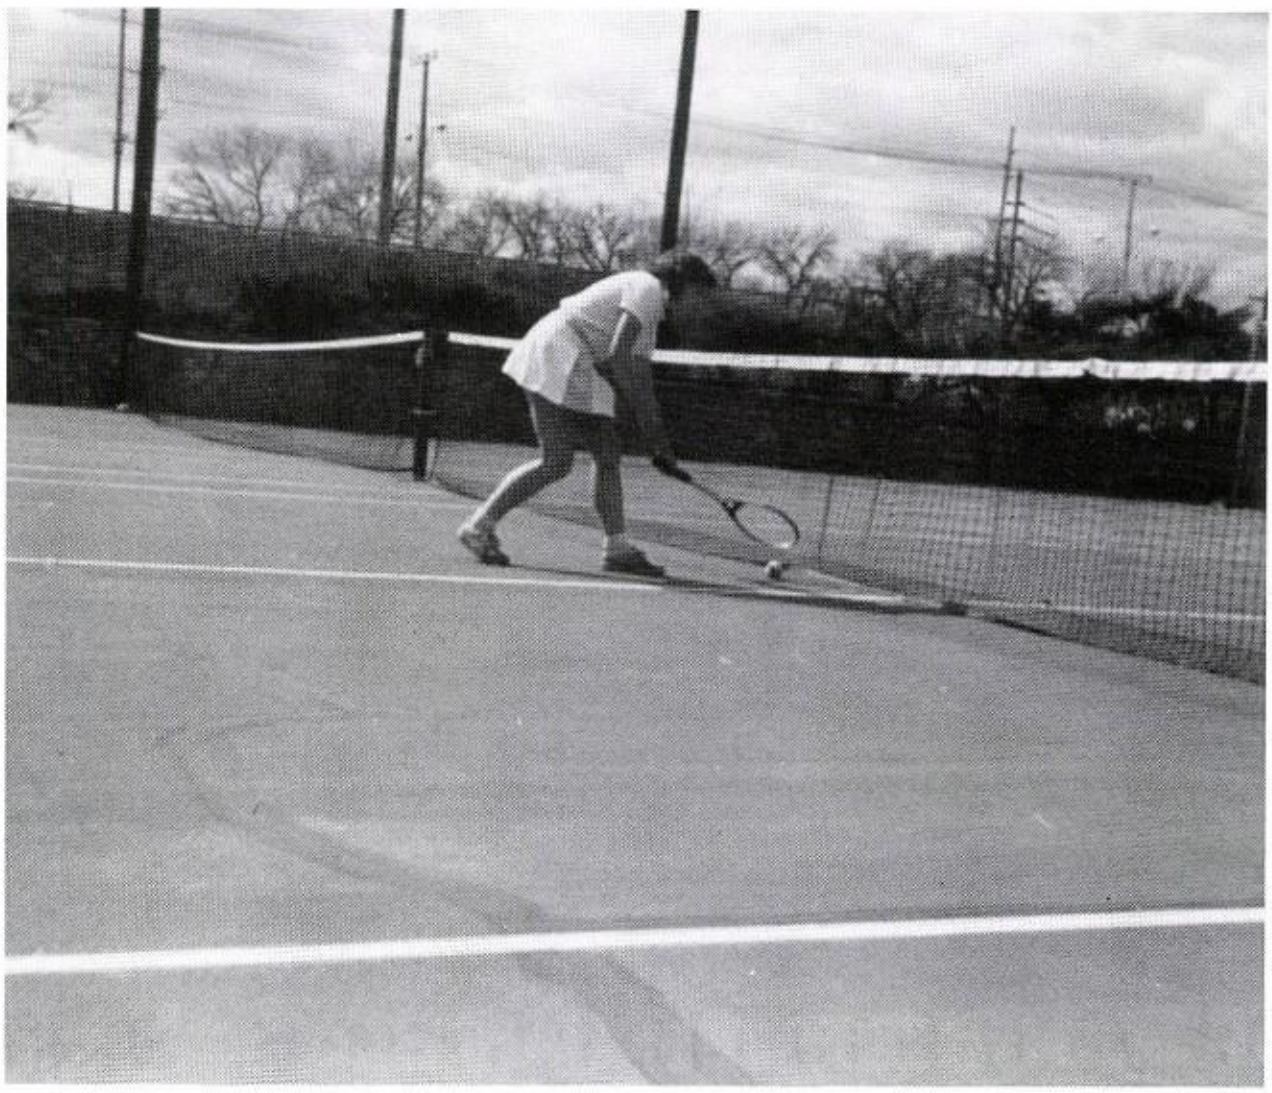
Pam Lewis gives it her all with a look of deep concentration.

Reserve Tennis Team 1984

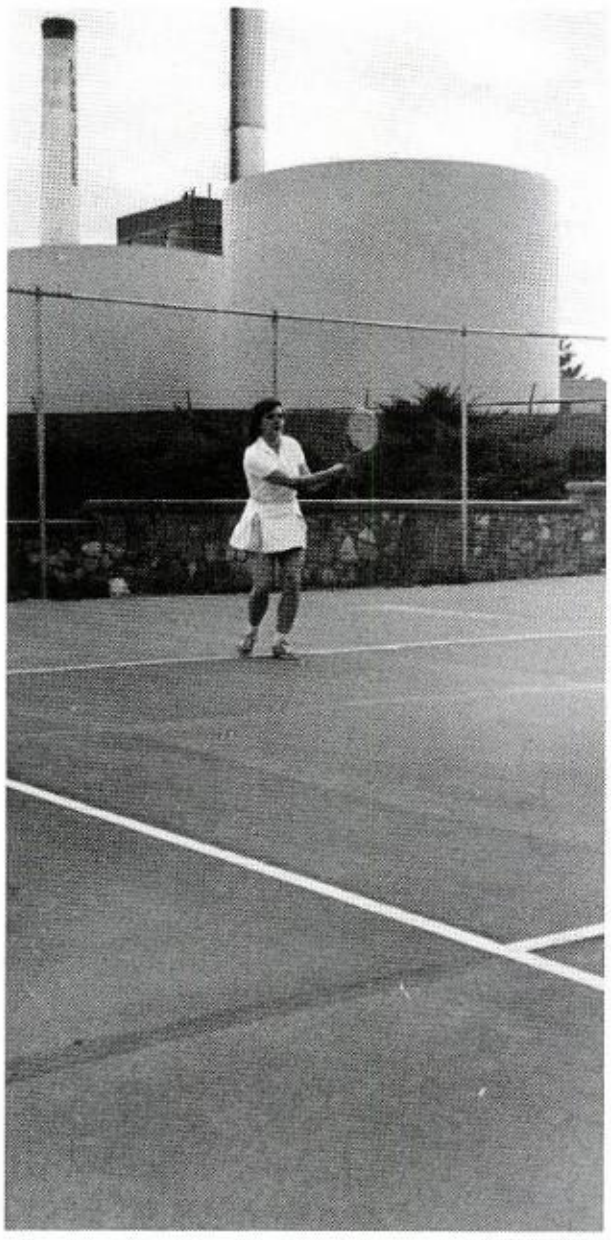
Cathy Quintana gets ready to serve.



Sukey Bonar swings through and connects with the ball.



Deb Fehlhafer retrieves a ball from the net.

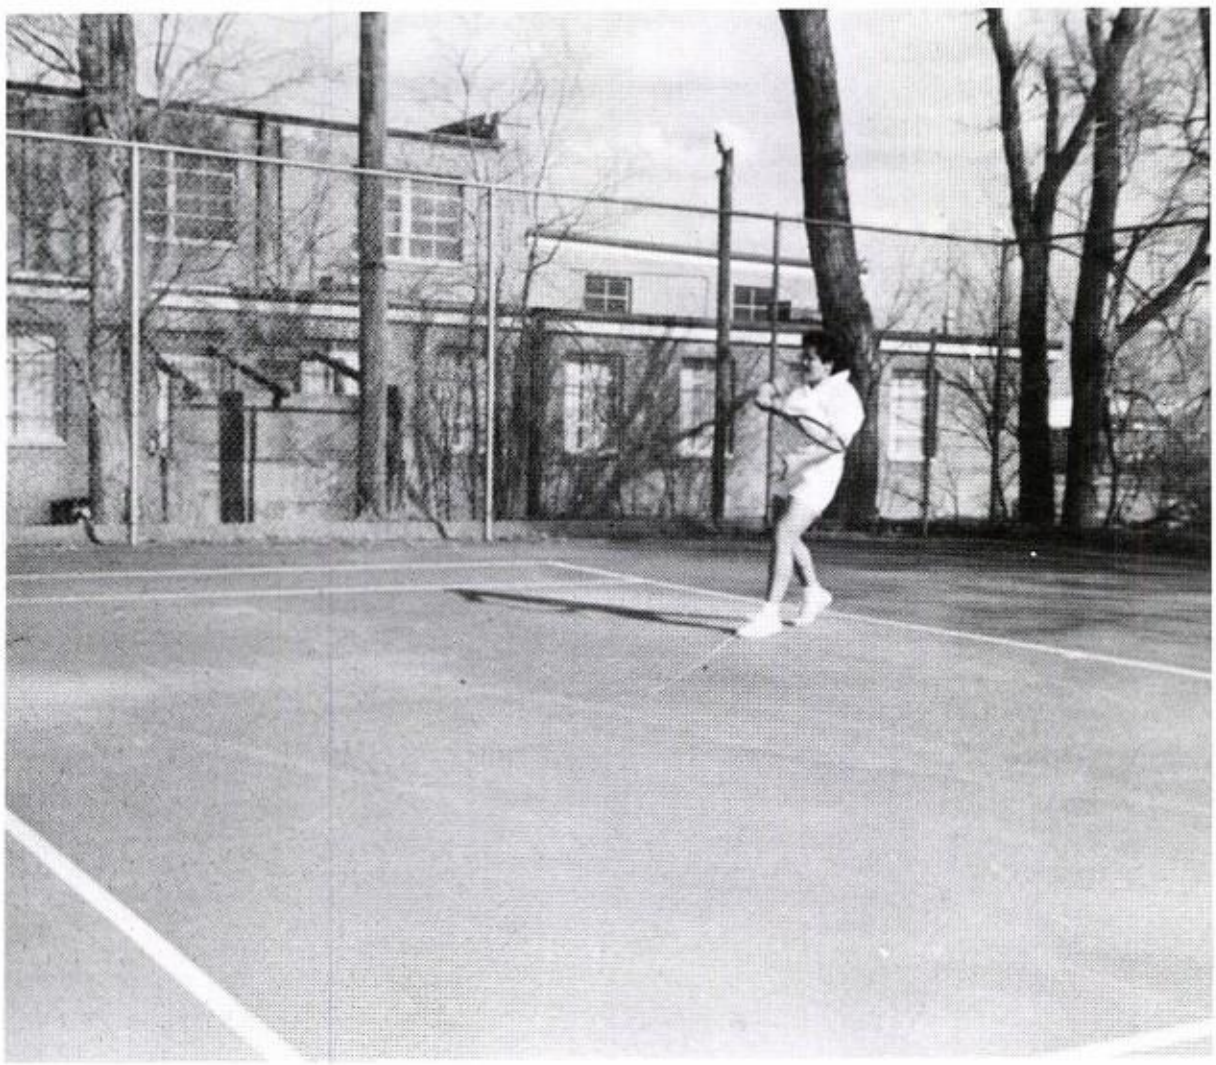


Deb Fehlhafer serves . . .

. . . goes up . . .

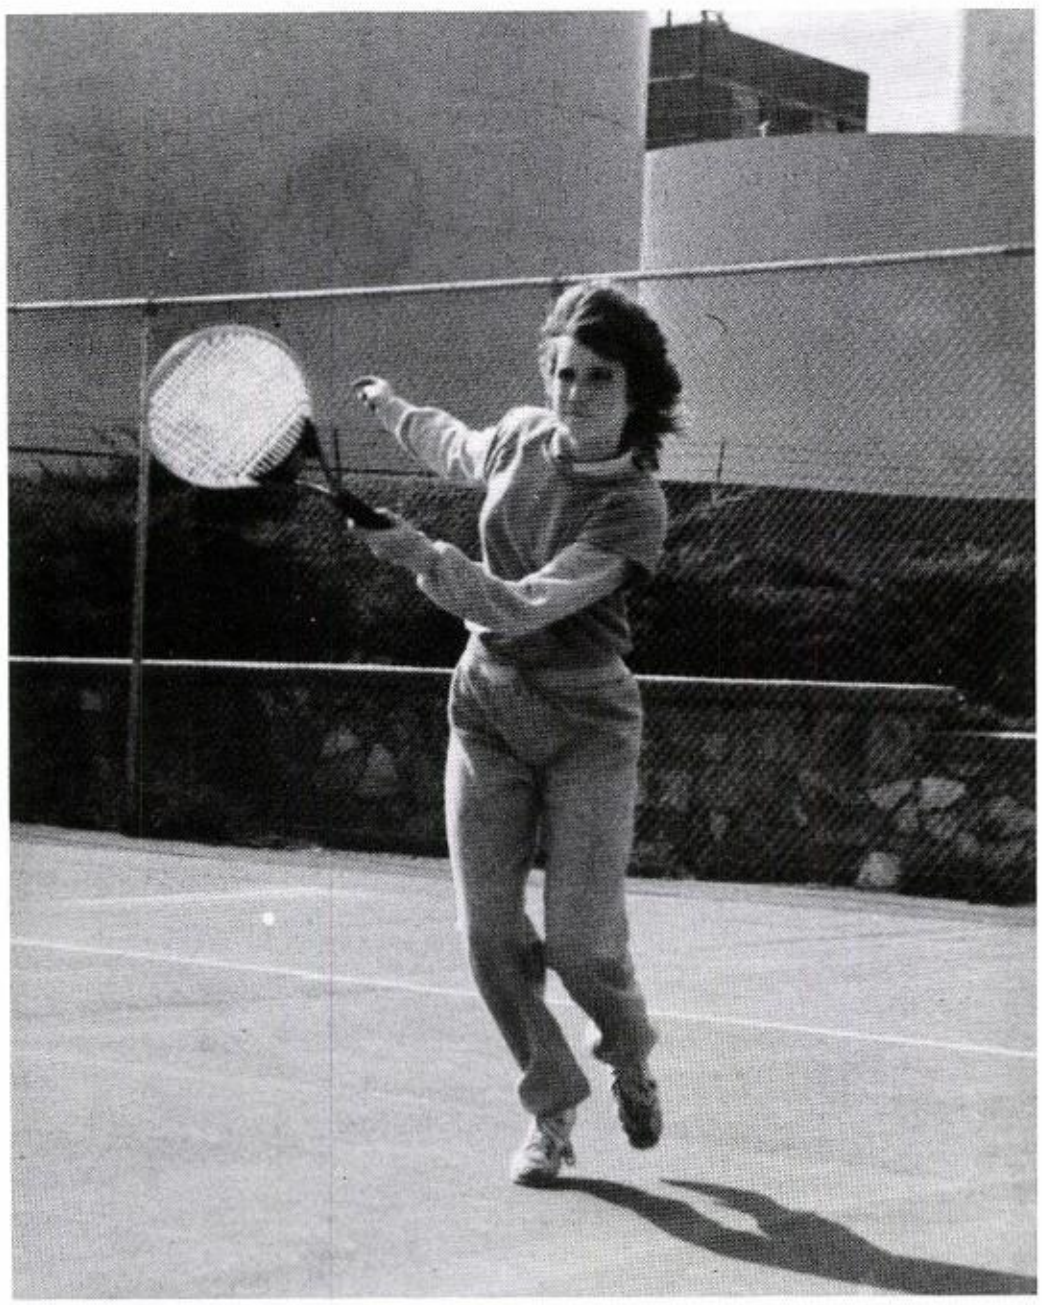
. . . and slams

J.V. Team Improves



Cathy Quintana gives it her all on the court.

The J.V. tennis team had a rebuilding season this year. Although the team consisted mainly of beginners, everyone improved her game. The practice time was limited for the girls because of the poor spring weather. The turn out for the team was good and next year's team will have more experience. Coach Richman stated, "The girls made some good progress and if they play over the summer they can become good players."

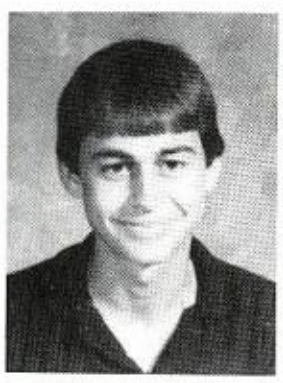


Sukey Bonar goes for the ball across the court.

Stephanie Seiler fires one over the net.

"It's really been exciting portraying Dorothy. I've always been just a kid at heart, and wearing that cute little costume I feel like one. "The Wizard of Oz" was one of my favorite movies and the song "Somewhere Over The Rainbow" was one of my favorites.
Susan Ganow (Dorothy).

"The musical has been a very good experience. It has helped me get to know people that I go to class with every day, but have not really gotten to know until this time. It's something that we'll be able to talk about at our 25th class reunion in 2009."
Bryan Schneider (Scarecrow).

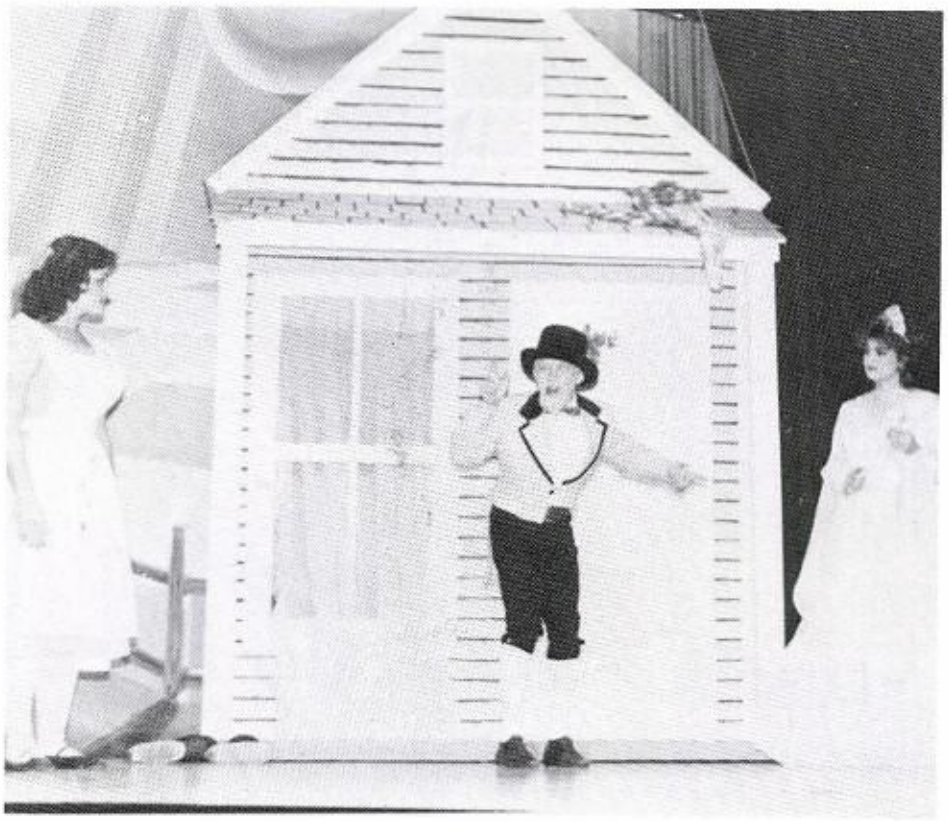


"The musical is an interesting experience. It gives one the chance to function in an extremely large group. The success or failure of a show lies within the group's ability to work as a cohesive unit, not individuals."
Joe Anderson (Tin Woodsman).

"The Wizard of Oz has been a fun time for me. It has also given me a great experience. My part of the lion is a fun role to act out. The musical also gives people a chance to get to know each other better."
Shane Mullen (Lion).

"The promotion of "The Wizard of Oz" has been a bigger promotion than in past years, and the success is beginning to show in the ticket sales. We are looking for it to be a sell out show."
Heather Hughes, promotion (Old Lady of Oz).

The crew is pleased with its performance.



Mayor Munchkin (Jeff Jacoby) explains to Dorothy as the Sorceress looks on.

The lead members are not aware that they are being watched by the Wicked Witch.

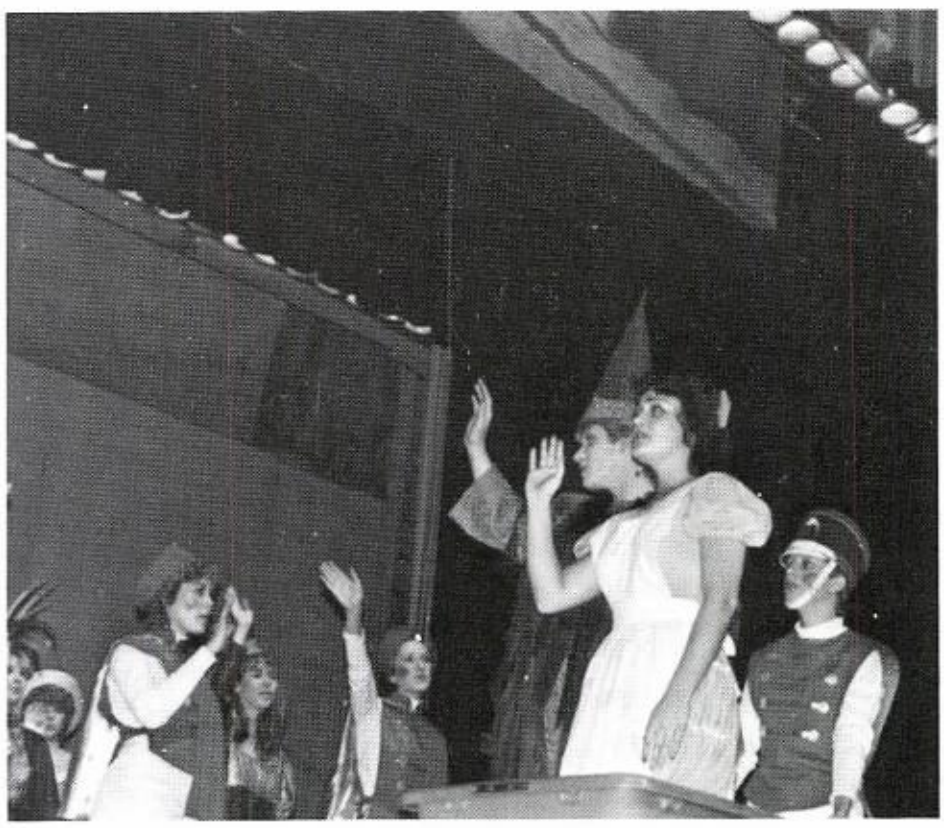
The Lion (Shane Mullen) and Tin Woodsman (Joe Anderson) stop along their way to Oz.

"This year's musical promises to be a show that you won't want to miss. Although we do have an extremely talented cast, we owe a special thanks to our directors. I hope we have a large turn out to make all our efforts worth it."
Margaret Marsh (Wicked Witch of the West).

"The musical this year will be a lot of fun for the audience. The cast has really worked hard for a quality show. I hope we have a full house to see Margaret get it in the end. It's gonna be good." Gina McCoy (Sorceress of the North)

"Even though my role as Gloria isn't too difficult, I feel the "push" to do the best job I possibly can. I know that with our fine directors and crew, "The Wizard of Oz" will be an outstanding show."
Devra Black, promotion (Gloria Growlie).

The Scarecrow (Bryan Schneider) shows his talent during a spotlight.



Dorothy waves good-bye from her hot air balloon.

Follow us through the "Land of Oz"

"Follow the Yellow Brick Road", and "Somewhere Over the Rainbow" were two of the songs performed at the 1984 "Wizard of Oz Musical", presented by Hastings Senior High School.

The story begins in Kansas when a young, starry-eyed girl named Dorothy Gale tries to imagine what is over the rainbow. After the twister hits the farm (where Dorothy lives) she visits the "land of Oz," which is located on the other side of the rainbow.

Oz is a miraculously decorated setting in which Dorothy kills the wicked witch. The citizens of this land are called Munchkins because this particular town called "Munchkinland," is where the dead witch was the ruler.

All of her new friends are going along with Dorothy to ask a favor from the Wizard. Her friends are the Scarecrow, who is asking for a brain; the Lion who is asking for courage; and the Tin Woodsman who is asking for a heart.

In order for the Wizard to help them, they must kill the wicked witch. They kill the witch and are granted their wishes.

Senior Susan Ganow lead the cast as Dorothy Gale from Kansas. Other lead members included Joe Anderson as the Tin Woodsman, Bryan Schneider as the Scarecrow, Shane Mullen as the Lion, Margaret Marsh as the Wicked Witch of the West, and Gina McCoy as the Sorceress of the North.

The play was presented on March fifth and sixth at the Hastings High School Auditorium.

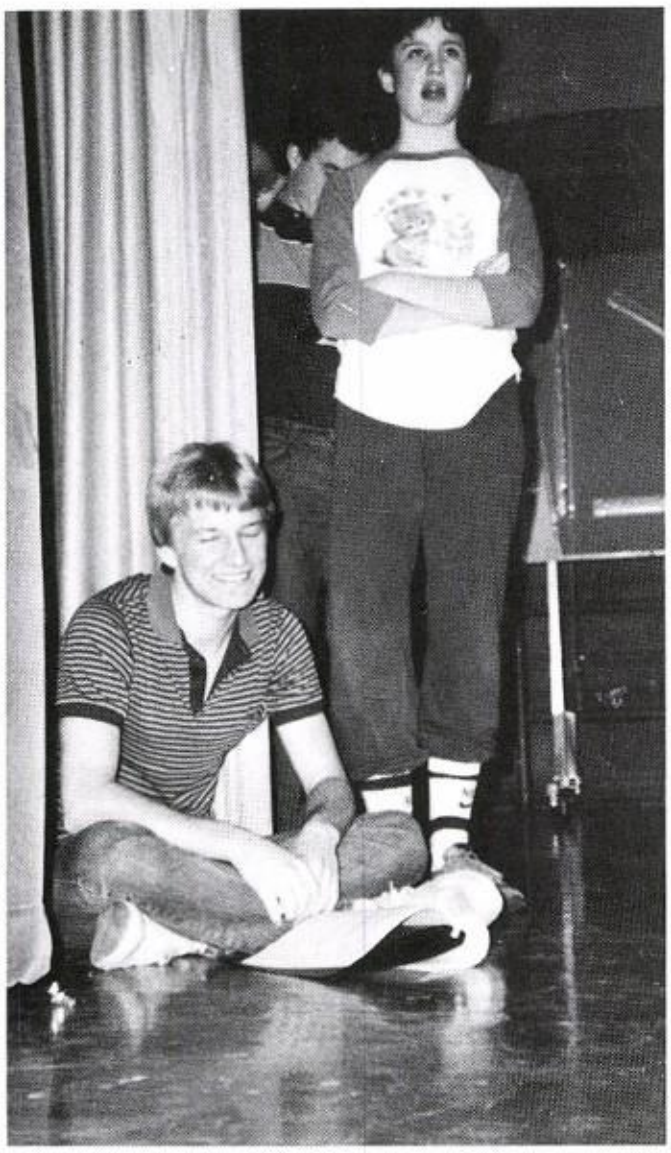
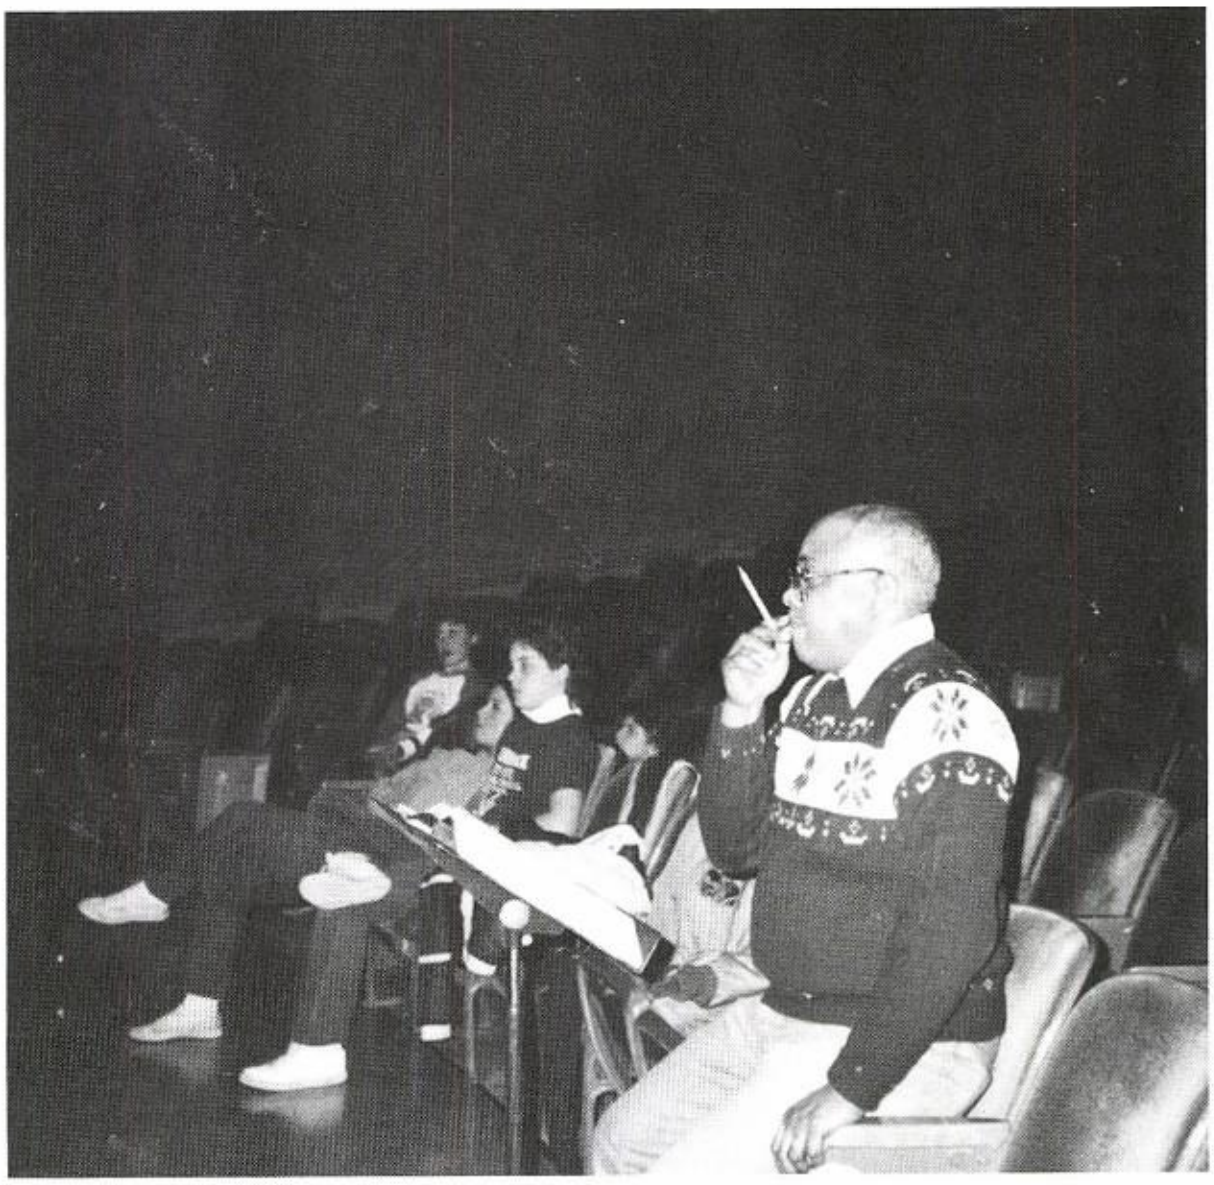
Some of the cast members show their feelings about the performance.

Lead musical cast members pose with the winners of the library reading contest.



Bryan Schneider and Katie Kingsley take a break during practice.



Mr. Pratters seems to be quite interested in the rehearsal of the play.

Yearbook Changes Publishers

"The Sky is the Limit" was the theme choosen for the 1983-84 yearbook. The theme was chosen because the staff members thought it fit H.H.S. During the school year all students reached for the limit in academic and extra activities and proved our theme to be true.

The staff also started two new traditions. One addition was the senior pages in color to honor the seniors and the second was the spotlight athlete section to honor seniors who stand out in a specific sport. We also use computer for the index pages.

During the first of the year, the group attended a clinic in Kearney to learn about many different yearbook styles and production techniques.

Margaret Marsh, Greg Mays, and Wade Anderson show the usual seriousness of the newspaper staff.

Gina McCoy experiments with a dummy sheet as she designs an ad.

Producing 11 issues of the ***Tiger Cub*** proved to be a challenge according to second semester Editor-in-chief Shelley Nelson. "We (the staff) met the challenge and we improved with each issue. You can see our improvements when you compare papers from the beginning of the year to one of the later ones."

The ***Tiger Cub*** participates in the Nebraska High School Press Association newspaper competition. Advisor Mrs. Elaine Booth sends several editions of the ***Tiger Cub*** to be critiqued by the NHSPA. "My favorite paper was the one with the fashion spread. It should win honors at the NHSPA competition," commented Shelley Nelson.

"One of our goals (entire staff) was to become well-rounded journalists, and I think we have accomplished that goal," said Nelson.

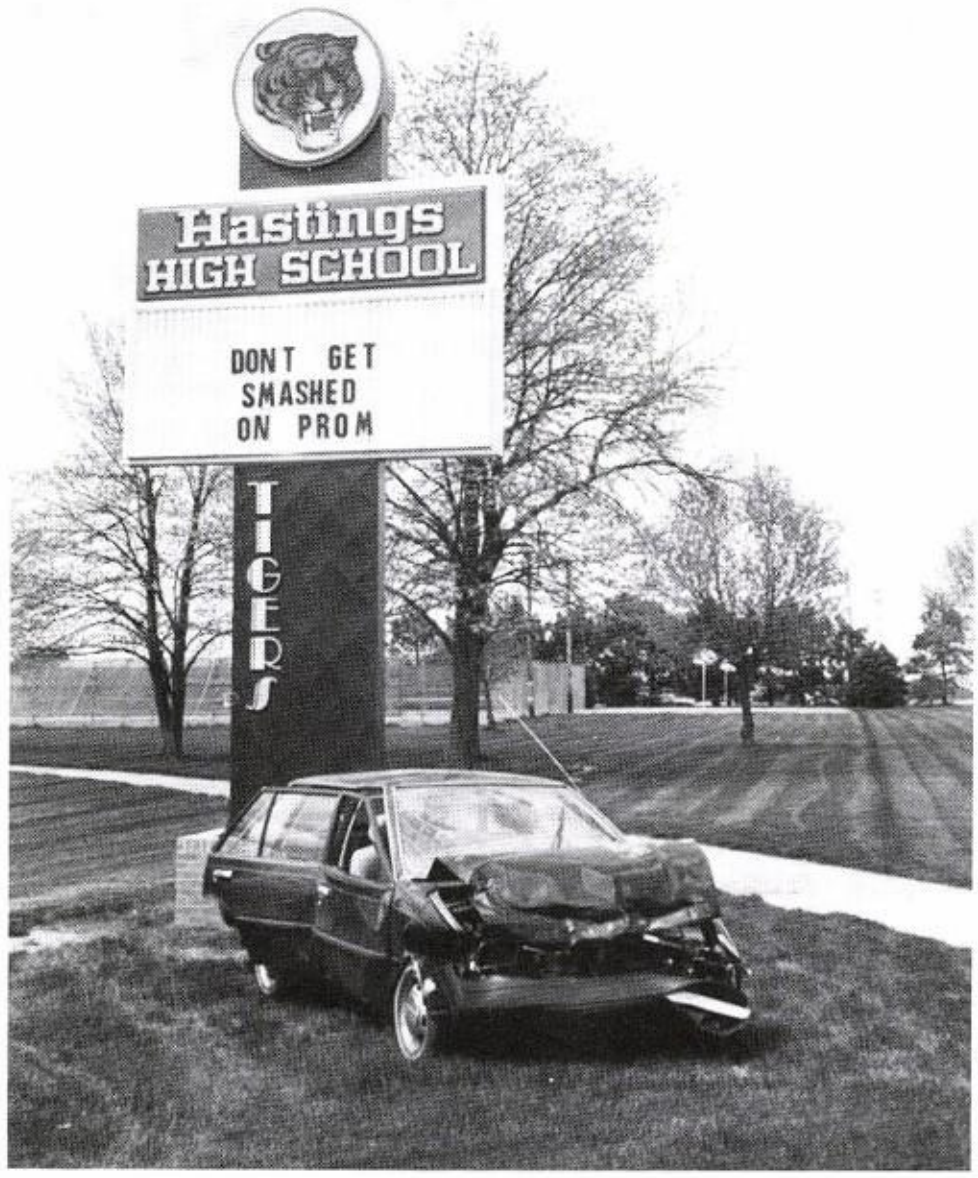
S.U.N.S.: Students Unite for Nebraska Safety

The S.U.N.S. were a new group for Hastings. They are a group of people who are interested in the welfare and safety of others. Their actions and goals are aimed at improving public safety and informing people about everyday hazards. Some projects they have been involved in are: a Tot Safety-Town at the Imperial Mall, a Halloween safety seminar with four elementary schools, Christmas tree safety tips and many other useful tips. Brenda Meyer, a former state president of S.U.N.S., stated, "The group had a lot of fun this year and I expect it will continue. We have an excellent group of eighth graders coming up here next year and expect the club to grow a great deal in the next few years."

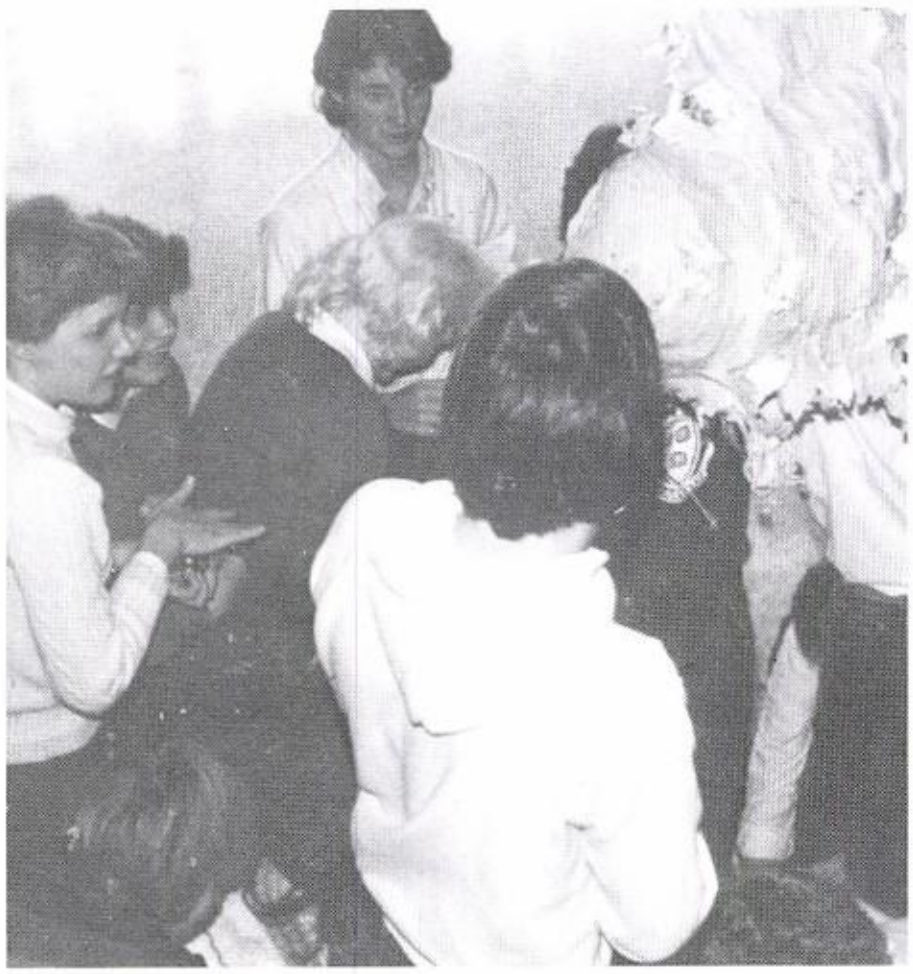
Front to back: Brenda Meyer, president, Deena Ackerman, Deb Johnson, Kim Yenni, Cindy Henry, Jacque Harmon.

Deb Johnson and Brenda Meyer discuss more activities during a meeting.

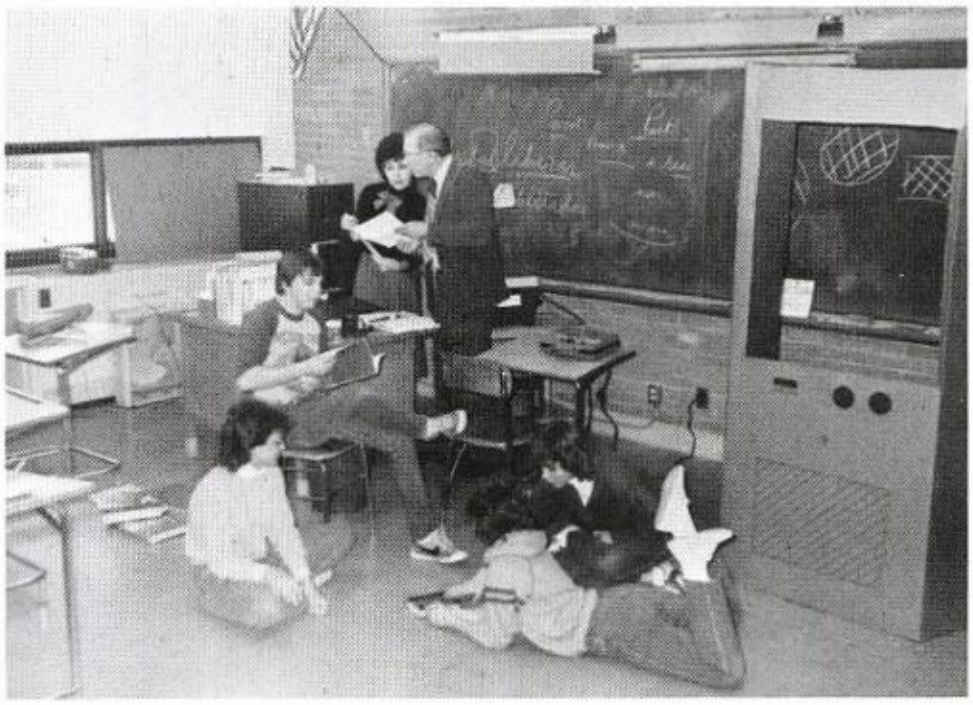


The S.U.N.S. make a point with a smashed up car and the marquee that reads, "Don't get smashed on prom."

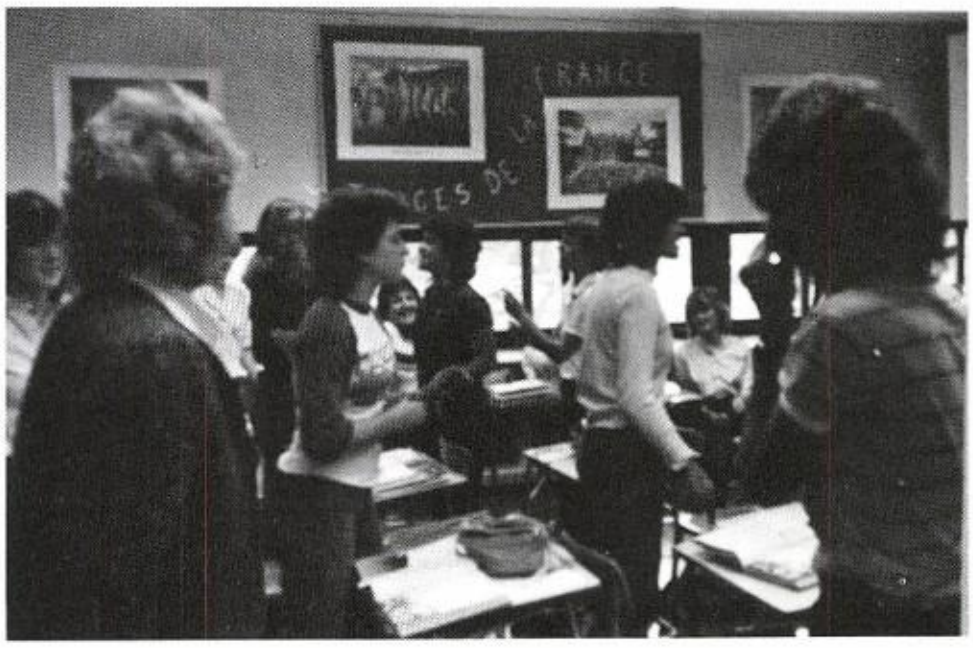
Foreign foods are savored in the last days of school



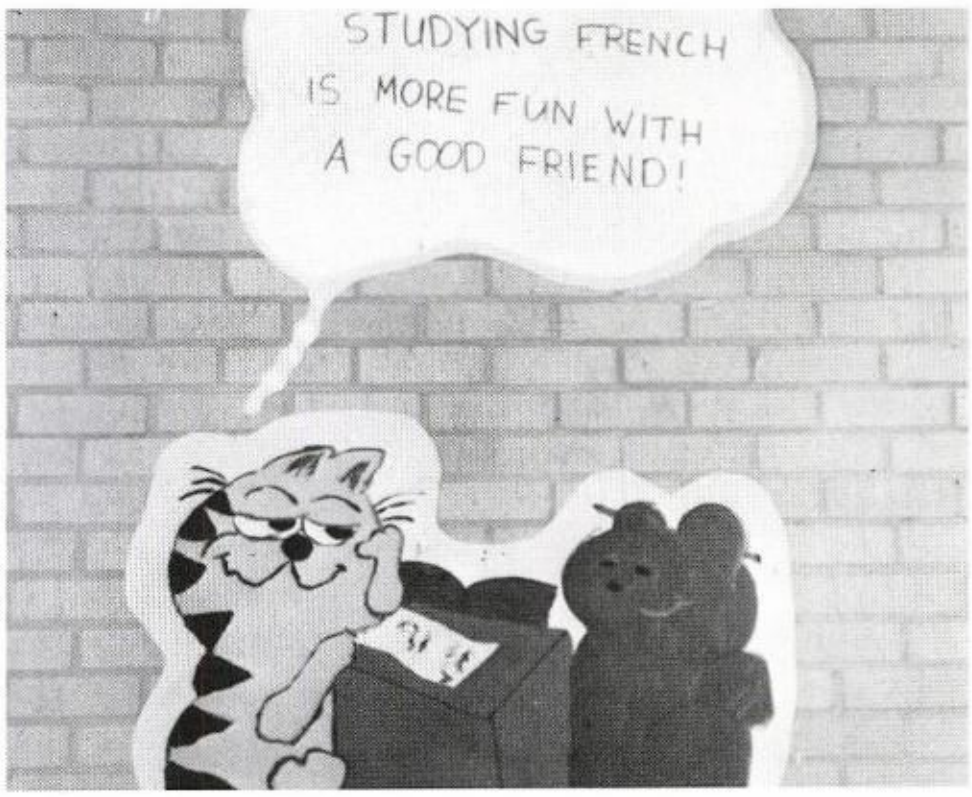
Breaking the piñata is a traditional activity of the Spanish classes during the holiday season.



Mrs. Moser and Mr. Ochsner confer about a contest entry



This is classwork? "Oui, Oui"

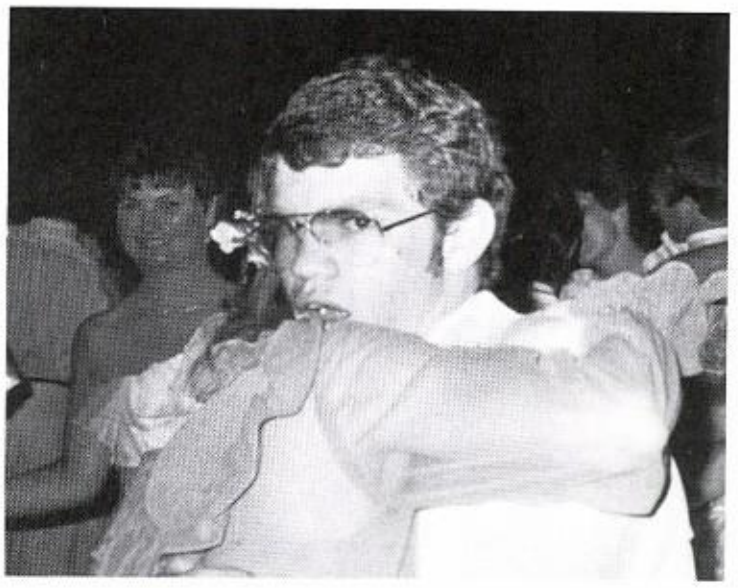


Languages enjoy food, festivals

It was far from a cloudy day when Michelle Kerr, Jon Engelhardt, Kevin Wright, and Lisa Harrifeld attended the Jr.-Sr. Prom.

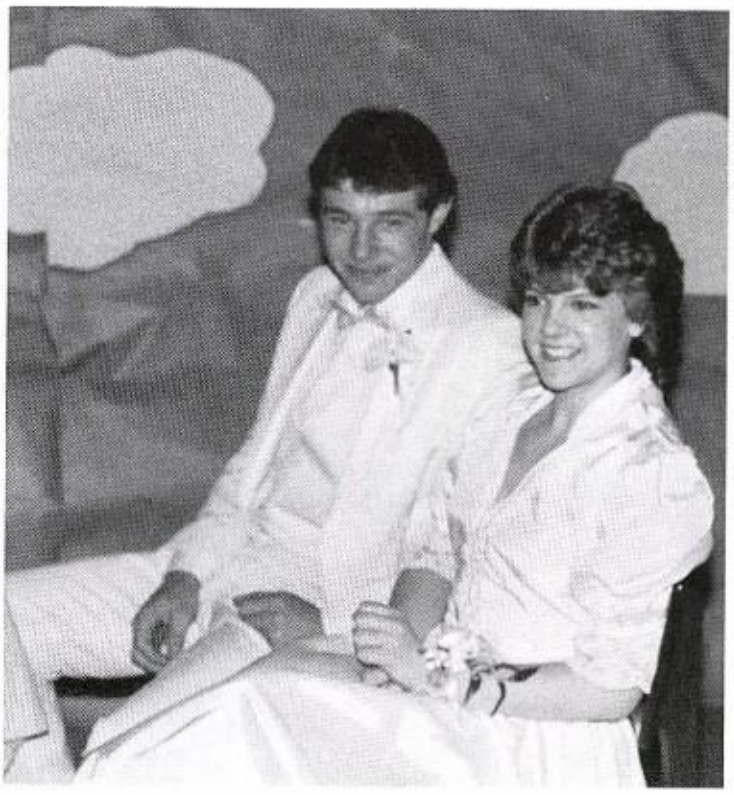
Pam Garrison, Kristi Tackwell, and dates are just entering a night of excitement.

 These juniors are determined to have a wonderful evening.



Sean Conner and his date seem to be having fun.

Corey Johnson and Pam Lewis take a break from the action.



Lonnie Harrifeld and Kristi Rutt decide to sit this one out.

Juniors make dreams come true

On the night of May 12, 1984, I had the most wonderful dream. I saw myself walking up to the school and immediately I knew something strange was going on. The doors were held open by two freshmen boys, dressed in unusually formal clothes. As we entered, a taunting, dreamy mist surrounded us. After giving our tickets, we walked into the gym. I couldn't believe it. This just couldn't be the same old HHS gym. I was strolling on a path and then under a beautiful arch and onto the dance floor.

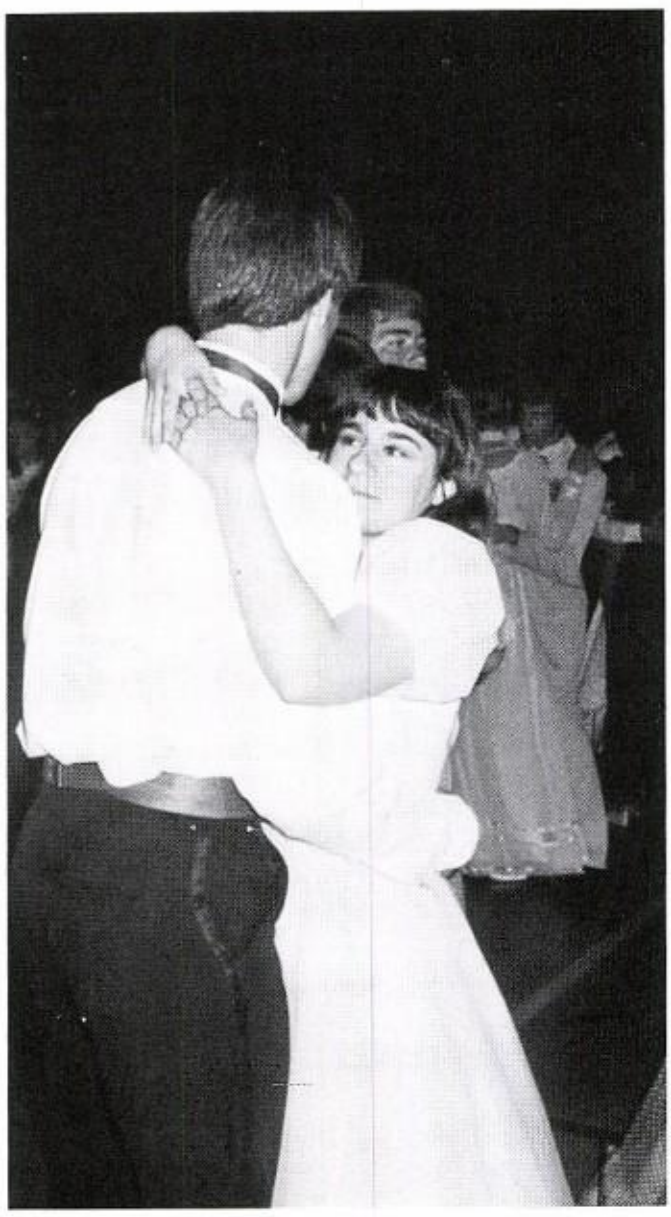
The girls looked delicate and very feminine in their formal dresses. From taffeta to silk, polka dots to stripes, ruffles to lace, tea-length to floor-length, and straps to off-the-shoulder, they all looked beautiful. The guys had on anything from tuxes to tails to good suits in lots of colors such as black, gray, blue, purple, and, yes, even pink.

The music was heavenly and romantic. The band was absolutely straight from the stars - "Star City Players", that is. People were crowded on the dance floor. Couples were swaying to the slow songs and jammin' to the fast ones.

When I awoke, I suddenly remembered that I was on the decorating committee for this year's prom, and I had half an hour to get to the gym. I raced to the school and by the time I got to the gym, my dream had reoccurred and I knew exactly how the decorating should be done. There should be a ticket booth just after the entrance and as we walked through the gym doors there would be an arch with a path under it that led to the dance floor. Tables would be on the side for relaxing after an exhausting dance. The bleachers would be hidden by posters covered with clouds.

I knew it was going to be an exciting evening! Most of all, we (the junior class) just wanted everybody to remember to "Hold on to your dreams".

Dawnita Borrell



Greg Mays and Margaret Marsh have a romantic moment during a slow dance.

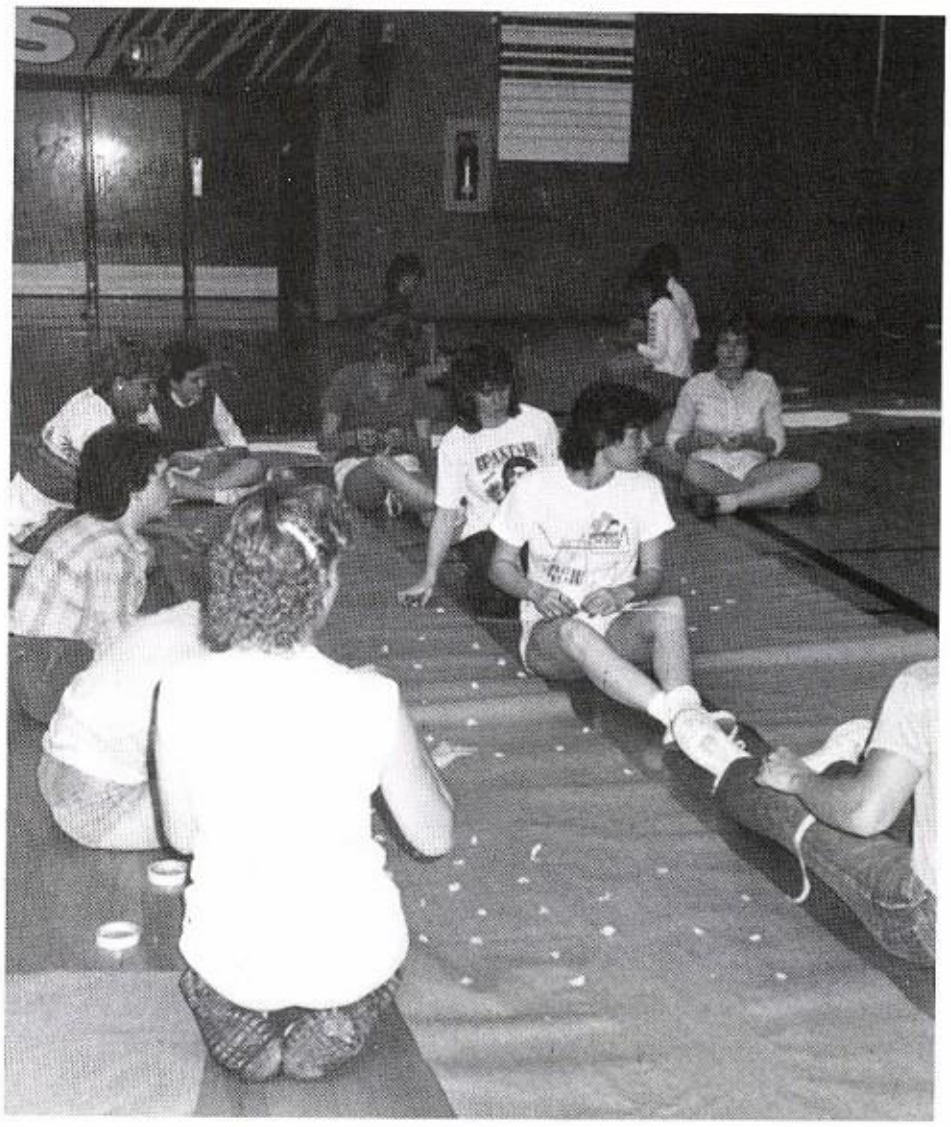
Kristi Hunt, Kevin Baker, Menda McKenzie, and her date stop long enough to pose for a picture.

"You could tell the juniors worked really hard, it looked great." - Steve McKinnis "84" "Prom night was one of my most memorable nights." - Michele DeSimone "85" "The decorations were beautiful and the theme was really neat." - Mary DeRiese "84" "Prom was ***great,*** period, and I'd like to thank the juniors for their efforts." - Rick Waltemath "84" "It was nice to see everyone looking their best." - Janine Pederson "85" "This prom was different from others because it was my last one, and I went with a very special person." - Vonnie Rollins "84" "I had an over-all good time." - Paul Bishop "85" "This prom was different because I was involved in it." - Tony Stovall "85"

Tony Stovall seems to be asking, "Is it straight?."

Mr. McEwen offers his advice on the construction of the arch.

Lynn Rhodus and Cindy Morrissey add the finishing touches to the arch.



Now it's time to put the clouds and sky up.

"Mass Confusion" is the name of the game for the juniors.

Pam Garrison is getting attacked by the tape as Lisa Westermann watches.

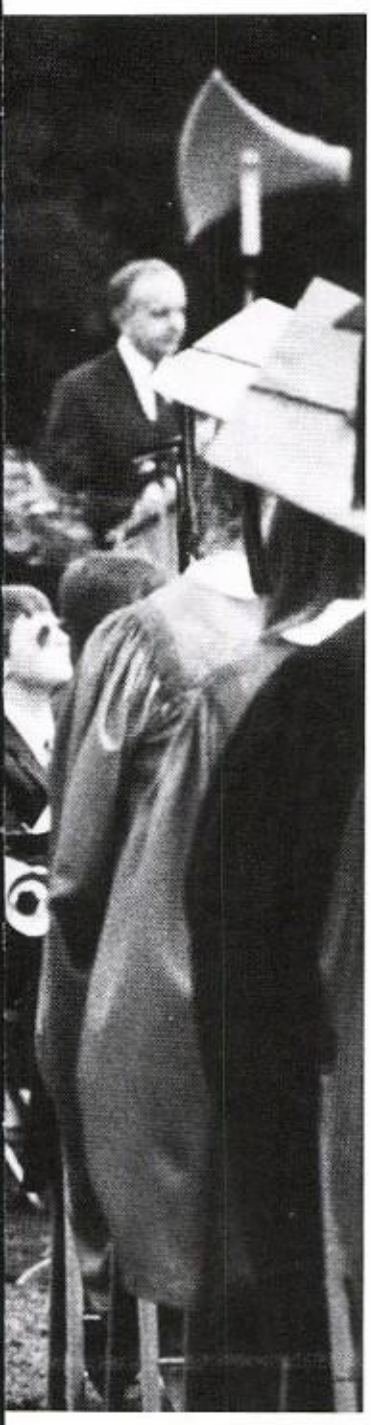
President, Graceland College, Lamoni, Iowa until April 15, 1984
Presently Secretary to Board of Education for
Omaha Public Schools

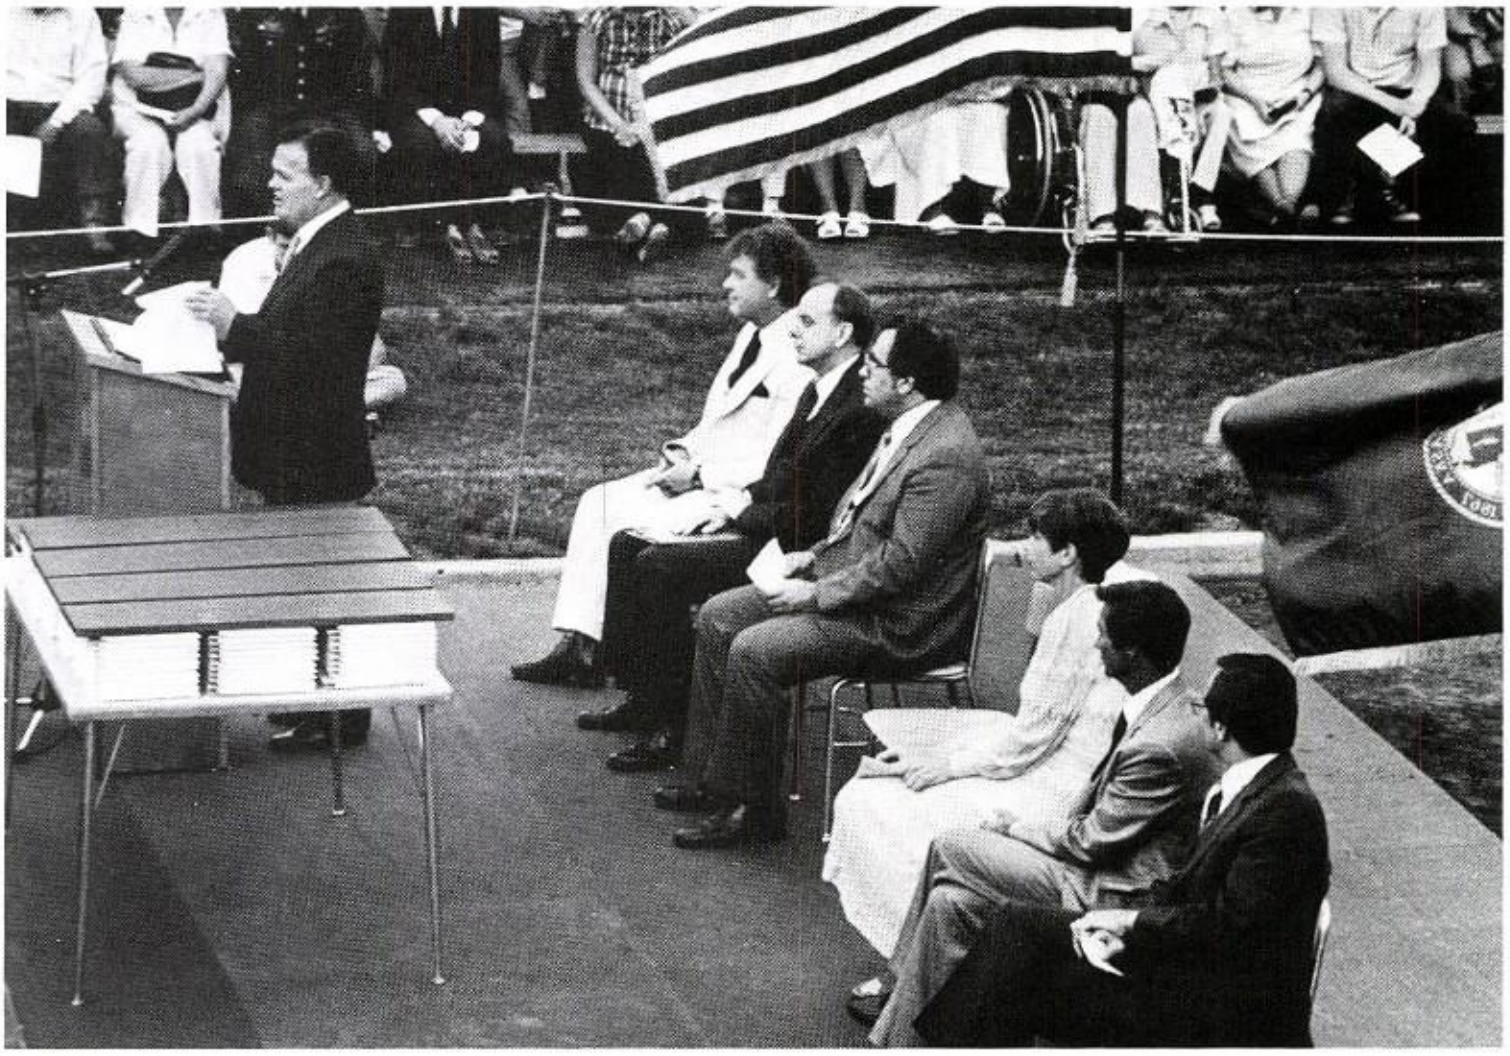
Presentation of the Class ..... Dr. Elmer G. Murman
Principal

Awarding of Diplomas ..... Mrs. Ardyce Bohlke
President, Board of Education

*Benediction ..... Rev. Woods

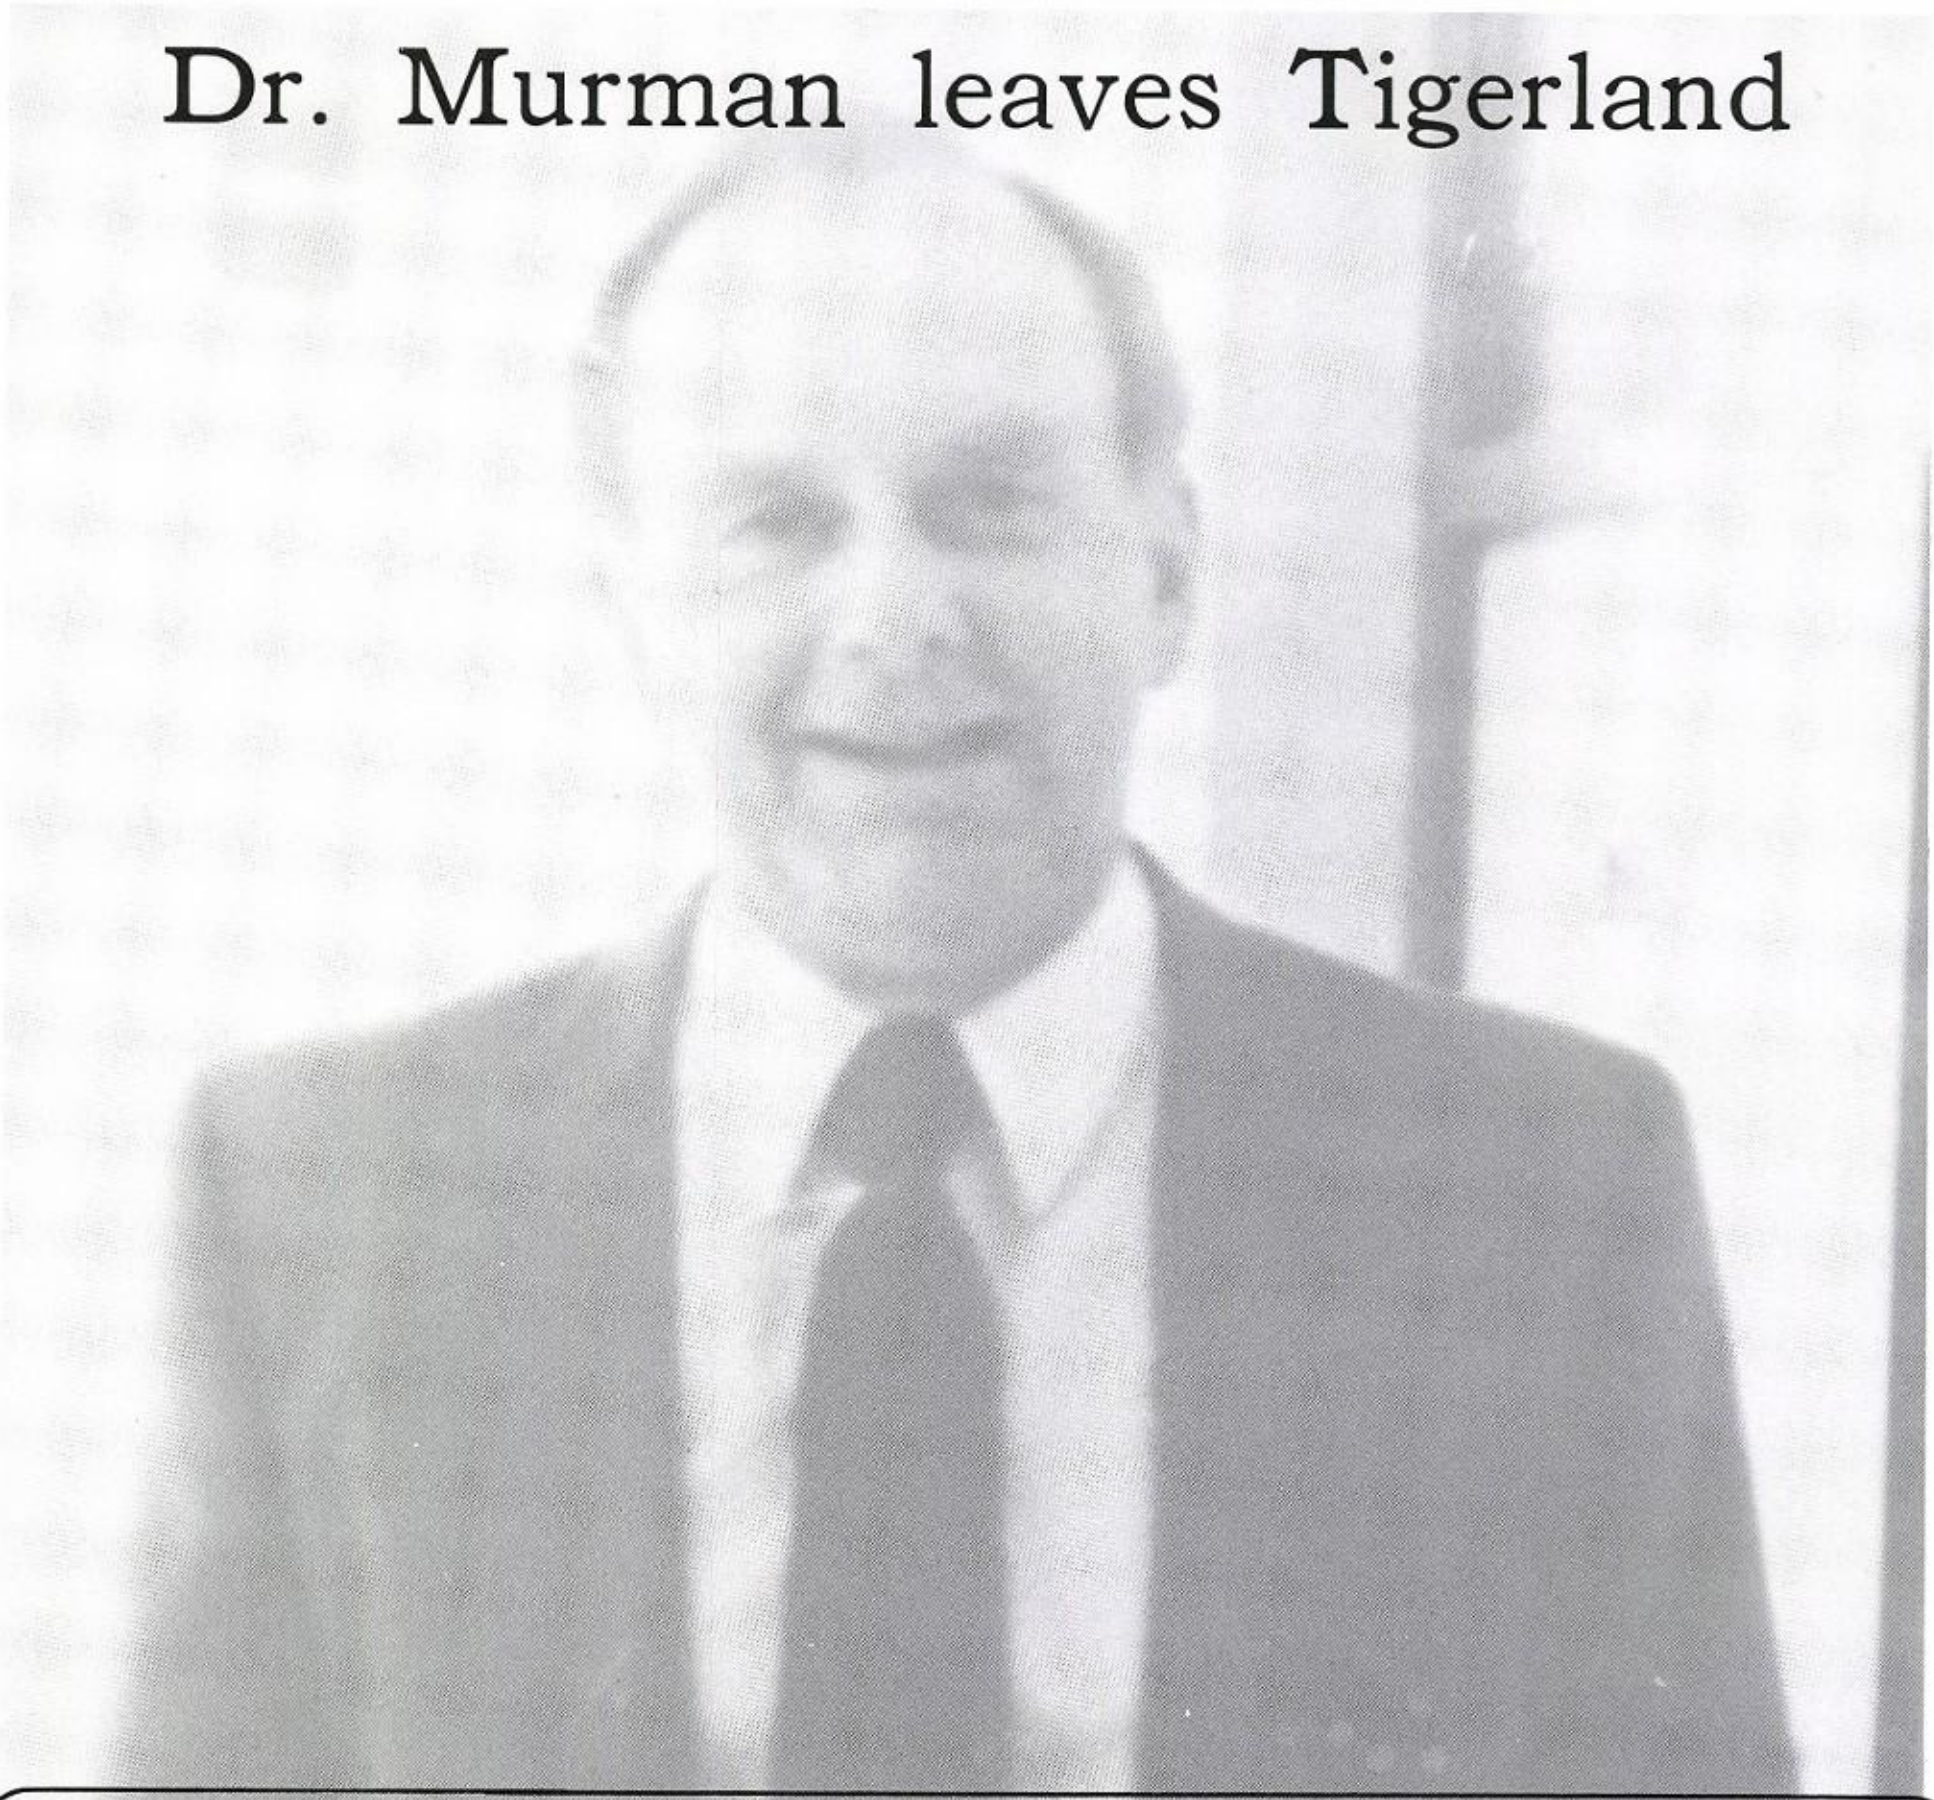
Recessional ..... "March and Recessional" ..... Grundman
Symphonic Band





Dr. Joe E. Hanna addresses the class about their future.

Dr. Murman leaves Tigerland



Dr. Elmer Murman, who has been associated with Hastings High since 1959, will be leaving the high school for a position in the administrative offices beginning with the '84-'85 school year.

Murman first came to Tigerland as a math instructor and then progressed to school counselor and finally, to principal, a position he has held for 15 years.

Dr. Murman said the biggest change the school has undergone since his arrival has been scheduling. When he began here there was a basic six-period day, and then the school switched to the controversial modular scheduling. Finally, a few years ago, the school adopted the schedule currently used at H.H.S.

Another transition has been the level of school spirit. "I have seen a time when students were very enthusiastic about school pride change into an anti-establishment mood. Now, " he said, "it has swung back to a renewed, but moderate interest in school activities."

Murman's new job will involve increased responsibility. As Director of Education, he will oversee selection of textbooks, coordination among schools in the district, staff development and curriculum planning.

Of his many experience-filled years here, Murman said, "I have never regretted my decision to join the staff at Hastings High."

HHS loses friend and classmate

On May 8, 1984 the sound of Dr. Murman's voice echoed through the halls as he helped us say good-bye to a dear friend.

"This afternoon we pause for a few minutes to remember a dear friend and classmate.

Barbara Walker was born November 17, 1967 and died May 6, 1984. Barb was 16 years of age and a sophomore at Hastings Senior High School.

Barb attended Alcott Elementary School, Hastings Junior High School, and then Hastings Senior High School. Barb was a very active student in our school. She received awards in basketball, volleyball, track, debate, band, vocal music, student council and scholarship.

Barb chose courses that were challenging and did excellent work in them. During her last three years of schooling she received 38 "A's" and 6 "B's". During her last full year at Hastings Senior High she earned 6 - 5 semester hours which indicates she got involved in the academic program as well as the extra-curricular program.

Barb will always be remembered as an attractive blonde who was full of life. A friendly, out-going student who loved school and people. A fun-loving person who made things happen. She was the person who planned social events because she wanted to be with friends.

In class, she looked for creative ways to handle assignments. She was the one who was willing to do whatever was asked and a little bit more. One teacher said Barb was just a "neat" student.

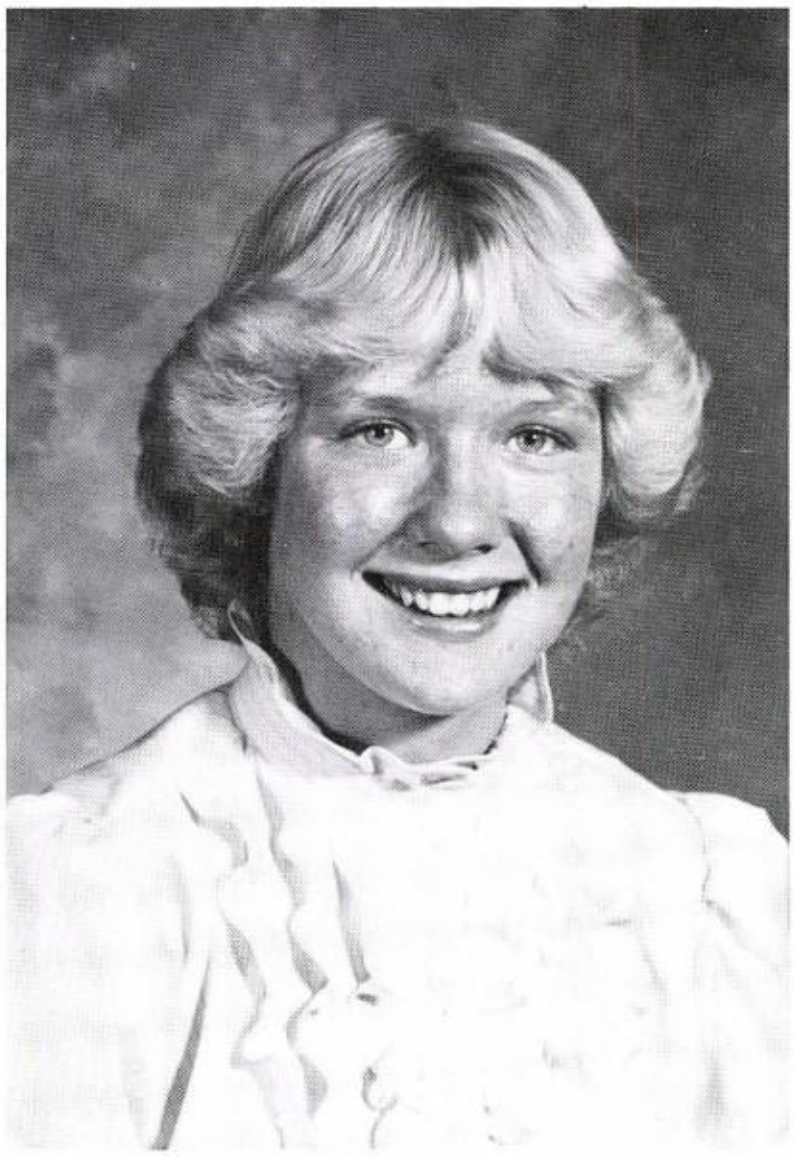
Barb was a real fighter throughout her bout with cancer. The characteristics she displayed in school she displayed throughout her illness. Even though the odds were against her, she did not give up hope and a desire to be back with us.

There are many things in life we do not understand. Barb's death is one of them. Even though her life was short in number of years it was full in many ways. We will miss Barb as a friend, classmate, and student at Hastings Senior High School.

I would like to have everyone stand and each may in his or her own way remember Barb Walker during a few minutes of silence. Please also remember the loved ones she has left behind.

A Rosary will be held this evening at 7:30 in Butler-Volland Funeral Home Chapel.

Funeral services will be at 10:00 a.m., Wednesday in the St. Cecilia's Catholic Church."



As I sit and look out the window the snowflakes remind me of my life. So many pieces, so many parts, each falling the same way but they never get close enough to touch. They fall through the air hoping someone will reach out and touch them, even though it may be a short while, but at least they were touched by someone special. Then they land on the ground with all the other broken dreams and unkept promises. Finally when enough have gathered someone caring will come along and roll all those broken dreams and unkept promises into a ball or any other item. It doesn't matter what you are on the outside because someone cared enough to pick up your broken dreams and unkept promises and turned them into a dream come true.

Barb Walker
1983

"Don't You Cry Now"
Written by Jim Sanderson

Today is a sad day
We are saying good-bye to a close friend of ours
She was so special
I know she'll be missed in all of our hearts

But hey, don't you cry now
For there's peace
No more pain

Remember all the good times
Those memories will last forever and more
Her smile, her laughter
Never forget, no always remember

Hey, don't you cry now
For there's peace
No more pain

So hey, don't you cry now
For there's peace
No more pain

No more pain
Sung by author at Barb's funeral

I am glad, my friend,
That we've had these times together.
I've benefited from all that we have shared.

We've shared our deepest secrets,
And our most distant dreams.
When those dreams have appeared so far away
That I became discouraged,
You encouraged me to push myself to the limit.

When I have failed,
You were always there,
To help me back to my feet.
We shared so many tears and so many smiles.

Through all that you have given me,
I have become what I am.

Now when all goodbyes must be said.
I want to thank you for the strength you've given me.
For now I must pick myself up in hard times.
And I must encourage myself when dreams seem distant.
I want to thank you for blessing my life
With the true friendship you have provided.
I want to leave you with the hope and faith
That you so often gave me.
All your tomorrows will hold many promises.

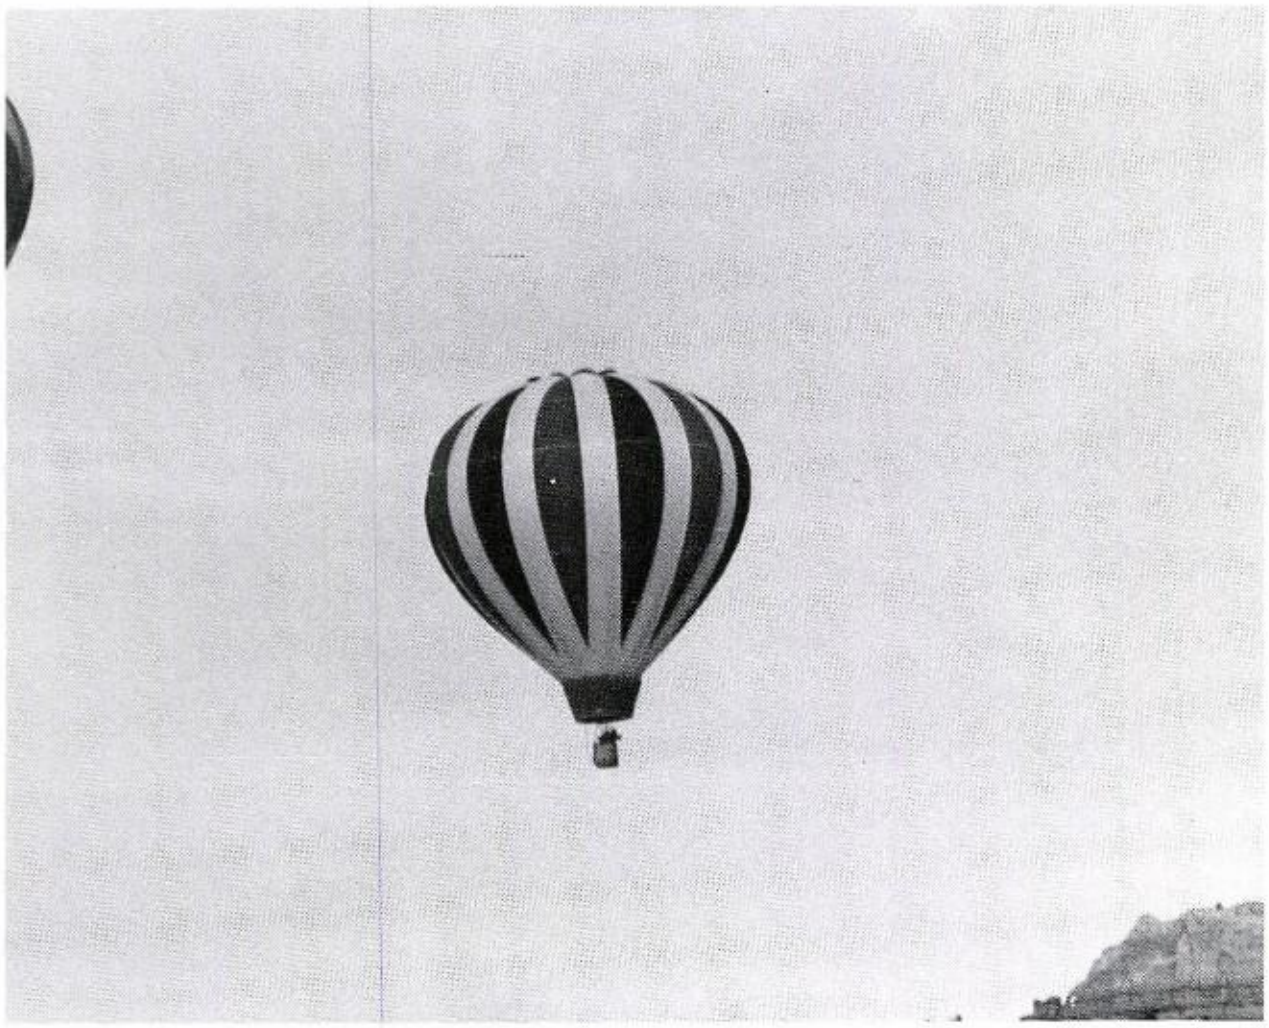
So believe in yourself,
And reach for your dreams.
With these memories in mind
And with all of this, deep in your heart,
May you always remember that . . .
"The Sky's the Limit"

Julie Lantz

Colophon

The 650 ordered copies of the ***1984 Tiger*** were published by Walsworth Publishing Company. Trimmed to a size of 9x12 inches, the books have a light blue cover. The cover design, title, and theme were stamped by the hot-foil process. The foil color chosen was silver. The endpages were printed in color with artwork by Lisa Harrifeld.

All 200 pages were printed black and white except senior panel pages. The pages were printed in four color as the beginning of a tradition to honor the senior class. The type style chosen for the ***1984 Tiger*** was Bookman with variations of italic and bold. All headlines were done in sentence style in the standard size of 36 point. Subheads and kickers were done in sentence style in 8 point. Body copy was done in 12 point Bookman with indented paragraphs. The colophon was done in Serif Gothic with a variety of italic and bold. Captions were done in 10 point Bookman with a position of ragged right. Senior identifications were done in 14 point Coronet. All other class identifications were done in 10 point Bookman bold. Scoreboards were in 10 point Bookman. Long body copy on various pages was also done in 10 point Bookman.



Special Thanks

We wish to thank Lisa Harrifeld for the artwork on the endpages and the cover. Her talent added a lot to the appearance of our book.

We want to extend our gratitude to Barry's Photolab in Lincoln, Nebraska. He provided the terrific pictures of balloons which carried out our theme wonderfully.

Thanks should also be expressed to Greg Adams and Mike Diffenderfer for all the assistance they gave to us as our publishing company representatives.

We wish to thank the local photographers for providing senior portraits. They helped to make the senior class pages very special.

Memories

The theme, "The Sky's the Limit" has been a very valuable theme to each of us on the staff. We have shared in the completion of this year's yearbook, ***The Tiger-1984.*** This achievement is special to all of us because of all the time that has been put into it. Each individual on the staff dedicated his or her own ideas. Putting these ideas together has made our yearbook unique. Dedication has also contributed in making this book meaningful. We hope that, for the reader, this year's yearbook has captured the many memories that should be kept forever. We also hope that our theme has as much meaning for the rest of the student body as it has for us. So that in the future all of us may always remember that "The sky's the limit."
